

An Understated Dominance Chapter 1261 - 1270

Chapter 1261

”What?!”

Seeing Shangguan Hong who was seriously injured and lying on the ground, the clan members of the Shangguan family stood stunned on the spot as if they had been struck by lightning.

I thought that with the help of Mad Blood Pill, I could turn defeat into victory and turn the situation around.

Unexpectedly, Shangguanhong was defeated after just one meeting, and he was defeated so miserably.

With one punch, the sword was destroyed and injured.

Totally crushing!

”It’s over, it’s over...it’s completely hopeless now!”

Shangguan Pengcheng’s legs went weak and he collapsed directly on the ground, his face expressionless.

The rest of the clan members were also full of despair and despair.

They overestimated Shangguan Hong and underestimated Lu Chen.

The two sides are not on the same level at all.

The genius they were so proud of was not worth mentioning in front of Lu Chen, a Qilinzi.

Even if you risk your life, it will still be like a fly shaking a tree.

”With this little ability, you can’t even beat Zhao Wuji, why do you dare to fight me?” Lu Chen looked disdainful.

”Hey, Lao Lu, this is too much.”

Zao Wou-ki, who was watching the battle with a smile, immediately became stern when he heard this, and said dissatisfied: “You fight as a fight, why mention me so politely? Do I want to lose face?”

Besides, I rely on my brain to make a living. Unlike you guys, warriors who only know how to fight and kill all day long, what’s wrong with my weakness in strength? It doesn’t affect my ability to win the battle at all, and...”

”Shut up!”

Seeing that Zhao Wuji kept chattering, Zhao Hongying couldn’t help but let out a soft drink and pulled out the sword: “If you keep talking like this, I will cut your tongue!”

”...”

The corners of Zhao Wuji’s mouth twitched, and he didn’t dare to say anything anymore.

He could still reason with Chase Lu, but with his sister, there was no reason at all.

If you disagree, you will be beaten, but no one can stop you.

”This violent maniac has really not changed at all.”

Lu Tianba muttered softly.

”Um?”

Zhao Hongying’s ears twitched and her eyes swept over. Lu Tianba was so frightened that he immediately looked at his nose and heart, looking like he had nothing to lose.

”Shangguanhong, you are defeated.”

In the center of the arena, Lu Chen looked down from a high position, with indifference in his eyes.

”Cough cough cough...”

Shangguanhong coughed violently and spit out several mouthfuls of blood. He was half dead and dying.

The ferocity and madness on his face have been replaced by horror at this moment.

”No... Impossible... How can you be so strong? You have been abandoned for ten years, why can you still beat me?”

Shangguan Hong kept shaking his head, a little hard to accept.

Ten years ago, Chase Lu was indeed a top genius, but after the turmoil in Yanjing, the other party disappeared mysteriously.

Over the years, without the guidance of a famous teacher, without the cultivation of resources from the Xiliang Palace, the other party should have stagnated, or even disappeared from everyone.

He didn't understand why Lu Chen made faster progress after leaving Xiliang Prince's Mansion?

So much so that he defeated him after years of hard training with just one move.

Is there really such a big gap between geniuses and geniuses?

”Who told you that I had been wasted for ten years?”

Lu Chen said indifferently: “I'm just living in seclusion, not dead. Why do you think I should stop moving forward?”

Bearing blood and deep hatred, he has never slack off for a moment in the past ten years.

In order to be able to pursue the truth of the past, he has been practicing hard and dormant.

The bitterness and suffering in it, only he himself knows.

In martial arts, if you don't advance, you will retreat. No one can easily succeed.

Even if you are a talented person, you still have to pay blood and sweat.

”Why? Why is this happening? It shouldn't be... I shouldn't lose. I am Shangguan Hong, the head of the ten heroes in the south of the Yangtze River, and I am General Huwei. I am a once-in-a-century genius. How can I lose? Will lose? How could I lose?”

Shangguan Hong kept mumbling, as if he had lost his soul, and his eyes no longer had the same look as before.

Ever since he was a child, he has been successful no matter what he does. He has never failed and is always the first.

Chapter 1262

Among his peers, he stands out from the crowd.

He can achieve the results that others have worked hard for for many years, without any pressure.

He always thought that he was the chosen one, the emperor's order, the supreme being who was above all living beings.

But now he understands what it means that there are people outside the world and there is a sky outside the world.

The talents and achievements that he was proud of were not worth mentioning in front of Lu Chen.

"It turns out that I'm just a frog in a well."

Shangguanhong, who was deeply hit, couldn't help but smile miserably.

At this moment, his Taoist heart completely collapsed and he no longer had any fighting spirit.

Only deep despair remains.

He had won all his life, but lost just once.

But this time, it ruined his life.

"I'm willing to admit defeat and hand over the treasure map."

Lu Chen stepped forward and said condescendingly.

Shangguan Hong said nothing, lying on the ground, looking at the blue sky, his eyes gradually losing focus.

The whole person was like a dead tree with no life left.

”died?”

Lu Chen raised his eyebrows slightly, quite surprised.

The punch he just punched was not fatal enough.

With Shang Guan hong’s cultivation level, he should be able to hold on.

But now, the vitality in the other party has completely passed away.

It looked like a soulless corpse.

”I can’t bear such a small blow. It’s a waste of great talent.” Lu Chen shook his head.

Shangguan Hong is indeed a rare genius with a bright future.

But unfortunately, the other party has had a smooth life and has never encountered any obstacles.

Now I suddenly suffered a huge blow, and my heart couldn’t bear it at all, which eventually led to my death.

Lu Chen squatted down, rummaged through Shangguan Hong’s body, and finally found a roll of parchment.

After unfolding it, it turned out to be a treasure map.

There are three treasure maps in the Cao family, and he has already obtained two.

If you put together one more piece, you can put together a complete treasure map, and you can find treasures that are as rich as the enemy.

In the past, he didn’t care about money and fame, but now, he has changed his view.

Because he wanted revenge and cleared up his mother’s grievances, he had to recruit soldiers and build his own power.

To do this requires massive wealth.

”Hong’er? Hong’er!”

Shangguan Pengcheng staggered to his grandson's body and began to cry, heartbroken.

The clan members of the Shangguan family were also saddened by the death of the rabbit and the fox.

"Brother, what should we do with these guys? How about just eradicating them?"

Lu Tianba stepped forward and made a gesture of wiping his neck.

"Shangguan's family is not a small family. Just killing them all like this will inevitably shake the court, and it will be very troublesome then." Lu Chen shook his head slightly.

"What should we do? We can't let them go, right?" Lu Tianba stared at them eagerly.

"You can't kill them, but you can invite them to Xiliang as guests. From then on, you can't leave Xiliang again." Lu Chen said lightly.

"Huh? Good idea, let's do it like this!" Lu Tianba's eyes lit up.

Xiliang is the territory of the Lu family. Bringing these guys to Xiliang and putting them under house arrest can save them from worries.

If there is a war, it can be sent to the battlefield as cannon fodder to reduce some damage, which is the best of both worlds.

"Shangguan family, it's over..."

When they saw Shangguan Pengcheng being arrested, everyone knew that there was no room for the Shangguan family to stand up.

Once the top of the three, the Earl's Mansion was revered by everyone.

Now the situation is over and the road is ending.

The original brilliance and brilliance will be completely submerged in the long river of time, turning into a little dust and disappearing.

When all the dust settled, Lu Chen led his people back to Fengyu Villa.

Concubine Cao Xuan and Cao An'an were still in a coma, and Lu Chen did not deliberately wake them up.

Cao Guan died, Cao Jun died, and the entire Cao family became fragmented.

For Concubine Cao Xuan, this is undoubtedly a huge blow, and it must be unbearable for a while.

What Lu Chen can do now is to prepare for Cao Jun's funeral and help Concubine Cao Xuan to relieve some pressure as much as possible.

No one can empathize with his father's death.

Concubine Cao Xuan had to go through this hurdle by herself.

"The Cao family's related industries should not be disturbed for the time being. This time the Cao family's vitality has been seriously damaged, and it needs to be rectified."

"As for those who act according to the wind, they will all be detained, and they will be dealt with separately after Concubine Xuan wakes up."

"Also, Cao Jun's funeral must be carried out according to the highest standard, and there must be no carelessness."

"Go ahead..."

In the chamber, Chase Lu issued orders one after another.

The disciples of the Qilin Gang took action one after another.

"elder brother!"

At this time, Lu Tianba and his father, Princess Wei, suddenly walked into the meeting hall.

Princess Wei's name is Li Yishuang, the eldest princess of the Dragon Kingdom. Many years ago, she was given a marriage to King Lu Wanjun of Wei.

At that time, Lu Wanjun already had a wife, who was Lu Chen's mother.

But as the eldest princess, Li Yishuang didn't mind at all and was willing to be a minor and force the marriage.

After marrying to Xiliang, Li Yishuang kept her own integrity, took care of her husband and raised her children, and was recognized as a virtuous and virtuous person. She also often did good deeds, and her reputation spread far and wide.

Throughout Xiliang, whenever Li Yishuang is mentioned, everyone will give a thumbs up.

However, Lu Chen knew very well that the eldest princess in front of him, who seemed to have a bodhisattva heart, was actually a woman with a deep palace.

"Your Highness the Princess."

Lu Chen immediately stood up to greet him and saluted respectfully, his face neither happy nor sad.

Although he didn't like this woman, he couldn't say he hated her.

"Change, we are all a family, why so much courtesy?" Li Yishuang smiled slightly.

”Yeah brother, although we haven’t seen each other for ten years, but the relationship is still there, why are you making such a difference? Sit down quickly.” Lu Tianba said carelessly.

While talking, he sat down next to Lu Chen.

”Princess, please.”

Lu Chen used one hand to guide him and waited until Li Yishuang sat down before returning to his seat.

”Change, this time you celebrate your birthday, your father was going to visit in person, but because of a temporary emergency, he couldn’t get away, so only Tianba and I came here, I hope you don’t mind.” Li Yishuang opened the topic.

”What does the eldest princess say? It’s my honor for you to come.” Lu Chen smiled politely.

”Change, compared to ten years ago, you seem to have changed a lot.”

Li Yishuang looked up and down and said with a smile: “You used to be young and energetic, but now you have tempered your sharpness and become much more mature and steady.”

”Ten years have passed, people will always change.” Lu Chen nodded slightly.

”Change, you’ve been away from Xiliang for so long, when do you plan to go back?” Li Yishuang asked suddenly.

”Yes brother! Those brothers in Xiliang are all looking forward to your return.” Lu Tianba looked expectant.

”I still have a lot of things to do, and I don’t plan to go back for the time being.” Lu Chen shook his head.

”No matter what, brother, I can solve it for you!” Lu Tianba patted his chest and promised.

Chapter 1264

”Really? What if it was the Bauhinia City Rebellion ten years ago?” Lu Chen suddenly said.

”ah?”

Hearing this, Lu Tianba couldn’t help but stiffen his face, fell silent for a moment, and subconsciously looked at his mother.

The chaos in the Forbidden City ten years ago was a taboo in the Xiliang Palace and the entire Dragon Kingdom.

Since then, history has been sealed and no one dares to mention it.

Now that such a sentence came out of the blue, he was really not expecting it.

”Chang Ge, the past is all over. What happened ten years ago has been completely over, and there should be no mention of it again.” Li Yishuang shook his head slightly.

”Finished?”

Lu Chen slowly raised his eyes: “My mother died in an unknown manner, and my personal guards also died with hatred. How can we end it?”

”I am also very sad about my sister’s death, but the real murderer has been killed and everyone who deserves to be killed has been killed. It’s time to let go of your obsession.”
Li Yishuang advised softly.

”How can it be so easy to let go of the blood feud? Besides, those who died were just a bunch of scapegoats. The real mastermind has never been found out.” Lu Chen looked indifferent.

During the Forbidden City Rebellion, too many people died and it almost led to a mutiny.

In order to appease public anger, several scapegoats were beheaded.

As for the real murderer, he remains at large.

”Chang Ge, I know you were hit hard back then, but if you keep pursuing the past, you will always be trapped in the nightmare and unable to escape. Let it go and stop torturing yourself. You should have a better life.” Li Yishuang persuaded her earnestly.

”Everyone of you tells me to let go, but who of you really understands my pain?”

Lu Chen said with a hint of sarcasm: “Have you ever experienced death? Have you tasted despair? Have you seen your close relatives being surrounded and killed by others? You know that the most important people around you fell into a pool of blood one by one. , what is it like?

You don’t know, you don’t understand anything.

But these are all my personal experience!

I watched my mother being killed; I watched those relatives and friends die; I watched everyone around me die one by one in order to protect my safety.

They all died for me!

Ten years! I have nightmares every night, and I recall what happened back then every night.

As soon as I close my eyes, I will see the bloody faces and hear the desperate wails.

I am already in hell, bearing countless blood feuds.

Your Highness, Princess, please tell me.

How do I let go? How to get rid of it? How to regain a new life? ? “

At the end, Lu Chen had a ferocious face, scarlet eyes, and a murderous look.

Like a ghost crawling out of hell, it makes people feel cold.

Lu Tianba next to him was stunned, trembling and sweating.

Li Yishuang, who is very deep in Liancheng Mansion, is also speechless at the moment.

She really didn't expect that Lu Chen's seemingly peaceful appearance would hide such a strong anger.

”Sorry, I just lost my temper.”

Sensing the strangeness, Chase Lu immediately restrained his edge, forcibly suppressed his hostility, and returned to his previous calm appearance.

It is completely two extremes with the hideousness just now.

The past ten years ago has always been a pain in his heart. As long as he mentions it, it is difficult to control his emotions.

”well.....”

Li Yishuang sighed: “It seems that your father is right. Your obsession is too deep and difficult to resolve. Instead of persuading you to put down the butcher’s knife, it is better to untie the knot in your heart as soon as possible. If you insist on revenge, I can help you.”

Chapter 1265

”help me?”

Hearing this, Lu Chen couldn’t help being slightly startled and a little suspicious: “Your Highness, the eldest princess, with your status, I’m afraid it’s not easy for you to interfere in this matter.”

The Bauhinia City Rebellion ten years ago would obviously not have been possible without the involvement of imperial power.

And Li Yishuang is a relative of the emperor, so just such an identity is not enough to gain trust.

”What? Do you think I can’t help you, or do you don’t trust me?” Li Yishuang said something meaningful.

”I’m just worried that I’ll cause trouble to you.” Lu Chen answered vaguely.

”Chang Ge, I know you have concerns, but I sincerely help you.”

Li Yishuang said sincerely: “Today, I am not the eldest princess, but Princess Wei, your little mother. Now we are both prosperous and devastated. I believe you should understand this truth.”

”I understand, but I’m curious, how do you plan to help me?” Lu Chen asked.

”As for what happened ten years ago, the palace has been secretly investigating and has collected a lot of information. Although the real mastermind has not yet been found, we have some clues.”

As Li Yishuang spoke, he suddenly took out an envelope and put it on the table: “We have been investigating for a long time and found that besides you and the drunkard, there was another survivor of the Purple City Rebellion. He should be able to help uncover the truth. fierce.”

”Survivor? Who is it?” Lu Chen immediately became energetic.

”Thank you Sinian!” Li Yishuang spit out three words.

”What? Uncle Xie is not dead? Are you sure?!” Lu Chen jumped up instantly.

Xie Sinian is his personal guard captain and is very powerful.

After they were ambushed, Xie Sinian led his team to the front and fought bloody battles without fear of death.

He remembered clearly that it was Xie Sinian who led him out of the encirclement regardless of life and death, and then stayed behind alone to buy time for him to escape when the pursuers arrived.

In the end, he could only watch helplessly as Xie Sinian charged into the midst of thousands of troops and was drowned by the sea of people.

He thought that Xie Sinian would definitely die, but now he was extremely excited when he heard the news that Xie Sinian survived.

”Absolutely true.”

Li Yishuang looked serious: “Although Xie Sinian was seriously injured back then, fortunately, he had a deep foundation and did not completely die. He was later rescued and was lucky enough to save his life.”

”Uncle Xie is still alive, it’s great!” Lu Chen was surprised: “Where is he now? Can you meet me?”

”Xie Sinian is in Yanjing. This letter contains his specific address, but it may not be easy for you to see him.” Li Yishuang shook his head.

”What do you mean? Did Uncle Xie get arrested?” Lu Chen frowned.

”It’s not that he was caught. It’s just that after the battle, Xie Sinian was seriously injured. Although he saved his life, he became a vegetative state and remained unconscious.” Li Yishuang explained.

”Are you unconscious?” Lu Chen’s face looked a little ugly.

I have been bedridden for ten years, conscious but unable to move.

This kind of torture is unbearable.

”Mom, you’ve been talking for a long time, doesn’t that mean you didn’t say anything?”

Lu Tianba couldn’t help complaining: “Xie Sinian has become a vegetative state, how can he help me find the truth? It’s not a problem if it doesn’t drag him down.”

”It depends on your brother’s ability. If he can revive Xie Sinian, then what happened back then may soon come to light.” Li Yishuang said meaningfully.

”What if I can’t be saved?” Lu Tianba asked back.

”If we can’t save him, we can only resign ourselves to fate.” Li Yishuang sighed softly.

”No! I will definitely cure Uncle Xie. No matter what the cost, I will make him wake up!” Lu Chen clenched his fists and his eyes were firmer than ever before.

As long as you are not dead, there is still hope.

No matter how difficult it is, he will cure Xie Sinian.

”Changege, Yanjing is not our territory. It is difficult for us to develop our power there and the information we get is limited, so we can’t help you much. From now on, you will have to rely on yourself.” Li Yishuang said seriously.

Chapter 1266

Although the Xiliang Palace was powerful, it could not dominate at the feet of the Emperor.

Moreover, this matter itself is taboo, and it is impossible for the palace to come forward.

”I understand, thank you Aunt Li for your help.”

Lu Chen stood up and bowed solemnly.

The information provided by Li Yishuang was really important to him.

Not only to find out the truth, but the main reason is that he has another relative beside him.

”We are all one family, no need to be so polite.”

Li Yishuang quickly stretched out her hand, helped Lu Chen up, and warned her earnestly: “Changege, I won’t stop you from taking revenge, but I hope you can understand that one thought can become a devil, and one thought can become a Buddha. Never lose your original intention, don’t I failed the people around me.”

”I will definitely keep Aunt Li’s teachings in mind.” Lu Chen nodded.

”Brother! If you need anything in the future, just ask, and I promise to help you handle it properly!” Lu Tianba patted his chest, looking very generous.

The change of title from Her Royal Highness the Princess to Aunt Li is enough to prove that the two sides have become closer.

”You don’t need to worry about my affairs. You’d better take care of yourself and don’t let your mother worry about it in the future.” Chase Lu said.

”Brother, look at what you said. I will treat you with admiration after three days of separation. I am no longer a child, and now I can fully stand on my own!” Lu Tianba put his hands on his hips, looking awesome.

”Okay, okay, don’t show off in front of me. I don’t know what your virtues are?” Lu Chen rolled his eyes.

”Hey! Are you looking down on me? One day, I will make a big splash and make you proud of me!” Lu Tianba held his head high, looking very arrogant.

”Yes, yes, I am proud of you now.”

Lu Chen nodded perfunctorily, then looked at Li Yishuang and said: “Aunt Li, you must have been working hard all the way. I have ordered people to prepare the room, please rest for a while.”

”When you say that, I’m really a little tired. I’ll go back to my room and lie down for a while while you do your business.”

Li Yishuang smiled and nodded, then took Lu Tianba to say goodbye and leave.

After walking out of the meeting hall, Lu Tianba suddenly stopped, and the smile on his face slowly faded.

”What’s wrong?”

Li Yishuang looked back, feeling a little strange.

”Mom, why did you tell brother the news about Xie Sinian?” Lu Tianba said calmly.

”Isn’t this what Changge wants?” Li Yishuang said.

”You know my brother’s obsession. By revealing the news to him, you are encouraging him to go to Yanjing. What is your purpose in doing this?” Lu Tianba asked.

”Tianba, what nonsense are you talking about? Why can’t I understand?” Li Yishuang looked puzzled.

”Mom, you don’t want to harm my brother, do you?”

Lu Tianba narrowed his eyes slightly, and his tone became sharp: “I’m just such a big brother, if you dare to harm him, don’t blame me for turning my back on him!”

”Tianba, why did I harm your brother?” Li Yishuang frowned.

”My brother is dead, and I am the heir, the future king of Xiliang, you should think so?” Lu Tianba said coldly.

”Nonsense!”

Li Yishuang’s face turned serious and shouted: “Tianba! I am not only your mother, but also Changge’s little mother. We are all a family and should help each other. How could I harm him? Where did you hear that? Some rumors?”

”Maybe it’s just some rumors.”

Lu Tianba took a deep look at his mother: “Mom, I’m a little tired. I’ll go back to my room to rest. See you tomorrow.”

After saying that, he left directly.

”This kid...”

Seeing Lu Tianba’s back going away, Li Yishuang couldn’t help raising his eyebrows: “It’s really hidden!”

Chapter 1267

Dusk.

After seeing off all the people, Lu Chen called all the hall leaders of the Qilin Gang into the conference hall and held a high-level meeting.

”It’s been a busy day today, everyone has worked hard.”

Lu Chen sat on the main seat, raised his hand and pressed down, indicating that everyone should sit down, and then said: “I have summoned everyone here temporarily, mainly because I have two things to announce. First, I plan to appoint Lao Zhang As the deputy leader of the Qilin Gang, he manages all matters within the gang.”

As soon as these words came out, all the hall leaders stood up one after another and saluted Lao Zhang: “Congratulations to Deputy Gang Leader Zhang! Congratulations to Deputy Gang Leader Zhang!”

Lao Zhang is strong, senior, and loyal to the Qilin Gang. He is even more resolute in doing things, and he is Lu Chen’s confidant.

It was natural for him to be qualified for the position of deputy gang leader, and no one in the room was dissatisfied.

”Thank you, Mr. Lu, for trusting me! I will do my best from now on!” Lao Zhang clasped his hands in his fists and looked serious.

Lu Chen not only saved his life, but also gave him a new life. He has always been grateful.

Now that it has been reused, there is nothing to repay.

”Very well, now let’s talk about the second thing.”

Lu Chen smiled slightly and continued: “In a few days, I plan to leave the provincial capital to do some errands. During my absence, Lao Zhang will be in charge of all matters within the gang.”

”What? Leave the provincial capital?”

Lao Zhang was slightly startled and said doubtfully: “Master Lu, if you have anything to do, just ask us to do it. Why do you need to go there yourself?”

”You can’t help me with this matter, I have to come forward in person.” Lu Chen shook his head.

Ever since he heard the news about Xie Sinian, he couldn’t hold it back anymore.

He planned to go to Yanjing immediately after helping Concubine Cao Xuan organize Cao Guan’s funeral.

On the one hand, it is to save people, and on the other hand, it is to investigate the truth of the year.

”Master Lu, you are our backbone. What will we do if you leave?” the leader of Mangtang said suddenly.

”The Qilin Gang is on the right track. It doesn’t matter if I’m here or not. Besides, if anything happens, Lao Zhang is fully capable of solving it.”

As Lu Chen said, he suddenly took out a pill and handed it to Lao Zhang: “This is the spirit-gathering pill I refined. It can help you quickly improve your cultivation. With it, you will have a great chance. Break through to the master level.”

”Spirit Gathering Pill?!”

Looking at the blue pill in front of him, Lao Zhang looked happy and his breathing became rapid.

The Spirit Gathering Pill is a top-quality elixir, a treasure that countless warriors dream of.

Rumor has it that as long as you take the Gathering Pill, you will have a high probability of directly breaking through!

In this world, there are many half-step masters, but martial arts masters are very rare.

The biggest reason is that the threshold of a master is too difficult to break through.

For example, he has been stuck for more than ten years and has not yet broken the shackles.

This threshold has almost become his obsession.

And now, with this Spirit Gathering Pill, he has at least a 50% chance of breaking through to the realm of martial arts master and reaching the sky in one step!

To him, this treasure is simply a timely gift!

”What are you doing in a daze? Take it.”

Lu Chen pushed the Spirit Gathering Pill forward and signaled to Lao Zhang to accept it.

”This, this, this... this treasure is too valuable. Mr. Lu, you should take it back. I really can't afford it.”

After reacting, Lao Zhang declined again and again, looking a little panicked.

The Spirit Gathering Pill is simply a priceless treasure to a warrior, and even money cannot buy it.

Although he dreamed of it, he deserved it.

”What can’t you afford? We are all my brothers. If you are told to take it, you can take it. I don’t have any use for this thing anyway.”

While talking, Lu Chen forcibly stuffed the Juling Pill into Lao Zhang’s hands: “In the future, the Qilin Gang will rely on you to take care. The stronger you are, the more you will help me. I will not only help you, but also help you.” Myself.”

”Deputy Gang Leader, Mr. Lu is kind-hearted, just accept it.”

”Yes, if you can become a martial arts master, our brothers in the Qilin Gang can also benefit from it.”

Several hall masters persuaded them one after another.

”Thank you, Lord Lu, for your kindness!”

With a “dong” sound, Lao Zhang suddenly knelt on the ground, clasped his hands into fists, and said solemnly: “This subordinate is willing to go through fire and water for Mr. Lu, even to the death!”

”Okay, okay, get up quickly. If you say these words, you will be out of sight.” Lu Chen helped the person up with both hands.

Although the Spirit Gathering Pill is precious, it is worth every penny when used on one of your own people.

”It’s not just Lao Zhang, all of you are the same.”

Lu Chen glanced at him and said with a smile: “When your strength reaches the bottleneck, I will give each of you a Spirit Gathering Pill!”

”What? One for each?!”

Chapter 1268

As soon as this statement came out, the whole place was in an uproar.

All the hall masters were excited.

Seeing Lao Zhang get the Spirit Gathering Pill, if they say they are not envious, it would be a lie.

After all, this kind of top-notch treasure is hard to come by.

However, Chen Lu’s promise directly transformed their envy into a surprise.

It turns out that everyone has a treasure and no one will be left behind. The main focus is fairness.

This approach of treating everyone equally and without distinction directly impressed everyone present.

”Thank you, Lord Lu!”

”From now on, we are willing to do our best for Lord Lu!”

All the hall masters knelt down on the ground in unison, saluting respectfully.

”We are all brothers in the gang, no need to be polite.”

Lu Chen raised his hand to signal everyone to stand up, and said loudly: "I dare not say anything else, but I can guarantee one thing. In the future, everyone will share the blessings and share the difficulties!"

A simple sentence, but it made everyone excited.

It is their honor to be able to follow such a talented, powerful and profound master.

They are sure that under the leadership of Lu Chen, the Qilin Gang will be famous all over the world in the future!

"Master Lu, Miss Cao is already awake."

At this time, a female student of the Qilin Gang came in suddenly.

"woke up?"

Lu Chen's expression became serious, and he quickly stood up and walked out.

"Master Lu, Ms. Cao is not in the room, she has just gone to the Hall of Heroes." The female disciple added hastily.

"So, she already knows?" Lu Chen looked serious.

"Probably." The female disciple nodded.

"Okay, you all stand back, don't stare."

Lu Chen took a deep breath, then walked towards the Hall of Heroes.

Cao Guan's body was parked in the Hall of Heroes. He was not sure whether Concubine Cao Xuan could withstand the blow after seeing it.

When Lu Chen walked into the Hall of Heroes, he found Concubine Cao Xuan kneeling quietly in front of the coffin, her whole body seemed to be petrified, motionless.

No wailing, no wails of pain.

The entire Hall of Heroes was silent and dead.

”Concubine Xuan?”

Lu Chen’s expression changed and he quickly stepped forward to take a look.

I saw Concubine Cao Xuan’s face full of tears, her face dull, and her eyes dull.

At first glance, it looks like he has lost his soul.

”Concubine Xuan! What’s wrong with you?”

Lu Chen suddenly panicked.

If things go wrong, there must be monsters. If Concubine Cao Xuan bursts into tears, he can still accept it.

This dejected look just proved that something was wrong.

”Concubine Xuan! Don’t scare me. Look up and see who I am?”

Lu Chen knelt down in front of Concubine Cao Xuan, held her face in his hands, and called her name repeatedly.

”Lu...Lu Chen?”

After a while, Concubine Cao Xuan seemed to have come back to her senses, and her eyes slowly focused.

When she saw Lu Chen's face clearly, she suddenly collapsed as if waking up from a dream.

She threw herself into Lu Chen's arms and began to cry loudly, tears pouring down like rain.

Until this moment, her suppressed emotions were completely released.

"Cry, cry...it will make you feel better if you cry."

Lu Chen hugged Concubine Cao Xuan tightly and patted her back gently.

At this time, any words of comfort are bullshit.

No one can feel the pain of losing his father. All he can do now is to accompany him.

After all, Concubine Cao Xuan had to overcome this hurdle in her heart.

Chapter 1269

In a flash, three days passed.

Cao Guan's funeral has been held.

The incinerated ashes were enshrined in the Cao family ancestral hall to enjoy the incense of future generations.

During this period of time, the Cao family had frequent changes and disasters, and the huge and wealthy family was finally torn apart.

After the funeral, Mr. Cao, who had retired behind the scenes, publicly called a family meeting.

All members of the Cao family must be present.

At this moment, in the Cao family's meeting hall.

Mr. Cao sat on the main seat, leaning on a cane with both hands, with a solemn expression.

Sitting on the left and right sides were the backbones of the Cao family.

Cao Guan is dead, Cao Jun is dead, and Cao Biao is nowhere to be found.

Three sons, dead dead, missing missing, plus some internal and external troubles.

Now the entire Cao family has no leader, and the hearts of the people are scattered, and they have encountered an unprecedented trough.

Mr. Cao was forced to have no choice but to stand up and preside over the overall situation.

"I believe everyone knows that many things have happened to the Cao family recently, and many people have been lost."

"But the dead are gone, and the living are like this. We must cheer up as soon as possible."

"Our Cao family is now at the critical point of life and death."

"If we don't work together, the entire Cao family will be destroyed!"

As soon as Mr. Cao opened his mouth, he shocked everyone.

"Old man, we all understand the principle of prosperity and loss, but now the Cao family is leaderless and suffers frequent blows. It is really difficult for us to come back to life."

”Yes, during the recent period, many traitors have fled with their money and seized a large amount of the Cao family’s property. Moreover, many external forces have taken advantage of the situation and robbed them. Today, the Cao family is hopeless.”

”That’s right! In my opinion, it’s better to divide up the rest of the family property, and then we each live our own lives. This is a way out instead.”

Everyone was talking and talking about it.

Most of them are pessimistic and have no fighting spirit at all. A few extreme ones even want to divide the family property.

”Quiet! Quiet!”

Mr. Cao stamped his cane on the ground and finally stopped the commotion at the scene. He then said: “Although the Cao family has encountered difficulties, it has not reached the end of the road. As long as we work together, there will always be a way to solve it.”

”Old man, if you have any ideas, please tell me.” One person asked.

”Now, we need to elect a new patriarch to manage the entire Cao family. As long as we have a good leader, we can restore our strength step by step.” Mr. Cao said.

”New patriarch?”

Everyone looked at each other and speculated on each other.

Cao Guan, Cao’s army, is dead, Cao Biao is missing, and the second generation of the Cao family has been completely wiped out.

Who is still qualified to be the head of the Cao family?

”Old man, who do you think is more suitable to be the new clan leader?” someone else asked.

”There is only one person who has the ability to lead the entire clan at the moment, and that is Concubine Cao Xuan!” Mr. Cao said loudly.

”Concubine Cao Xuan?”

As soon as these words came out, everyone’s eyes glanced at Concubine Cao Xuan.

Compared with the brilliance of the past, Concubine Cao Xuan was sitting on the seat now, silent and indifferent.

”Everyone knows that Concubine Xuan has outstanding abilities and a very business acumen. Over the years, the several companies she founded have all prospered and made a lot of money. It will be no problem for her to lead the Cao family.” Mr. Cao is confident. Perfect way.

”Concubine Xuan is indeed capable, but she is still too young after all, and she is a bit behind in seniority. Now that she is suddenly promoted to clan leader, I’m afraid some people will be dissatisfied.” An elder raised a question.

”Given the current situation of the Cao family, we must have a resolute leader. In this regard, Concubine Xuan is the most suitable. As for rules and seniority, they are all secondary. We are almost at the end of our rope. How can we care about these?” Mr. Cao said.

Chapter 1270

”That’s right! I support Concubine Xuan! Her Biyan Pill is worth a fortune and is the hope for the rise of our Cao family!”

At this time, a key member of the Cao family suddenly stood up.

”In extraordinary times, to do extraordinary things, no one is more suitable to be the patriarch than Concubine Xuan, and I support it.”

”Concubine Xuan is extremely intelligent and has an outstanding mind. She will definitely lead us back to the top. I agree with both hands!”

”The old man is right, we all support it!”

At this moment, almost all the Cao family members agreed with this proposal.

The few voices of doubt were quickly drowned out.

Without any surprise, Concubine Cao Xuan was directly elected to the position of patriarch.

”Concubine Xuan, everyone’s enthusiasm is high, and they all agree with you as the patriarch. What do you think?” Elder Cao asked aloud.

”Grandpa, I haven’t made up my mind yet.” Concubine Cao Xuan shook her head.

Her father had just passed away, so she didn’t think about it at all.

”Concubine Xuan, I know it is difficult for you to be the patriarch at this time, but we must cheer up.”

Mr. Cao said earnestly and earnestly: “The greater the ability, the greater the responsibility. Your father is in the spirit of heaven, and he certainly doesn’t want the Cao family tree to fall. Now, it’s time for you to take on the heavy responsibility.”

”I.....”

Concubine Cao Xuan opened her mouth, not knowing what to say.

“With great power comes great responsibility, it’s all bullshit!”

At this time, a majestic voice suddenly sounded at the door.

Everyone followed the sound, only to see an old man with gray hair in Chinese clothes, walking in with his hands behind his back.

Behind him, followed by a group of nobles.

”Hmph! If your Cao family is going to be ruined, that’s your own business, but don’t drag my granddaughter down, or don’t blame me for being rude!”

As soon as the luxurious old man appeared on the stage, he was aggressive, mighty and domineering.

This attitude caused a lot of dissatisfaction.

A young man from the Cao family even slapped the table and yelled, “Hey! Where did this old thing come from? How dare you play wild in my Cao family? Are you tired of working?!”

His voice just fell.

Behind the old man in rich clothes, a hunchbacked old servant suddenly stepped forward and slapped the young man on the face.

”Snapped!”

There was just a crisp sound, and the young man was knocked away. He fell to the ground like a dead dog and passed out on the spot.

”Be bold!”

”presumptuous!”

Seeing this scene, the Cao family clan members started to protest and were furious.

Although the Cao family is not as good as before, the skinny camels are bigger than horses, and not all cats and dogs can come and run wild.

”Come here! Arrest them all!” An elder of the Cao family shouted angrily.

”Stop! Stop it all!”

Upon seeing this, Mr. Cao was startled and immediately stopped the impulsive Cao family.

Then he trotted all the way to meet the old man in rich clothes, bowed his hands, bowed deeply, and said loudly: “Little man Cao Siyuan, pay your respects to Duke Chen Guo!”

”What?! Duke?!”

As soon as these words came out, the whole place was in an uproar.

The group of people who had just screamed stood stunned on the spot, their faces full of horror.
