

An Understated Dominance Chapter 1391 - 1400

Chapter 1391

”Um?”

Seeing the check being burned, Wang Zixuan’s face became a little ugly.

She didn’t expect Lu Chen to be so disrespectful. He just refused and burned the check.

Isn’t this a slap in her face?

”Hey! Mr. Lu! What do you mean?”

When Song Yingming saw it, he immediately felt unhappy and shouted: “My Zixuan gave you money. It is a gift to you. Don’t be disrespectful!”

”Give me money and I want it? What do you think I am? A beggar?” Lu Chen sneered.

His impression of the Wang family was already very bad.

Whether it was Wang Zixuan’s use yesterday or the Wang family’s revenge today.

They all made him deeply understand what it means to know people, know faces but not know hearts.

”Hmph! Looking at your behavior, what’s the difference between you and a beggar?”
Song Yingming looked disdainful.

”If you dare to speak rudely again, don’t blame me for beating you.” Lu Chen’s eyes became colder.

”you—!”

Song Yingming was about to explode, but Wang Zixuan raised her hand to stop her. She looked at Lu Chen quietly, her eyes flickered: “Lu Chen, do you have to do this? We can be friends obviously, why don’t you give yourself a chance?”

”Ms. Wang, as I said before, you have a distinguished status and I can’t reach you. Just forget it as a friend.” Lu Chen said calmly.

The word “friend” comes out of the other person’s mouth, which is really inexplicably harsh.

”Zixuan, this guy just can’t support the wall with mud, why do you care about him?” Song Yingming shook his head.

”Okay, since you don’t consider me a friend, then we won’t have any contact with each other from now on.”

Wang Zixuan took a deep breath, her eyes gradually became indifferent.

She is the majestic young lady of the Wang family, and she is a daughter of gold. No matter where she goes, she is always praised by others, and she has never been wronged.

It is very kind of her to lower her attitude and give Lu Chen a chance to repent and admit her mistakes.

As a result, the other party didn’t appreciate it and seemed to be indifferent.

How shameless!

”Miss Wang, please.”

Chase Lu’s face was expressionless.

”Boy! Without the cover of my family, Zixuan, do you really think you can survive in Yanjing? You really don’t know what to do!” Song Yingming sneered.

Before, it was because he was worried about Wang Zixuan that he would tolerate everything.

Now that the two have fallen out, he no longer needs to tie his hands.

”Doctor Liu, there is a fire in Jishi Hall. We deeply sympathize.”

At this time, Wang Zixuan looked at Liu Gongquan and said hypocritically: “For the sake of helping my grandfather before, I plan to help you this time too.”

”What do you mean, Miss Wang?” Liu Gongquan kept frowning.

”Jishitang has been reduced to ruins, and its past glory will never return. Instead of living in these ruins, I think it is better to sell it as soon as possible.”

Wang Zixuan said with a serious face: “For the sake of previous affection, I am willing to buy your Jishitang at the market price to help you tide over the difficulties.”

”We’ve been making trouble for a long time, but you still do it for Ji Shitang!”

Liu Gongquan’s face was a little ugly.

He was just skeptical before, but now he is sure.

The burning of Jishitang must have something to do with the two people in front of him.

”Miraculous Doctor Liu, you have to figure it out, I’m helping you.”

Wang Zixuan said earnestly: “The Jishi Hall is in ruins and is now worthless. I am willing to buy it at the market price because I admire your character and hope you can spend your old age peacefully.”

”Yes, Miracle Doctor Liu, you are over eighty years old, it’s time to take a good rest. With a large sum of money, you can eat delicious food, drink spicy food, travel around mountains and rivers every day, why not do it?” Song Yingming persuaded .

”You... you guys!”

Liu Gongquan’s fingers were trembling, his face was red and tense, and he was obviously angry.

First set fire to Jishitang, and then run over to buy it at a low price.

You even say, “I’m helping you.”

These people are so despicable and shameless!

Chapter 1392

”Shenyi Liu, selling Jishitang is your best choice, and no one will buy it except us.” Wang Zixuan advised softly.

The entire Nancheng District is under the rule of the Wang family and the Song family.

Without their nod, who would dare to take over Jishitang?

”Sell it or sell it! I won’t sell it to my death! You can’t even think of taking away my Jishi Hall!” Liu Gongquan shouted angrily.

He has been in business for most of his life and put in countless efforts to build Jishitang today.

How could he be willing to sell it at such a low price?

What's more, the sellers are still these ambitious people.

He could even predict that once Jishitang fell into the hands of these people, it would become a money-making machine.

Completely ruining the reputation.

"Not selling?"

Song Yingming sneered: "Doctor Liu, you'd better think carefully before answering. It's not a wise choice to refuse us."

"I've lived enough and I'm going to die. I'm not afraid of you!" Liu Gongquan shouted with red eyes.

"Miraculous doctor Liu, you are upright and fearless, I admire you very much. But you don't think about yourself, you have to think about your relatives and your descendants, right?" Song Yingming grinned.

As soon as these words came out, Liu Gongquan stood stunned on the spot as if he had been struck by lightning.

Yes, he is not afraid of power, and he is not afraid of death, but what about his family?

The other side even dares to kill people and set fires, so what else can they not dare to do?

"Master Liu, I remember, you seem to have a granddaughter who is as beautiful as a flower, right? You are young, and you should have a good life. If something happens to you, wouldn't it be a pity?" Song Yingming smiled but wasn't smiling.

"thump!"

Liu Gongquan's legs went weak and he collapsed directly on the ground, his face ashen.

He was desperate.

He knew that he couldn't defeat Song Yingming at all.

No matter how stubborn and courageous he is, he will still resist in front of the rich and powerful.

And once these powerful people are angered, they may even cause death.

This is the harsh reality.

No matter how hard you struggle, it's all to no avail, and you can only compromise in the end.

He could no longer hold on to Jishi Hall.

"Hey, Doctor Liu! Why did you fall? Come on, come on... get up!"

Song Yingming ran forward hypocritically, helped Liu Gongquan who was sitting on the ground, patted the dust on his body, and said with a smile: "I was just joking with you, why are you so nervous? Look, your hair is full Sweating profusely, what about it?"

"..."

Liu Gongquan clenched his fists, a hint of dissatisfaction flashed in his eyes, but in the end, it turned into deep helplessness.

The clenched fingers slowly loosened.

"Miraculous doctor Liu, how are you thinking? Will you sell it or not?" Wang Zixuan put on a sincere look: "You have to know, I am helping you."

She and Song Yingming worked very well together and took advantage of Liu Gongquan.

"Sell...I sell!"

Liu Gongquan spat out a few words in humiliation.

"Hehe, this is the right thing."

Song Yingming smiled, as if he knew you were wise.

"Very good, this is a transfer contract. If you sign it and press your fingerprints, you can get a huge sum of 20 million, which is enough for your family to have enough food and clothing."

Wang Zixuan seemed to have expected it, and directly took out a contract from her bag, and handed it to Liu Gongquan.

Liu Gongquan accepted the contract, the hand holding the pen trembled slightly, and two lines of hot tears rolled down the corners of his eyes.

After all, power cannot be stopped.

That's all...

Liu Gongquan sighed, and when he was about to sign the contract, a hand suddenly blocked the pen.

A calm voice sounded beside my ears: "Miraculous Doctor Liu, I want Ji Shi Tang, and I will offer 30 million!"

Chapter 1393

"thirty million?"

As soon as these words came out, everyone was stunned.

Looking up, he found that the speaker was Lu Chen.

"Boy, what did you just say?"

Song Yingming tilted his head, somewhat suspecting that he heard wrongly.

Wang Zixuan also frowned slightly, looking very displeased.

"Miraculous doctor Liu, I am willing to use 30 million yuan to buy Jishitang."

Lu Chen said seriously: "And I can guarantee that Jishi Hall will be rebuilt intact, and you will still be the chief physician of Jishi Hall, in charge of all the big and small affairs in the medical hall."

Hearing this, Liu Gongquan was stunned.

He naturally understood what Chase Lu's words meant.

The old site was rebuilt and the power remained the same, which was equivalent to letting him continue to manage Jishitang and continue to do good deeds and accumulate virtue.

The only difference is that whether Jishitang earns more or less in the future has nothing to do with him.

Of course, compared to maintaining the reputation of Jishitang and maintaining his own spiritual support.

This little money is not worth mentioning at all.

"Xiao, Xiaolu, are you... serious?" Liu Gongquan was a little uncertain.

"Of course." Lu Chen nodded: "The Jishi Hall hangs a pot to help the world and benefit the people. As a doctor, I can't just watch such a medical center become a tool for capitalists to make money, so I plan to save it and see if Liu Are you willing to sell the miracle doctor?"

"Sell, of course I am willing to sell, but..."

Liu Gongquan hesitated to speak, and looked at Song Yingming and others.

He didn't care about money and could even give it to Chase Lu for free because he regarded him as his successor.

But the problem is that Ji Shitang has already been targeted by the Song family and the Wang family.

Lu Chen wanted to acquire Jishitang because he was going against the Song and Wang families.

This kind of behavior is undoubtedly pulling out teeth from the tiger's mouth.

If he sells it to Lu Chen, he will be harming the other party.

"Boy! You guys are singing a double act for me here!"

Song Yingming snorted: "Look at the rags you're wearing, what's the difference between you and a beggar? For a person like you, you can't even raise 30 million yuan. Why buy Jishitang? Are you worthy?!"

In his opinion, the two were clearly acting.

In order to keep Jishitang, or to raise prices, Liu Gongquan deliberately asked Lu Chen to fight for it.

He has seen this kind of inferior means a lot.

"Don't worry about whether I'm worthy or not. If I can give you 30 million, what will you do?" Lu Chen's eyes were provocative.

"Hehe... If you can come up with the money, I will give it to Jishitang, and I will never get involved!" Song Yingming sneered, with a look of disdain: "The question is, do you have so much money? You sold two of your kidneys, how about making it together? I will give you one million for each kidney, how about that?"

As soon as these words came out, Song Zhong and the others burst out laughing very cooperatively.

All of them looked at Chase Lu as if they were looking at a clown.

”Lu Chen, stop grandstanding. The Jishi Hall has been destroyed, and it is the wisest choice to leave it to us to deal with the aftermath. You have no money and no ability. It is best not to stand out here.”

Wang Zixuan spoke in a cold voice, with a bit of disgust in her eyes.

It’s just a doctor, where did you get 30 million?

What ability do you have, dare to challenge the wealthy family?

”Grandstanding?”

Chapter 1394

Lu Chen shook his head and sneered, without explaining, but took out a red bank card from his body.

On the front of the red card, there is a golden dragon engraved, looking majestic and domineering.

On the back of the red card, there are two golden characters engraved: Emperor.

”This is the emperor card of Longteng Bank. Only those with assets of more than tens of billions are eligible to own it.”

”And with this card alone, you can withdraw 50 million cash at any bank in Longguo.”

”You say, can I afford Jishitang? Can I afford 30 million yuan?”

Lu Chen clearly displayed the red card in his hand, with a sarcastic expression on his face.

”What? Longteng Bank’s Emperor Card?!”

Seeing this scene, everyone couldn't help but widen their eyes, looking unbelievable.

Longteng Bank is the largest bank in the Dragon Country, backed by the treasury.

There are several levels of member customers in it, from low to high, namely ordinary customers, gold card customers, platinum customers, black gold customers, diamond customers, and the highest level of imperial customers.

To become an imperial client, there are at least two criteria.

First, personal assets must start at tens of billions; second, they must be a big shot with great social influence.

For example, the patriarchs of various wealthy families, well-known philanthropic tycoons, or the pillars of the country.

It is not an exaggeration to say that anyone who can become an emperor customer of Longteng Bank is equivalent to standing at the top of the wealth pyramid, and making money is as easy as drinking water.

But the problem is that there are less than fifty people in the entire Dragon Kingdom who can own this emperor card.

And all of them are in the hands of the major giants, and they will not be used lightly unless it is absolutely necessary.

"You...why do you have Soaring Dragon's Emperor Card?"

Looking at the luxurious red card, Song Yingming was not calm at all.

Even though he is a wealthy young master, he only applied for a black gold card, which is several levels behind the emperor card in Lu Chen's hand.

He didn't understand, why would a poor dick have such a noble thing?

"Don't worry about why I have it, I'll just ask you, can I take out 30 million?" Lu Chen said lightly.

"..."

Song Yingming's mouth twitched, and he was speechless for a while.

People who have the Dragon Emperor Card, let alone 30 million, even 300 million, can easily withdraw it.

"No...impossible!"

At this time, Wang Zixuan suddenly said sharply: "With your identity, how can you have Longteng's emperor card? In my opinion, this card must be fake!"

Hearing this, everyone suddenly realized.

Yes, how noble is the Soaring Dragon Emperor Card?

Even the children of wealthy families are not qualified to own it. How can an unknown junior get a real emperor card?

"Okay, my surname is Lu! I was almost deceived by you just now!"

After reacting, Song Yingming couldn't help snorting: "Let me just say, how can you have an emperor card if you are a poor guy? After a long time, it turned out that it was a forged fake card. You really don't want to lose face for the sake of showing off!"

"Please keep your eyes open and look carefully. The pattern on it, the steel seal on it, and the anti-counterfeiting mark are all clear. How to fake it?" Lu Chen asked back.

”Hmph! With the current technology, how difficult is it to fake a card? Although your emperor card looks real, I can see the flaws at a glance. It is a fake card!”

Wang Zixuan’s tone was firm and could not be refuted, and then put on a heartbroken look: “Lu Chen, Lu Chen, I really didn’t expect you to be such a person? It’s fine if you don’t have the ability, but you still like to engage in these opportunistic things to deceive people.

Do you know that counterfeiting the Soaring Dragon Emperor Card is a very serious crime, and committing fraud like you is even more serious.

Once the relevant departments find out, you will go to jail for the rest of your life! “

Chapter 1395

”What? Spent a lifetime in prison?!”

Hearing this, Liu Gongquan’s complexion suddenly changed, and cold sweat broke out.

He also doubted the authenticity of Lu Chen’s Emperor Card, so he immediately panicked after hearing Wang Zixuan’s threat.

He didn’t want to get Lu Chen involved because of himself.

”Xiao Lu, put the card away quickly, otherwise you will be in trouble!”

Liu Gongquan tugged on Lu Chen’s sleeves and lowered his voice.

As long as the fake emperor card is destroyed in time, you should be able to survive.

”Lu! You are so brave! You even dare to forge the Emperor Card. I think you are tired of living!” Song Yingming’s eyes were unkind.

”Lu Chen, I will give you a chance to change your ways now. As long as you admit your mistake, burn this card, and leave here, I will pretend that nothing has happened.” Wang Zixuan raised her head slightly, looking a little arrogant. smell.

”Why should I admit my mistake? It’s just that you are blind. If you don’t believe me, you can go to Longteng Bank with me.” Lu Chen’s expression did not change.

The Soaring Dragon Emperor Card was given by Lu Tianba before he left, so there was no way it could be fake.

”Lu Chen! That’s enough!”

Wang Zixuan’s face darkened and she shouted: “I’ve already seen through it, why do you have to be tough? I’m giving you a chance to turn around now. If you persist in your stubbornness, don’t blame me for turning against you!”

”What? Does Miss Wang want someone to arrest me?” Lu Chen raised his eyebrows slightly.

”If it’s necessary, I will!”

Wang Zixuan said righteously: “Because I can’t just watch you fall. Maybe only after you go to jail will you wake up in time and change your ways. I am doing this for your own good.”

”For my own good? Haha...this sounds really harsh.”

Lu Chen sneered: “Wang Zixuan, don’t you think you are hypocritical? You are clearly hurting people, but you have to say it so high-sounding, and you still pretend to be a messenger of justice. You are so pretentious that I feel sick for you. “

”You...you are presumptuous!”

Upon hearing this, Wang Zixuan couldn't help but feel a little angry: "Lu Chen! I'll be patient in every possible way to give you face, you'd better not push yourself too far!"

"Boy! I order you to apologize to Zixuan immediately, otherwise don't blame me for being rude!" Song Yingming shouted sharply.

"What? Do you want to take action? You can try it." Lu Chen was not afraid at all.

"You're looking for death!"

Song Yingming was angry, and when he was about to explode, Wang Zixuan raised her hand to stop her, and whispered: "Wait a minute, there are many people here, and they are openly trying to affect the family image."

"Are we going to let him go just like that?" Song Yingming frowned, somewhat unwillingly.

"Be calm and don't be impatient. If you want to achieve great things, you must first be calm."

Wang Zixuan was surprisingly calm: "Nancheng District is our territory. Here, we have the final say in everything. Isn't it easy to deal with an unknown person?"

"Okay, for your sake, I'll let this kid dance around for another day." Song Yingming's expression softened.

Because of the fire, a large number of melon-eating people were crowded around.

Many people are recording video and taking pictures.

If he had taken action just now, he would inevitably be in trouble once he was exposed.

Fortunately, I endured it for a while and retaliated later.

”If you two don’t dare to take action, then please go back.”

Lu Chen said with an indifferent expression: “Besides, I have already bought Jishi Hall. If anything happens in the future, you can just come to me.”

”Boy! You have to go against us, right? OK! We will make trouble for you from now on, and I want to see how long you can resist!” Song Yingming smiled ferociously.

”Lu Chen, I will give you one last chance, bow your head and admit your mistake, and give up Jishitang. How about I persuade Yingming to let you go?” Wang Zixuan put on a magnanimous look.

Chapter 1396

”Wang Zixuan, don’t take yourself too seriously. I don’t care about your opportunity.” Lu Chen responded coldly.

From the moment Wang Zixuan used him, from the moment Wang Ansong Qiuyunen avenged his revenge, the two sides have been on fire.

”Okay! Since you are so stubborn, don’t blame me for not remembering the past!” Wang Zixuan’s face became gloomy.

”I’ll give you the same sentence. If you, the King of Song’s family, still harbor evil intentions, you will be responsible for the consequences!” Lu Chen retorted.

”Overreach!”

Wang Zixuan snorted coldly, turned around and left.

When she was about to get in the car, she seemed to think of something, stopped suddenly, turned around and sneered, “Oh, by the way, there is something I forgot to tell you.

Starting from today, our Wang family and Song family will cooperate to jointly develop and produce Jade Dew Cream.

I believe it won't be long before Yulu Cream will become famous in Yanjing and the world, thus bringing us a steady stream of wealth.

Of course, all this is thanks to you. If you hadn't provided us with the formula of Yulu Cream, how could we have such a golden opportunity?

How about it? Isn't it a surprise? Very surprised?

We, the Wang and Song families, have carried forward Yulu ointment for you, shouldn't you thank us? “

When it came to the end, Wang Zixuan's face was full of pride and a happy smile.

Compared with the value of Yulu ointment, Jishitang is not worth mentioning at all.

Being able to cheat the formula from Lu Chen was undoubtedly the wisest decision of the Wang family.

”mean!”

Liu Gongquan gritted his teeth and was very angry.

He had seen the miraculous effects of Jade Dew Cream with his own eyes, and naturally understood how valuable it was.

Originally, Lu Chen could become a rich man with Jade Dew Cream, but unexpectedly, the Wang family crossed the river and burned bridges and directly took over the formula.

This kind of behavior is so shameless.

”Wang Zixuan, do you really think you have won?” Lu Chen suddenly said.

”Isn’t it?” Wang Zixuan asked with a smile.

”Don’t be too happy too early. Although you have the Jade Dew Cream formula, mine is the orthodox one.” Lu Chen said calmly.

”So what? Even if you have the formula, what can you do? Do you think your medicine can be sold? Don’t be naive!”

Wang Zixuan had a bit of disdain on her face: “Nancheng District is our territory, and it would be the stupidest decision to challenge us. If you are sensible, bow your head and admit your mistake in time, maybe there is still a chance of survival.”

In this world, it is not uncommon for plagiarism to kill original works.

How can a mere doctor compete with two giants?

”Since you are so confident, let’s just wait and see.” Lu Chen’s expression remained unchanged.

”Humph! I must make you regret it!” Wang Zixuan glared fiercely, got in the car and left.

How dare a poor dick disobey her? What a shame!

”You are unkind, don’t blame me for being unrighteous.”

Lu Chen squinted his eyes, his face gradually became indifferent.

In fact, when trading the formula with the Wang family, he specially kept a hand just in case.

The original plan was to wait for the Wang family to replenish the other two elixirs before revealing the complete prescription.

Unexpectedly, the Wang family would eventually go back on their word and repay kindness with hatred.

This kind of treacherous behavior will definitely pay a heavy price!

Chapter 1397

”Xiao Lu, you shouldn’t have been so impulsive just now. You offended the Song and Wang families. I’m afraid it will be difficult for you to gain a foothold in Nancheng District.”

Liu Gongquan sighed softly, looking a little worried.

”Doctor Liu, don’t worry, I have a backer behind me, and it’s not that easy for the Song and Wang families to touch me.” Lu Chen smiled lightly.

”Backer? What backer?” Liu Gongquan suddenly became energetic.

No wonder Lu Chen dared to be so bold and directly challenged the wealthy family. It turned out that there was someone behind it.

But think about it, if there is no background, how can you be so crazy?

”The secret must not be leaked. You will know it when the time comes.” Chase Lu gave it a try.

Regardless of the Song family or the Wang family, he didn’t take it seriously.

But now, he doesn’t want to start a big fight and reveal his identity, thus disturbing some forces.

So if you can be low-key, it’s better to be low-key.

After some rescue efforts, the fire in Jishitang was finally extinguished.

It's just that the original simple and solemn building has now become a ruin.

Looking around, there are ruins, dilapidated walls, and embers from the fire everywhere.

The damage was so severe that it had to be demolished and rebuilt.

Not only does it require a lot of money, it's also time-consuming and labor-intensive.

"Song Yingming – what a beast!"

Looking at the ruins of Jishi Hall, Liu Gongquan burst into tears for a while.

"Now that the matter is over, please ask Divine Doctor Liu to be more open-minded. I will help you rebuild Jishi Hall as soon as possible." Lu Chen comforted.

"reconstruction?"

Liu Gongquan shook his head, as if he had aged several years: "Jishitang has been targeted by the Song and Wang families. Even if I rebuild it, they can still set it on fire. I am no longer able to resist."

"If Divine Doctor Liu can trust me, then sell Jishi Hall to me. I promise that Jishi Hall will return to its former glory." Lu Chen looked serious.

Medical clinics like Ji Shi Tang that help all living beings are national treasures and cannot be buried.

Traditional Chinese medicine is already weak and its inheritance is getting less and less. Every medical clinic needs to maintain it.

"Xiao Lu, I am very happy to hear your words."

Liu Gongquan wiped away his tears and said with a smile: "To be honest, I have been looking for a suitable successor. I have seen your character and medical skills. You are definitely the first choice. Now, I plan to Jishitang gives it to you."

"Gift?"

Lu Chen was slightly stunned: “Master Liu, absolutely not, Ji Shi Tang is very valuable, and it is your life’s hard work, how can I take it for nothing?”

”Xiao Lu, I don’t need money, all I want is to make Jishitang flourish.”

Liu Gongquan said solemnly: “Now I am getting old and I can’t live for a long time. If you can inherit my mantle, it will be regarded as the fulfillment of my wish. Compared with the inheritance of the ancestors, money is like dung. , is not worth mentioning at all.”

Outsiders want it, but don’t sell it at sky-high prices.

Lu Chen wanted it, but he didn’t take any money.

Only in this way can Chinese medicine continue to be passed on.

”Miraculous doctor Liu is so virtuous and virtuous, the younger generation admires him!”

Lu Chen saluted solemnly, and said: “Since Doctor Liu thinks highly of this junior, this junior must do his best to make Ji Shi Tang a great success!”

”Okay...okay!”

Liu Gongquan smiled with relief, tears streaming down again.

But this time, it’s joy.

Ji Shitang finally has a successor!

Lu Chen didn’t stay at the scene for long. After inviting Liu Gongquan into the car, he returned to his villa.

The Jishi Hall was destroyed, and both Xie Sinian and Liu Gongquan had no place to live.

Luckily, Chase Lu placed the two of them in the newly bought villa, which made it easier to take care of them and ensured their safety.

After settling everything, Lu Chen took out his mobile phone and dialed a number.

As soon as the call was connected, a soft and charming voice came from the other side of the phone: “Hey, handsome boy, do you miss me so soon? Do you want to ask me out? Let me tell you, I can’t drink well, a cup Just drunk.”

Chapter 1398

”Miss Yin, I have a business to discuss with you. I guarantee that I can make you a lot of money.” Lu Chen got straight to the point.

”Oh? What business?” Yin Tao became somewhat interested.

”I couldn’t tell you clearly on the phone. We’ll meet at the Imperial Tower in an hour for an interview.” Lu Chen said.

”Okay, see you soon.”

”...”

After hanging up the phone, Lu Chen drove out again.

With Wang Xuan staying at home, there is no need to worry about the Song and Wang families playing tricks.

At twelve noon, Emperor Building.

Lu Chen walked into the door, led by the waiter, went straight to the second floor, and finally entered a private room.

In the private room, Yin Tao, dressed in a red cheongsam, was drinking tea leisurely.

Today, she wears light makeup, holds a fan, and has long black hair tied behind her head.

The sexy and plump figure, supported by the tight cheongsam, looks extremely attractive.

Especially those two long white legs, overlapped with each other.

It is white and tender, round and full of emotions.

Although she is dressed in a retro and elegant style, her temperament is enchanting, bright and moving.

The two different styles come together to create an alternative temptation.

”Yo, the handsome guy is here? Sit down quickly.”

Seeing Lu Chen enter the door, Yin Tao immediately stood up to greet him, her every frown and smile could be described as charming.

”Miss Yin, I kept you waiting.”

Lu Chenshi took a seat.

”It’s nothing, I just arrived for a while.”

Yin Tao smiled slightly and poured a cup of tea for Lu Chen: “Here, I brewed it myself, you can try it.”

Lu Chen picked up the tea cup and took a sip, nodded and said: “Good tea, but the taste is a bit special.”

”Of course, the things I like must be special.” Yin Tao smiled meaningfully.

At some point, she had already taken off her high heels, and her jade feet hidden under the table, intentionally or unintentionally, followed Lu Chen’s calf, and began to climb up little by little.

”Miss Yin, let’s talk about business.”

Lu Chen retracted his legs without a trace, and said calmly: “I asked you out because I plan to cooperate with you to start a business and make money together.”

”make money?”

Yin Tao curled up her lips: “Speaking of this, I won’t be sleepy anymore. How can I make money?”

”I wonder if Miss Yin has ever heard of Jade Dew Cream?” Lu Chen asked.

”I’ve never heard of it.” Yin Tao shook her head.

”Yulu ointment is a kind of trauma medicine. Its effect is similar to that of Jishitang’s golden sore medicine, but it is more effective.” Lu Chen explained.

”Stronger? How much stronger?” Yin Tao was a little unimpressed.

”At least ten times!” Lu Chen said in surprise.

”ten times?”

Hearing this, Yin Tao’s eyelids twitched, and her face became more serious: “You...are not kidding, are you?”

”If Miss Yin doesn’t believe it, I can prove it to you.”

Lu Chen said, suddenly took out a knife and slashed his arm hard.

In an instant, the skin was torn open and blood dripped.

If you don’t use true energy to protect your body, the Grandmaster will not be invulnerable.

”Ah! Are you crazy? Why are you cutting yourself so well?!”

Yin Tao was startled and quickly took out her handkerchief to bandage Lu Chen’s wound.

The pretty face was filled with distress.

Chapter 1399

Seeing Yin Tao’s worried and angry appearance, Lu Chen was slightly startled, and his spirit was suddenly in a trance.

From the other party, he seemed to see the shadow of Concubine Cao Xuan.

How is she?

I haven’t contacted her for so long, she won’t blame me, right?

After recovering, Lu Chen immediately withdrew his hand, refused Yin Tao's bandage, and explained: "Miss Yin, it's okay, it's just a small injury, as long as you apply Yulu ointment, it will heal soon."

As he said, he took out the Yulu ointment that he had prepared long ago, and applied it on the wound.

Different from the black before, the Yulu ointment used by Lu Chen this time is dark green, crystal clear like jade.

This is the improved product.

Not only has no side effects, but also has excellent medicinal effects.

"Little handsome guy, even if you want to test the medicine, you don't have to hurt yourself, right? It hurts so much." Yin Tao's eyes were filled with resentment.

"This is the most direct and convincing way." Lu Chen smiled lightly.

"I'll believe you if you say it directly, why bother to torture yourself? If there is a scar, the arm will not look good." Yin Tao shook her head, very puzzled.

"This is also what I want to prove. Yulu Ointment can not only heal trauma, but also remove scars."

Lu Chen picked up the teapot, poured two cups of tea respectively, and said with a smile, "If there is no accident, after drinking this pot of tea, my injury will recover as before."

"Oh? Really?" Yin Tao raised her eyebrows.

Seeing that the other party is so confident, she became more and more interested.

The two chatted while tasting tea. After a while, Lu Chen smiled slightly: "Miss Yin, it's almost time, please take a look."

After speaking, he picked up the tissue on the table and dabbed lightly on the ointment on his arm.

The green ointment was wiped off, and even the bruised wounds disappeared miraculously.

Not even a scar was left, only a faint red mark remained, which was the new tender flesh.

”Um?”

Yin Tao was taken aback for a moment, and subconsciously asked, “What about your injury just now? Why is it gone?”

”It’s not gone, but it’s healed.” Lu Chen corrected.

”No way?” Yin Tao showed surprise: “It’s not even time for a cup of tea, and such a long wound has completely healed?”

”How is it? Is Miss Yin still satisfied with the efficacy of Yulu Ointment?” Lu Chen smiled.

”It’s amazing! It’s amazing!”

Yin Tao grabbed Lu Chen’s hand, looked left and right, and said with shining eyes: “Little handsome boy, when you talk about cooperation to make money, do you mean this Jade Dew Cream?”

”That’s right.” Lu Chen nodded: “Is Miss Yin interested?”

”Of course I’m interested! I’ve never seen such a magical trauma medicine. If it can be produced, it will definitely become a hit!” Yin Tao’s eyes sparkled.

She was born in a famous family, and she has been educated in business since she was a child.

She naturally understands how valuable this medicine is. With a little promotion, it can completely crush all trauma medicines on the market.

This time I really found a treasure!

”Miss Yin, don’t be too happy first. Although Jade Dew Cream is good, it also comes with great risks.” Lu Chen warned.

”Oh? What’s the risk?” Yin Taoxiao asked.

”To be honest, before I contacted you again, I had sold the formula of Jade Dew Cream to the Wang family, but they went back on their word and violated the agreement, so I plan to take back my things and teach the Wang family a lesson.”

Lu Chen did not hide anything and simply told what happened.

Cooperation requires honesty and honesty. As for how to choose, it all depends on Yin Tao herself.

”You mean, we want to compete with the Wang family?”

After listening, Yin Tao’s beautiful eyes narrowed slightly, as if she was weighing.

”Not only the Wang family, but also the Song family. The two of them have already cooperated.” Lu Chen corrected.

”ah?”

Yin Tao was startled, then smiled bitterly: “Little handsome boy, you are really going to give me a hard time. You have offended the two wealthy families in Nancheng District. If I agree to cooperate, wouldn’t it be like taking food from the tiger’s mouth?”

With the energy of the Yin family, it would be very difficult to deal with the Wang family alone, and with the addition of the Song family, there would be no chance of winning.

How can a lone wolf defeat two tigers?

Chapter 1400

”Miss Yin, since it’s a cooperation, I won’t let you fight alone. I can bear most of the pressure. All you have to do is make medicine and promote it, and use your Yin family’s connections to make the name of Jade Dew Cream famous.” Lu Chen’s serious way.

Hearing this, Yin Tao fell silent.

Although Yulu ointment is good, but if it is for this medicine, it is worth it to offend the two wealthy families of Wang and Song?

”Of course, if Ms. Yin has any scruples, I won’t force it. This bottle of Yulu ointment is my gift to you.”

Lu Chen smiled faintly, put the medicine bottle in his hand on the table, and pushed it forward.

The Yin family's power is not small, but in Nancheng District, they can only rank third.

The first and second are the Wang family and the Song family respectively.

To compete against the two giants at the same time, the Yin family is under great pressure, now it depends on whether Yin Tao dares to bet.

"Little handsome boy, why did you choose me to cooperate?"

Yin Tao did not answer directly, but asked a question.

"First, you are a good person; second, we are destined; third, your Yin family is the most suitable." Lu Chen gave the answer.

Although the two met by chance, Yin Tao rescued him many times.

In terms of character, there is definitely no problem.

He is also willing to help the Yin family to a higher level and replace the status of the Wang and Song families.

Jade Dew Cream is the wedge and the key to the rise of the Yin family.

"Okay! Since you trust me so much, I'll take a gamble with you!"

After thinking for a few seconds, Yin Tao finally nodded.

Wealth and wealth are in danger, the Yin family has been suppressed for so long, it's time to give it a go.

"Thank you, Miss Yin, for your success." Lu Chen nodded and smiled.

It can be seen that Yin Tao is very ambitious and dares to fight hard.

An ordinary daughter of a famous family would naturally not have such courage.

"Come on, wish us a happy cooperation!"

Yin Tao picked up the tea cup and smiled charmingly.

”Pleasant cooperation.”

Lu Chen raised his glass in response, touched it lightly, and drank it down.

”Now, let’s talk about Yulu Paste carefully…”

After talking in detail, the two of them left.

Yin Tao returned home with Yulu ointment and found her father.

And he used the same self-mutilation method as Lu Chen, proving the miraculous efficacy of Jade Dew Cream.

His father, Yin Quan, was frightened at first, and then pleasantly surprised.

Finally, when he heard that he was going to compete with the Wang and Song families, he immediately frowned again with a dignified expression.

In just a few minutes, Yin Quan’s mood was like riding a roller coaster, with ups and downs, and it was difficult to calm down for a long time.

”Dad, this is the best opportunity for our Yin family. We must not miss it. After being suppressed for so many years, it’s time for us to rise up!” Yin Tao advised earnestly.

”It’s not that simple. The Wang and Song families have been dominant for many years and their position is hard to shake. Besides, the Wang and Song families already have the formula for Jade Dew Cream. How do we have the qualifications to compete with others?” Yin Quan is scheming and can see clearly.

If there is a huge profit to be made, you can still give it a try.

The problem is, they don’t have any advantage now, and they don’t even have the exclusive prescription, how can they win?

”Dad, Chase Lu told me that the prescriptions in the hands of the Wang family are defective products. Not only are the medicinal materials expensive and ineffective, they also have certain side effects.”

”The Yulu ointment in our hands is just the opposite. It is low in cost, effective in medicine, high in quality and low in price, and is the real best!”

”As long as we promote it with all our strength, we will definitely be able to eliminate the Yulu ointment of the Wang and Song families to the point where there is no residue left!” Yin Tao is full of confidence.

”Is this true?” Yin Quan’s eyes lit up.

”It’s true, I can swear it!” Yin Tao stretched out three fingers.

”No need, Dad believes in your vision.”

Yin Quan took a deep breath, and finally made a decision: “It is said that wealth and wealth are found in danger, this time, Dad will take a good gamble with you!”
