

An Understated Dominance Chapter 1221 - 1230

Chapter 1221

At dawn, inside a luxurious villa.

Concubine Cao Xuan, who was sleeping, seemed to hear something, and suddenly opened her eyes.

She sat up, walked to the window, and opened the curtain a crack.

Through the hazy moonlight, she was surprised to find that several bodyguards on duty at the door had fallen to the ground at some point.

“Um?”

Concubine Cao Xuan frowned, and hastily opened the drawer beside the bed, and took out a pistol from it.

Then she gently opened the door, observed the situation, and immediately ran into the next bedroom.

“An’an...”

Concubine Cao Xuan patted Cao An’an in her sleep, and when her younger sister woke up, she immediately covered her mouth and made a silent gesture: “Don’t make a sound, someone broke in.”

“Breaking in?”

Cao Anan rubbed her hazy eyes and muttered: “Sister, are you dreaming? There are more than a dozen good people around our house protecting us day and night. Who dares to seek death?”

“Our people have all been dealt with, the situation is very dangerous now, hurry up and follow me!” Concubine Cao Xuan looked serious.

“What?”

Hearing this, Cao Anan woke up instantly: “Sister, who is going to deal with us? Do you want to call brother-in-law?”

“It’s too late, let’s leave here first.”

Concubine Cao Xuan was very decisive. She immediately opened the window, glanced left and right, and after making sure no one was there, she pulled her sister out of the window: “An’an, I’ll count to three, two, one, let’s jump together.”

“Jump?”

Cao Anan swallowed: “Sister, it’s too high here, I’m afraid.”

“It’s only on the second floor, the ground is covered with lawn, you can’t fall to your death.” Concubine Cao Xuan comforted her.

“Sister, is there any other choice?” Cao Anan trembled.

“Yes, jump or die.” Concubine Cao Xuan said coldly.

“Ah?” Cao Anan shrank in fear.

“Stop talking nonsense, it will be too late, three, two, one, jump!”

Concubine Cao Xuan couldn’t help but took her sister’s hand and jumped directly from the second floor.

“Boom!”

The two of them stepped heavily on the grass and staggered.

Fortunately, the grass was soft and the floors were not high, so there were no sprained feet.

“Walk!”

Concubine Cao Xuan held Cao Anan in one hand and held a gun in the other, and tiptoed towards the back door.

When she reached the corner, she carefully observed the situation outside the door. After making sure that no one was there, she immediately sped up and ran out.

However, just as the two were about to run out the door, a joking voice suddenly sounded behind them.

“Miss Cao, where are you going?”

As soon as the voice sounded, Concubine Cao Xuan’s expression immediately changed.

Without any hesitation, she raised her gun and turned behind her, preparing to strike first.

However, before she could see the situation clearly, a figure suddenly flashed past.

Immediately afterwards, she felt pain in her neck, her vision went dark, and she fainted on the spot.

“sister!”

Cao Anan screamed in surprise, but before she could react, the man in black ran behind her and struck her with a knife, knocking her unconscious.

“take away!”

Following the order, Concubine Cao Xuan and Cao Anan were quickly put into sacks and carried into the car.

The vehicle sped along and finally stopped at the back door of Shangguan Mansion when the sky was slightly light.

Then, the two sacks were quietly carried into the secret room.

“Master Xingwang, the person you want has been brought here, and it’s buy one get one free.”

The leader of the men in black smiled.

“Well, you did a good job, go down and receive the reward.”

Shangguan Xingwang nodded with satisfaction, then raised his hand to signal the others to leave.

“open to take a look.”

Chapter 1222

Cao Zhiyuan was impatient and quickly ordered someone to open the sack.

Soon, the unconscious Concubine Cao Xuan and Cao Anan were released.

“Very good, we caught both of them, now there should be no problem.”

Seeing this, Cao Zhiyuan couldn't help but look happy.

With these two weaknesses in hand, Cao Guan is not afraid of not speaking.

“Eh? It's actually her!”

After seeing Concubine Cao Xuan's face, Shangguan Xingwang couldn't help but froze for a moment, looking a little surprised.

“What? Do you know her?” Cao Zhiyuan frowned slightly.

If both parties are acquaintances, that's a problem.

“I met him once.”

Shangguan Xingwang said surreptitiously: “I had a conflict with someone in a restaurant yesterday. A pretty girl with no eyes hurt me, and she is the pretty girl.”

Since he was beaten, he sent people to conduct various investigations, but they still found Lu Chen's whereabouts.

Unexpectedly, by chance, he kidnapped the other party's woman, which was really an eye-opener.

“Xingwang, is the name of the person who beat you yesterday Lu Chen?” Cao Zhiyuan asked quickly.

“It seems to be that name.” Shangguan Xingwang nodded.

“That's right!”

Cao Zhiyuan said with a cold face: “These two bastard men and women are usually domineering and collusive. I don't know how many unreasonable things they have done!”

“Humph! We are really enemies. Not only did they beat me, but they also offended you, sister-in-law. They are our common enemies. Taking advantage of this opportunity, I must take revenge on them!” Shangguan Xingwang sneered.

Greedy eyes wandered around Concubine Cao Xuan.

It would be such a waste if she didn't play with such a superb beauty.

“Xing Wang, business is important. Once the treasure map is revealed, you can do whatever you want with these two women.” Cao Zhiyuan quickly saw Shangguan Xing Wang's desire.

“Hey, thank you sister-in-law!”

Shangguan Xingwang grinned and licked the corners of his mouth in excitement.

One dragon and two phoenixes, this is a blessing.

“Wow!”

A basin of cold water was poured on Cao Guan.

Cao Guan, who was originally in a coma, felt agitated all over and finally woke up faintly.

“Third Uncle, we meet again.”

Cao Zhiyuan said lightly.

Now that time is tight, she is no longer in the mood to hide herself.

“Is...is it you?”

Cao Guan opened his eyes with difficulty and looked at the familiar face in front of him, with unspeakable astonishment in his eyes: “Why, why?”

“Third uncle, please don't tell secrets. If you hand over the treasure map, I can let you go.” Cao Zhiyuan got straight to the point.

“Zhiyuan, we are all a family, do we have to do something so extraordinary?” Cao Guan said in a hoarse voice.

He really didn't expect that the person who really arrested him was his niece.

"Absolutely?"

Cao Zhiyuan snorted coldly: "Third uncle, I was forced to do this by you. You are no longer the clan leader, why do you want to occupy the treasure map? This is something that belongs to my father!"

"Zhiyuan, do you know that if the treasure map is given to Shangguanhong, the Cao family will really be doomed!" Cao Guanyu said seriously.

"fart!"

Cao Zhiyuan glared: "Third uncle, are you old and confused? The Cao family has declined. If we want to achieve greater glory again, we must cooperate with the government. This is our only way out!"

"Don't you understand yet? Shangguanhong is just using you. Once he gets the treasure map, you will have no value, and you will be killed!" Cao Guan said with difficulty.

"Shut up!"

Cao Zhiyuan slapped Cao Guan on the face and shouted: "I warn you not to stir up trouble here! I am engaged to Guan Hong. After today, I will be the general's wife and the most powerful woman in the entire provincial capital.!"

"Stop your wishful thinking, you are just chess pieces." Cao Guan sighed.

"Stop talking nonsense! Hand over the treasure map immediately, or I will kill your two daughters!"

Cao Zhiyuan was so angry that she directly picked up the knife on the table and put it on Concubine Cao Xuan's neck.

The sharp blade cut through the skin, leaving a dazzling trail of blood.

Chapter 1223

"Concubine Xuan?"

Cao Guan took a closer look and became excited instantly: “Cao Zhiyuan! Don’t mess around, she is your cousin!”

”What cousin? She’s a bitch!”

Cao Zhiyuan shouted sternly: “She has liked to fight with me since she was a child, and she still likes to fight with me when she grows up. Whenever there are good resources in the family, you all give them to her, and I only deserve to use what she has left. Why? What the hell do I want?” How is she worse than her?!”

”Zhiyuan, I have never favored anyone. Concubine Xuan is where she is today because of her own hard work. You all have the same starting point.” Cao Guanyu said seriously.

In fact, in terms of resources, he gave more to Cao Zhiyuan than to his own daughter.

”Fart! Do you think I will believe your lies? If you hadn’t secretly helped me and added fuel to the flames, how could Concubine Cao Xuan be stronger than me!” Cao Zhiyuan sneered.

In her opinion, Cao Guan used his status as the clan leader to give Concubine Cao Xuan the green light, which resulted in her being overshadowed by her from childhood to adulthood.

”Zhiyuan, you are all my relatives, how could I favor one over the other?” Cao Guan’s eyes were complicated.

”Hmph! Stop being so hypocritical in front of me!”

Cao Zhiyuan said with a cold face: “I don’t have time to talk nonsense with you now. I just want to ask, will you hand over the treasure map or not?!”

As he spoke, he raised the knife in his hand.

The blood marks on Concubine Cao Xuan's neck deepened, and traces of blood slowly flowed down the knife edge.

Cao Guan's pupils shrank and he said nervously: "Zhiyuan, stop it, don't make the same mistake again and again!"

"Why, in your eyes, is your daughter's life less important than a treasure map?"

Cao Zhiyuan's face was gloomy, and he put the knife in his hand on Cao Anan's neck: "If you think one life is not enough, then use two lives in exchange. As long as you hand over the treasure map, I will let you go." The two of them, otherwise, I want you to watch them die!"

"Zhiyuan! We are all blood relatives, why is this so important?" Cao Guan was a little anxious.

"You won't hand it over, right? Okay! Then I'll kill one first to open your eyes!"

Cao Zhiyuan's eyes were fierce, he suddenly raised his knife and struck Cao Anan's head hard.

"Stop! I'll hand it over! I'll give you the treasure map!"

Cao Guan's expression changed drastically and he roared at the top of his lungs.

"Buzz!"

The long knife suddenly stagnated and finally stopped at Cao Anan's neck.

"Hmph! Wouldn't it be okay if I agreed earlier? I have to suffer some physical pain!" Cao Zhiyuan raised a sneer at the corner of his mouth.

Even if a person has strong bones and no fear of death, he still has corresponding weaknesses.

As long as you find a weakness, you are not afraid that the other party will not compromise.

”Hey! What are you doing in a daze? Tell me!” Shangguan Xingwang urged.

”To be honest, the treasure map is not in my hands now.” Cao Guan shook his head.

”What? Playing tricks? Do you really think I dare not kill people?” Cao Zhiyuan’s expression darkened.

”I’m not lying to you. In order to prevent being robbed, I have given away the treasure map.” Cao Guan looked sad.

”Who did you give it to?” Cao Zhiyuan asked.

”Lu Chen.” Cao Guan didn’t dare to hide it.

”Lu Chen?” Cao Zhiyuan frowned: “Third Uncle, I didn’t expect you would rather give it to an outsider than give it to us. It’s really a mess!”

”Zhiyuan, I did this for the sake of the whole family.” Cao Guanyu said earnestly.

”Shut up! You hypocrite!”

Cao Zhiyuan yelled: “I warn you, you better not lie to me, or I will let them be buried with you!”

Chapter 1224

After finishing his words, he suddenly raised his hand and struck Cao Guan on the back of his neck with the back of his knife.

The latter's head tilted and he fainted on the spot.

"Sister-in-law, since the treasure map is in Lu Chen's hands, it's time to settle the old and new grudges together. I'll send someone to capture him right away!" Shangguan Xingwang's eyes flashed fiercely.

"There's no need to go to so much trouble. Instead of us looking around, let him take the initiative to deliver it to your door." Cao Zhiyuan narrowed his eyes.

"Oh? Sister-in-law, do you have any plans?" Shangguan Xingwang was curious.

"Look at me."

Without saying anything, Cao Zhiyuan walked up to Concubine Cao Xuan and tore her pajamas in half, revealing her white and tender skin and sexy underwear.

That perfectly curved body was looming under his pajamas, making Shangguan Xingwang's eyes shine and he swallowed wildly.

This woman is so alluring.

"Xingwang, hang her up, I want to take a video of her."

Cao Zhiyuan took out her mobile phone and turned on the video recording function: "Oh, by the way, you stand next to her and take a photo with her. This will be more exciting."

"no problem!"

Shangguan Xingwang smiled and quickly ordered people to hang Concubine Cao Xuan on a pillar.

Then, he picked up the other person's hair, put it between his mouth and nose, breathed greedily, and looked like he was intoxicated.

"good."

Cao Zhiyuan nodded with satisfaction, then recorded the video, added a few words, and immediately sent it out.

"It's done. I give Lu Chen half an hour to get to Shangguan's house, and at the same time hold the treasure map with both hands to apologize. Otherwise, I will humiliate his woman to death!"

"Sister-in-law, is this okay? What if the boy is afraid and doesn't dare to come?" Shangguan Xingwang asked.

"No, I know Lu Chen. He is very conceited and will definitely come."

Cao Zhiyuan suddenly smiled evilly: "Besides, no normal man can tolerate his woman being insulted."

"That's true."

Shangguan Xingwang nodded and sneered: "If that kid really dares to come, I guarantee that he will never come back!"

"Prosperity, don't take it lightly. Lu Chen is quite capable, and ordinary martial arts masters can't do anything to him." Cao Zhiyuan reminded.

She still vividly remembered what happened to the Cao family before, and Lu Chen used his own power to suppress the heroes.

Definitely not a kind person.

”Don’t worry, sister-in-law. My Shangguan family has many experts, many soldiers, and a powerful martial arts master. Even if that kid has extraordinary abilities and enters my territory, he will only die!” Shangguan Xingwang was full of confidence. Full.

”Very good. With your words, I feel at ease.” Cao Zhiyuan breathed a sigh of relief.

No matter how powerful Lu Chen is, he is only one person.

In front of such a behemoth as the Shangguan family, there is no big wave at all.

”Sister-in-law, what should we do with these two beauties?”

Shangguan Xingwang rubbed his chin, his eyes moving greedily on Concubine Cao Xuan.

”After Lu Chen is dealt with and the treasure map is retrieved, the two of them will be your playthings from now on. You can play with them as you like.” Cao Zhiyuan said with a meaningful smile.

”Hey...Thank you sister-in-law!”

Hearing this, Shangguan Xingwang instantly became excited.

He couldn’t wait to push these beautiful sisters on the bed and have fun with them.

Chapter 1225

The sky is getting brighter.

Early in the morning, Fengyu Villa began to become lively.

Because today is Lu Chen's birthday, everyone in the Qilin Gang attaches great importance to it. They have invited guests two days in advance and are preparing to hold a grand birthday party.

The Qilin Gang has long dominated the underground world of the provincial capital, and Lu Chen has also been dubbed the underground emperor.

All forces have to sell some face.

Even if you don't receive the invitation, you still have to rush to send the gift.

"Boom boom boom..."

At this time, the village owner was in the room.

Lu Chen, who was meditating with his eyes closed, was awakened by a knock on the door.

"What's wrong?"

Lu Chen opened the door and saw Lao Zhang standing outside.

"Master Lu, something happened!"

Lao Zhang said solemnly: "At dawn this morning, a group of mysterious masters broke into Miss Cao's villa, and all the brothers we sent to protect were killed, and now Miss Cao is missing, she must have been tied up! "

"What?" Lu Chen's expression changed: "How could this happen? Who did it?!"

”It’s not clear yet. I have ordered people to investigate. I believe there will be results soon.” Lao Zhang lowered his head.

”Send all the brothers in the gang out and find the murderer as soon as possible!” Lu Chen said solemnly.

Killed the disciples of the Qilin Gang and kidnapped Concubine Cao Xuan.

This has violated his bottom line, and no matter who it is, he will make them pay a heavy price.

”Buzz...”

At this time, the phone suddenly vibrated, and someone anonymously sent a video.

Lu Chen clicked on the video and saw it. He was instantly furious and his face was filled with evil spirits.

In the video, Concubine Cao Xuan was hanging from a pillar in ragged clothes.

A wretched man was holding her hair, breathing greedily with an evil smile on his lips.

The desire on his face could not be concealed at all.

The key is that this wretched man, Lu Chen has seen before, is Shangguan Xingwang!

”Lu Chen, you have half an hour to deliver the treasure map to Shangguan’s house. If you dare to exceed the time limit, I will let your woman be humiliated by thousands of people!”

After the video, a threatening statement was added.

boom!

In an instant, Lu Chen's chest seemed to explode, full of anger.

"Send the order! Everyone is fully armed and ready to fight with the officials!"

Without saying a word, Lu Chen rushed out of the door and rushed towards Shangguan's house.

Although the two sides had conflicts before, at least they did not reach a point where it could not be ended.

But now, the Shangguan family's out-of-bounds behavior has completely angered him.

The dragon has reverse scales, which will kill you if you touch it.

Whenever Concubine Cao Xuan was harmed in the slightest, he would kill Shangguan's family with blood!

...

At this moment, the Shangguan family's mansion was also decorated with lights and colorful, and it was very lively.

Even more grand than Fengyu Villa.

Because today is the engagement day between the Shangguan family and the Cao family.

The Shangguan family is the top of the three, and the Cao family is also a wealthy family.

Nowadays, the marriage between the two families has caused a sensation in the entire provincial capital.

Forces big and small will come upon hearing the news.

The formations and battles can be called congratulations from all the people!

Of course, the main reason why it was so grand was because of Shangguan Hong.

Shangguan Hong was not only of noble birth and amazing background, but also with extraordinary talent and outstanding talent. He became General Huwei of the Dragon Kingdom at a young age, which can be described as outstanding military exploits.

Chapter 1226

Looking at the entire Jiangnan, no one among the younger generation can compare with him.

Everyone believes that in the future, under the leadership of Shangguan Hong, the Shangguan family will be even more glorious, and will eventually become the overlord of one party and take charge of the entire Jiangnan.

Therefore, when they heard the news of Shangguan Hong's engagement, not only the provincial capital, but also the dignitaries and merchants from the major cities in the south of the Yangtze River all came here admiringly.

The sky has just dawned, and Shangguan's house is already full of people and guests.

At this moment, in the meeting hall.

Shangguan Hong sat in the middle with an indifferent expression, not moved by the prosperity of the outside world.

On the left and right sides of it were some key members of the Shangguan family.

Whether they are uncles, aunts, or cousins, they can only be subordinated and dare not take a breath.

After being promoted to General Huwei, Mr. Shangguan passed the position of clan leader to Shangguan Hong from generation to generation.

Initially, some elders expressed dissatisfaction, believing that Shangguan Hong was not senior enough and had insufficient qualifications.

As a result, within three days, these opposing elders were dead and injured, and no one had a good ending.

Under this iron and blood method, in less than half a month, Shangguan Hong completely controlled the entire family.

It fully explains what it means that those who follow me will prosper, and those who go against me will perish.

Over the past few years, Shangguan Hong's majesty even overshadowed the old man Shangguan.

Become an existence that everyone fears.

"Cao Jun, the time has come. Where is what I want?"

After a while, Shangguan Hong finally spoke.

For an instant, everyone's eyes were focused on the end of the seat.

Those sitting there are all from the Cao family.

"this....."

Cao Jun's face froze, not knowing how to respond.

They agreed to hand over the treasure map before dawn, but now that they can't hand over the treasure, it's really embarrassing.

"What? Did you take my words as deaf ears?" Shangguan Hong's eyes grew colder.

"Don't dare!"

Cao Jun waved his hands again and again, and said bravely: "Young Master Hong, please give us a little more time. Before it gets dark today, we will definitely present the treasure!"

"I don't like bargaining. If there is no treasure map, then there is no need to hold today's engagement party. I will make the news of your regretful marriage public. Then, you will be responsible for the consequences!" Shangguan Hong's tone became sharp.

These words already smacked of threat.

”ah?”

Cao Jun was so frightened that his whole body trembled, and cold sweat broke out.

He is very aware of Shangguanhong’s iron-blooded methods. Once the treasure map cannot be handed over, the entire Cao family will suffer!

”Brother Hong...”

At this time, Cao Zhiyuan, who was wearing a red bridal gown, walked quickly into the meeting hall.

”Paper kite! Is there any news?”

Cao Jun’s eyes lit up, as if seeing a savior.

”That’s right.”

Cao Zhiyuan nodded, looked at Shangguan Hong, and said with a smile: “Brother Hong, please be patient. The treasure map is already on the way. It will be in your hands within half an hour!”

”Oh, is it so?”

Shangguan Hong raised his eyebrows slightly, and his cold face finally softened: “It’s better to be like this, otherwise, I will be very angry.”

”Brother Hong, the treasure map is definitely fine, but there may be a little trouble in a while, I hope you don’t mind.” Cao Zhiyuan vaccinated.

Although she has a hostage in hand, she can’t guarantee that Chase Lu will not cause trouble.

”As long as there is a treasure map, even if the sky falls, I will support you.” Shangguan Hong said calmly, his words were very domineering.

”That’s no problem.” Cao Zhiyuan breathed a sigh of relief.

Just as he was talking, a thunderous sound suddenly exploded in the air, deafening.

”Shangguan Hong! Get out of here!!”

Chapter 1227

”Shangguan Hong! Get out of here!!”

The sudden loud shouts resounded throughout Shangguan Mansion.

The sound was so powerful that it was like rolling thunder, soaring into the sky.

Carrying terrifying murderous intent and monstrous rage, it lingers for a long time.

”Presumptuous! Who is yelling here?”

”How dare you run wild in Shangguan’s house because you don’t know how to live or die? Arrest him immediately!”

”How audacious! How audacious!”

After a brief silence, the entire meeting hall exploded.

Everyone in the Shangguan family started to protest, filled with righteous indignation.

No one has ever dared to act wildly in Shangguan’s family, especially calling Shangguan Hong by his name and making rude remarks is an unforgivable crime.

”This damn Lu Chen is so lawless!” Cao Zhiyuan’s pretty face turned cold.

She knew that Lu Chen would come, but she didn’t expect him to be so crazy. He started shouting before he even entered the door.

”Cao Zhiyuan, this must be the trouble you mentioned, right?”

After frowning slightly, Shangguan Hong quickly returned to normal, without any sign of anger.

”Brother Hong, to be honest, the treasure map is in Lu Chen’s hands. As long as he is caught, everything will be fine!” Cao Zhiyuan said with a smile.

”You are so courageous, how dare you use me as a spearman?” Shangguan Hong glanced coldly.

”Brother Hong, I never meant this!”

Cao Zhiyuan panicked and quickly explained: “The main reason is that Cao Guan cheated and gave the treasure map to Lu Chen, and the time was too hasty. I had no time to make arrangements, so I had to lure people over first to catch the turtle in the jar!”

”You are quite clever and know how to use your brain. For the sake of your loyalty, I will kill Lu Chen for you today to avoid future troubles.”

Shangguan Hong stood up, shook his sleeves, and walked out of the meeting hall with his head held high.

Everyone looked at each other and quickly followed.

At this moment, at the gate of Shangguan Mansion.

”ah—!”

With the last scream, more than a dozen Shangguan family guards were all beaten to the ground by Lu Chen.

All of them had their hands and feet cut off, and they were wailing endlessly.

There is no single enemy at all.

”Damn it! Who is this person? He dares to challenge an official. Is this going to cost him his life?”

”He openly caused trouble on General Huwei’s engagement day. This guy is simply asking for his own destruction!”

”It’s true that newborn calves are not afraid of tigers. He didn’t realize the seriousness of the problem at all.”

The guests coming and going pointed and looked at me like they were idiots.

The Shangguan family is the top of the three, with power, connections, and even an army.

If a young boy dares to act wild here, what is the difference between seeking death?

”Shangguan Hong! Get out!”

Lu Chen roared and rushed in with murderous intent.

Wherever they passed, the crowds dispersed for fear of offending this stupid young man.

”Lu! Are you finally here? I’ve been waiting for you for a long time!”

At this time, Shangguan Xingwang suddenly stood in front.

Behind him, there were a group of martial arts masters, all gearing up and looking at him with eager eyes.

”Shangguan is prosperous?”

Lu Chen’s face darkened, and murderous intent surged in his eyes: “I’m warning you, let him go immediately, otherwise I’ll have you go to Guan’s house – blood will flow like a river!”

”Rivers of blood?”

Hearing this, Shangguan Xingwang couldn’t help laughing: “Boy! Who the hell do you think you are? Open your dog eyes and look, this is Shangguan’s house, this is my territory! If I want you to live, I will live, if I want you to die, I will Damn it, why do you yell at me?”

”I say it again, let him go immediately!” Lu Chen gritted his teeth.

”I can let her go if you want me, but you have to hand over the baby first, and then kneel on the ground and learn how to bark. When you make me happy, I will consider letting her go.”

Shangguan Xingwang crossed his arms with a joking look on his face.

”Hahaha...did you hear that? Kneel down and imitate a dog barking!”

Afterwards, a group of experts started laughing.

”You are looking for death!”

Lu Chen was angry, stopped talking nonsense, and rushed forward.

“Destroy him!”

Chapter 1228

Shangguan Xingwang’s face turned cold, and he suddenly waved his hand and gave an order.

”Get out of the way! Let me come!”

At this time, a muscular man suddenly jumped out and took the lead to meet Lu Chen.

Its speed is very fast and its strength is amazing. When running, it is like a bison, unstoppable.

Halfway through the rush, the muscular man suddenly clenched his fists to accumulate strength. One of his arms suddenly swelled, with veins popping out. He looked like Popeye.

”Mad Bull Punch!”

The muscular man shouted loudly, and punched Chen Lu in the face with a powerful punch.

”Zhu Laosi is really ruthless, and every time he strikes, it’s a killer move.”

”I can’t even block this punch, let alone that skinny guy?”

”Haha... If he can die in the hands of Zhu Laosi’s mad cow boxer, this kid will not be at a loss.”

The warriors laughed at Lian Lian, as if they were watching a show.

Among them, although Zhu Laosi is not the strongest, he is still ranked among the top masters.

If he were an ordinary warrior, he would die at the first touch.

”roll!”

Lu Chen ignored the muscular man’s attack, raised his hand and punched out, hitting first.

”bump!”

There was a loud bang.

The muscular man’s body exploded on the spot like a watermelon hit by a cannonball!

It turned into a ball of blood mist and drifted down.

”ah?”

Seeing this scene, all the warriors were dumbfounded.

Everyone was dumbfounded, their faces full of disbelief.

Zhu Laosi is an innate warrior and is quite famous in the world.

Such a master was actually beaten to death with one punch.

How is this possible? !

”Damn it! Are you dead now?”

Shangguan Xingwang was startled.

He knew that Lu Chen was very powerful, but he didn't expect it to be so fierce. He killed Zhu Laosi with one punch.

It's really scary.

"Damn it! It seems that we have encountered a tough situation. All heroes, prepare to fight together!"

After a brief period of shock, all the warriors became serious, as if they were facing a formidable enemy.

It is obviously not possible to fight alone. Now we can only bully the few with more.

"Kill him for me!"

Seeing that Lu Chen was still approaching, Shangguan Xingwang couldn't help but roar.

"kill!"

The warriors looked at each other and rushed forward at the same time.

"Anyone who stands in my way will die!"

Lu Chen's eyes showed a fierce look, and he showed no mercy. Like a tiger entering a flock of sheep, he pounced on him and started killing everyone.

All warriors who blocked the way were beaten away.

Either seriously injured or killed suddenly, he is not an enemy at all.

For a while, screams could not be heard.

In the face of absolute strength, the superiority in numbers does not play any role.

In just two minutes, twenty or thirty martial arts masters had all fallen to the ground.

”What?”

Seeing this scene, Shangguan Xingwang’s face turned pale, and the hairs all over his body stood on end.

The master who he had raised for many years, just disappeared like this?

What kind of monster is this kid? !

”boom!”

Lu Chen raised his foot and crushed the head of a warrior. His bloody and violent eyes glanced directly at Shangguan Xingwang: “Now, it’s your turn!”

Chapter 1229

The moment Lu Chen glanced over, Shangguan Xingwang couldn’t help but shudder, and an indescribable fear surged into his heart.

He thought that his arrangement was foolproof, but he didn’t expect that the other party would defeat all his plans with one force.

”Release him immediately, or—die!”

Lu Chen pressed forward step by step, full of murderous aura.

”I’ll let your mother go!”

Shangguan Xingwang roared angrily, suddenly pulled out a gun from his back, and fired at Lu Chen rapidly with “bang bang bang”.

When the bullet was ejected from the chamber, Lu Chen’s figure suddenly disappeared in place, and when he reappeared, he was already in front of Shangguan Xingwang.

”you.....”

Shangguan Xingwang was startled, and just as he was about to pull back, Lu Chen suddenly grabbed his wrist and violently pinched it off.

”ah—!”

Shangguan Xingwang screamed and the gun in his hand fell to the ground.

Immediately afterwards, Shangguan Xingwang felt his breathing hitched, his throat was pinched by a big hand, his screams stopped suddenly, and his face turned red.

Then, he watched his feet float off the ground little by little.

”Where is Concubine Cao Xuan?”

Lu Chen’s face was fierce and aggressive.

”Let...let me go...or you will die without a burial place!”

Shangguan Xingwang struggled wildly and made various threats.

”Let me ask you, where is Concubine Cao Xuan?!”

Lu Chen slowly exerted force with his fingers, pinching Shangguan Xingwang until it became difficult to breathe, veins popped out on his face, and his feet kicked wildly.

”stop!”

At this time, a group of key members of the Shangguan family came over in a mighty manner.

Behind these clansmen were a large number of armed soldiers.

The momentum is huge and vigorous.

And the leader is Shangguan Hong!

”Lu Chen! You are so brave! Let go of Xingwang, otherwise you will die forever!” Cao Zhiyuan shouted loudly.

She thought that Shangguan Xingwang's people would be able to capture Lu Chen, but she didn't expect that the entire army was wiped out.

"Brother...save, save me!"

Shangguan Xingwang turned his head with difficulty, his voice hoarse.

"Let me go, I will spare your life."

Shangguan Hong spit out a few words coldly.

The voice was not loud, but it carried an unquestionable majesty.

"I should say this, let Concubine Cao Xuan go, and I will spare your brother's life!" Lu Chen said in a deep voice.

"Concubine Cao Xuan?"

Shangguanhong frowned slightly, and looked at Cao Zhiyuan next to him, with some doubts: "What's going on?"

"Brother Hong, I captured Cao Guan and prepared to interrogate him about the whereabouts of the treasure map, but he refused to speak, so I tied up Concubine Cao Xuan as a threat." Cao Zhiyuan whispered back.

"Snapped!"

As soon as the words finished, Shangguan Hong slapped Cao Zhiyuan on the face, and said coldly, "Did I tell you not to touch Concubine Cao Xuan?"

He can kill anyone in the Cao family, but he can only hurt Concubine Cao Xuan.

Because the other party's grandfather is the Duke of the current dynasty.

A truly powerful man!

"Brother Hong, I...I also made this decision for the sake of the treasure map." Cao Zhiyuan covered her hot face, obsequiously.

"Is the person dead?" Shangguanhong asked again.

”No, not dead.” Cao Zhiyuan shook her head repeatedly.

”Next time, don’t blame me for being ruthless.” Shangguan Hong snorted coldly.

”Yes, yes, I will definitely pay attention in the future.” Cao Zhiyuan forcefully smiled.

It was a bit embarrassing to be slapped for no reason in front of so many people, but she could only greet her with a smile.

”Lu Chen...”

Shangguan Hong turned his eyes and said indifferently: “You are not qualified to bargain with me, let my brother go immediately, otherwise, he will die!”

With that said, he gestured forward.

Wow!

After that, a group of armed soldiers immediately swarmed up and surrounded Chase Lu.

Rows of black hole muzzles were all aimed at the vital parts of the body.

As long as Shangguan Hong gives an order, countless bullets will pour out.

”Young people don’t know the bounds of heaven and earth, but they dare to make trouble in Shangguan’s house. Is it over now?”

”At the end of the day, he’s just a warrior after all. No matter how powerful he is, what big waves can there be?”

”There is still a glimmer of hope for releasing people now. If you resist stubbornly, you will only have a dead end!”

”...”

Seeing the dark crowd of armed soldiers, the guests couldn’t help talking about it.

They have never seen such a crazy person, who broke into Shangguan's house alone in broad daylight and took Shangguan Xingwang hostage.

It's just like striking an egg against a stone and destroying yourself.

"Xiao Shao! Did you see that? You have been surrounded, surrounded by soldiers from our Shangguan family. Why do you fight with me?"

Shangguan Xingwang smiled ferociously: "If you don't want to die, let go immediately, cut off your meridians, and kneel down to beg for mercy. In this way, I might be able to let you live!"

"Are you courting death?"

Lu Chen grabbed Shangguan Xingwang's neck with one hand and slowly raised it, his eyes filled with coldness.

"What? How dare you touch me?"

Shangguan Xingwang was not afraid at all and continued to shout: "If you dare, try touching me? If you touch me, not only will you die, but your relatives and friends will also be buried with you!"

Oh, by the way, and your woman is locked in my basement now. If I lose a hair, my subordinates will take turns to kill her one by one, making her life worse than death!

Hahaha.....

come! Are you moving me? I want to see if you can bear the consequences? ! "

At the end of the sentence, Shangguan Xingwang laughed wildly, as if he was determined to defeat you.

So what if I can fight?

So what if you are powerful?

In the face of absolute power, personal bravery is not worth mentioning.

The Shangguan family is full of experts, strong men emerge in large numbers, and they also hold large armies.

Even if the kid in front of him has great abilities, he can't make any trouble.

"Do you really think I don't dare to kill you? Or do you think you can control me?" Lu Chen asked coldly.

"Hehe...do you dare? Open your dog eyes and see, now you are a shackle, your only choice is to bow your knees and surrender!" Shangguan Xingwang said aggressively.

"Lu Chen! Let go of Xingwang immediately and hand over the treasure, otherwise you and Concubine Cao Xuan's family will die!" Cao Zhiyuan threatened sternly.

"You have hostages, and so do I. One life for another." Lu Chen tried his best to suppress his anger.

If he hadn't been worried about Concubine Cao Xuan's safety, he would have gone on a killing spree.

"One life for another?"

Cao Zhiyuan did not make a decision, and looked at Shangguan Hong, as if asking for instructions.

Shangguan Hong didn't speak, just nodded.

Under the spotlight, as the patriarch of the Shangguan family, he must maintain the brotherhood a little bit.

Besides, Chase Lu would die in the end anyway, so it was harmless.

”You two, drag that half-dead guy out.”

Cao Zhiyuan turned around and whispered an instruction.

After a while, Cao Guan, who was covered in scars, was dragged over by two guards.

Wherever it passed, there was blood dripping and it was unbearable to look at.

”Uncle Cao?”

Lu Chen took a closer look, and immediately changed his face.

At this moment, Cao Guan was already dying. His body was riddled with holes and bloody flesh, and there was no intact skin left at all.

The whole person was simply miserable.

”You... you shouldn't have come...”

Cao Guan raised his head with difficulty, speaking weakly.

Now Shangguan's house is like a dragon's pond and a tiger's den. If Lu Chen comes here alone, isn't he looking for death?

”Cao Zhiyuan! You are such a beast! Even your own uncle will not be spared!” Lu Chen was furious.

He thought that only Concubine Cao Xuan was arrested, but he didn't expect that even Cao Guan would suffer.

It seems that he was also sentenced to death.

"Stop talking nonsense! Release him immediately!" Cao Zhiyuan shouted.

"Let Concubine Cao Xuan go too!" Lu Chen gritted his teeth.

"Impossible! You just said one life for another. If you want to release Concubine Cao Xuan, you have to hand over the treasure map!" Cao Zhiyuan shouted.

"Okay, let's change it first."

Lu Chen did not dare to waste time and immediately agreed.

Now Cao Guan is in critical condition. If he is not treated in time, he may die at any time.

"Send this old thing over there."

Cao Zhiyuan made a gesture and ordered the two guards to send Cao Guan forward.

Seeing this, Lu Chen slowly let go and put Shangguan Xingwang down.

"Grass!"

Shangguan Xingwang rubbed his red and swollen neck, glared at Lu Chen fiercely, and then turned around and walked towards Shangguan's camp.

The two sides went back and forth, exchanging hostages with each other.

However, just as he passed Cao Guan, Shangguan Xingwang's expression suddenly turned fierce.

”Go to hell!”

Without any warning, Shangguan Xingwang suddenly pulled out his knife and stabbed Cao Guan in the back.

It came as a chilling blow.
