Married at First Sight Chapter 2302-Knowing that her younger brother was here to watch the fun, Hayden sighed, went over and unlocked it, then turned around and walked back.

Hugh pushed the door of the office open.

“Brother, where is Kevin? I heard that Kevin disguised himself as a woman and came to our company, right?”

Hugh looked like he was eating melons.

Upon receiving the news, he rushed over immediately.

He wanted to see the fun.

Kevin could wear women’s clothes, and even lied to people that she was Kevin’s twin sister.

The York family had not had a daughter for several generations.

If Kevin had a twin sister, would others not know about it?

The elders of the York family had long spoiled that daughter to heaven.

Hayden’s expression remained unchanged, and she asked indifferently: “Who did you listen to?”

“Many people are saying, I came upstairs as soon as I received the news, is it true? Brother, have you seen Kevin in women’s clothing? Isn’t he beautiful? Unexpectedly, he would put on women’s clothes for you, haha, I’m dying of laughter.”

“Brother, have you been moved? Kevin is actually very kind to you, even if he approached you at first because of his grandma, later, he is sincere to you, I can see that our parents Anyone who has been here can see it.

Look how much our parents like Kevin, which shows that this person is good. Although my parents really want you to marry, they mainly focus on your happiness.”

Hugh said the latter sentence in a very low voice, afraid that the secretary outside would overhear.

“Sister, you should consider Kevin and give him a chance.”

Hugh said this in a softer voice.

Hayden looked at his younger brother.

Hayden: “Hugh, how much benefit has Kevin given you, are you speaking for him?”

Hugh chuckled, “No, he didn’t do me any favors. I told him to pay attention to his brother-in-law’s line. He still treats me like that, and he didn’t try to please me. Not to mention giving me benefits.

Sister, I want you to be happy. He is a very good man, very suitable for you.”

His sister was a bit taciturn and didn’t talk much.

Kevin could speak well, and the two of them were together, learning from each other’s strengths and making up for each other’s weaknesses, which was the best match.

“Sister, where is Kevin? I want to see how he looks in women’s clothing.” After Hugh persuaded his sister, he returned to the original topic.

He came to watch the fun. when he went upstairs, he confirmed that Kevin’s car was still parked in front of the office building, and Kevin did not leave.

“Brother-in-law, I’m sorry, your news is not well-informed. I have been here for so long, and you came here after receiving the news.” Kevin’s voice knocked into Hugh’s ears.

He instinctively looked in the direction of the door and saw that the office door was closed tightly.

He turned his head again, only to see Kevin coming out of his sister’s lounge.

Hugh stared wide-eyed, rubbed his own on purpose, and said, “Brother, I suspect there is something wrong with my eyes, why did I see Kevin come out of your lounge.”

Hayden said coldly: "It's him."

"elder brother!"

Hugh leaned over half of his body gossiping, leaned in front of his sister, and asked, "What did you two do in the lounge?"

When the sound fell, he was beaten by his sister.

Hugh was not angry when he was beaten, he stood up straight, touched the place where his sister beat him, and laughed.

Soon, he looked at Kevin who was coming over again, and saw that Kevin was not wearing a long skirt and a wig as everyone said. He asked, "Didn't you say you were dressed as a woman? Did you lose the game between you and my brother? You decided to be the one?"

Kevin smiled lowly, "If your brother wants to take the lead, I will be happy to cooperate with him."

Hayden glared at him.

Kevin hurriedly said: "Hayden, it was your brother who started this topic first."

A proper wife was strict. Oh, she not his wife yet.
