

THE VIRGIN'S REVENGE

Chapter 3 The after math 1

No sooner had he spoken than Stuart stood up shouting at the top of his lungs "rough sex what is that supposed to mean for your own information doctor my daughter would never indulge in such acts, she's just sixteen for crying out loud no redo the examination," he said infuriated.

Only the heavens knew just how protective he was towards Bethany that he never allowed any member of the opposite sex to approach her.

He would always pick her up from school, escort her when she'd go out running the store's errands and now some stranger was in front of him explaining the cause of her lying on the damn hospital bed all bruised was because of sex, of course he'd freak out.

"Stuart I understand your frustration as a father but

allow me illuminate it more truth is.... he breathed in and continued your daughter was assaulted.

The last words hit Betina like a thunder bolt echoing in her ears like church bells.

Stuart was dumfounded "Alex are you saying my daughter was raped."

"Yes, look Stuart please calm down i know how you're feeling right now....."

"Calm down, he jumped in cutting him short, you're honestly asking me to calm down, Alex imagine it was your daughter lying in that fucking bed because she was sexually assaulted by God knows who, would you calm down," he held the doctor by the collar screaming at him with rage.

"Enough Stuart, Betina who had been silent

throughout the entire scuffle finally spoke out.

"Stuart the damage has already been done getting

angry won't solve anything or change the fact that

Bethany lost her chasteness besides, i don't know

what the town's folks will think of me once they get to hear of all that happened, my reputation will surely be ruined."

Betina was a true definition of an egotistical person but Stuart never imagined her displaying it at such a time, her words overwhelmed and outraged him the more.

"Betina you must be kidding me right now, your daughter's innocence was taken in the most savage way and all you worried about honestly is your reputation,.....what.....what kind of a mother are you."

"The kind who wants nothing but the best for her daughter, Stuart who in their right senses would marry Bethany after finding out about the rape remember she's scheduled to marry the mayor's son anytime from now but guess what she just had to go and mess things up and if this news gets to Mr. Robleto i'm positive he'll call off the engagement and do you have the slightest idea of what that means..... poverty Stuart, Bethany will work like a dog day and night in misery living like a disgrace....."

"Shut up Betina enough, he raised his hands almost smacking her but his hands stopped midair, i dont want to hear a word coming out of your mouth," his reaction and tone frightened her.

"Our daughter is in that damn bed in need of our full emotional support, have you stopped to think about what she's possibly going through?"he said through clenched teeth trying his best to calm his nerves.
