

## THE VIRGIN'S REVENGE

### Chapter 11 Stuart's dumbfounded and happy to hear her speak

Liam threw the stained cotton in the petridish and said anguished at his ungratefulness "fine do it yourself."

The two who were trying to suppress the laugh finally gave in laughing loud.

"What are you two assholes laughing at?asked Leon.

"Sorry bro but you really need to take a closer look at your face," Raphael passed the mirror to him.

"That good for nothing bastard i'll settle the score with him, Rosio he called out for the maid who didn't seem to respond and that piqued him the more,where the fuck is that bitch, Rosio,": he yelled.

"Yes sir Leon," she came rushing and petrified at what he could possibly do to her.

"Get me my cigars now," he shouted.

"Okay cool down Leon, would you? Rosio did nothing wrong."

"Shut the fuck up Liam this is all your fault, if you hadn't insisted on speaking with Kyle none of this would've happened in the first place."

"Speaking of that do you think we should look for that whore," asked Roshan.

"We can't look for a person we hardly reminisce besides if she was to go to the authorities she would've done it a long time ago, but i don't get why Kyle's so affected by all of this it was just sex," said Raphael.

"I've had enough with this Kyle-sex talk i'm heading to

the club are you game Liam?" Asked Roshan.

"Think I'll pass, you guys go ahead," Liam answered.

At the Rivera family.

Stuart managed to come back with Larissa but they found Bethany still locked up in her room.

Opening the door, Larissa ran up straight to her shouting "bestie," enveloping her in a tight hug.

"I missed you so much, she broke the hug and held out her earlobes sorry i left you at the party had to see my parents off at the airport," she said with pouted lips.

Bethany laughed out at her expression, "so you finally

remembered my existence i wonder which punishment i should give you," she said stroking her chin.

Stuart was dumbfounded and happy at the same time to finally hear her voice after what seemed like forever.

He figured out that the two needed some girl time so he excused himself.

Larissa hugged her tightly almost choking her "sorry I'm just excited and happy to see this beautiful face of your's again," she said cupping her cheeks.

"Beth your father told me what happened sorry i wasn't there to....."

Bethany interrupted her immediately "my father what did he say to you?"

"Relax bestie he just told me you fell sick and was admitted to the hospital, why did you suddenly freak out are you hiding something from me?" She asked with a questioning look.

"Aah no.....it's nothing, anyway you are in no position to question me young lady remember i'm the mad one not you." She tried to change the topic.

Bethany knew of the of the emotional turmoil and guilt Larissa would experience if she revealed what happened to her so she decided to keep it a secret and was glad Stuart refrained from telling her.
