

When His Eyes Opened Read Novel Chapter 3159

Novel Chapter 3159 -Mr. Hogan had a serious face: "I can't let Lucas marry this kind of woman!"

Mrs. Hogan laughed: "I'm afraid Lucas won't listen to you either."

Mr. Hogan: "If he doesn't listen, I'll go to his company to find him!"

In the late afternoon, Hazel and Niko visited the hospital with the gift they had purchased for Lucas's mother, Isabela.

When Isabela saw the new clothes, shoes, and bags that Hazel bought for herself, as well as cosmetics, the expression on her face became much more rosy.

"Hazel, it's a waste of money for you. I have been sick for a long time, and I haven't bought these things for a long time. Firstly, I don't need them, and secondly, it's a waste of money. You spent a lot of money, right?" Despite her happiness, Isabela was more upset.

Hazel: "Auntie, don't worry, my parents gave me a lot of pocket money. I still have a lot of money! Do you want to wear new clothes? I can change them for you."

Isabela smiled kindly and said, "No, wait, I'll ask the nurse to change it for me later. Didn't Lucas accompany you?"

"He's at work! I'm too embarrassed to quarrel with him during the day."

Hazel: "Well. He was really busy in the early days of his business. Sometimes he came to see me at night. It is already very late, but he hasn't eaten yet. He is really working hard. It's a pity that I not only can't help him, but also drag him down."

The smile on Isabela's face disappeared, "It took him a lot of money to treat me. I could have bought a house, but he insisted on buying me that expensive medicine, but it didn't work, and the money was spent."

"Auntie, don't worry about money. He will earn it back in the future." Hazel comforted her, saying, "He is willing to spend money for you, which shows that you are a very important person to him, and you should be happy."

Isabela's face broke into a smile again, "I raised him, and I always knew he was very filial. The only thing I regret now is that I ignored his wishes and sent him back to his father. This is the only time in my life that I had such a big conflict. Although he doesn't blame me now, I still feel sorry for him."

Hazel smiled and said, "Don't blame yourself. When he was at his father's house, I always took care of him. He's had a good life!"

Isabela: "Hahaha! I don't regret it now. If he didn't go back to his father's house, he wouldn't have known you."

Hazel: "Yes."

After a while, Mr. Hogan came. He came here with the driver.

As soon as Mr. Hogan entered the ward, he was about to speak, but when he saw Hazel was there, he shut up immediately.

After quickly adjusting his mood, Mr. Hogan strode to the hospital bed and looked at Hazel: "You are Siena?"

Hazel nodded: "Master, are you coming to see Auntie?"

Mr. Hogan: "No It's totally... I didn't expect you to be here. I came here to ask her about you and Lucas."

"You can just ask me; don't disturb Auntie." Hazel said, looking at Isabela, "Auntie, Master Hogan, and I went out first. I will come to see you next time."

Isabela was worried, and said to Mr. Hogan, "Don't bully Hazel! Otherwise, Lucas will not forgive you if he finds out."

Mr. Hogan sighed: "Why am I bullying her? Didn't I want to find out about her situation? Lucas is my own son, and I definitely can't let him find a woman casually! Although our family is a bit lonely now, it's okay to find a daughter-in-law who is well-matched for him."

Isabela: "Shut up! Hazel's family is something you can't reach even after a hundred years of hard work!"
