I am a quadrillionaire chapter 2152-“I want to know why.”

‘You don’t need to know!’

“I have to know!” Nas said firmly.

Beanie was taken aback. She did not expect Nas to be so courageous to talk to herself like this.

“What if I don’t tell you?” Beanie asked calmly.

“Then I’ll keep standing here. Don’t even think about leaving.”

“Nas, are you crazy? Leave immediately and I can pretend I didn’t see anything.” Beanie was also a little angry.

David was still on the team!

Wasting time like this would likely cause dissatisfaction for the other party.

“I’m not crazy! I just want to know why,” Nas insisted.

‘Why? Because you are not qualified!’ Beanie snapped.

“Oh? I am not qualified? I am the first-in-line heir of the Nacht family, and you’re saying that I am not qualified? Then who is qualified? Nivia? Aunt Beanie, don’t forget, she is just a woman. So, no matter how good she is, she is destined to never be the head of the Nacht family, just like yourself,” Nas pointed at Nivia and asked sarcastically.

Beanie calling the first heir of the Nacht family unqualified completely angered him. At the same time, it also made him lose his mind.

He was not just directing those words at Nivia, but he was also directing them at Beanie.

It meant that as women, Beanie and Nivia could only assist the head of the Nacht family no matter how good they were.

Although Nas had a high status, he was still a junior.

Meanwhile, Beanie was the number two besides the head of the Nacht family and also the person in charge of the Nacht family at The Spirit Cage. She made very big contributions to the Nacht family.

Her status was not comparable to that of a junior like Nas.

Even if the Nacht family had gone through ten heirs, Beanie's position in the Nacht family would still be unshakable.

This was the gap between them.

However, a junior like Nas was mocking a senior like Beanie so brazenly.

"How dare you?!" Beanie did not say anything, but Peridot and Nivia beside her reprimanded Nas almost at the same time.

'You're the bold ones. You have no right to speak,' Nas sneered.

"Nas, you are hopeless! When I promoted you as the first-in-line heir of the Nacht family, I wanted you to turn the

pressure into motivation and continue to improve until one day you could stand alone. Unexpectedly, it harmed you and made you more and more arrogant. It seems that after I return from this trip, it will be time to hold a high-level meeting with the family to discuss the changing of the heir."

Beanie's calm words rang in Nas' ears like thunder.

It pulled him out of his anger immediately.

'The changing of the heir?'

As the person in charge of the Nacht family in The Spirit Cage, Beanie certainly had the ability to do this.

"A-A-Aunt Beanie, I-I..." Nas could not say a complete sentence after stammering for a long time.

After he came to his senses, he realized how big of a mistake he had made.

Nas showed extraordinary talent at a very young age and was deeply loved by the Nacht family seniors. So, after discussion, they decided to put a little pressure on him and make him the first-in-line heir.

This only caused him to become arrogant and excessively enthusiastic.

They made Nas think that he was the future head of the Nacht family since he was a child, hence, he slackened in his cultivation and became flamboyant.

In the process, the Nacht family also noticed that something was not right.

However, they had already decided on the heir, and it is not a trivial matter to change him, which was why the matter was delayed until now.

In the end, this was the result.

“Okay, that’s enough. In fact, the Nacht family’s seniors have been quite critical of your actions this whole time, but the frequent replacement of heirs would do a lot of harm to the Nacht family’s reputation, so the family decided to tolerate you. We hoped you could change, but we didn’t expect you to get worse. The head will be representing the entire Nacht family, and with your narrow-mindedness and extreme personality, you are not suitable to be the head of the Nacht family at all.”

Beanie looked at Nas with disappointment.
