**Married at First Sight Chapter 2403**-Alice vomited every day, she had a big belly during the whole pregnancy, Clive was so distressed, she kept talking about it every day, only having this one child, if it is killed, he will not let his beloved wife have another Fetal.

When he talked like this, Alice was looking forward to having a son.

Even though Clive said that he preferred a daughter, Alice still hoped to have a son. The business was big, and she hoped to give birth to a son for her husband so that he could inherit the family business in the future.

Serenity told Zachary privately that her cousin was so honest. If people today say they want a son, they will be said to be patriarchal. How many people want a son in their hearts, but they have to say they like a daughter. How honest to say that they want to have a son.

“Mom.” As soon as Sonny was mentioned, the two sisters heard Sonny’s cry.

At first, Liberty thought he was hallucinating.

Because it was still early, at this point, in normal times, Sonny would not even be able to scream.

After hearing the second sound, Serenity said to her sister: “Sister, it’s Sonny’s voice, he woke up.”

Liberty turned around and walked out of the bathroom, and actually saw Sonny open the door and walk in. Sonny was still wearing clothes. The little pajamas looked like they had just woken up, rubbing their eyes while walking.

Liberty: “Sonny, mom is here.”

“Mom, where’s my aunt?”

Sonny saw that the bed was empty and his aunt was gone, thinking that his uncle had picked her up before he woke up, so he immediately pouted, Aggrieved: “Why did my aunt leave the house without waiting for me? Okay, I’m a flower girl, my aunt won’t wait for me, and my uncle won’t wait for me either.”

After saying that, he started crying.

Liberty smiled and went forward to pick up her son, wiped away his tears, and said, "Your aunt is in the bathroom, she said you are a flower girl, she will wait for you, and won't leave you alone."

Sonny stopped crying when he heard his aunt was in the bathroom.

He struggled to slide down to the floor, trotted into the bathroom, and saw his aunt washing her face, he was completely relieved.

"Good Morning, aunt."

Sonny had tears on his face, but he grinned when he greeted her.

Serenity: "Very Good Morning Sonny, Sonny woke up so early."

Sonny said: "I had a dream, dreaming that my aunt was picked up by my uncle, you don't wait for me, I'm chasing your car behind, I called you desperately, but you didn't stop. Then I woke up, and came to see my aunt as soon as I woke up, but fortunately, my aunt didn't abandon me."

Sonny wanted to be a flower girl for his aunt, and Liberty specially invited Seren for him. One day off, followed by the weekend, so Sonny could rest for three days. After he returned, he would go to kindergarten.

In order to take more time off, Sonny said to Serenity last night: "Auntie, if you and uncle get married every day, I will be happy. Mom will ask for leave for me every day, and I will be a flower girl for you and uncle."

Everyone laughed until their stomachs ached.

Sonny was spanked by his mother and punished him for writing a few pages of numbers.

His hands were exhausted from writing.

Sonny didn't understand, why couldn't his aunt and uncle get married and treat guests to dinner every day?

Sigh, let's go to kindergarten honestly, otherwise his mother would hit his little \*ss hard.

No one rescued him yet.

When his mother disciplined him, even his aunt would not save him.

Liberty: “Auntie did what she said, she invited our Sonny to be a flower girl, how could she just leave without you.”

Sonny felt relieved.

After dawdling for more than ten minutes, under Liberty’s constant urging, Serenity hurried downstairs to have breakfast with her little nephew in her arms.
