

An Understated Dominance Chapter 1231 - 1240

Chapter 1231

”flutter!”

The sharp dagger penetrated from the back and came out from the chest.

The tip of the knife that popped out was stained with a coquettish red color.

”Forehead.....”

Cao Guan’s body trembled, his expression frozen.

He subconsciously looked down and saw the tip of the knife piercing his heart, slowly dripping with blood.

”ah?”

The sudden scene made everyone stunned.

No one expected that Shangguan Xingwang would suddenly assassinate him and kill him with one blow.

Isn’t it said that one life is exchanged for another?

Isn’t this guy doing a great job?

”Uncle Cao?”

Lu Chen was also stunned, a little unexpected.

His attention just now was on Shangguan Hong and Cao Zhiyuan. He really didn’t expect that Shangguan Xingwang, who was a hostage, would actually make such a move.

”Lu, Lu Chen...my daughter...I will leave it to you from now on...”

After Cao Guan uttered a sentence with difficulty, his head slowly dropped and he completely lost his breath.

”Death is a relief.”

Seeing this scene, Cao Zhiyuan looked indifferent and unmoved.

”The third child...”

Among the crowd, Cao Jun showed pain.

No matter what, the two of them are brothers. They grew up together and carried the Ding family together.

Now that Cao Guan was killed, he felt somewhat uncomfortable.

However, he dared not speak out in anger because he could not afford to offend the murderer.

”Old thing! Go to hell!”

Shangguan Xingwang grinned, pulled out the bloody knife, and kicked Cao Guan on the back.

”Boom!”

Cao Guan’s body was thrown high, and after flying a few meters away, it just landed at Lu Chen’s feet.

”Cao... Uncle Cao?”

Lu Chen squatted down, reached out to feel Cao Guan’s pulse, and his fingertips began to tremble.

Hopeless.

Originally, Cao Guan was seriously injured, and his vitality was about to be exhausted, but now he suffered a fatal blow, and even the gods could not save him.

”Little smash! You didn’t expect that, did you? If you dare to go against me, this is what you will end up with!”

After killing the people, Shangguan Xingwang said proudly: “In addition, I will tell you another cruel thing. Not only will I kill all your relatives and friends, I will also humiliate your woman!”

I want to torture her in front of you, making her life worse than death!

How about it? Are you angry? Do you really want to kill me?

It's a pity that you have no chance. From the moment you let me go, you are destined to die without a burial place!

Of course, I will not let you die too cheaply, I want you to experience all kinds of punishments, I want you to suffer humiliation, I want you to live and die!

This – this is the price you pay for offending me!

Hahaha.....”

By the end of the sentence, Shangguan Xingwang was laughing wildly.

A martial artist in the rivers and lakes dared to challenge him, it was like a fly shaking a tree.

”Shang. Official. Prosper. Prosper!”

Lu Chen got up slowly, paused every word, his eyes were about to burst.

In those scarlet eyes, there is endless murderous intent and violence.

His hair stood upright and his clothes moved freely without wind.

A monstrous evil spirit gushed out from within his body, heading straight into the sky.

Everyone felt their bodies sank, as if a boulder was pressed against their chests, and even breathing became difficult.

An indescribable feeling of palpitations suddenly came over me.

It seems that there is a huge crisis brewing rapidly.

”Shangguan Xingwang! I will cut you into pieces!”

Lu Chen was so angry that he suddenly ejected and rushed forward like a ferocious beast.

”Shoot! Shoot!”

Chapter 1232

Shangguan Xingwang was taken aback and backed away repeatedly.

”Bang bang bang...”

A burst of gunfire rang out, all hitting Lu Chen’s afterimage, without any damage at all.

”Quick! Stop him!”

Shangguan Xingwang’s expression changed drastically, he turned around and ran away.

Damn, this lunatic is not even afraid of guns.

”What are you still doing? Go up and help!”

Cao Zhiyuan reacted quickly and quickly directed a group of guards to push forward.

”Come back to me!”

Lu Chen stepped forward, grabbed Shangguan Xingwang’s head, and then yanked it back, pressing him directly to the ground.

It’s like catching a dead fish.

The next second, the gunfire stopped suddenly, for fear of accidental injury.

The powerful guards immediately stopped and did not dare to act rashly.

”Lu Chen! I warn you not to act recklessly, if you hurt Xingwang, you will be in disaster!” Cao Zhiyuan sternly shouted.

”Zhuzi! Stop quickly!” The clan members of Shangguan’s family shouted angrily.

At this moment, everyone could feel Lu Chen's terrifying murderous intent.

But because of the fear of throwing rats away, they dare not act rashly.

"Small! You better be careful, if you hurt me, your whole family will suffer!" Shangguan Xingwang threatened sharply.

Although he was arrested, he was surrounded by people from Shangguan's family, so it was true.

He didn't believe that Chase Lu dared to risk the death of his whole family, and really killed him.

"You – really deserve to die!"

Chase Lu's eyes almost burst into flames, and he slowly exerted force on his fingers.

The terrifying power of the fingertips directly pierced Shangguan Xingxing's flesh, bit by bit deep into the skull.

Blood quickly covered his face.

"Ah~!"

Shangguan Xingwang couldn't help but scream, and the fear of death suddenly surged into his heart.

"Wait! Stop it!"

At this moment, Shangguan Xingwang finally panicked and began to surrender: "Little smash! Calm down! If you kill me, countless people will die! Think of your woman, think of your relatives, they will all follow You will be buried with him!"

”You are wrong, it is your Shangguan family who should be buried with you!”

Lu Chen continued to exert force with his fingers, with a fierce look on his face.

”Ka Ka Ka...”

Cracks began to appear in Shangguan Xingwang’s skull.

Blood flowed out from the eyes, ears, mouth and nose.

The severe pain and fear of death made Shangguan Xingwang burst into tears and beg for mercy: “Don’t... don’t kill me. I know I was wrong. Please spare my life. As long as you let me go, I promise not to hold you responsible, I can swear that!”

He knew that if he refused to give in, he might really die.

”Lu Chen! Stop immediately! If you kill Xingwang, Concubine Cao Xuan and her family will die!” Cao Zhiyuan threatened.

As soon as he finished speaking, there was only a “bang” sound.

Shangguan Xingwang’s head exploded like a watermelon hit by a cannonball!

Red and white, splashing everywhere.

Spreading mess all over the floor.

”What?!”

Seeing Shangguan Xingwang whose head was blown off, everyone couldn’t help being startled.

They didn’t expect that Lu Chen would actually dare to kill someone under heavy siege.

Not caring about his own life, not caring about the life of his whole family.

”Damn it! Did this guy not want his life? He actually killed the young master of the Shangguan family?!”

”Madman! What a madman!”

”This kid shouldn’t have offended the Shangguan family. Now I’m afraid he will be killed by the nine clans!”

”...”

The guests were pointing and pointing in an uproar.

They were attending the engagement banquet, but they did not expect to witness the death of Shangguan Xingwang.

If a happy event turns into a funeral, the entire Shangguan family will be furious.

No one can afford the consequences!

Chapter 1233

”Dead...dead?”

Cao Zhiyuan was stunned, her beautiful eyes widened with a look of disbelief.

She really didn’t expect that Lu Chen would actually dare to kill someone in public, and the person he killed was Shangguan Hong’s biological brother.

This guy is simply committing a heinous crime!

”It’s broken! Now even Concubine Xuan and the others will suffer!”

Cao Jun secretly cursed and sighed.

The death of his third brother was already a big blow to him.

Now if even the two nieces are not spared, it will be even worse.

Although he desires power, he does not want to kill his relatives.

For a moment, he couldn't help but doubt his original choice.

Is it really the right thing to take refuge in Shangguan's family?

"presumptuous!"

"Be bold!"

"Shu Zi! You are going too far!!"

After a brief moment of daze, the clan members of the Shangguan family became furious and started to rebuke one after another.

After many years of being established in the provincial capital, no one has ever dared to call the Shangguan family, let alone brutally murder a direct descendant of the Shangguan family in front of them.

This kind of behavior is simply audacious!

"Lu Chen, you have offended the power of Heaven. No one can save you today."

Shangguan Hong said coldly.

The death of his younger brother did not cause him much fluctuation.

But as a murderer, Lu Chen must pay the price of death for openly provoking the authority of the Shangguan family.

”Let Concubine Cao Xuan go, otherwise, you will all die!”

While Lu Chen was speaking, he kicked Shangguan Xingwang’s body violently.

”Boom!”

Shangguan Xingwang bounced off like a football and hit Shangguan Hong at an extremely fast speed, like a human cannonball.

”snort!”

Shangguan Hong snorted coldly and slapped his palm directly, hitting Shangguan Xingwang hard on the chest.

”boom!”

There was an explosion, and Shangguan Xingwang’s body exploded instantly, turning into flesh and blood that splattered across the sky.

The surrounding group of Shangguan clan members were covered in blood mist.

All of them turned pale with fright and backed away in fright.

Lu Chen was already cruel enough, but he didn’t expect Shangguan Hong to be even more cruel, not even sparing his own brother’s body.

With one palm strike, he died without a whole body.

”Come on, kill him.”

Shangguan Hong uttered a few words coldly, then took out a white handkerchief and carefully wiped the blood on his hands.

”kill!”

Afterwards, a group of Wolf Guard masters drew their weapons and charged towards Lu Chen.

”I’ll see who dares to do it!”

At this time, there was an angry shout.

Lao Zhang led a group of Qilin Gang disciples and stormed through the door.

The dark crowd was full of people, with great momentum and majestic energy.

”Presumptuous! Who are you? How dare you break into Shangguan’s house without permission? How brave you are!”

”A bunch of reckless people, is this a place you can break into? Get out of here!”

”Send my order! Mobilize the army immediately to suppress the rebellion!”

”...”

The appearance of the Qilin Gang aroused the anger of the Shangguan family members.

Chapter 1234

what is it today?

Lu Chen, a stupid young man who is not afraid of death, openly challenges the authority of the Shangguan family, but now a group of gangsters have appeared, showing off their power here, it is simply lawless!

”Listen up, Shangguan family, let Miss Cao go immediately, otherwise we will fight to the death today!”

Lao Zhang led many Qilin Gang disciples, stepped forward aggressively, and began to confront Shangguan’s soldiers.

”The fish is dead and the net is broken? Are you worthy of it?”

Shangguan Hong’s eyes were very disdainful.

In his eyes, the Qilin Gang is just a bunch of rabble.

As soon as the army arrives, it can be easily slaughtered.

”Lu Chen! You are so naive. Do you think you can call Banguan’s family just by relying on these little minions? What a fool’s dream!” Cao Zhiyuan sneered.

Although the Qilin Gang is quite powerful, in front of the Shangguan family, they are just a bunch of chickens and dogs, and they will be broken into pieces at a touch.

”If the Qilin Gang can’t do it, what about our Yaowang Valley?”

At this time, a loud voice suddenly sounded at the door.

Immediately afterwards, an immortal old man walked in leisurely with a group of extraordinary people.

These people are over fifty years old and are wearing long robes. Although they do not have an imposing aura, they are as thick as mountains and stand tall as mountains.

No one dares to have the slightest contempt.

The visitors were Qiao Antai, the master of Yaowang Valley, and a group of elders and deacons.

”It’s strange, why did you even come to Yaowang Valley?”

”Yao Wang Valley has always ignored secular affairs and never participated in disputes. What happened today? All the top officials were dispatched, and even the Medicine King, who has always been invisible to the dragon, showed up.”

”I have a bad feeling that something big will happen today!”

”...”

Because of the appearance of everyone from Yaowang Valley, the whole place couldn’t help but become commotion.

You know, Yaowang Valley is an otherworldly existence in the entire Jiangnan.

He seems to be powerless, but in fact he has a wide network of contacts and has close contacts with all major forces.

People will get sick sometimes, and once they are seriously ill, they have to seek help from Yaowanggu.

Over the years, the influence of Yaowang Valley is no worse than that of San Jueding.

It's just that Yaowang Valley has always been in a neutral position, and now it suddenly appears, which has to arouse speculation.

"Elder Lu, today I led the crowd to Fengyu Villa to celebrate your birthday. I didn't expect you to come here. I shouldn't have missed anything, right?" Qiao Antai walked forward with a smile.

"You came just in time." Lu Chen nodded slightly.

"Senior Medicine King, what do you mean? Do you want to help Lu Chen and go against our Shangguan family?" Cao Zhiyuan asked coldly.

If it were just the Qilin Gang, the Shangguan family could easily crush it, but if the Yaowang Valley was added to it, it would be a bit troublesome.

After all, the influence of Yaowang Valley is too great. Once they break up, they will inevitably be criticized verbally and writtenly.

"Lu Chen is the elder of our Medicine King Valley. If he is in danger, we, the Medicine King Valley, naturally cannot sit idly by and ignore it." Qiao Antai said calmly.

"Elder of Yaowang Valley?" Cao Zhiyuan frowned slightly.

She didn't expect Lu Chen to have such an identity, no wonder he dared to be so arrogant.

"General Huwei, today is a happy day. It's not appropriate to make things too tense. Let's let Miss Cao go. Wouldn't it be nice if we don't offend each other?" Qiao Antai spoke again.

"Valley Master Qiao, it's not your turn to dictate my affairs."

Shangguan Hong said indifferently: “Lu Chen killed my brother and openly challenged the dignity of the Shangguan family. I have already said that he will die today and no one can save him, including you.”

He hasn't paid much attention to the mere Yaowang Valley.

”General Huwei, don't do anything too extreme, otherwise you will easily get burned.”

Qiao Antai said meaningfully.

”Burning yourself on fire? Do you, Yaowang Valley, have this strength?”

Shangguan Hong snorted coldly: “Get out of here before I get angry, otherwise don't blame me for being ruthless!”

”Shangguan Hong! You are such a powerful official! I would like to see how you become so heartless!”

Suddenly, a majestic voice sounded at the door.

Immediately afterwards, a middle-aged man with an imposing appearance walked in aggressively with a team of personal guards.

This person is actually the governor of a province, Xia Yongkang!

Chapter 1235

”My god! It's Governor Xia? Why is he here?”

”Looking at Governor Xia's battle, it seems that he didn't come to the engagement banquet.”

”Nonsense! Who brings so many guards to a wedding banquet? It’s obvious there’s going to be trouble!”

”...”

The appearance of Xia Yongkang caused the scene to explode instantly.

Even a group of clan members of the Shangguan family looked solemn at this moment.

You know, the man in front of you is the governor of a province, the man in charge of the military and political power of the entire southern province!

Official residence from Yipin!

The real feudal officials!

In front of such a big shot, even Shangguan Hong, who was a powerful general, had to be suppressed.

”Brother Lu, are you not injured?”

After entering the venue, Xia Yongkang asked Lu Chen first.

”I’m fine. Thank you, Lord Governor, for your concern.”

Lu Chen nodded politely.

”It’s fine.”

Xia Yongkang smiled, and when his eyes turned to Shangguanhong, his face suddenly became cold again: “Shangguanhong, you have a lot of authority, and because you are a third-rank general, you can do all kinds of domineering things, and no one can control you.” hold you?”

These words were merciless and did not give the Shangguan family any face.

”Mr. Governor, you misunderstood. It was Lu Chen who came to make trouble. We were just acting in self-defense.”

Seeing that the situation was not good, Cao Zhiyuan quickly defended himself.

”That’s right! It was Lu Chen who was lawless and openly killed members of my Shangguan family. We must seek justice!” The clan members of the Shangguan family echoed.

”Shut up, everyone!”

Xia Yongkang stared: “Don’t think that I don’t know what happened. Your Shangguan family kidnapped Concubine Cao Xuan and killed Cao Guan in public. All kinds of bad deeds are simply outraged by both men and gods!”

As soon as these words came out, the Shangguan family clan members were instantly speechless.

It is obvious that they are no longer able to stand up to the problem.

”Governor Xia, I have no grievances with you, why do you have to go against me?” Shangguan Hong’s face was cold and his eyes were a little unkind.

The last time at Cao’s house, Xia Yongkang also interfered and ruined his good deeds.

Unexpectedly, today, the other party showed up again, and even came to destroy the place.

It’s simply too much!

”As a general of the Dragon Kingdom, you are supposed to uphold law and order and uphold justice, but look at your behavior, how is it any different from a gangster?!” Xia Yongkang said righteously.

”Governor Xia, although your official position is higher than mine, it doesn’t mean you can control me.”

Shangguan Hong stood with his hands behind his back, and said without hesitation, “My position as a general is granted by the official family and belongs to the Ministry of War. Even if you are the governor of a province, you have no right to dictate to me!”

The governor is the highest local official, commanding the military and political power of a province.

Although the official position is very high, he belongs to the civil service category.

And he is a general, and the two sides are not in the same system.

Civilian officials and military generals have always been at odds, and he may not be afraid if they really want to tear their faces apart.

Because there is a big backer behind him!

”Shangguan Hong, don’t be too arrogant!”

Xia Yongkang snorted coldly: “Southern Province is under my jurisdiction. If you do anything harmful to the world, I will never stand by and watch!”

”Governor Xia, I’ve always been law-abiding, so how can I do something so unreasonable?”

Shangguan Hongli said confidently: “To say the least, even if I am really guilty, it is not something that you, the local governor, can easily deal with!”

As soon as he finished speaking, a strong and majestic voice suddenly sounded in the air.

”Governor Xia can’t deal with you, so what about the old man and me?”

The voice was not loud, but it reached everyone’s ears clearly.

Looking around, I saw another group of people walking in from the direction of the gate.

The leader was a tall old man with white beard and white eyebrows.

Chapter 1236

The old man walked like a dragon and a tiger, his face full of majesty, but he also exuded a chilling air that made people feel cold.

”It’s Old General Murong! Old General Murong is here!”

”Oh, dog buyer! What happened today? Why did even the reclusive old general come forward?”

”It’s broken! The Shangguan family is going to change!”

When they saw Murong Zhenguo, the whole scene was in an uproar again.

The appearance of Xia Yongkang was already shocking enough, but now even Murong Zhenguo has heard about it, which is really unbelievable.

As a former general who protected the country, Murong Zhenguo had great achievements and was a highly respected minister.

He spent his life fighting and gained disciples all over the world.

Regardless of power, connections, or influence, he is the leader in the entire Jiangnan.

Even Xia Yongkang, the Governor of the Southern Province, will be overwhelmed.

”Little guy, I’m here to support you today. I want to see who dares to be presumptuous!”

Murong Zhenguo didn’t talk nonsense, stood directly beside Lu Chen, and publicly stated his position.

However, this move once again caused everyone to be in an uproar.

”What? The old general came here because of this boy? Is that right?”

”How could this happen? What kind of virtue and ability does this boy have? He can actually ask the old general to come forward?”

”Looking at this battle, does this person have some powerful background?”

Everyone was whispering and looking at Lu Chen, his eyes became particularly different.

They initially thought that Lu Chen was seeking his own destruction by coming to make trouble.

It turned out that the other party came prepared.

No wonder he dared to challenge the officials. With two mountains protecting him, wouldn’t he be walking sideways?

”How...how is it possible?!”

Cao Zhiyuan looked shocked, a little unbelievable.

She always thought that Chase Lu was just a martial artist with no power or authority.

So from the beginning, she looked down on Lu Chen and felt that he was inferior.

But now she realized that she was wrong, and very wrong.

Lu Chen was not only good at fighting, but he also had a lot of connections behind him, so that when he was in danger, even the governor of a province and the general who protected the country came to help.

Although it is difficult to accept, I have to admit that the other party is already qualified to challenge Guan Hong.

”Oh my God! Who is this kid?!”

Cao Jun and his party were stunned and out of their wits.

Concubine Cao Xuan was kidnapped and Cao Guan was killed. They were all inseparable.

And Lu Chen has a close relationship with Concubine Cao Xuan, so he will definitely not give up.

If it were in the past, with the power of the Shangguan family, future troubles could be avoided forever.

But now that Lu Chen has shown a good network of connections, even the Shangguan family may not dare to act rashly.

In other words, once Lu Chen wants to take revenge, they will all be in danger!

”I’ve met the old general.”

Xia Yongkang bowed his hands to Murong Zhenguo to show his respect.

Although the person in front of him has retreated behind the scenes, he still has unparalleled influence.

Even as the governor, he has to pay three respects.

”Um.”

Murong Zhenguo nodded in response, and immediately glanced at Shangguan Hong: “Shangguan boy, you just said that Governor Xia can’t deal with you. Do you think it’s okay if you add me, an old man?”

As soon as these words came out, Shangguan Hong’s face instantly became ugly.

Dealing with a governor is already very difficult, but now there is a general protecting the country, which is even worse.

The two giants, one civil and one military, have connections and influences all over the world.

Once joined hands, looking at the entire Dragon Kingdom, how many people can stop it?

Chapter 1237

”Old general, Shangguan’s family and Murong’s family have always entered the water without disturbing the river. Is it too much for you to come and make trouble today?”

Shangguan Hong frowned.

With his current power, it’s true that he can’t toughen up the two giants, but that doesn’t mean he has to compromise.

As the head of the three extremes, the Shangguan family naturally has a corresponding background and strength.

If you really want to tear your face apart, it is still unclear who will win the deer.

”Excessive?”

Murong Zhenguo snorted: “If it weren’t for your Shangguan family to start the trouble, why would I be here? Are you only allowed to prevent fires at Shangguan’s family, but we are not allowed to light the lamps?”

Today is Lu Chen’s birthday, as an elder, he originally planned to go to Fengyu Mountain Villa to support him.

As soon as he heard that something had happened, he immediately brought people over.

”Shangguanhong, I don’t want to cause trouble, let him go immediately, otherwise you can’t afford the consequences!” Xia Yongkang threatened in a cold voice.

”Brother Hong, how about...forget it?”

Cao Zhiyuan swallowed and said weakly: “Today is our engagement day. It’s not appropriate to make a big fuss. Let’s release Concubine Cao Xuan first to calm down the situation. As for the treasure map, let’s make plans in the future. What do you think? “

”Shut up!”

Shangguan Hong was so angry that he raised his hand and slapped him.

The huge force directly hit Cao Zhiyuan staggering and almost fell down.

A pretty face instantly became red and swollen.

”Brother Hong?”

Cao Zhiyuan covered her hot face, a little at a loss.

She didn’t understand, which sentence did she say wrong?

As the saying goes, those who know the current affairs are heroes. At this time, shouldn’t they choose to avoid the edge temporarily?

”Useless things, you’ve lost all my face!” Shangguan Hong had a bad look on his face.

The Shangguan family has dominated Jiangnan for many years and has never bowed to anyone.

If you are threatened a few words and have to obey orders, then where will the Shangguan family’s face be put in the future?

Wouldn’t the century-old wealthy family be the laughing stock of the world?

”Boy from the Shangguan family, I’ll give you three minutes to think about it. If you don’t admit your mistake in time, don’t blame the old man and I will fall out!” Murong Zhenguo issued a final warning.

”Murong Zhenguo, you, the great general who protects the country, are bullying my juniors here. What kind of skills do you think you have?”

Suddenly, a low and hoarse voice sounded in the air.

Everyone subconsciously followed the sound and saw a white figure suddenly rising from the ground toward the inner courtyard in the distance and jumping into the sky above everyone’s heads.

Immediately afterwards, the white figure turned around and swooped down like an eagle, carrying the power of destroying the world.

Just when it was about to be hit hard, the white figure stretched out his arms, and the impact was instantly stopped.

The wind was blowing on the soles of his feet, and his whole body was like a feather, hovering lightly and falling to the ground silently.

Ability to move fast or slow, to send and receive freely, and powerful martial arts attainments are fully demonstrated at this moment.

When the white figure landed on the ground, everyone saw clearly that it was an old man with white hair.

The old man was wearing a Tang suit, with a thin figure and a withered face, but his eyes were bright and sometimes showed a terrifying edge.

The old man is the backbone of the Shangguan family – Shangguan Pengcheng!

”grandfather?”

Shangguanhong couldn't help but his eyes lit up when he saw the person coming.

The restlessness just now calmed down instantly.

The Shangguan family's Dinghai magic needle has appeared. Even if Xia Yongkang and Murong Zhenguo join forces, there is nothing to be afraid of.

”Uncle Zhongyong—Shangguan Pengcheng?!”

Xia Yongkang narrowed his eyes slightly and his expression became serious.

Chapter 1238

As an extremely wealthy family, the Shangguan family has dominated for a hundred years because of the accumulation of past dynasties.

Especially the previous patriarch, Shangguan Pengcheng, was a generation of great talents.

In the early years of the struggle for imperial power, he had a vicious vision and chose the right master. Then he supported him all the way to the top and became a minister of the official family. In the end, he was personally awarded the title of Uncle Zhongyong.

His powerful position and personal bravery are not weaker than Murong Zhenguo.

Even better in some aspects.

The only difference is that Murong Zhenguo performed meritorious service on the battlefield, while Shangguan Pengcheng fought hard in the officialdom.

Although the Tao is different, they are all top-notch people.

”Hahaha... Great, great, the old patriarch finally appeared!”

”With the old patriarch sitting in charge, who dares to act arrogantly in Shangguan’s family?”

Upon seeing Shangguan Pengcheng, the clan members of the Shangguan family all expressed joy.

As if they had found their backbone, they were all refreshed after the previous decline.

”Daughter! We can be saved! We can be saved!”

Cao Jun was extremely excited if he was granted amnesty.

He was worried about how it would end before, but the appearance of Shangguan Pengcheng gave him hope.

”Great! I really chose the wrong person!”

Cao Zhiyuan was also overjoyed.

Shangguan Hong not only has a bright future, but also has a grandfather who is in a high position.

Zhongyongbo is a noble title. Although it has no real power, it represents supreme glory and an unfathomable network of connections.

Even at critical moments, you can directly meet with officials.

With such a big shot in charge, who can shake the Shangguan family?

”Lu Chen, Lu Chen, so what if you have Governor Xia’s backing? What if you have Old General Murong as your backer? After all, you still can’t save Concubine Cao Xuan, and you still can’t change the situation. You will never, only deserve to be stepped on by us. Underfoot!”

Cao Zhiyuan whispered secretly and sneered again and again.

She admitted that Chase Lu had something, but unfortunately, he still couldn’t make any big waves.

”Murong Zhenguo, you are all respectable people after all. Now you are bullying my grandson in public. Do you really think that there is no one in my Shangguan family?”

Shangguan Pengcheng stood with his hands behind his back, his expression was indifferent, and the tone of his mouth was questioning.

He has already come to the door to make trouble, so naturally he is not polite.

”Shangguan Pengcheng, let’s figure it out first. It was your grandson who started the trouble first. We’re just seeking justice. Is there any problem?” Murong Zhenguo said lightly.

”You want to seek justice, talk to me directly, and bully the younger generation, what are you doing?” Shangguan Pengcheng was domineering.

”You have been unable to shrink back, who knows where you are?” Murong Zhenguo sneered.

”Now that I’m out, what do you have to say?” Shangguan Pengcheng didn’t look sideways.

”Your grandson tied up someone who shouldn’t be tied up, let her go, everyone is safe today, otherwise you will be in big trouble.” Murong Zhenguo cut to the chase.

”Kidnapping?” Shangguan Pengcheng looked sideways at his grandson and asked, “Is there any?”

”No.” Shangguanhong shook his head.

”Now, did you hear that? My Hong’er said no, you can go.” Shangguan Pengcheng waved his hand, as if to shoo away flies.

”If you don’t say a word, are you going to send us away? Are you going to treat us as idiots?” Murong Zhenguo’s face turned cold.

”Then what do you want?” Shangguan Pengcheng’s eyes were a little unfriendly.

”Either, take the initiative to hand over the person; or, we go in and search, and you choose one yourself.” Murong Zhenguo was not polite.

”It’s even more impossible to go in and search if there is no one. Our Shangguan’s house is not a place for you to run wild!” Shangguan Pengcheng said in a deep voice.

”Hey! You old bastard! Oil and salt don’t go in, right?”

Murong Zhenguo was a little annoyed: “Believe it or not, I tore you down today!”

Chapter 1239

”Demolish my house? Do you have the ability?”

Shangguan Pengcheng snorted coldly: “Murong Zhenguo, you don’t think you can run wild on my territory just because you brought some people here today, do you? Your general’s palace is powerful, but my Earl’s palace is not in vain! If anyone dares to act presumptuously here, I have the right to kill first and play later!”

”Cut first and play later, right? Come on, let’s practice and see whose fist is stronger!” Murong Zhenguo rolled up his sleeves and was about to fight.

Instead of forcing Lai Lai, it would be better to have a happy fight.

”Murong Zhenguo, do you want to do something? Okay, I’ll find someone to accompany you!”

Shangguan Pengcheng suddenly turned up the volume, and shouted from the air: “Brother Yuanqing, it’s your turn!”

”Hahahahaha...”

As soon as the words fell, there was a burst of thunderous laughter, which suddenly exploded out of thin air.

The laughter seemed to be coming from all directions, and it was deafening. Ordinary people were so shaken that their faces showed pain, and they subconsciously covered their ears.

At the same time as the laughter sounded, a red figure suddenly fell from the sky, like a cannonball, and hit the center of the field heavily.

”boom!!”

There was a loud bang.

Debris flew and smoke flew everywhere.

A huge gust of wind, centered on the landing point, swept away in all directions, making people’s hair stand on end, their clothes rustling, and they couldn’t even open their eyes.

After the strong wind passed, a middle-aged man wearing a fiery red robe with gray hair on his temples walked out with his head held high.

The man was tall and had sharp eyes. His whole body was like a ball of fire, with a scorching wave of air coming from his body, and the surrounding temperature was rising rapidly.

Wherever it passed, the crowd was sweating profusely, short of breath, and extremely hot.

”It’s Tuoba Yuanqing! It’s Tuoba Yuanqing, one of the five great masters in Jiangnan!”

After seeing the man’s face clearly, the whole scene was in an uproar.

”What? Tuoba Yuanqing? Why is he here?”

”My dear! I didn’t expect that there is a top martial arts master hidden in the Earl’s Mansion!”

”With Tuoba Yuanqing in charge, it seems that Old General Murong and the others won’t be able to bargain today.”

”...”

The appearance of Tuoba Yuanqing caused a lot of discussion among the people.

The five great masters in the south of the Yangtze River are all top-notch experts, and one person can stop ten thousand armies.

The Shangguan family was already powerful, and now with the addition of Tuo Ba Yuan Qing, it was even more powerful!

”Brother Pengcheng, I heard that someone is making trouble here. I wonder who is so bold?”

Tuoba Yuanqing stepped forward with an arrogant look on his face, his whole person full of aura, not hiding his edge at all.

”Hey, that’s what’s in front of you.”

Shangguan Pengcheng looked at Murong Zhenguo and the others pointedly, and said coldly: “Murong Zhenguo, don’t you want to fight? Come on, try your hand with brother Yuanqing and see if you can hold on with your old bones.” How many moves?”

”Um?”

Hearing this, Murong Zhenguo couldn’t help frowning.

He naturally knew Tuoba Yuan Qing’s strength, he was a powerhouse on the same level as Huangfu Longteng.

In terms of force value alone, it is already the pinnacle of Jiangnan.

Even in his prime, he was not sure he could win a fight, not to mention he was injured two days ago.

If I really want to take action, I’m afraid I won’t be able to get any benefits.

”Old man, what’s the point of asking for foreign aid? If you have the guts, you can fight with me!” Murong Zhenguo avoided the serious and planned to have a direct confrontation with Shangguan Pengcheng.

”Brother Yuan Qing is a guest of my Earl’s Mansion, not a foreign aid.”

Shangguan Pengcheng said indifferently: “Besides, I’m just a civil servant. I don’t fight. If you want to fight, you can fight with Brother Yuan Qing. Of course, if you don’t dare, then take your people and get out of here.” !”

”Old guy, are you playing this trick with me? Do you really think I can’t do anything to you?” Murong Zhenguo had a stern face.

”Old General Murong, I heard that you have been on the battlefield for many years and your cultivation is astonishing. You have never been defeated. I really want to see you.”

Chapter 1240

At this time, Tuoba Yuanqing said with a half-smile: “It is said that military and martial arts are indistinguishable. I am very curious. Which one is more powerful, your killing skills, or my martial arts attainments?”

As soon as these words came out, there was another commotion all around.

This is already a naked provocation.

As the saying goes, there are specialties in the art industry. If it is a formation of troops, Murong Zhenguo will naturally win.

But when it comes to martial arts cultivation, looking at the entire Jiangnan, there are not many people who can match Tuoba Yuanqing.

The problem is, others are already riding on his face. If Murong Zhenguo refuses, it will cause great damage to his reputation and dignity.

”Tuoba Yuanqing, you are not qualified to challenge the old general of the Murong family, let me meet you!”

At this time, a cold female voice suddenly sounded.

Everyone followed the sound and saw a stunning woman wearing a red outfit with short silver hair walking in with a high profile.

The woman carried a three-foot green-edged sword. She had a cold temperament, indifferent eyes, and a somewhat heroic air between her brows.

The whole person looked majestic and heroic.

”Oh my god! It’s Hongying God of War! Hongying God of War is here too!”

”Holy shit! Did I read that right? Even the strongest female war goddess in the Dragon Kingdom is here? What happened today?”

”Gods fight! It’s really a fight between gods!”

Seeing Zhao Hongying entering the door with her sword in hand, everyone at the scene made another noise.

You know, these are the big guys who stand at the top of the Dragon Kingdom.

Normally, it would be a great honor for them to see one person, but now that so many shocking existences suddenly appear, it is really unbelievable.

”It’s her again? She’s here again!”

Cao Zhiyuan shrank his neck in fright and quickly hid behind Shangguan Hong.

The last time she was at Cao’s house, the scene where Zhao Hongying killed Cao Yiming with one sword was still vivid in her mind, and she already had a shadow in her heart.

Now that I saw this female murderer again, I couldn’t hide the fear in my heart.

”No way? Could it be that Hongying God of War was also invited by Lu Chen?”

Cao Jun and others looked pale as if they were struck by lightning.

The last time Zhao Hongying appeared at Cao's house, they could regard it as a coincidence. Now that the other party appeared again, it was obvious that her relationship with Lu Chen was not simple.

"Zhao Hongying?"

Shangguan Hong frowned, his face became serious.

Looking at the entire Dragon Kingdom, among the younger generation, there are only a handful of people who can be better than him.

And Zhao Hongying is one of them.

He has struggled for many years, and now he is only a third-rank General Huwei, while Zhao Hongying has become a first-rank God of War, and already has the right to talk to the officials.

The gap between the two sides cannot be overstated by using the difference between clouds and mud.

"Oh? It turns out that the daughter of the Zhao family has arrived?"

Murong Zhenguo smiled slightly, not too surprised.

With Lu Chen's identity here, it is not surprising that people from the Zhao family appeared.

"Hey! Why are you walking so fast? Can you wait for me?"

Just as Zhao Hongying entered the door, another group of people followed in behind.

The leader is a well-dressed man with a face like a crown jade.

The man was somewhat similar to Zhao Hongying, and his temperament was also extraordinary. Standing in the crowd, he seemed to stand out from the crowd, very brilliant.

It looks harmless to humans and animals, but the sharpness leaked from the eyes makes people shudder.

”Zhao Wuji! It’s the God of War, Zhao Wuji!”

After seeing the man’s appearance clearly, the audience exploded in an instant.
