

When His Eyes Opened Read Novel Chapter 3144

Novel Chapter 3144 -Joanna boasted, “Hazel, you are so good. Your elder brother is afraid that you will rebel! After all, you have only been home for three years. Although you usually behave very well, I always worry that your usual goodness is just pretending.”

Hazel couldn't help laughing: “My acting skills are not that good. I was so obedient before when I didn't go home. My personality is like this, and it's caused by the genes carved in my bones.”

Joanna: “If you put it this way, I guess the Lucas you like is also a very good boy.”

Hazel frowned, thought for a while, and said fairly: “His shortcomings are quite obvious. Maybe in the eyes of his parents, brothers, and sisters, he is not very good. He is not very good at communicating with people, and he is very boring. He started his own business, but there was no success.”

Joanna: “Personality problems—as long as it's not a problem with character, then it's fine. You see, your elder brother doesn't like to talk. If you want to be with Lucas, the main problem is his ability. It may be difficult for your family to accept a mediocre man as your significant other.”

Hazel nodded: “But in fact, I am also very ordinary.”

“You are so ordinary, but you're excellent! You are much better than me.”

Joanna said, “Your parents' requirements for daughter-in-law and son-in-law must be different.”

“Sister Joanna, I actually understand the truth. I think I may be naive because I am too young. But I also understand the more realistic concerns of my family. So I will not force Lucas to come to Aryadelle with me.”

Joanna: “I think he is definitely willing to come to Aryadelle with you.”

Hazel smiled: “I hope!”

The wedding of Hayden and Joanna was held as scheduled.

Hazel could have been a bridesmaid, but because Hazel's name had not been made public, she was not allowed to be one.

During the ceremony, the bride didn't cry, but Hazel in the audience did.

Layla handed Hazel a tissue: "Little sister, look at how happy Joanna's parents are! They didn't cry, why are you crying?"

Hazel took the tissue and wiped her tears: "I think Miss Joanna had a hard time. She is so strong and brave."

Layla smiled: "Of course a person who can stand the big brother's temper is strong. Don't look at the big brother as if he is calm and mature, it's just an appearance. In the relationship, it must be Joanna who pays more "

Hazel nodded: "It's good that they complement each other."

"Yeah! I think you and Lucas probably paid too much." Layla guessed, "If he is capable, you don't have to pay much. I'm really worried that he is incapable and has a bad temper."

Hazel: "He's got a pretty steady temperer. He looks a little fierce, but if you make him angry, he's still like that."

"Listen to what you said, I really want to meet him." Layla rubbed her belly, "It's a pity that I'm pregnant now, so I can't travel long distances; otherwise, I will definitely go to Thopiavelle to meet that kid."

"I'll bring him over at that time. Even if I can't be with him, we can still be friends." Hazel smiled brightly, "I think he still has a little affection for my identity as Siena."

Layla: "Okay!"

After the wedding, Hazel sent a message to Lucas: [Boss, I will go to Thopiavelle in two days.] [

]

Lucas did not reply to the message.

Hazel was not sad this time.

She sent a message to Niko: [Brother Niko, I will go to Thopiavelle in two days.] [

]

Niko replied to the message in seconds: [OK! Tell me when you arrive at the airport, and I will pick you up! I haven't seen you for a while, I miss you so much!]
