

## An Understated Dominance Chapter 1241 - 1250

### Chapter 1241

”What? Zhao Wuji, the God of War? How is it possible?!”

”My dear mother! First it was the Red Tasseled Goddess of War, and now it is the God of War, and now it is the God of War. The twin stars of the Zhao family all appeared together. Could it be that the sky is falling?!”

”What happened? Who can invite the Zhao family twins?!”

Because of Zhao Wou-ki’s appearance, the noisy scene became even more heated.

You know, the reputation of the God of War Zhao Wuji is no worse than that of the female God of War Zhao Hongying, and is even better.

Zhao Hongying’s military exploits and official position were forcibly obtained from the mountain of corpses and sea of blood with her own punches and kicks.

The root of it is because of the strong martial arts cultivation base, daring to fight and fighting is not afraid of death.

On the other hand, Zhao Wuji was just the opposite. Although his martial arts cultivation was good, he always used his wisdom to win.

Since joining the army, he has never been defeated in dozens of battles, large and small, and in almost all battles, he has defeated more with less, and the weak has defeated the strong.

He is truly strategizing and using troops like a god.

If Zhao Hongying is amazing in martial arts, then Zhao Wuji is as intelligent as a monster.

The two brothers and sisters, one civilized and the other martial, were known as the twin stars of the Zhao family. Their military accomplishments were unparalleled in the entire Dragon Kingdom.

”It’s over, it’s over, even the military god Zhao Wuji is here. Now we are in big trouble!”  
Cao Zhiyuan was panicked and sweating profusely.

It is already difficult to deal with the God of War Zhao Hongying, and now adding the God of War Zhao Wuji is undoubtedly a double blow.

Even the Shangguan family would find it difficult to resist.

”How could this be? Could it be that the Cao family is really hopeless?”

Cao Jun and others’ faces were ashen and their legs were weak.

Once the Shangguan family cannot withstand the pressure, they will definitely put all the responsibility on the Cao family.

By then, they will become scapegoats.

”Zhao Hongying? Zhao Wuji? Why are they all here?”

Shangguan Hong frowned deeply and looked ugly.

The twin stars of the Zhao family are the leaders among the young talents of the Dragon Kingdom, and they are also the future pillars of the country.

No matter his status or the power in his hands, he is far superior to him.

The two of them appeared at the same time, like two mountains, weighing heavily on his shoulders.

”Yo! It’s so lively here!”

Zao Wou-ki glanced around, and under the attention of everyone, together with Zhao Hongying, he went straight to Lu Chen’s side, and said with a smile: “Old Lu, we shouldn’t be late, right?”

”No, the time is just right.” Lu Chen nodded.

”That’s fine.”

Zhao Wuji smiled, and clasped fists at Murong Zhenguo and Xia Yongkang respectively: “I’ve seen the old general, I’ve seen Governor Xia.”

”You don’t need to be polite, God of War.” Xia Yongkang immediately returned the greeting.

Zhao Wuji’s official position was similar to his on the surface, but he had greater power.

The most important thing is that Zhao Wuji is less than thirty years old now, and his future prospects are limitless. He can be granted the title of Duke or King.

”Even you two little fellows are here, I, an old man, can finally rest.” Murong Zhenguo said, stepped aside resolutely, with an expression of watching a show.

”Tuoba Yuanqing, don’t you want to fight? Let me fight with you!”

Zhao Hongying didn’t talk nonsense, and directly pulled out the Qingfeng Sword, pointing at Tuoba Yuanqing, full of fighting spirit.

It's very rare to fight against such a top grandmaster, so I'm going to have a good fight today.

"this....."

Tuoba Yuanqing's expression froze, and he subconsciously looked at Shangguan Pengcheng next to him.

Fighting with Murong Zhenguo, he naturally has no psychological burden, because the Shangguan family is not afraid of the general's house, and even wants to overwhelm him.

But Zhao Hongying is different. The other party is not only the God of War of the Dragon Kingdom, but also backed by the royal Zhao family, and is highly regarded by the officials.

## Chapter 1242

He is a real new star of the country, a big man with power in the future.

How could he, a martial artist, dare to offend such a monster?

Even if he could fight, he wouldn't dare to fight.

"Why didn't you say anything? Aren't you very powerful just now? If you have the ability to fight with me, let's see how much you weigh?"

Zhao Hongying continued to provoke with a cold face.

For a moment, all eyes were on Tuoba Yuanqing.

Now Tuoba Yuanqing is riding a tiger. If he admits defeat, it will damage his reputation, but if he wins, it will be even more troublesome.

Maybe it will alert the senior officials of Zhenwu Division and enter the blacklist.

”Niece Hongying, your father and I used to have a good relationship. Isn’t it inappropriate for you to bring people to my house to cause trouble?” Shangguan Pengcheng said solemnly.

”It’s none of my business that you have friendship with my father?” Zhao Hongying was not polite.

”you—!”

Shangguan Pengcheng was furious for a moment.

After all, he is an earl, so being yelled at by a junior like this is really a bit of a slap in the face.

”Okay, okay, calm down a little bit.”

Zhao Wuji walked forward with a smile and said: “Your Excellency, the reason why we came here today is not to cause trouble, but to seek justice. You have arrested a few people who should not be arrested. If you don’t want to fight with each other, it is best to arrest them.” Let me go, so that you and I will be well and everyone will be well.”

”Nephew Wuji, have you misunderstood something? Our Shangguan family has always valued peace and never used lynching indiscriminately. What’s more, today is my grandson’s engagement day. How can we arrest people randomly?” Shangguan Pengcheng asked. Not acknowledged.

”Lord Earl, if you want to talk official talk with me, it won’t be interesting. Your Shangguan family knows very well what they have done. It is the wisest choice to admit

your mistake in time before things get too serious.” Zhao Wuji’s skinny smile didn’t make any sense.

”Nephew Wuji, our Shangguan family is upright and we will never do anything harmful to the world. I think you must have been deceived.” Shangguan Pengcheng said seriously.

”Lord Earl, I’m trying to persuade you, if you don’t listen, you will be at your own risk.”

Zhao Wuji’s smile slowly faded: “My sister is not as good-tempered as me. If you really annoy her, the sky will make a hole in her. You have to weigh it yourself.”

”If you don’t believe it, you can search around and see if my words are true or false?”

Shangguan Pengcheng spread his hands and made a gesture of invitation.

That calm and composed look seemed very convincing.

”Shangguan Pengcheng, I have all the good things to say. Since you are so disrespectful, don’t blame us for being rude!” Zhao Wuji’s face turned cold and his eyes became a little unkind.

The knife was already on his neck and he was still holding on. I really don’t know what was going through his mind.

”Stop talking nonsense to him. This kind of person won’t shed tears until he sees the coffin!”

Zhao Hongying was very impatient and raised her hand directly: “Come here! Demolish this place!”

”yes!”

Following his order, the elite troops of the Tiger and Leopard Cavalry immediately began to take action.

”Bold! Let’s see who dares to move!”

Shangguan Pengcheng roared angrily, and the guards behind him immediately swarmed forward, blocking the front, and confronted the tiger and leopard cavalry army.

The two sides are at war with each other and are full of gunpowder.

Just when the battle was about to break out, loud shouts suddenly exploded at the door.

”Shang Shu of the Ministry of War——Master Hu is here!!”

”Commander of the Imperial City Army—General Zhang has arrived!!”

”The eldest son of Marquis Deyi – Mr. Sun has arrived!!”

”...”

The yelling came one after another, and each sound was deafening, resounding through the sky.

It’s frightening.

Chapter 1243

boom—!

When high-ranking officials and nobles entered the door one after another, the whole scene exploded.

All kinds of noise can be heard endlessly, and the waves are higher than the waves.

The Minister of the Ministry of War, the Commander of the Imperial City Army, the eldest son of Marquis Deyi... and many dignitaries from Yanjing.

Looking around, a mighty group of big figures all filed in.

The momentum is huge and surging.

It is not an exaggeration to say that if you pick out any one of them, you will be able to dominate the provincial capital and cover the sky with one hand!

The guests present were so shocked that they were speechless.

Everyone was stunned and their faces were full of shock.

It was usually difficult for them to meet any of these big shots, but now they were flocking to them, and they kept coming.

It was so dreamlike and unbelievable.

”Hahahaha... Mr. Hu, General Zhang, Mr. Sun, you are finally here!”

Seeing the distinguished guest arriving, Shangguan Pengcheng couldn't help but look happy and quickly led his people to greet him.

Minister of the Ministry of War, Hu Xuehai.

The commander of the Imperial City Army, Zhang Guozhong.

The eldest son of Marquis Deyi, Sun Kang.

These are all the people who guide the country in Yanjing. Regardless of their status or power, they are no worse than the Zhao family twins.

In particular, the leading Minister of War, Hu Xuehai, stood at the pinnacle of power in the Dragon Kingdom. His prestige was so high that even the officials had to give up a bit.

With these big shots coming to help, we can withstand even if the sky falls.

”Lord Earl, long time no see. How have you been lately?” Hu Xuehai asked with a smile.

”Okay, okay, I can still hold on for a while with this old bone.”

Shangguan Pengcheng smiled, then turned around and called out: “Hong’er, why are you still standing there? Hurry up and say hello to Mr. Sun.”

”I met the teacher.”

Shangguan Hong stepped forward and bowed deeply to Hu Xuehai with a very respectful attitude.

As soon as this move came out, the whole audience was stunned.

No one expected that Shangguanhong’s teacher turned out to be the Minister of War.

No wonder he is in an important position at such a young age. It turns out he has a big backer behind him.

”What? Brother Hong and Master Hu are actually master and disciple?”

Seeing this scene, Cao Zhiyuan was stunned at first, then showed ecstasy and excitement: “It’s great, great! With the support of such a big shot, let’s see who dares to make a mistake!”

Who is the Minister of the Ministry of War?

A high-ranking official in the current dynasty, with a high position and powerful eyes, with hands and eyes reaching the sky, standing above tens of millions of people!

Just a tap of the foot can make the whole Jiangnan shake.

Even the powerful twins of the Zhao family did not dare to be too presumptuous in front of the Minister of War.

What's more, not only the Minister of War, but also the commander of the Imperial City Army, the eldest son of the Marquis, and many other dignitaries rushed to the Shangguan family's aid.

When these people get together, even the royal family members have to avoid the spotlight for a while.

"As expected of a very wealthy family! They actually have such connections? Now we are finally saved!"

Cao Jun and others cried with joy, as if they had seen a savior.

Chapter 1244

When the Zhao family twins appeared, they thought the Shangguan family was doomed, and they were even prepared to be treated as scapegoats.

However, the appearance of Hu Xuehai and others was like a beam of light in the darkness, giving them hope of survival.

What about Governor Xia? What about old general Murong? Even if the twins of the Zhao family are added to the list, they cannot really threaten the status of the Shangguan family in front of a group of dignitaries headed by the Minister of War.

”Hong’er, today is your engagement day, and I don’t have anything to give you as a teacher. This jade pendant has been with me for many years, and now I give it to you. I hope you will continue your efforts and reach new heights in the future.”

Hu Xuehai smiled, took out a simple jade pendant, and handed it to Shangguan Hong.

”Thank you, teacher.”

Shangguan Hong took it with both hands, respectfully.

”Lord Earl, something seems to be wrong with you here? Why do you look so tense?” Hu Xuehai quickly noticed something was wrong.

”My lord Hu, we encountered some troubles at home today. Thank you for coming in time, otherwise my Earl’s Mansion would have been demolished.” Shangguan Pengcheng said meaningfully.

”Oh? Who is so bold and dares to act wild in the Earl’s Mansion?” Hu Xuehai raised his eyebrows slightly.

”Far away in the horizon, close in front of you.” Shangguan Pengcheng glanced forward.

Hu Xuehai took advantage of the situation and scanned everyone’s faces one by one:

“The Governor of Southern Province, the veteran protector of the country, the twin stars of the Zhao family...there are so many people here.”

”Teacher, these guys are going too far. I hope you can uphold justice for us.” Shangguan Hong looked respectful.

”Don’t worry, I have a good teacher here, no one dares to make mistakes.”

Hu Xuehai held his head high and stared at Lu Chen and his group with sharp eyes:

“Everyone, if you come to congratulate me today, I will welcome you, but if you want to cause trouble, I, Hu, will never agree!”

”Master Hu, it’s not us who are causing trouble, it’s the Shangguan family who has provoked people they shouldn’t have provoked.”

Zhao Wuji said calmly: “For the sake of the fact that we are officials in the same dynasty, I would like to advise you not to meddle in other people’s affairs, so as not to get burned.”

”Oh? Are you threatening me?”

Hu Xuehai sneered: “Zhao Wuji, if your father were here, I would sell some thin noodles. As for you two, they are still a little short of cooking.”

Although the Zhao family is powerful, he is not a soft persimmon. To be able to sit in his current position, his network of connections spreads throughout the court.

He doesn’t need to be too afraid of the two young juniors.

”Hu Xuehai! I’m not in the mood to talk nonsense with you. If you dare to stand up for the Shangguan family, don’t blame me for turning against you!”

Zhao Hongying pointed her sword at an angle, her eyes sharp.

”presumptuous!”

At this time, Zhang Guozhong, the commander of the Imperial City Army, suddenly stood up and yelled: “Zhao Hongying! Do you still have some sense of superiority? In any case, Mr. Hu is your senior. What’s the point of your rude words here?” Decency?”

”Zhang! Who do you think you are? Do you want to tell me what to do?” Zhao Hongying was rude.

”Zhao Hongying! Don’t be too arrogant! Even though you are the God of War, I may not be afraid of you!” Zhang Guozhong said sharply.

As the commander of the Imperial City Army, although he was only a second-grade military general, he was successful because he held great power and was deeply trusted by the officials.

Even facing the female war goddess of the Dragon Kingdom, he still has the qualifications to challenge her.

”If you are not afraid, then have a fight with me. Follow the rules of a military commander and live or die according to destiny!” Zhao Hongying slowly raised her sword.

”you—!”

Zhang Guozhong was about to have a fit, but Hu Xuehai raised his hand to stop him: “Zhao Hongying, this is not a frontier, and you are not allowed to act recklessly. If you really dare to act recklessly, I will definitely give you a copy in front of the officials!”

”And I.....”

At this time, Sun Kang, the eldest son of Marquis Deyi, also stood up and said calmly: “The Marquis Mansion will never sit idly by and ignore such arrogant, domineering and

disrespectful behavior such as bullying the imperial officials and making a scene in the Earl's Mansion. “

”That's right! We will never allow anyone to do evil here!”

At this moment, a group of dignitaries from Yanjing spoke out in support.

For a while, the Shangguan family was full of momentum.

Chapter 1245

”More than people, right? I want to see how many heads you have!”

Seeing that everyone was shouting and shouting, Zhao Hongying didn't talk nonsense, she raised her sword and struck, she was particularly irritable.

But before she swung her sword, Chase Lu blocked it: “Girl, don't be impulsive.”

With Zhao Hongying's temper, she is naturally not afraid of killing people, but if she does, the consequences will be serious.

The people opposite are all high-ranking officials and nobles in Yanjing, with extraordinary status. If there is any damage, Zhao Hongying will definitely be held accountable or even dismissed.

Zhao Jiashu is in trouble and has many enemies. Once someone finds out, he will make a big fuss.

The last time we were slandered as a rebel is a living example.

He didn't want Zhao Hongying to get into such big trouble because of him.

”Brother Chen, these people are just cheap. They bully the weak and fear the strong. If you don’t teach them a lesson, they won’t know how to be afraid.” Zhao Hongying stared at the group of people opposite with eager eyes.

”I know, leave this matter to me.”

Lu Chen slowly pressed down Zhao Hongying’s sword, then looked at Hu Xuehai, and said coldly: “Master Hu, I don’t want to make the matter a big deal. As long as the Shangguan family releases people, we will leave immediately.”

If it weren’t for Concubine Cao Xuan’s safety, he wouldn’t be so calm.

”Where did you come from? Do you have the right to speak here?”

Hu Xuehai glanced sideways, with a bit of condescending contempt in his eyes.

Why should a nobody talk to him?

”Master Hu, I’m just asking for justice, and I hope you can grant it.” Lu Chen is neither humble nor arrogant.

”Justice? Huh! You broke into the Earl’s Mansion without permission, killed people and made trouble in public. Now you still have the nerve to tell me what’s fair?”

Hu Xuehai snorted coldly: “I’m warning you, take someone with you immediately or get out, otherwise you can’t afford the consequences!”

”Master Hu, my patience is limited, don’t push me.” Lu Chen’s face became colder.

He had been tolerant enough, but the person in front of him turned out to be indifferent.

”So what if I force you? Who do you think you are? How dare you threaten me here? Do you believe it or not, just one word from me can destroy your family!” Hu Xuehai said sternly.

”Hu! Are you going to fight to the death?!” Lu Chen’s eyes began to become violent.

”Hmph! Are you worthy of me being a fisherman? Please look in the mirror and see your own virtue!” Hu Xuehai showed disdain.

”you wanna die!”

Before Lu Chen could speak, Zhao Hongying beside him couldn’t help it.

She suddenly raised her sword and stabbed Hu Xuehai in the chest.

This sword is fast, accurate, ruthless, and merciless. It just rushes to take people’s lives.

Lu Chen is her enemy. Anyone who dares to insult Lu Chen will die!

”Be bold!”

Zhang Guozhong shouted angrily, suddenly drew his sword, and struck hard.

”Clang!”

When the swords collided, there was a harsh metal crash.

Zhang Guozhong was so shocked that he took more than ten steps back and almost fell down. The knife in his hand also broke.

Zhao Hongying, on the other hand, only shook slightly to resolve the force, then raised her sword again and attacked Hu Xuehai.

”ah?”

Hu Xuehai’s eyelids twitched, and he backed away in fright.

He didn’t expect Zhao Hongying to be so reckless and dare to commit murder in public.

Completely disregarding the laws of the court and the majesty of the official family.

What a lunatic!

At the critical moment, Tuoba Yuanqing suddenly took action and deflected Zhao Hongying’s sword.

”Um?”

Zhao Hongying frowned and was about to continue attacking.

A loud shout suddenly sounded at the door.

”Princess Wei is here!!”

As soon as there was a shout, the whole audience was shocked.

## Chapter 1246

Everyone looked at the sound in unison.

In the direction of the gate, a group of armed guards, surrounded by several nobles, walked in mightily.

The leader is a beautiful young woman dressed up.

The beautiful young woman looked only in her thirties and was well maintained. She looked graceful, luxurious, elegant and generous.

Every move he made had the aura of an aristocrat who had been in a position of power for a long time.

Next to the beautiful young woman, there was also a handsome young man.

The man put his hands in his pockets and looked around as he entered the door, looking a little careless.

”Oh my god! It’s really Princess Wei! Why is she here too?”

”Princess Wei? Is she the one from Xiliang?”

”Nonsense! Besides that, who else dares to call Princess Wei?”

After seeing the beautiful young woman, the whole scene was in an uproar again.

Even the group of dignitaries who came from Yanjing looked in awe.

If it were just an ordinary princess, they wouldn’t need to be afraid, but Princess Wei was different.

Her status and power far exceed that of an ordinary princess.

On the one hand, it is because the King of Wei has great achievements and has overwhelming power. He is the only king named after the name of the country.

Its status is as high as the sky, and it can sit on an equal footing with officials.

Known as the number one person in the Dragon Kingdom under the Emperor!

As a wife is valued by her husband, Princess Wei’s status will naturally increase.

Of course, the main reason is that before marrying King Wei, Princess Wei was the eldest princess of the Dragon Kingdom and the emperor’s biological sister!

This – is the basis of awesomeness!

”Strange, doesn’t Princess Wei live in Xiliang all year round? Why does she appear in Jiangnan?”

A group of dignitaries looked at each other, surprised and more puzzled.

”My Lord Earl, don’t you have any friendship with Princess Wei?”

An official suddenly looked at Shangguan Pengcheng with some curiosity.

”friendship?”

Shangguan Pengcheng’s expression froze, and then he shook his head.

How could he be so virtuous as to dare to have a friendship with Princess Wei?

He is just a small earl and has no real power, but the other party is the most powerful princess.

The perception of both sides is simply a huge difference.

Even if he licks his face and flatters him, people may not pay attention to him.

”If Princess Wei didn’t come here because of the Earl’s Mansion, then she must have come to support her for Mr. Hu’s sake.” Zhang Guozhong said coldly.

”That’s right! Among us, only Mr. Hu can talk to Princess Wei.” Sun Kang repeatedly agreed.

Although the first-level minister of the Ministry of War cannot be compared with Princess Wei in terms of status, he is an important minister in the court and has a wide network of contacts. It is normal for the two to have some friendship.

”I?”

Hu Xuehai was slightly startled, a little confused.

He and Princess Wei had only met a few times, and they were not friends. Could it be that the other party suddenly visited her to ask for something?

”Teacher, I didn’t expect that you would be so powerful as to invite Princess Wei. The students are so impressed!” Shangguan Hong said with admiration on his face.

”Hahaha... With Princess Wei stepping forward to help, even the twins of the Zhao family can only surrender!” Shangguan Pengcheng smiled with a smile on his face.

”As expected of Mr. Hu! He is really amazing!” A group of dignitaries praised him one after another.

A few sweet words made Hu Xuehai feel a little elated.

Although it is a bit strange, looking at the entire Earl's Mansion, he is the only one who can have a direct conversation with Princess Wei.

Thinking of this, Hu Xuehai immediately straightened his collar, went up to greet her with a smile on his face, and said respectfully: "Princess Wei is here, Hu is really disappointed to welcome her!"

"Snapped!"

Without any warning, the beautiful young woman suddenly raised her hand and slapped Hu Xuehai hard on the face, and coldly uttered two words: "Kneel down!"

## Chapter 1247

"ah?!"

The sudden scene stunned everyone.

Everyone was stunned and their faces were full of shock.

No one expected that Princess Wei slapped Hu Xuehai when they met.

No nonsense, no omens, it's that simple and rude.

The problem is that Hu Xuehai is the minister of the Ministry of War and a first-rank member of the dynasty.

Slapping people in the face in public really leaves no room for it.

"Wei...Princess Wei, why did you hit me?"

Hu Xuehai was stunned by the beating, covering his burning face, a little at a loss.

If it were an ordinary nobleman, he would have been furious.

But it happened to be Princess Wei, the eldest princess of the Dragon Kingdom. Even though he was dissatisfied in every way, he could only obey her.

”I hit you because you are blind. Now, kneel down and answer.” The beautiful young woman said coldly.

”Princess Wei, I don’t understand, how did I offend you?” Hu Xuehai asked bravely.

”Snapped!”

The beautiful young woman didn’t talk nonsense, she slapped her on the face again, and said coldly: “Are you deaf? I’ll make you kneel down and answer!”

The corners of Hu Xuehai’s eyes twitched, he dared not speak out, his knees softened, and finally he knelt heavily on the ground with a “boom”.

The difference between the two sides is that of monarch and minister. Even if Princess Wei asked him to kneel down in public, he would not dare not to kneel down.

At this moment, the smiles of Shangguan Pengcheng and his group froze completely.

For a moment they looked at each other in shock and confusion.

At first they thought that Princess Wei came to visit because of her friendship with Hu Xuehai.

Now, it seems that is not the case.

Could it be that Hu Xuehai had offended Princess Wei before?

”Hu Xuehai, do you know your mistake?” the beautiful young woman said condescendingly.

”Criminal, I know I was wrong.” Hu Xuehai lowered his head and honestly admitted his mistake.

Although I don’t understand, but at this time, admitting the mistake is over.

”Okay, then tell me, where did you go wrong?” the beautiful young woman asked again.

”ah?”

Hu Xuehai’s face froze and he was speechless.

He obviously didn’t do anything, so what’s wrong?

But now, it’s impossible not to admit my mistakes, so I can only say submissively:

“Where the princess thinks I am wrong, then the guilty minister is wrong.”

”Hmph! You’re really good at playing tricks. Before you realized your real mistake, you knelt here for me.”

As the beautiful young woman spoke, her eyes suddenly turned to Zhang Guozhong and Sun Kang’s group, and she said coldly: “And you, one counts as one, all kneel down to me!”

”ah?”

Everyone was taken aback, you looked at me, I looked at you, a little at a loss.

”What are you still doing in a daze? Kneel down!” Hu Xuehai turned around and roared.

”Kneel down, kneel down...kneel down quickly!”

Everyone woke up like a dream, did not dare to hesitate, and all knelt down on the ground in unison.

Even the Minister of the Ministry of War has kneeled, so what are they worth?

As a result, under the majesty of Princess Wei, the previously majestic group of dignitaries now looked submissive and looked particularly humble.

”Brother Hong, why did this happen? Did Master Hu offend Princess Wei?” Cao Zhiyuan knelt on the ground and trembled.

”You ask me, who the hell should I ask?!” Shangguan Hong was a little annoyed.

## Chapter 1248

”There is a grievance and a debtor. Now we can only pray that Princess Wei will not take her anger out on Shangguan’s family.” Shangguan Pengcheng swallowed.

The whole person no longer had the previous pride, but was replaced by fear and uneasiness.

The appearance of Princess Wei added many changes.

”Hmph! A group of daring fellows, if the prince is here, all of you will be killed!” The beautiful young woman snorted coldly.

Then under the gaze of everyone, she walked step by step in front of Lu Chen, changing her previous aloofness and arrogance, with a rare smile on her pretty face: “Chang Ge, long time no see, how have you been doing these years?” good?”

”Thank you, Your Highness, Princess, for your concern. I have been living a good life.” Lu Chen nodded slightly, neither humble nor arrogant.

He couldn’t say he hated the woman in front of him, but he didn’t have much affection for her either.

”Ten years have passed and you have grown so big that I almost didn’t recognize you.”

The beautiful young woman smiled, and then waved behind her: “Tianba, why are you still standing there? Come and see your brother.”

”elder brother?”

Lu Tianba stood there blankly, looking at Lu Chen up and down, with shock, joy, and disbelief in his eyes.

After rubbing his eyes and repeatedly confirming that it was correct, Lu Tianba suddenly rushed forward, hugged Lu Chen, and began to cry loudly.

”Ooooh...Brother, I miss you so much!”

”I heard the old man say you were still alive before. I couldn’t believe it. I didn’t expect you to be alive. It’s great!”

”Ten years, exactly ten years! Brother, do you know how I have lived these ten years?”

”You promised to take me to the end of the world, but you sneaked away and left me alone at home. You are so cruel!”

”Wooooo.....”

Lu Tianba completely ignored his image and hugged Lu Chen and cried bitterly.

The grievance and resentment looked like that of a little daughter-in-law who had been abandoned.

”Okay, okay, you are in your twenties, what does it sound like to cry?” Lu Chen patted his shoulder.

Lu Tianba, his half-brother, is a lawless and incompetent demon king.

In front of outsiders, this kid was fearless, but in front of him, he didn't dare to be the least bit presumptuous.

There is no other reason, it is just a lot of beatings, it can be said that it has been beating since childhood.

But this kid is like a brown candy, the more he is beaten, the more clingy he becomes, and he can't even shake him off.

"Uuuuuuuuuuuuuuuuuuuuuuu isn't I happy? We are reunited after a long separation, why don't we let others cry?" Lu Tianba burst into tears.

The people around were stunned and astonished.

Isn't this the son of Princess Wei's family?

Why do you look like a fool?

"I want to cry for a while, I still have something to deal with now." Lu Chen pushed away Lu Tianba who was full of snot in his face with disgust.

"Oh... I almost forgot the business."

Lu Tianba wiped his tears and snot, then suddenly looked at Hu Xuehai, and said with an unfriendly expression: "Brother, is this old thing bullying you? See how I deal with him!"

As soon as he finished speaking, he immediately accelerated and rushed forward.

"Little Prince..."

Hu Xuehai opened his mouth, and when he was about to say something, Lu Tianba jumped up and kicked him in the face.

”Boom!”

Hu Xuehai was kicked out and fell so hard that he couldn’t help but scream.

An old face with nosebleeds and two front teeth missing, looking very distressed.

”Old man! Do you know who you offended?”

Lu Tianba lifted up his sleeves, stepped on Hu Xuehai’s chest, and shouted aggressively: “Lift up your dog’s head and listen carefully—the man you offended is my elder brother, Lu Tianba! He is famous all over the world.” Qilinzi! He is the future king of Xiliang!”

”I want to ask, how many brains do you have, how dare you challenge the Lu family? How dare you provoke the entire Xiliang Palace? Huh?”

## Chapter 1249

Lu Tianba put his hands on his waist, put one foot on Hu Xuehai’s chest, trampled him on the ground, and cursed him all over.

Every word that came out of his mouth was like thunder, hitting everyone’s hearts hard.

For a while, the audience was dead silent.

Everyone was shocked, and they were all dumbfounded, with faces filled with shock.

They never dreamed that Lu Chen would have such an identity.

Lu Tianba’s eldest brother, the most powerful Qilinzi in the world, and the future King of Xiliang.

Three short sentences, with unparalleled weight, like three mountains, suppressing the entire audience!

”I...I know who he is. He is the evildoer who stirred up the turmoil in Yanjing ten years ago – Lu Changge!”

”What? Lu Changge? Isn’t he already dead? Why is he still alive?”

”Lu Changge...it’s actually Lu Changge! Oh my god! How did we get into trouble with such a evil star?”

After a brief silence, the whole scene seemed to be dropped with a heavy bomb, causing a sensation in an instant.

Everyone’s eyes were focused on Lu Chen.

There were shocks, surprises, fears, and doubts on the faces, but most of them were disbelief.

Who is Lu Changge?

The Qilin son of the Lu family, a truly unparalleled genius, had already become world-famous and dominating ten years ago.

In the entire Dragon Kingdom, countless talents were trampled under his feet and unable to move.

Even the twin stars of the Zhao family were beyond their reach!

It is no exaggeration to say that Lu Changge ten years ago was simply unparalleled and no one could match him!

”He, he, he...he is actually Qilinzi Lu Changge?!”

Hu Xuehai felt as if he had been struck by lightning, his face turned pale.

As a veteran of the court, although he did not know the inside story of the incident ten years ago, he witnessed the entire process with his own eyes.

The accident lasted for three days and three nights.

The entire Forbidden City was devastated.

Corpses piled up like mountains, blood flowed into rivers, and mourners filled the land!

And Lu Changge was the cause of this shocking murder, and the evil star who almost overturned the entire court!

He really didn't expect that he would offend such a god and Buddha.

This is trouble!

"How...how is it possible? How could he be Qilin Zi? He is just a little boy, it is impossible to have such a background!"

Cao Zhiyuan shook her head again and again, completely in disbelief.

From the time she knew Lu Chen, the other party was Concubine Cao Xuan's follower. Although he was capable of writing and martial arts, he had no identity background.

Totally a phoenix man.

But now, Lu Chen suddenly transformed and rose to the top in one step, from an unknown little person to the prince of the royal family, a powerful being.

The huge contrast between before and after was really hard for her to accept.

"Why? Why is this happening?"

At this moment, even the arrogant Shangguan Hong was shocked beyond measure.

He has always regarded Lu Chen as an ant, who can be trampled to death with a lift of his foot, and has never taken it seriously.

But now, he realized that he was wrong, and it was very wrong.

It turned out that the little person he thought was an existence standing on top of the world, a monster that made all the geniuses in the world feel ashamed!

His self-righteous pride became so ridiculous in front of Lu Chen, so unworthy of mentioning.

"A misfortune from heaven! A misfortune from heaven!"

## Chapter 1250

Shangguan Pengcheng was panicked and broke into a cold sweat.

Qilinzi of the Lu family, the future king of Xiliang, and their Shangguan family, this time they kicked the iron plate!

”It’s over, it’s over...it’s all over now!”

Cao Jun slumped on the ground with a “boom”, his whole face was ashen.

Behind him, a group of senior members of the Cao family were also full of despair and remorse.

No one expected that Chase Lu’s identity would be so terrifying, even to the point where it turned pale.

The Shangguan family is indeed very powerful, with huge influence and extensive contacts. They even invited the Shangshu of the Ministry of War and a group of dignitaries from Yanjing to join them.

Looking at the entire Jiangnan, it is second to none.

However, no matter how powerful and rich the Shangguan family is, in front of such a colossus as the Xiliang Palace, they are all chickens and dogs, and they will be broken at the first touch, and there is no room for them to contend.

The gap between the two sides is like that of Yunlongjing frog, which is not at the same level at all.

And Lu Chen, who is the son of the royal family, can completely destroy the entire Shangguan family if he wants to!

Along with them, they will all suffer!

”Old man! Do you know how powerful you are now? How dare you challenge my brother? I think you just think you’re dead!” Lu Tianba yelled condescendingly.

”Misunderstanding, misunderstanding...it’s all a misunderstanding!”

Hu Xuehai panicked, and immediately knelt on the ground in fright, and kept apologizing: “It’s because I have blind eyes that I misunderstood His Royal Highness, and please forgive me this time!”

As he spoke, he knocked his head heavily on the ground a few times.

The dignified Minister of the Ministry of War, at this moment, lost the slightest majesty, and became submissive and terrified.

If it was an ordinary son of the royal family, he would not be so humble, completely disregarding his face and begging for mercy.

But Lu Changge is different. As the eldest son of the Xiliang Palace, he is not only gifted and talented, but also has a father who is as powerful as the sky.

The most frightening thing is that under his hands, he still has 500,000 soldiers from Xiliang!

As the most elite army recognized by the Dragon Kingdom, these 500,000 Xiliang soldiers are enough to overthrow the entire dynasty!

It is not an exaggeration to say that even if Lu Changge killed him, the majestic King Wei of Xiliang could easily survive.

Therefore, he had to admit his mistake and beg for mercy.

This is the majesty of the King of Xiliang!

”...”

Seeing Hu Xuehai kneeling and kowtowing, everyone was too shocked to speak.

Even the dignified Minister of the Ministry of War was frightened into soft-legged shrimps, so what are they?

”Brother! What should we do with these guys? If you’re upset, just squeak, and I’ll make them disappear immediately!” Lu Tianba said without hesitation.

”Don’t, don’t, don’t... Your Royal Highness! It’s none of my business, I don’t know anything, I came here this time just to attend the engagement banquet, I didn’t offend you!” Hu Xuehai panicked.

”Shut up!”

Lu Tianba kicked him to the ground, cursing: “You old bastard! You are always domineering and oppressing the people, and you deserve it if you die!”

”Change, if you are wronged, my little mother can make the decision for you.” Princess Wei said suddenly.

These words have already stated their position and agreed with Lu Tianba’s approach.

”There is always a wrongdoer and a debtor. Although Mr. Hu is a little confused, his crime will not lead to death.” Lu Chen finally spoke.

In any case, Hu Xuehai is the Minister of the Ministry of War, and he is a first-rank official in the dynasty. If something happens, he will be in big trouble.

”Thank you, Your Highness, for your kindness! Thank you, Your Highness, for your kindness!” Hu Xuehai burst into tears, and kowtowed to the ground a few more times.

”Master Hu, the Shangguan family has kidnapped my girlfriend. How are you going to solve this matter?” Lu Chen suddenly asked.

”Understood, understood... Weichen will do it right away!”

Hu Xuehai reacted quickly. He quickly stood up and ran to Shangguan Pengcheng. He raised his hand and slapped him in the face, cursing: “Hey! Bold maniac! How dare you kidnap the Crown Princess? I think you are tired of living! Why don’t you let go quickly?” people!”
