

Chapter 1193 How Could He Be So Irresponsible

Leo lost his cool after being humiliated repeatedly.
"Brandon! Do you really want to go up against the Harding family?"

Brandon sneered, "Even if I say 'yes', what can you do to me?"

"You!" Leo was at a loss for words.

The Larson Group was the most powerful company in the country, so it was already incomparable to the Harding Group, not to mention the Larson Group now had the support of the White family.

No matter what, the Harding family could not afford to offend the Larson Group or the White family.

"Besides, the Harding Group is under Garrett's control now, and he will definitely be grateful if he finds out that I save his wife. Do you really think that he would turn against me, Mr. Harding?"

"Brandon! Is this how you talk to your elders?"

Furious, Leo's face turned red and his blood pressure spiked. He couldn't refute, so he had to blame Brandon for being impolite.

Leo knew that Brandon was right. He couldn't do anything to the Larson Group even if he tried when he was in charge of the Harding Group, let alone now.

Seeing that Leo was rendered speechless, Janet finally felt as if she had vented her anger.

Brandon was really the only one capable of dealing with such a conflict.

The commotion caused passers-by in the hospital to stop and watch.

After hearing the story, they looked at Leo and Vera disdainfully.

The public thought they were so inhuman for starting a fight and only wanting to see the baby while their daughter-in-law was still in danger.

Vera was a self-important woman, and naturally, she was ashamed to be met with such disdainful looks.

"Enough, stop arguing." Vera tugged at Leo's sleeve, hinting him to calm down. 2

After Leo noticed that people were watching them,

he stuttered and blushed, feeling embarrassed.

Brandon didn't want to talk to them anymore, so he requested a doctor to check Leo's blood pressure in case Leo fainted from anger. And then he asked security guards to take Leo and Vera away.

Leo was indeed enraged, but he did not dare to say anything. He had no choice but to leave with Vera silently.

After they left, the onlookers also slowly dispersed. Peace was restored outside the delivery room at last.

Janet breathed a sigh of relief, held Brandon's hand, and asked in a soft voice, "Brandon, why are you here?"

"I came here to help you."

Brandon would only show his tender side to Janet. Pinching her cheeks lovingly, he added, "You care a lot about Laney, so naturally, you would have a conflict with Garrett's parents. I had to come to support you."

Although Janet was moved, she frowned when she thought of Laney and asked, "What's the matter with Garrett?"

Brandon sighed and replied, "Well, Garrett is on his way back now. He has boarded the plane. He was found drunk and passed out in the hotel and had lost his phone. That was why we couldn't reach him." 2

"Drunk and passed out in the hotel?!" Janet was shocked and angry. She really wanted to beat up Garrett for being so irresponsible. "Wasn't he on a business trip? How could he drink while Laney was in labor? How could he be so irresponsible?"

Brandon also found it to be rather strange. Although Garrett was fun-loving, this was a little too much even for him. 7
