**Married at First Sight Chapter 2375**-Trenton: "...I feel like my brother-in-law is saying that I'm an idiot, as long as I have something to eat."

Callum: "I didn't say you're an idiot, you said it yourself. You're not picky eaters, are you picky eaters?"

Trenton was speechless.

He was not a picky eater. But he couldn't describe him as an idiot; idiot was a curse word.

Trenton: "Brother-in-law, teach me how to cook when you have time."

Callum: "I'm free at any time, it depends on whether you are free, you are still a college student, and you still have to go to college."

Callum reminded his brother-in-law that if he wanted to learn, he must arrange his time well.

Trenton: "Brother-in-law, you will teach me when I come back from winter vacation."

Callum: "Okay, what kind of dishes do you want to learn, as long as I can cook, I will teach you, and I will not hide my secrets."

Calling Trenton sweetly brother-in-law, Callum was delighted, and was happy to teach his brother-in-law his cooking skills.

Learning to cook was not something that could be learned in a day or two. It took a lot of time to practice, study, and comprehend in order to cook delicious dishes that were delicious and fragrant.

Their brothers were all raised by their grandma when they were young.

He had been studying for more than twenty years.

Trenton would only come back during the winter and summer vacations. Given a few years, he might not be able to learn the essence of Callum.

Trenton: "Thank you brother-in-law, my sister is really lucky."

Callum smiled, "That's natural."

Trenton: "Brother-in-law, I will trouble you to take care of my sister in the future."

Callum: "She is my woman, and it is only natural for me to take care of her. Don't worry, your brother-in-law loves his wife."

Trenton twitched the corner of his mouth and said, "You two are not married yet."

"At the beginning, your sister said that the wedding can be held when she regains her sight. Her eyesight is recovering now. Dr. Carden said that by the time of the New Year, she will be able to recover very well. It will be no problem to hold a wedding at that time. It can be at the end of the year or early next year."

Anyway, the two were engaged, and Camryn couldn't run away. He completed the task grandma gave him beautifully, and got a beautiful wife.

Callum was very satisfied with this.

He was much better than Kevin.

Kevin was still chasing his wife in Jensburg. He's afraid he won't be able to get engaged until New Year.

Hayden was too difficult to track down, and she hadn't recovered her status as a woman until now.

Kevin was still regarded as gay, which showed that Hayden had not fallen deeply in love with him.

If Hayden fell deeply in love with Kevin, she would resume her female identity so that people would not continue to misunderstand that Kevin was gay.

Trenton: "Let's talk about it after the new year. If your family chooses a good date, let me take a look at it. Don't say that I am young. I am my sister's natal brother. In old society, when my parents are away, my sister has to be married only with her brother's consent. I'll be your child's uncle in the future."

Trenton was worried that the York family would not take him as a barely grown man into their eyes, and would not discuss with him about his sister's marriage.

Callum had just finished frying a dish, and he let his brother-in-law try it with two chopsticks. Trenton's eyes lit up after eating, and he wanted to take the dish and settle it on the spot, but Callum snatched the chopsticks back.

Callum: "This is your sister's favorite dish."

Trenton: "..."

Callum: "Why do you think so much? Study hard. When your sister and I got engaged, didn't we inform you? Didn't you agree? Didn't you show up? As long as your sister cares about you, I won't expect you."

Trenton opened his mouth, but had nothing to say.

His status in the eyes of the York family depended on his elder sister's attitude towards him.

After a while, it's time to eat.

There were only three people at the dining table.
