

The Wolf's Bride by Coffee's Tea Chapter 602

Chapter 602

This news must be fake!

“Andrius...”

Luna snapped back to her senses. Her charming face flickered with indistinct emotions, including shock

and endless fear.

How could Andrius dare to assault a princess?

How could he?!

Before she finished speaking, Rainbow interrupted her. “Luna, this must be a misunderstanding. Andy would never do something this morally reprehensible

Her tone was resolute. It was as if the news was the most absurd thing in the world.

Luna glanced at Rainbow but remained silent, pursing her lips. It seemed that Rainbow had been poisoned too deeply. She was beyond a cure

“That’s right!” Renault said bluntly, “From what I know about Andrius, he’s not that kind of person. It’s impossible for him to do such a thing. There must be a deep misunderstanding or a huge conspiracy behind this incident!”

Their explanations made the Conerys burst into laughter.

“A misunderstanding ? Conspiracy? You two are overestimating Andrius.” Alec could not help but say, Who would want to frame someone like him, and at the cost of a princess innocence? Do you think he’s someone like the Wolf King? Hahaha...”

The Conerys echoed his laughter.

Luna’s expression instantly darkened at the laughter. She drove to the police station to find out the truth.

“Hello, I’m Andrius Moonshade’s wife, Luna Crestfall. I heard that...”

Luna found Captain Roger and spoke anxiously, but before she could finish, Roger interrupted her with a raised hand.

“You don’t need to say anything more, Ms. Crestfall. It’s true that Andrius Moonshade assaulted Princess Yule, but you are not allowed to see him in person.”

Roger’s words confirmed the authenticity of the news.

Luna became anxious.

When she did not leave, Roger said bluntly, “According to Article 39 of the Criminal Procedure Law, family members are not allowed visitation during the suspect’s detention. However, family members can appoint a lawyer to meet the suspect.”

Roger looked at Luna coldly and said, “But your husband has committed a heinous crime. It won’t make any difference no matter which lawyer you find.”

Luna had no choice but to leave the station and go back to Kavo Estate.

“Luna!” Jane grabbed her hand and pretended to say sympathetically. “My poor granddaughter. How could you have encountered such an unfortunate incident?”

With your appearance and your figure, you’re no worse than Princess Yule. I never thought that damned Andrius Moonshade would do such a terrible thing. Oh, my pitiful granddaughter...”

Although she appeared to be comforting Luna, her tears flowed down to her upturned lips.

Alec also said seriously, “Luna, no one wished for this to happen, but since it has, you should think carefully about how to deal with it.”

Dwight took a deep breath and tried not to laugh. “Luna, since you and Andrius are only married on paper, it’s better to end it sooner rather than later. This is the perfect opportunity.”

Then, he shot Lester a look.

“That’s right, Luna! If you don’t cut ties with Andrius soon after he’s caused such a big incident, who knows what trouble it’ll bring you in the future?”

“Luna, he who hesitates is lost!”

“Luna, Andrius loves to cause trouble. Since he caused such big trouble now, just leave him be!”

Everyone spoke after another, making a decision for Luna.

Luna’s mind was in chaos. She did not know how to respond.

When Jane saw Luna hesitating, she pursed her lips and said bluntly, “Luna! Assaulting a foreign princess

is not a trivial matter! In fact, it could lead to an international dispute!

“If you don’t cut ties with him quickly, I’m afraid that your participation in the Grand Medicinal Competition will be revoked because of this incident!”

Luna instantly turned pale upon hearing this.

The Grand Medicinal Competition....

The Wolf King had pinned his expectations on her, and she had worked so hard for it!
