

## An Understated Dominance Chapter 1351 - 1360

### Chapter 1351

”Master He, everyone comes to Qianjin Terrace to have fun. Why are you so angry?”

Yin Tao twisted her waist and walked closer, smiling brightly.

As soon as she appeared on the stage, she attracted everyone’s attention.

Her figure and appearance are already outstanding, coupled with her unique voluptuous charm, she is simply a vixen in disguise.

”Miss Yin, I have something to deal with. If you want to play a few games, I will open another hall for you.” He Pengfei restrained his violence.

But the gun in his hand still did not put down.

”Master He, to be honest, this handsome young man is my friend. Please give him some face and let him go.”

Yin Tao walked forward with a smile and took Lu Chen’s arm, acting quite affectionately.

Although Lu Chen was surprised, he did not deny it. He could not slap people in the face if they were kind enough to help.

”friend?”

He Pengfei looked around and said coldly: “Miss Yin, this friend of yours is so crazy. Not only did he reject me again and again, but he also threatened to smash my daughter’s daughter. You really don’t give me any face!”

”Oh, is it so?”

Yin Tao raised her head and looked at Lu Chen in surprise.

This guy is really courageous, he dared to be tough with He Pengfei.

”Master He, this friend of mine is young and energetic and doesn’t understand the rules. I’ll ask him to apologize to you. I hope Mr. He will have a lot of people and be open-minded.” Yin Tao said with a smile.

”It’s okay if I let him go, but he has to hand over the formula, otherwise, don’t blame me for not giving face!” He Pengfei said coldly.

”Recipe?” Yin Tao was a little strange.

It seems that there is not just a verbal conflict between the two, but an interest dispute.

”I still say the same thing, the formula can’t be sold to you.” Chase Lu refused straight away.

From the moment He Pengfei drew his gun, the two sides had no room for discussion.

”Miss Yin, did you hear that? Your friend really doesn’t know how to flatter you!”

With a gloomy face, He Pengfei pushed the gun forward.

”Master He, please be patient. Isn’t it just a recipe? Let me talk to him.”

Yin Tao smiled, raised her hand and pressed down the muzzle of the gun. She then leaned towards Lu Chen’s ear and whispered in a low voice: “Little handsome boy, He Pengfei is famous for being ruthless. No matter what formula, you give him That’s it, otherwise I wouldn’t even be able to protect you today.”

”Miss Yin, I appreciate your kindness, but I will not compromise on the formula.” Lu Chen shook his head.

”Little handsome boy, you can save the green hills without worrying about having firewood. If you die here, the formula in your hand will be useless no matter how precious it is.” Yin Tao continued to persuade.

Why is this guy like a log? People are dying and still refuse to let go.

”I can’t die, he hasn’t been able to kill me yet.” Lu Chen said calmly.

”You...” Yin Tao was a little annoyed.

He Pengfei was surrounded by dozens of people, with guns in their hands.

Where does this guy in front of me have the confidence to say such a thing?

”Miss Yin, my patience is limited, you’d better not meddle in other people’s business!”  
He Pengfei’s eyes were cold.

Lu Chen’s arrogance has already made him murderous.

”Master He, if you have anything to talk about, let’s talk slowly. How about we sit down and have a couple of drinks?”

Yin Tao smiled and picked up two glasses of wine, handing one to He Pengfei.

”Drink a fart!”

He Pengfei got a little angry and knocked the wine glass out of Yin Tao’s hand.

Just a “pound” sound was heard, the cup shattered, and the wine splashed everywhere.

Yin Tao was startled at first, but then she quickly forced out a smile and took the initiative to move forward. She pressed her slender jade fingers on He Pengfei’s chest and said faintly: “Master He, calm down first. Don’t hurt your body. As long as you Let my friend go, and I will give you a surprise tonight.”

## Chapter 1352

After saying that, he smiled charmingly, which was somewhat meaningful.

”Yin Tao, if you want to play, I can play with you slowly!”

He Pengfei grabbed Yin Tao’s wrist and said with an evil smile: “But before that, I have to take care of this kid. You stand by the side obediently and don’t make me angry, otherwise, the consequences will be serious.”

”Master He, you hurt me!”

Yin Tao frowned and struggled a few times, but found that it was to no avail.

”You little slut, aren’t you trying to seduce me? I’ll make it happen for you tonight. When I finish this kid, I promise to make you happy!”

He Pengfei smiled evilly, pulled Yin Tao hard suddenly, and directly held Yin Tao in his arms, and looked at Lu Chen provocatively: “Boy! Your relationship with this slut shouldn’t be simple, right? Looking at your small arms and legs, I guess you are satisfied.” You can’t love her, but it doesn’t matter, I will love her well for you and make her fly to the clouds, so happy that she will die!”

”Master He! Don’t mess around, I’m from the Yin family!” Yin Tao’s expression changed.

”What about the Yin family? I just raped you today, what can the Yin family do to me?” He Pengfei was arrogant.

”You——!” Yin Tao was shocked and angry.

He Pengfei has huge power and a big backer behind him.

If you really force her, your reputation will be ruined at most, and the Yin family may not dare to break up with her.

”Boy! Let me ask you one last question, do you hand over the formula or not?”

He Pengfei held Yin Tao in one hand and held a gun in the other.

His eyes were sharp and his face was fierce.

”First of all, I won’t give you the formula; secondly, let Miss Yin go, or I’ll break your hand!” Lu Chen said coldly.

As soon as these words came out, the whole place was in an uproar.

No one expected that Lu Chen would dare to be so crazy.

You are clearly being robbed and yet you are still talking so shamelessly. Is it possible that you are risking your life?

”You bastard! I think you’re tired of living!”

He Pengfei was so angry that he directly pulled the trigger and shot Lu Chen in the thigh.

”boom!”

Gunshots exploded, but the expected blood and screams did not appear.

Because when He Pengfei fired, Lu Chen suddenly moved.

I saw him grabbing the muzzle of the gun with one hand, pinching He Pengfei’s throat with the other, and then pressing him hard against the wall with a “boom”.

The huge force directly caused several cracks in the wall.

He Pengfei groaned, his bones felt like they were about to fall apart, and his internal organs were even more shaken out of place.

I felt dizzy for a while, my stomach was churning, and I felt unspeakably uncomfortable.

quiet.

The entire VIP room suddenly became silent.

What happened just now was so big that the people around didn’t react at all.

They just felt a flash in front of their eyes, and then Lu Chen pressed He Pengfei against the wall.

The most frightening thing was that He Pengfei was nearly two meters tall, with explosive muscles all over his body, as strong as a bear.

Lu Chen, on the other hand, was as thin as a sick cat.

From the point of view of body size, the two sides are not at the same level at all.

However, Lu Chen, the sick cat, subdued He Pengfei, the giant bear, with only one hand.

The visual contrast left everyone dumbfounded.

“Is having a gun a big deal?”

Lu Chen grabbed He Pengfei’s neck with one hand, slowly raised it above his head, and said coldly: “Now, who is tired of working?”

Chapter 1353

”Well.....”

He Pengfei felt his breathing hitched, his face instantly turned red, and veins popped out on his forehead.

He wanted to struggle, but found that his hands and feet had no strength at all.

Deep in his heart, an uncontrollable fear arose.

He always thought Lu Chen was a sheep, but he didn’t expect that the other party would suddenly turn into a vicious tiger.

Its power was so great that he had no ability to resist at all.

He had no doubt that the other party could break his neck with just a little force.

”presumptuous!”

”Be bold!”

”Let go of Master He!”

After a brief silence, the entire VIP room immediately exploded.

A group of thugs in suits roared angrily and were ready to move.

”Lu Chen! Are you crazy? Mr. He dares to move, are you risking his life? Let go quickly!” Liu Cong shouted.

”The surname is Lu! This is Qianjin Terrace. If you hurt Mr. He’s hair, you will die without a burial place!” Liu Xiangsi became a little anxious.

She was the one who attracted Lu Chen. If something happened to Mr. He, she would definitely be involved.

”I didn’t want to be violent, but you have to be aggressive. Do you really think I have no temper?”

Lu Chen snatched the gun from He Pengfei’s hand, put it between his eyebrows, and said coldly: “Let me ask you, how does it feel to be robbed and pointed at?”

”Little...boy! I’m warning you not to mess around. If you dare to touch me, the whole family will suffer!” He Pengfei’s voice was squeezed out of his throat.

”Yeah?”

Lu Chen’s pistol slowly moved down and stabbed directly into He Pengfei’s mouth: “Do you think I will be afraid of your threat?”

”hiss—!”

He Pengfei’s pupils shrank and cold sweat broke out instantly.

He could clearly feel the murderous intent emerging from the other party.

”Little handsome boy, don’t be impulsive. If you hurt Mr. He, you won’t survive!” Yin Tao quickly stopped him.

”Miss Yin, this guy has no intention of letting me go, why not take this opportunity and strike first.” Lu Chen put his finger on the trigger.

”etc!”

Liu Cong’s expression changed and he said hurriedly: “Brother Lu, if you have something to say, it’s just a deal, so why should we get into a sword fight? I don’t think it’s better than this. Put down the gun first, and let’s sit down and talk.”

”There’s nothing to talk about. As I said, the formula is not for sale.” Chase Lu responded coldly.

”Okay, okay... If you don’t sell it, don’t sell it.”

Liu Cong echoed repeatedly and said with an apologetic smile: “Business is not done in a righteous way. If we don’t sell the formula, we can buy and sell ointments and have long-term cooperation. In this way, you are good, I am good, everyone is good, how about it?”

”It sounds good, but I don’t know if you have the sincerity?” Lu Chen’s face softened.

It was easy to kill He Pengfei, but after that, there would be some unnecessary troubles.

Once someone notices it, it will inevitably affect his plan.

”Sincere, right? Of course!”

Liu Cong said with a serious face: “I guarantee with my personality, as long as you let Master He go, we will cooperate for a long time in the future, and we will share the blessings and difficulties together!”

”What do you say?” Lu Chen looked at He Pengfei.

With a gun in his mouth, the latter was vague and unable to speak, so he could only nod repeatedly in agreement.

”Did you see? Master He has already agreed.” Liu Cong’s expression brightened, “We don’t know each other if we don’t fight today, and we will be brothers who will live and die together!”

He Pengfei didn’t speak, but continued to nod.

People under the eaves had to bow their heads.

The barrel of the gun is pushed into the mouth, who can not be afraid?

”Okay, I’ll just trust you once.”

Lu Chen slowly let go of He Pengfei, and at the same time threw the gun in his hand into the trash can.

”Cough cough cough...”

He Pengfei relaxed and began to cough violently, and his back was already wet.

Chapter 1354

”It’s okay, it’s okay. The misunderstanding has been resolved. Let’s forget our grudges with a smile.” Liu Cong laughed and winked secretly.

He Pengfei quickly understood, quickly opened the distance, retreated into the crowd, and shouted: “You son of a bitch! How dare you threaten me? I’m so tired of work! Someone! Get him arrested!”

As soon as he finished speaking, dozens of thugs in suits immediately surrounded him.

”Wait!”

Yin Tao suddenly stood in front of Lu Chen and asked, “Master He! You have obviously agreed to cooperate, why do you still do it?”

”Humph! I just agreed, but now I regret it!” He Pengfei said confidently.

”You are a respectable person after all. If you go back on your word in public, aren’t you afraid of being laughed at?” Yin Tao frowned.

”joke?”

He Pengfei laughed ferociously: “This is my territory. After I deal with this kid, rape you, and then block the news, who will know?”

”You...you are shameless!” Yin Tao was angry.

”Haha... To be honest, I have even more shameless methods. You will understand when we get into bed.” He Pengfei smiled evilly.

”He Pengfei, I have already given you a chance. If you dare to take action again, I guarantee that it will be too late for you to regret it.” Lu Chen looked indifferent.

Naturally, he didn't believe what Liu Cong and He Pengfei said. It was just a test.

If the two really wanted to reconcile, he could pretend that nothing had happened.

But unfortunately, dogs can't change their eating habits.

"regret?"

He Pengfei said with a fierce look: "You bastard! I accidentally got into your trap just now. Now, do you think you still have the capital to make a comeback?"

"Is there any? You can try?"

Lu Chen stood with his hands behind his back, without any fear.

"Fuck! I see you won't shed tears until you see the coffin! Brothers, get on it!" He Pengfei gave the order directly.

"Destroy him!"

All the thugs rushed forward.

"Brother Chen! Leave it to me!"

Wang Xuan who was standing behind sneered, his whole body turned into an afterimage, crashing into the crowd.

The next second, exclamations and screams came one after another.

Wang Xuan was like a tiger entering a flock of sheep, and began to kill everyone.

After being nurtured by Drunkard, Wang Xuan is now as powerful as a late-stage Xiantian master.

Although these thugs from Qianjintai have practiced some boxing and kicking, they still have no ability to resist in front of the innate warriors.

In just five minutes, dozens of people had been beaten to the ground.

”Hmph! There’s no one who can hit me!”

Wang Xuan clapped his hands with a rather disdainful expression.

I haven’t warmed up yet.

”How...how is it possible?!”

Seeing his little brother wailing on the ground, He Pengfei couldn’t help but widen his eyes, and his whole body was filled with fear.

He thought he had a chance to win, so he dared to go back on his word in public.

However, he never dreamed that Lu Chen would have such a master hiding next to him.

”Damn it! Where does this kid come from? How can he be so fierce?”

Liu Cong was so frightened that he broke into cold sweat and his legs became weak.

I originally thought that Wang Xuan was just Lu Chen’s follower, and never took it to heart. Who would have thought that the other party was actually a martial arts master.

This was a mistake!

”If one fights dozens of people, are they still human beings?”

Liu Xiangsi was stunned and looked in disbelief.

You wouldn’t dare to shoot a movie like this, right?

”It’s no wonder... no wonder it’s so confident, it turns out it’s protected by experts.”

Yin Tao’s eyes shone, surprised and happy.

Just now I thought it was going to be over, but in the end, it turned around and survived.

Chapter 1355

”Brother Chen, what should I do with this big guy?”

After taking care of all the younger brothers, Wang Xuan’s eyes suddenly fixed on He Pengfei with evil intentions in his eyes.

”Cut off one of his hands first.”

Lu Chen spat out a few words lightly.

”no problem!”

Wang Xuan sneered, suddenly stepped forward and held He Pengfei down.

”Wait... wait! We have something to talk about. I think we can talk more... ah!”

He Pengfei panicked, and just when he was about to make a few quibbles, Wang Xuan twisted his arm and let out a scream like a slaughtered pig.

His whole face was distorted and he was sweating profusely.

Liu Cong and Liu Xiangsi watched with fear and chills down their backs.

Who would have thought that Mr. He, who was showing off his power just now, would be pinned to the ground and rubbed again in the blink of an eye?

”He Pengfei, you made a wrong decision.”

Lu Chen slowly approached, looked down at the giant bear-like man in front of him, and said calmly: “I have just given you two opportunities, but you don’t know how to cherish them, and you have to commit suicide. Tell me, I should How to deal with you?”

”Boy! I admit defeat today!”

He Pengfei gritted his teeth and said, “You have fought and made troubles. This matter ends here. From now on, let’s not offend each other. How about that?”

”The water in the well does not offend the river? Haha... Do you think I am an idiot?”

Lu Chen smiled coldly: “Who just went back on his word? And who turned his back on others? When the fight is over, you show off your power, but when the fight is over, you just compromise. How can there be such a cheap thing in the world?”

”Boy! Don’t push yourself too far!”

He Pengfei threatened with a serious expression: “My people are all outside. As long as I give the order, they will rush in immediately and cut you into pieces!”

”How dare you speak so harshly!”

Wang Xuan snorted coldly, grabbed He Pengfei’s hair, and slammed his face on the gaming table.

”pound!”

There was a muffled sound.

He Pengfei was hit so hard that his front teeth were broken, his nose was collapsed, and his face was covered in blood.

”You...you two guys are dead! I’m going to tear your corpses to pieces!” He Pengfei was furious and roared again and again.

”Break one of his legs.” Lu Chen spoke again.

”okay!”

Without saying a word, Wang Xuan stepped on He Pengfei’s knee.

He Pengfei bent his knee directly inward at 90 degrees after hearing a “click”, the broken bone pierced through the flesh, and he saw blood dripping.

”ah—!”

He Pengfei let out a shrill scream, his face became extremely ferocious, and his body began to twitch due to the severe pain.

”Stop! Stop!”

At this time, Liu Cong woke up from a dream and immediately stopped him: “Lu Chen! Do you know what you are doing? Master He is the underground overlord of Nancheng. He has huge power and many younger brothers. If you touch him, you will definitely be punished. Endless pursuit!”

”That’s right! Let Master He go quickly! Otherwise, your whole family will suffer!” Liu Xiangsi yelled.

”What? You two also want to cut off your limbs?” Lu Chen slowly raised his head.

The sharp and indifferent eyes stabbed the two of them fiercely like a knife.

Liu Cong's eyelids twitched, he subconsciously took two steps back, and said bravely:  
"Lu Chen, I know you two are somewhat capable, but in Yanjing, fists and kicks alone cannot solve the problem.

Even if you can fight, can you still beat a gun? Can it beat a cannonball? Can you beat the army?

Lu Chen, stop, there are all He Ye's people outside.

If you repent in time now, I can still plead with Master He for you, and ask Master He to let you go.

But if you stay stuck in your head, you are killing yourself! "

#### Chapter 1356

These words were both soft and hard, and also contained a bit of sincere persuasion.

For ordinary people, it is really possible to be shaken.

After hearing this, Wang Xuan rushed forward, raised his hand and slapped him, scolding: "You talk so much every day!"

"Snapped!"

Liu Cong was beaten so hard that he spun around in circles, his mouth twisted.

I felt dizzy for a while and had nosebleeds.

"You, you...how dare you hit me?"

Liu Cong covered his burning face and couldn't believe it.

As the dignified young master of the Liu family, when was he ever slapped in the face in public?

”What’s wrong with hitting you? If you keep nagging, your tongue will be cut off!” Wang Xuan said sternly.

Liu Cong was so frightened that he didn’t dare to speak again.

Damn, these two guys are completely crazy, even Mr. He doesn’t take them seriously.

”You two bastards are so brave!”

He Pengfei lay on the ground and roared angrily: “This is Qianjin Terrace! It is my territory! It is also the property of the Long family! If you dare to cut off my hands and feet, you are provoking the majesty of the Long family. From tonight on, the entire Yanjing will no longer have a place for you to stand!”

At this point, he no longer held back and moved directly out of the backer.

”What? The backer behind Mr. He is actually the Long family?”

As soon as these words came out, there was an uproar in the VIP room.

No wonder He was able to become the underground overlord of Nancheng in just ten years. It turned out to be the support of the Long family.

The eight wealthy families in Yanjing are divided into the upper four families and the lower four families.

The forces of the upper four sects have penetrated deeply into the Forbidden City, and each family has a Dinghai needle.

Either he is a very popular minister, or he is an all-powerful person.

The lower four sects are relatively weaker than the upper four sects. Although they are also rich and powerful, they cannot compare with the upper four sects in terms of power.

The gap between the two is like a cat and a tiger.

For example, the Song family and Wang family in Nancheng belong to the lower four sects.

As for the Long family, it belongs to the upper four sects, and it is also the top three!

Therefore, the Long family is also called “Dragon Gate”.

Anyone who can climb up to the dragon’s house is equivalent to a carp jumping over the dragon’s gate!

”Long Family? It sounds like it’s very powerful.” Lu Chen narrowed his eyes slightly.

I still remember that when I was in Jiangling, there seemed to be a little friction with the Long family.

”What? Are you afraid now?”

He Pengfei laughed ferociously: “You bastard! What do you think I can rely on to be able to stand here for many years? Of course I have an extremely powerful backing! If you don’t want to die, let me go immediately, then kowtow to apologize, and I might be able to spare you. A dog’s life!”

”Yeah?”

Lu Chen snorted coldly, and stepped on He Pengfei’s face: “What if I don’t let you go?”

”You bastard! Do you still dare to challenge the Long family? Do you know that the Long family has the final say on everything outside the Forbidden City!” He Pengfei gritted his teeth.

”Let’s not talk about the mere Long family, even if the royal family of Yanjing is here, they won’t be able to save you today!”

While Lu Chen was speaking, he stepped down heavily, directly breaking He Pengfei’s other arm.

”ah—!”

He Pengfei screamed like a pig being killed.

At this moment, the door of the VIP room suddenly “bang” and was violently kicked open.

Immediately afterwards, a well-dressed young man came in with a group of people aggressively.

”Bold! Who dares to be so bold in Qianjin Terrace!”

Chapter 1357

”Bold! Who dares to be so bold in Qianjin Terrace!”

The young man was full of murderous intent and shot everywhere as soon as he entered the door, his eyes as sharp as a knife.

Everyone who came into contact with his gaze lowered their heads unconsciously.

”Isn’t this Long Haoran, the fourth young master of the Long family? Why is he here?”

”The financial backers behind Qianjin Terrace are the Long family. Now that someone is causing trouble in Qianjin Terrace, the Long family will naturally not sit idly by and ignore it.”

”I beat Mr. He and demolished the Long family. These two boys may be in doom today!”

”Hmph! Young people don’t know the heights of the world. They really think that they can run rampant in Yanjing with just a few fists and kicks. It’s simply ridiculous!”

The sudden change caused a lot of discussion among the gamblers in the VIP room.

Even the Long family was alarmed. What happened today is definitely going to be bad.

”Fourth Young Master...Fourth Young Master, save me!”

The appearance of Long Haoran made He Pengfei cry with joy. As if seeing a savior, he struggled to stand up and ran forward staggeringly.

Halfway through the run, due to his unstable center of gravity, he fell directly to the ground, and then rolled a few times with the help of inertia, and just rolled to Long Haoran’s feet.

”He Pengfei? Why are you injured like this?”

Long Haoran was slightly startled, with a look of astonishment on his face.

He happened to be having fun in the venue next door, and when he heard someone making trouble at Qianjin Terrace, he rushed over immediately.

I just didn’t expect that He Pengfei would be treated so badly.

His hands were broken, his left leg was broken, his nose was bruised and his face was swollen, and his face was covered with blood. He looked very embarrassed.

You know, He Pengfei is a pawn supported by the Long family in Nancheng.

Although he can't get on the big stage, in this area of Nancheng, he can be said to be the master of all things.

Ordinary forces would not dare to provoke him, let alone beat him into such a virtuous state.

"Fourth Young Master! You are finally here. If you had come a moment later, I'm afraid I would be dead!"

He Pengfei lay at Long Haoran's feet with a mournful face, looking particularly aggrieved.

"Who did it? Who hurt you like this?!" Long Haoran shouted in a deep voice.

"It's those two boys!"

He Pengfei pointed at Lu Chen and the two, and said bitterly: "They did it!"

"Um?"

Long Haoran followed the sound and quickly fixed his eyes on Lu Chen, looking up and down: "Boy! What is your background? How dare you make trouble in Qianjin Terrace? Do you know that Qianjin Terrace is the property of my Long family?"

"I didn't know it before, but I know it now." Lu Chen said frankly.

"It's good to know, let's talk, how to solve this matter?" Long Haoran sullenly.

”It’s very simple. Let He Pengfei kneel on the ground and kowtow to apologize, and then compensate me with the Qianjintai. I will treat what happened today as if it never happened.” Lu Chen said calmly.

”What did you say?”

Long Haoran was stunned for a moment, a little suspicious that he had heard it wrong.

The rest of the people in the hall also looked at each other in blank dismay, inexplicably shocked.

Is this guy crazy?

When the Long family came forward, not only did they not bow their heads, but they also demanded an apology from Mr. He, and even demanded Qianjintai brazenly.

Isn’t this stupid?

”Seeing Fourth Young Master Long dare to speak wild words, I really don’t know what to do!” Liu Cong sneered again and again.

”A country bumpkin is just a country bumpkin. I don’t know who I offended.” Liu Xiangsi shook her head.

Anyone with a little knowledge and a little IQ can’t say such a thing.

Dare to yell in front of Long Haoran, it is either stupid or stupid.

”Boy, did I hear you right? You just said that you want He Pengfei to make amends? At the same time, you also want the Qianjintai?” Long Haoran dug his ears.

Chapter 1358

After so many years in Nancheng District, no one dared to talk to him like that.

What is this called?

Pulling out teeth from a tiger's mouth?

"You heard me right, that's exactly what I said." Chase Lu nodded seriously.

"interesting....."

Long Haoran laughed suddenly, but his eyes became extremely cold: "Boy, I have never seen someone as crazy as you, who dared to ask for the property of the Long family, amazing! I can give you the Qianjintai, but the problem is, Do you dare to ask for it?"

"If you give it, I'll take it; if you don't give it, I'll take it." Lu Chen answered straightforwardly.

"Ha ha ha ha....."

Hearing this, Long Haoran laughed back angrily: "Boy! You are so daring! Do you know what you are doing? You are playing. Fire. Self-immolation!"

The last few words were almost squeezed out between the teeth.

"It's not certain who is playing with fire." Lu Chen didn't change his face.

"Very well, I hope you don't beg for mercy for a while, I just like to see you so arrogant."

As Long Haoran said, he raised his hand abruptly: "Turn off the camera! Prepare to clear the scene! All irrelevant people get out!"

As soon as these words came out, the gamblers in the VIP room rushed out immediately, not daring to stay at all.

They knew very well that Young Master Long was going to get serious. After tonight, two dead bodies would sink into the river.

”Hmph! Let’s see if you’re still alive now!”

He Pengfei smiled ferociously, his eyes full of resentment.

”It’s hopeless. Let’s prepare to collect the body tomorrow morning.”

Liu Cong shrugged, turned and went out directly to avoid harming Chi Yu.

”Hmph! I’ve done my own crimes, I can’t live, I offended the elites of Yanjing, I’m afraid I won’t even find my corpse tomorrow.”

Liu Xiangsi glanced at Lu Chen coldly, and immediately followed Liu Cong to leave.

If he had begged for mercy earlier, he might still have a chance to survive, but now, it is already too late.

”Little handsome guy, there’s nothing I can do, you can ask for more blessings.”

Yin Tao sighed and walked out of the VIP room regretfully.

If it were He Pengfei, she could also try to help Lu Chen get out of trouble.

But if it were Long Hao, there would be no chance at all.

Because in front of the Long family, the Yin family is not worth mentioning at all.

If you try to get ahead, you will get burned instead.

Under Long Haoran’s strong order, in just three minutes, the entire Qianjin Terrace was deserted.

Only a group of people from the Long family were left, blocking the door of the VIP room and watching eagerly.

”Now, it’s just the two of you.”

Long Haoran lit a cigarette, took a deep breath, then exhaled a long puff of smoke, squinted his eyes and said, “Do you have any last words?”

”Before taking action, I advise you to call Long Xiuxian, otherwise you will regret it.” Lu Chen said calmly.

”Hehe... Regret?”

Long Haoran sneered: “Boy, I know most of the powerful people in the Forbidden City, but I have never met you. If you think you can get away with just saying a few bluffing words, then you are too naive!”

In his opinion, Lu Chen was obviously cowarded, so he started to pretend to be powerful and tried to fight to the death.

”I’m not from Yanjing, but...”

Before Lu Chen finished speaking, he was interrupted by Long Haoran: “If you are not from Yanjing, then it is not worth mentioning. If you come, kill them all.”

”yes!”

The warriors behind him responded and pounced directly on Lu Chen and the two...

Chapter 1359

Outside the gate of Qianjintai.

Yin Tao was sitting in the luxury car, her beautiful eyebrows slightly twisted, looking through the car window at the splendid door, with a bit of melancholy on her face.

I finally met an interesting and beautiful man, but I didn't expect that his life would be so short.

First he offended He Pengfei, and then he called Banlong Haoran. Now he is trapped in Qianjin Terrace, basically dead or alive.

Although she was a little bit reluctant, but at this point, she was powerless.

The only thing that can be done now is to collect the corpse for the other party.

What a pity, what a pity...

"Yo! Miss Yin, you haven't left yet?"

At this time, Liu Cong and Liu Xiangsi suddenly walked over.

"Aren't you leaving too?"

Yin Tao said neither salty nor bland.

"us?"

Liu Cong smiled slightly: "Lu Chen has a close relationship with our Jishi Hall. I was thinking, should I stay and collect his body?"

"Hmph! Don't be so hypocritical in front of me. Don't think that I don't know. It was you who led Lu Chen to Qianjin Terrace!" Yin Tao said with a cold face.

”We asked him out just to discuss business. We didn’t expect him to be so ignorant. It’s all his fault that he’s in this situation.” Liu Cong shrugged, as if it was none of his business.

”That’s right! A country bumpkin like him doesn’t understand any rules, is arrogant and self-righteous, and deserves to be unlucky!” Liu Xiangsi added insult to injury.

”Liu Xiangsi, can you say such words?”

Yin Tao glanced sideways, with disgust on her face: “If I remember correctly, Lu Chen should have helped you Jishitang more than once, and this is how you repay him? Even beasts know how to repay their kindness, but you people are not even as good as beasts !”

”you—!”

Liu Xiangsi was in a hurry for a while, but she couldn’t refute.

As for Liu Cong, his face quickly darkened, and he said coldly: “Yin Tao, we are all the same, each other, and in the entire Nancheng District, who doesn’t know that you are a promiscuous and lustful man? How can you pretend to be a good person in front of us? ?”

”That’s right! Why should an immoral woman like you criticize us?” Liu Xiangsi echoed.

”Hmph! I’m just a watery person, but I’m better than you guys who are so cruel!” Yin Tao retorted.

One sentence made Liu Cong and Liu Cong speechless and angry.

This bitch is really a pot that can’t be opened or lifted.

”Yin Tao, I know you like that pretty boy, but unfortunately, he is destined to not be able to walk out of the gate of Qianjin Terrace today. In fact, you can’t even receive his whole body!” Liu Cong smiled coldly, with a hint of sadness in his eyes. Resentment.

”This is none of your business.” Yin Tao said with an indifferent expression, “Maybe a miracle will happen.”

”Miracle? Hum... Even if the King of Heaven comes today, I can’t save him!” Liu Cong said sternly.

While several people were talking, the door of Qianjin Terrace suddenly opened.

Immediately afterwards, Lu Chen strolled out.

His body was clean and spotless.

It seemed like I just went in for a walk.

”How can it be?!”

Seeing this scene, Liu Cong and Liu Xiangsi stood stunned on the spot as if they had been struck by lightning.

Even Yin Tao was stunned and looked in disbelief.

Throughout the ages, no one who was ordered to kill by the Long family could leave alive.

”I... Am I right? Lu Chen actually came out? Besides, he was unscathed?” Liu Cong rubbed his eyes, a little in disbelief.

”No... Impossible! He is obviously doomed to die, how could he come out alive?” Liu Xiangsi’s beautiful eyes widened, as if she had seen a ghost.

In their view, when Long Haoran shouted the word “clear the field”, it was doomed that Lu Chen’s life would be lost.

They had even made plans to pick up the corpses.

In less than ten minutes, Lu Chen walked out of Qianjin Terrace without incident.

It’s incredible!

Chapter 1360

”My God! Did a miracle really happen?”

Yin Tao swallowed, with an indescribably shocked expression.

I just mentioned it casually, but I didn’t expect it to become a prophecy.

Just as several people were stunned, an even more shocking scene happened.

Not long after Lu Chen walked out of the door, Wang Xuan also walked out.

It’s just that compared to Lu Chen’s calm, Wang Xuan still had two people in his hand.

On the left is He Pengfei, who is wailing with his hands and feet broken off; on the right is Long Haoran, whose nose is bruised and his face is swollen, and his face is beyond recognition.

The two of them were like dead dogs, being dragged out from the Qianjin Platform by Wang Xuan by their collars.

Wherever he went, there were bloodstains all over the place.

Obviously, it was not Long Haoran who let Lu Chen and the two go, but Lu Chen and the two who forcibly fought their way out!

You must know that the people brought out by Long Haoran are all elite warriors of the Long family, and each of them has the ability to fight one against a hundred.

As a result, in just a few minutes, all the elite warriors fell down, and Long Haoran was also arrested.

How could these two guys be so powerful? ?

”Take it to the car.”

Lu Chen took out the car keys from Long Haoran’s pocket, and then motioned to Wang Xuan to throw the two of them into the car.

Finally, Lu Chen drove away in Long Haoran’s Land Rover, leaving only two tail lights that flickered on and off.

”Gulong...”

Liu Cong swallowed and felt a chill on his back.

Fortunately, he had just come out. Otherwise, if he had stayed in, he would have ended up like Long Aoran.

”Senior brother, what should we do now? Lu Chen... seems to have captured Fourth Young Master Long.” Liu Xiangsi was a little at a loss.

The situation in front of her was beyond her expectation.

”It’s broken! That guy kidnapped Fourth Young Master!”

After being stunned for a moment, Liu Cong reacted instantly and his expression changed drastically: “Hurry, hurry, hurry! Get in the car! We have to notify the Long family immediately and rescue the fourth young master, otherwise you and I will be in disaster!”

After speaking, he quickly ran into his car.

”What the hell are you still doing? Hurry up!”

Seeing that Liu Xiangsi didn’t respond, Liu Cong poked his head out of the car window and roared.

”oh oh.....”

Liu Xiangsi woke up like a dream, and immediately got into the co-pilot.

Accompanied by the roar of the accelerator, the two drove away at a fast speed.

Lu Chen is the scourge they have brought, if they hurt Long Haoran, with the style of the Long family, they will never be let go.

”What on earth is this madman going to do?”

Yin Yao frowned, then patted the driver on the shoulder, and quickly said, “Catch up!”

”Ugh——!”

The luxury car started and followed closely behind.

The three cars chased each other and traveled quickly through the streets.

It took about an hour or so.

The Land Rover driven by Chase Lu first stopped in front of a tall courtyard.

This is an extremely luxurious four-in-one courtyard.

Looking around, you can see high walls, blue bricks and black tiles, and flying eaves, which are simple and majestic.

The gate is a vermilion gate inlaid with gold, and there are two majestic stone lions standing in front of the gate.

There is also a gold crossing plaque hanging on the door, with two large characters written on it: Dragon Mansion!
