

THE VIRGIN'S REVENGE

Chapter 6 Bethany's stupor

Back at the Rivera family, it had been weeks since Bethany's discharge from the hospital.

Little Lucian had exhausted all his funny tricks but none seemed to cheer her up instead Bethany just kept staring into empty space with no trace of emotions on her beautiful face.

Suddenly the door knob cracked and came a voice behind daises "how are the two most dazzling faces in the whole of Las'Ganas doing."

"Oh comon dad, our beauty goes beyond Las'Ganas its worldwide right Beth," little Lucian said enthusiastically.

His remarks caused Stuart to chuckle and he removed the flowers from his face "fine you win, hey

princess look i brought you your favourites daises and chocolate."

He hoped this would lighten her lousy moods.

But she just threw an eye on them and returned back to her stupor, this action caused a deep frown to settle across Lucian's chubby face.

"Dad, what got into Bethany ever since she returned back from the hospital it's like she's trapped and lost in her own world where nothing seems to cheer her or interest her anymore."

Stuart was baffled at his son's words he didn't know what to say in reply Lucian was to young to comprehend the cause of his sister's trauma.

"Son, he held him by the shoulder, your sister needs all your support now more than ever but don't worry

she will soon get back to her old self we just need to exercise a little more patience and trust in God," he said the last words pointing up with so much conviction.

"I hope so dad i really miss and want my sister back," tears started forming at the corner of his eyes.

Rubbing them away Stuart held him in a tight hug and gently patted his back.

After a while he made up an excuse for Lucian to leave, he wanted to spend some time with Bethany.

When Lucian left, Stuart turned his gaze back to his daughter, he moved closer and sat next to her.

"Princess, he called out and caressed her cheeks, i know you can hear me, i want you to know that dad is right beside you and we'll face this together as a

family.....i'm sorry i wasn't there to protect you honey.....please forgive me for failing you," he broke down in tears.

His words had a profound effect on Bethany, she suddenly looked his way and held tight to his hands while tears coursed down her cheeks.

Stuart embraced her in a tight hug at the feel of her touch "i'm sorry princess,dad's so sorry," he kept on saying.

Bethany still kept mute all she did was cry uncontrollably in his chest wetting his shirt.

Stuart coaxed his daughter with all the love and reassurance in the world,after a long time of crying she finally cooled down succumbing into a deep slumber in his embrace.

He looked at his daughter he couldn't bring himself to imagine all the torture those disgusting filthy men subjected her to.

But he figured out it would best if she opened up herself at the appropriate time.
