

An Understated Dominance Chapter 1401 - 1410

Chapter 1401

After returning to the villa, Lu Chen held up his mobile phone, hesitating a little.

Not long ago, when he was discussing cooperation with Yin Tao, he suddenly thought of Concubine Cao Xuan, and then Missing Love came surging like a tide and became out of control.

The image of the other party is all in his mind, and he can't get rid of it no matter what.

According to Wang Xuan, Concubine Cao Xuan has followed her grandfather to Yanjing to develop.

Just make a phone call and the two can meet in no time.

But he was a little worried.

Yanjing is no better than the southern province, where there are hidden dragons and crouching tigers, and there are many crises.

Moreover, what he was going to do was very dangerous, and he didn't want to involve Concubine Cao Xuan in it.

"How about just meeting? Greetings?"

Chase Lu muttered to himself.

After lingering on the balcony for a while, he took a deep breath and couldn't help dialing a certain number.

The phone beeped for about five seconds before being connected, and a familiar voice came over quickly.

"Hmph! You scumbag, are you finally willing to call me?"

"Be honest, where have you been fooling around these days? Did you have another little goblin?"

”Thankfully I have been thinking about you. It would be better for you to just walk away without even saying hello, leaving me all alone. Wouldn’t your conscience hurt?”

”...”

As soon as Concubine Cao Xuan opened her mouth, she asked questions like a cannonball, which directly confused Lu Chen.

The opening remarks that were finally organized were blocked on the spot.

I was speechless for a moment.

”Hey! Why don’t you speak? Are you feeling guilty?” Concubine Cao Xuan finally paused.

”You didn’t seem to give me a chance to speak just now.” Lu Chen smiled bitterly.

”Oh~! You think I’m annoying, don’t you? Think I’m long-winded, don’t you? Well, you heartless man, I haven’t seen you for a few days, and you’re starting to dislike me.” Concubine Cao Xuan said in a resentful tone.

”Okay, okay, it’s all my fault. I solemnly apologize to you. I hope you will not forget the villain’s fault and forgive me this time.” Lu Chen gave up decisively.

”Hmph! For the sake of your sincere apology, I will forgive you this time, but I won’t make another example.” Concubine Cao Xuan frowned on the phone.

In fact, these days, she wanted to call Lu Chen many times to inquire about the situation.

But I was afraid of disturbing the other party, so I kept enduring it.

Now that the other party took the initiative to contact her, she finally let go of her hanging heart.

”Concubine Xuan, I heard that you have settled in Yanjing, how is the development of the new company now?” Lu Chen asked.

”Of course it’s smooth sailing.”

Cao Xuanfei smiled and said: “Our Chenfei Group has begun to take shape and is growing day by day. I believe that within half a year, we will be able to establish a new world in Yanjing!”

With her grandpa supporting her, it would be difficult for her to have trouble.

”That’s good.”

Lu Chen smiled and asked, “By the way, Concubine Xuan, do you have time tonight? I want to treat you to dinner.”

”Coincidentally, the company happens to have a celebration banquet tonight, so you can come here directly, and I will show you around afterward,” Cao Xuanfei said.

”Okay, see you tonight.”

” ... ”

After chatting for a while, Lu Chen hung up the phone contentedly.

Then, he seemed to have thought of something, walked back into the bedroom, started to rummage through all kinds of things, and finally found a set of famous brand suits.

This was a gift from Concubine Cao Xuan. He was usually reluctant to wear it and kept it in good storage. Now he could finally show it off.

To be honest, he had never cared about dressing up before, and daily street stall goods worth dozens of yuan were enough.

But this time, in order to meet Concubine Cao Xuan, he had to take care of himself and not lose face.

...

Dusk.

Lu Chen drove the car, followed the address navigation, and drove all the way into Central City.

Yanjing is divided into five major areas, namely East, West, South, North, and Central.

The area of each area is very wide, equivalent to a medium-sized city.

Therefore, each region is also referred to as “city”.

The east district is called Dongcheng, the west district is called Xicheng, the south district is called Nancheng, and the north district is called Beicheng.

The core area protected by the four major urban areas is the central city, also called the inner city.

Chapter 1402

Inside the inner city, there is also the Forbidden City, which represents the supreme power.

It is the holy land that countless careerists dream of.

It is also the place where Chase Lu explores the truth and seeks justice.

Of course, not now.

The inner city is very congested, and it happens to be the rush hour for get off work.

Although Chase Lu went out an hour earlier, when he actually arrived at his destination, it was already dark.

The place where Concubine Cao Xuan held the celebration banquet was called “Tianwaitian”, and it was a super five-star hotel.

The environment and location are impeccable, and all kinds of entertainment facilities are available.

High-grade, good service, full of cards, it is the first choice for entertaining guests.

At this moment, on the top floor of Tianwaitian, in the No. 1 banquet hall.

A group of well-dressed young men and women are gathering together to exchange cups and chat.

On the stage, wonderful singing and dancing continued to entertain everyone in the audience.

The entire banquet hall can be described as very lively.

”Brother, will Miss Cao really show up today?”

In a certain corner, a man and a woman were holding wine glasses and looking around non-stop, as if they were searching for something.

These two people are Liu Xiangsi and Liu Cong.

”Of course it will appear!”

Liu Cong said with determination: “I have already inquired. Today is the celebration banquet of Chenfei Group. As the chairman, Miss Cao will definitely not be absent. She will probably be there soon.”

”I’m a little worried, can Miss Cao help us?” Liu Xiangsi looked worried.

Today, Jishitang was burned, so she already has a psychological shadow.

If she hadn’t returned all night last night, she might have been buried in the flames.

The most important thing is that the fire was caused by the Song family, and she didn’t even dare to file a complaint.

In order to protect herself, she could only ask Liu Cong to seek help from more powerful figures.

So, Liu Cong brought her here.

”Junior sister, I’m not bragging. If you can ask Miss Cao to come forward, not to mention the Song family, even the Wang family will have to bow down!” Liu Cong said seriously.

”So powerful?” Liu Xiangsi’s eyelids twitched and she said in surprise: “Brother, what is the origin of this Miss Cao?”

Liu Cong glanced around and lowered his voice: “Junior sister, do you know that on top of the eight wealthy families in Yanjing, there are four major royal families?”

"I heard something." Liu Xiangsi nodded.

The wealthy and aristocratic families were already the limit of her exposure. As for the Yanjing royal family, she couldn't even think about it.

It was the most powerful force below the imperial power, standing at the top of the Dragon Kingdom.

It is an existence that ordinary people need to look up to throughout their lives.

"Now that you know the four major royal families, it is easy to understand."

Liu Cong nodded and said with a serious face: "To be honest, this Miss Cao is a member of the royal Chen family, and her grandfather is none other than Duke Chen, the powerful man in the Forbidden City!"

"What? Chen Guogong?!"

Liu Xiangsi was startled, and her voice rose several times uncontrollably.

"Keep your voice down!"

Liu Cong's expression changed, and he immediately covered Liu Xiangsi's mouth. After making sure that no one heard, he slowly let it go and warned: "This is a secret, must not be leaked, otherwise be careful with your head!"

"Ummmmm..."

Liu Xiangsi covered her mouth with both hands and nodded repeatedly like a chicken pecking at rice.

In an instant, she was so shocked that she was covered in cold sweat.

She never dreamed that the Miss Cao she was going to meet today was actually the granddaughter of Chen Guogong.

That is the Duke of the dynasty!

An existence that can have a direct conversation with the emperor!

He is one of the top giants who can make Yanjing tremble by stomping his feet!

In front of such a big man, the Wang family and the Song family are all native chickens and dogs, not worth mentioning!

Thinking of this, she suddenly became excited.

If you can please Miss Cao, you will be next to Chen Guogong, a towering tree.

In the future in Yanjing, wouldn't she be able to walk sideways?

Chapter 1403

"Junior sister, do you know how powerful you are now?"

Liu Cong had a bit of show off on his face: "As long as Miss Cao is willing to come forward, what does it matter to the Song family?"

"That's that's..."

Liu Xiangsi nodded repeatedly, overjoyed.

She has decided to please Miss Cao no matter what the cost.

In this way, not only can he turn the corner into safety, but he can also become a successful person and completely squeeze into the upper class circles of Yanjing.

"By the way, senior brother, how do you know these things?" Liu Xiangsi suddenly became curious.

"To be honest, my uncle's position in the imperial court is as a staff officer to the generals under Chen Guogong. He has a wide range of contacts, so it is easy for me to find out these secrets."

Liu Cong raised his chin, looking quite proud.

In fact, Concubine Cao Xuan's identity has been made public among the elite circles. It is not a secret, but it is just out of reach of ordinary people.

"As expected of senior brother, he is indeed amazing!"

Liu Xiangsi gave a thumbs up, her beautiful eyes shining brightly.

The look of admiration on his face made Liu Cong very happy.

It's really good to have a little fangirl by your side, you can satisfy your vanity all the time.

"Senior brother, what does Miss Cao look like? What if we don't recognize her when she comes?" Liu Xiangsi glanced around.

I am afraid that I will miss the opportunity because of misjudgment.

"I don't know exactly what she looks like, but I can be sure that Miss Cao is very beautiful, and not just ordinary beautiful!" Liu Cong was very sure.

"You've never met Miss Cao, how do you know she's beautiful?" Liu Xiangsi was a little surprised.

"Although I have never seen it, I have heard of its good reputation."

Liu Cong took a sip of wine, and the old god said: "Rouge Bang, I believe you must have heard about it, right?"

"I know this." Liu Xiangsi nodded: "The Rouge List is also known as the Beauty List. There are a hundred people on the list. Each one is a great beauty selected from all over the country. They are mainly rated based on appearance, followed by family background and individual talent."

”All women in the world are proud to be on the rouge list.”

”However, the selection of the Rouge List is too strict. Only truly stunning beauties are eligible to be on the list.”

At the end, Liu Xiangsi’s eyes flashed with sadness.

She thought she was as beautiful as a flower and talented, but in the end she couldn’t even reach the lowest threshold of the rouge list.

There are too many beauties in the Dragon Kingdom.

”That’s right. Those who can enter the rouge list are all beautiful women, and Miss Cao happens to be one of them!” Liu Cong looked forward to it.

”What? Miss Cao is actually a beauty on the rouge list?” Liu Xiangsi was surprised and envious at the same time.

No wonder Liu Cong was so sure, it turned out there was a reason.

”In fact, Miss Cao is not only on the list, but also at the top, and now ranked third!” Liu Cong said in surprise.

”Third...third?”

Liu Xiangsi’s eyes widened and her voice began to tremble.

Being on the rouge list is already a great honor, and being at the top of the rouge list is even more honorable.

She really didn’t expect that Miss Cao not only had an amazing background, but also had an appearance that would captivate the country.

In front of such a woman, the pressure is too much.

”Third on the rouge list is Miss Cao; second on the rouge list is Zhao Hongying, the female war goddess of the Dragon Kingdom; and top on the rouge list is the mysterious Li Qingcheng.”

Liu Cong reported the names of the top three on the rouge list as if he were counting treasures from his family, with a look of fascination on his face.

If he could marry a woman in the top ten on the rouge list, it would be enough for him in this life.

”Senior brother, you are handsome and talented. How about you try to chase Miss Cao?” Liu Xiangsi suddenly said.

She somewhat liked and admired Liu Cong.

However, in order to please Miss Cao, she would rather give up the person she likes.

Chapter 1404

”Don’t be ridiculous, Miss Cao is surrounded by many followers, all of whom are industry leaders, so what do I mean?” Liu Cong shook his head.

Although he is heartbroken, he is also somewhat self-aware.

The identity difference between him and Miss Cao is really huge.

”Senior brother, nothing is difficult in this world except for those who are willing. No matter what, you have to give it a try. What if Miss Cao likes your style?” Liu Xiangsi began to encourage him.

”Really?” Liu Cong was a little uncertain.

”Can I still lie to you?”

Liu Xiangsi continued to brainwash: “Look at yourself, you are handsome, tall, handsome, and elegant. The key is, you are also proficient in medical skills, considerate, and have excellent character. Such a top-notch man is really rare in the world!”

”Yeah?”

Liu Cong brushed his hair and straightened his tie, feeling instantly confident.

So much so that the whole person felt a little elated.

Yes, I am so good, so perfect, and full of potential. It shouldn’t be too much to marry Chen Guogong’s granddaughter, right?

”Senior brother, believe in yourself, you are the best. As long as you show your charm, you will definitely capture Miss Cao’s heart!” Liu Xiangsi continued to cheer.

”Junior Sister, you still understand me!”

After being praised so much, Liu Cong was so happy that he couldn’t close his mouth and was completely swollen: “Senior brother, I want to have a good figure, good looks, and talent. It is so perfect that it is more than enough to match Miss Cao, so I decided to give her A chance to get me!”

”That’s right.” Liu Xiangsi smiled.

As long as Liu Cong takes care of Miss Cao, she will also benefit from it.

”Hey...are you two dreaming?”

An indifferent voice suddenly sounded behind him.

The two were startled and looked back, only to see a familiar face.

”Lu Chen, why are you here?” Liu Cong was stunned for a moment.

”Why can’t I be here?” Chase Lu asked.

”Hmph! This is a high-end party, a place for big shots. What is your status? How can you qualify to enter this door?” Liu Xiangsi said with a cold face.

The previous scene where Lu Chen threatened her with disfigurement had always made her resentful.

”Your status seems to be no more noble than mine. If you can come in, so can I.” Lu Chen shrugged.

”you—!”

Liu Xiangsi was about to have a fit, but Liu Cong raised his hand to stop him: “Pay attention to the occasion, don’t be laughed at.”

Liu Xiangsi took a deep breath and finally endured it.

Let’s get down to business today. After I’ve cured my favor with Miss Cao, it won’t be too late to deal with this guy later.

”Lu Chen, when did you arrive?” Liu Cong tried his best to smile.

”Since you said that your uncle serves in the imperial court.” Lu Chen said calmly.

”What? Didn’t you hear everything?” Liu Cong’s voice suddenly rose.

After seeing someone paying attention, he immediately coughed to relieve his embarrassment.

"I heard half of it." Lu Chen admitted frankly.

"You...why are you like this?" Liu Cong was a little anxious: "It's too indecent to hide behind and eavesdrop and remain silent!"

"I was just passing by. Who knew that the more you said, the more outrageous and outrageous your thoughts became. I really can't bear it anymore." Lu Chen shook his head.

"Huh! What we say is none of your business!" Liu Xiangsi said angrily.

"Lu Chen, are you being too lenient? I am handsome and talented. Is there any problem in pursuing Miss Cao?" Liu Cong said with a serious face.

"You can chase others, but you can't chase Miss Cao." Lu Chen shook his head.

"Why?" Liu Cong frowned.

"Because, she is my woman." Lu Chen spat out a few words lightly.

Strong and domineering.

Chapter 1405

"What? Your woman?"

Hearing this, Liu Cong and Liu Xiangsi were both taken aback, looking at each other, a little suspicious that they heard it wrong.

Who is Miss Cao?

The third most beautiful beauty on the rouge list, the granddaughter of Chen Guogong, the goddess that countless favored men dream of.

A poor dick dared to say that Miss Cao was his woman.

This guy, I'm afraid he has lost his mind, right?

"Lu Chen, are you... serious?" Liu Cong asked tentatively.

"Of course." Lu Chen was confident.

"puff!"

Hearing this, Liu Cong finally couldn't help laughing, as if he had heard some big joke:

"Lu Chen, Lu Chen, are you still awake? You said Miss Cao is your woman? Hahaha ..."

At the end, he laughed out loud with an exaggerated expression.

"Hmph! How shameless!"

Liu Xiangsi put her hands on her chest and snorted, "You don't take care of yourself? Don't think that you can change your identity by changing a suit of clothes. A dick is a dick after all. A person like you is not even worthy of carrying Miss Cao's shoes! "

Ms. Cao has a noble status, background, appearance, figure, and ability.

Such an excellent woman has countless suitors.

A mere stinky beggar, still wants to befriend Miss Cao?

What a toad that wants to eat swan meat!

”Lu Chen, you must be self-aware. It is good to have dreams, but you have to see if you have the ability.”

Liu Cong couldn't help laughing and said, “The gap between you and Ms. Cao is the difference between heaven and earth. She is the phoenix in the sky, and you are just an ant in the abyss. Even if you try hard to climb, you will never reach that height. Wake up.” Wake up, stop dreaming!”

Even he, who came from a famous family, dare not say that he can win Miss Cao.

What is Lu Chen worth?

”Don't look down on others. There are some things you will never understand.”

Lu Chen said lightly: “I still say the same thing, Concubine Cao Xuan is my woman, you two had better not have any unreasonable thoughts.”

”Pretend! Keep pretending! I want to see how long you can pretend!” Liu Xiangsi curled her lips, her face full of disdain.

”Lu Chen, there is a price to be paid for nonsense. If Miss Cao hears such rebellious words of yours, I am afraid that there will be a catastrophe, so I advise you, it is best to be cautious.” Liu Cong laughed jokingly. With.

”I've said everything that needs to be said. Believe it or not.” Lu Chen was too lazy to explain.

It's meaningless to say more about such a frog in the well.

What he just said was nothing more than a warning.

”Wow...”

At this time, there was a sudden commotion at the door.

Several people followed the sound and couldn't help but their eyes lit up.

I saw a woman wearing a black evening dress and black high heels, who looked like a black swan, walking in under the spotlight.

The woman did not wear makeup, but she had a stunning face, a graceful figure, and was extremely proud.

Especially the cold temperament, noble yet majestic, standing there like a high and mighty queen.

As soon as he appeared, he became the focus of the audience, making people unable to take their eyes away.

"What a nice view!"

Liu Cong was stunned.

His eyes widened with surprise on his face.

"This should be the real beauty and fragrance of the country, right?"

Liu Xiangsi was also shocked.

After looking at the other person's face and figure, and then looking at myself, I couldn't help but feel a little ashamed of myself.

She thought she was as beautiful as a flower, but in front of such a stunning beauty, she was immediately knocked out of her mind.

There are many famous ladies here tonight, all of them are beautifully dressed and elegant, it can be said that a hundred flowers are blooming.

However, when Concubine Cao Xuan, the black rose, entered the scene, she immediately dominated the crowd and overshadowed all women.

Chapter 1406

”Hello, Director Cao!”

”Hi Miss Cao!”

”...”

After a brief silence, the entire banquet hall became lively.

Regardless of men or women, everyone came up to say hello.

Those who can appear here are either high-ranking officials or high-level officials of the group, and they all know somewhat about Concubine Cao Xuan’s identity.

Some people even come here specifically to curry favor.

”Don’t be restrained, please feel free to do it.”

Facing the flattery of a group of people, Concubine Cao Xuan looked calm and did not react at all.

A pair of beautiful eyes glanced around, seeming to be looking for something.

”Brother, is that Miss Cao?”

Liu Xiangsi secretly pointed in the direction of Concubine Cao Xuan.

”That’s right. Apart from Miss Cao, I can’t think of anyone else with such a peerless appearance!”

Liu Cong’s eyes were shining, his face was flushed, and his heart was beating fast.

Although he had seen many beauties, it was the first time that she was so stunning.

At this moment, he finally understood what love at first sight meant.

If he could marry such a superb woman, he would rather live ten years less!

”As expected of being the third most beautiful woman on the rouge list, she really lives up to her reputation!” Liu Xiangsi couldn’t take her eyes off her eyes.

As a woman, she could no longer feel the slightest bit of jealousy, only amazement and envy.

”Um?”

At this time, Concubine Cao Xuan, who was admired by all the stars, seemed to see something, and suddenly she looked happy, and immediately accelerated to a certain place.

The joy between his brows could not be concealed no matter what.

”Brother! Look, look! Miss Cao is coming towards us! She’s not coming for you, is she?”

Seeing Concubine Cao Xuan coming towards her, Liu Xiangsi was excited and nervous at the same time.

”Aiming at me? No way?”

Liu Cong was stunned for a moment, a little at a loss.

He was full of confidence before, but after seeing Concubine Cao Xuan in person, he couldn’t help feeling timid and guilty.

Such a woman is so perfect, like a fairy in the sky, so perfect that she cannot get her fingers or touch her.

”Why not? We are the only ones here, Miss Cao is not attacking you, who else can she attack?”

Liu Xiangsi began to make up her mind: “In my opinion, Ms. Cao must have taken a fancy to you, so I came here to make friends!”

”Yeah?”

Hearing this, Liu Cong looked around and found that there were indeed no other important people around.

For a moment, I felt both surprised and worried.

Could it be that I am going to have good luck today?

”Brother! Have confidence!”

Liu Xiangsi whispered encouragement from the side: “You are handsome, knowledgeable, and charming. It is not surprising that you have attracted Miss Cao. As long as you seize the opportunity and capture Miss Cao’s heart, you will definitely be successful in the future!”

After being flattered, Liu Cong smiled crookedly, and regained the confidence he had just lost.

”Okay! Since Ms. Cao Luohua is interested, then I can’t chill the beauty’s heart. Let’s see how I can hug the beauty tonight, brother!”

Liu Cong straightened his tie, stroked his hair, and walked towards Concubine Cao Xuan with his head held high.

Like a heroic knight marrying a princess.

”Hello, Miss Cao, I am...”

Liu Cong walked up to him, smiled and stretched out his hand, just when he was about to introduce himself.

However, he found that Concubine Cao Xuan ignored him and passed him by.

Then, under the attention of everyone, she threw herself into Lu Chen’s arms with joy on her face: “Husband! I miss you so much!”

Chapter 1407

”Husband! I miss you so much!”

In the astonished eyes of a group of people, Concubine Cao Xuan quickly threw herself into Lu Chen's arms and hugged him tightly.

Like lovers reunited after a long separation, passionate and intimate.

But this bold move was dumbfounded by everyone present.

Everyone was dumbfounded and their faces were full of shock.

Especially Liu Cong and Liu Xiangsi, they were stunned as if they were struck by lightning.

A look of disbelief.

what's the situation?

The chairman of the dignified Chen Fei Group, the third most beautiful woman on the rouge list, and the granddaughter of the Duke of China, actually took the initiative to throw himself into the arms of a poor loser?

How is this possible? ! !

”...”

Liu Cong's hand still remained extended, but his head unconsciously tilted toward Lu Chen and Concubine Cao Xuan.

The smile on his face had completely frozen, and his heart was in turmoil, and he was beyond shocked.

Could it be that everything Lu Chen said before was true?

Is the beautiful Miss Cao really Lu Chen's woman?

But how is that possible?

Lu Chen was just a nobody, he could at most know a little bit about boxing and medical skills.

There are countless such people in Yanjing, they are simply mediocre.

Why?

Why can such a person be favored by Miss Cao?

But he was handsome, young, promising, and talented, but he was not even qualified to let Miss Cao take a second look.

Why? !

”No...impossible! How could this guy know Miss Cao? How could he be so virtuous as to be able to reach such a proud woman??”

Liu Xiangsi’s eyes widened with disbelief on her face.

In her opinion, Lu Chen was just a country bumpkin who came to Yanjing to work hard.

One has no background, two has no ability, and three has no connections.

You can only linger at the bottom, and it will be difficult to get ahead for the rest of your life.

The other party is not even worthy of her, let alone the granddaughter of the current Duke of the country?

The combination of these two people is simply like a toad and a swan, which is incredible.

”Honey, how are you? Am I beautiful today? I dressed up carefully to see you.”

Concubine Cao Xuan held Lu Chen’s waist with both hands and looked up at his handsome and resolute face, her beautiful eyes filled with joy.

Although we haven’t seen each other for just a few days, it feels like a century has passed.

”Beautiful, beautiful, of course beautiful!”

Lu Chen smiled slightly, stretched out his hand to pick up a strand of hair that had escaped from Concubine Cao Xuan’s cheek, and put it behind her ear.

All the previous worries and worries were wiped away when he saw the beauty in front of him.

The spirit of the whole person has become different.

”I’m so beautiful, why don’t you give me a kiss?”

Concubine Cao Xuan stretched out her slender jade fingers and tapped her moist red lips with a sexy and charming smile.

”ah?”

Lu Chen’s smile froze.

He looked up and saw hundreds of pairs of eyes staring at him all around.

It’s not appropriate to show affection in public like this, right?

”Giggle... teasing you.”

Concubine Cao Xuan smiled sweetly: "I'm so embarrassed in front of so many people. Let's go home and kiss again."

Chase Lu couldn't help but laugh a little.

As expected, she is a tormenting monster and has not changed at all.

"Come, let me introduce to you..."

Concubine Cao Xuan took Lu Chen's arm, faced the guests in the banquet hall, and said with a smile, "This is my fiancé, Lu Chen, please take care of me in the future."

"Lu Chen?"

Chapter 1408

As soon as these words came out, everyone looked at each other and whispered.

"Who is Lu Chen? Why haven't I heard of him? Do we have such a number one young talent in Yanjing?"

"It's strange. I think I'm well-informed, but I've never heard of this person."

"According to this, he is just an unknown person? Why would Miss Cao like this kind of person?"

"The appearance is not bad, I guess he is a little boy who can make people happy?"

"..."

A group of dignitaries whispered to each other with doubts on their faces.

As a person in the upper circle, the news is very well-informed.

As for the name Lu Chen, they had never heard of it at all, so it can be seen that the other party is not a famous nobleman.

It's just that they don't understand why Concubine Cao Xuan, who used to be aloof, favors such a small role?

Really love each other? Or on a whim?

"It turns out to be Mr. Lu, I've heard of him for a long time!"

At this time, a fat middle-aged man came forward and said with a smile: "My name is Tian Shun, and I am the owner of Tianwaitian Hotel. I have always admired Mr. Lu's style. I am really lucky to meet you today!" "

"Hi Boss Tian." Lu Chen responded with a smile.

Although it is a scene talk, at least it sounds comfortable.

It is obviously not easy for Tian Shun to be able to establish Tianwaitian and make it flourish.

"Mr. Lu, I am Yang De, the chairman of Gaode Group, please take care of me in the future."

"Mr. Lu, I am the deputy general of the city guard, Huang Chao! If you encounter any troubles in the future, you can tell me at any time, and I promise to let you rest easy!"

"Mr. Lu..."

With Tian Shun's leadership, more and more important people began to squeeze forward, asking each other and flattering them.

They didn't care who Lu Chen was, nor did they care what the other party's status was.

Even if it was a piece of shit, as long as Concubine Cao Xuan valued it, they would all have to greet her with smiles and respect.

This is the way of the world.

Because of Concubine Cao Xuan, Lu Chen, who was not noticed before, became the focus of the audience at this moment.

Highly sought after.

Lu Chen was neither humble nor overbearing, everyone greeted them with smiles, and handled them just right.

"Why? Why him? Why not me?"

Looking at Lu Chen, who was so beautiful, Liu Cong clenched his fists and gritted his teeth with hatred.

He was envious and jealous, but mostly dissatisfied.

Lu Chen is just a poor loser, far behind him.

Why would Miss Cao like such a person?

"Senior brother, don't be discouraged. He's just a pretty boy. He's just a pretty guy but useless. Maybe Miss Cao will get tired of playing with her for a few days."

With a gloomy face, Liu Xiangsi continued to brainwash Liu Cong.

As a woman, she would never believe that Concubine Cao Xuan would marry an unknown person because of her excellence.

Don't say anything else, Chen Guogong will not be able to pass that pass.

So she concluded that the two of them would never be together for a long time and it was just for fun.

"Play? How can someone named Lu be worthy enough to let Miss Cao play?" Liu Cong was still unwilling.

The stunning beauty ranked third on the rouge list actually took advantage of Lu Chen, a loser.

It's really a flower stuck in cow dung.

Why is it not him who is being played? Why? ?

"What are you doing?!"

At this time, a loud voice suddenly sounded at the door.

The sound was like thunder, causing everyone to turn around and look.

I saw a burly young man in military uniform walking in aggressively.

The man has sharp eyes and a strong aura. The golden epaulettes on his shoulders clearly prove that he is a young general!

"Um?"

After seeing the man, Concubine Cao Xuan's smile faded, her eyebrows furrowed slightly, and there was a hint of disgust in her eyes.

The group of dignitaries who had just surrounded Lu Chen all changed their expressions at this moment and hurriedly dispersed, for fear of getting into trouble.

Chapter 1409

As soon as the man in military uniform appeared, the entire banquet hall fell silent.

Everyone gave way, like avoiding snakes and scorpions.

You know, the man in front of you has an explosive personality, is unreasonable, and is famous for being moody.

But he has a strong background and no one dares to mess with him.

When you encounter someone, you can only hide as far away as possible to avoid getting burned.

”Senior brother, who is coming in here? He looks so majestic.”

Liu Xiangsi was surprised and curious at the same time.

One person suppressed the entire crowd, obviously he had a lot of background.

”If I admit it correctly, he should be Cui Xiong of the Cui family!” Liu Cong said with narrowed eyes.

”Cui Xiong? Is he the one known as one of the four great demon kings?” Liu Xiangsi couldn’t help but widen his eyes.

”Yes, that’s him.” Liu Cong nodded.

Not daring to look directly at it, I could only peek at it from the corner of my eye.

The Cui family is a royal family in the inner city, as famous as the Chen family, with great energy and overwhelming power.

As for Cui Xiong, among the many young talents in the Cui family, they are among the best.

Not only does he have a strong background, but he also has outstanding abilities. He is already a fourth-grade general at a young age and has a bright future.

The only problem is that Cui Xiong is too violent and often gets into trouble.

As a result, he had a bad reputation and was called the Demon King.

”It’s strange, why is this kind of bully here? Judging from his fierce appearance, he can’t be causing trouble, right?” Liu Xiangsi shrank his neck, a little afraid.

There are four great demon kings in Yanjing, all of whom are notorious. Most people are frightened just by hearing their names.

Cui Xiong is one of them.

”It shouldn’t be a cause for trouble. I heard that Cui Xiong fell in love with Miss Cao at first sight. He probably came here today to support her.” Liu Cong said thoughtfully.

”etc!”

Liu Xiangsi seemed to have thought of something, and suddenly said: “If Cui Xiong likes Miss Cao, wouldn’t he and Lu Chen be love rivals?”

”Hey...it seems to be true!”

Liu Cong also reacted quickly and swept away the situation: “With Cui Xiong’s character, he will definitely not tolerate someone snatching a woman from him. According to this, Lu Chen is probably going to be unlucky today!”

”Hmph! You deserve it!”

Liu Xiangsi crossed her arms across her chest with a look of gloating: “Who told him that a toad wants to eat swan meat? He has no ability at all, but he still wants to climb up to Miss Cao. Is this retribution coming? Let’s see how he ends up!”

”Let me tell you, how can such a loser win a beautiful woman? Now a powerful enemy has appeared, let’s see how he ends up!”

Liu Cong had a smile on his face and a face full of joking, as if he was watching a show.

Chase Lu can’t even dream of getting the woman he can’t get!

”Concubine Xuan! Who is this boy?”

Cui Xiong strode in, staring at Lu Chen with a very unkind expression.

He had just seen all the intimate behavior between Concubine Cao Xuan and Lu Chen.

Naturally, he was particularly unhappy with such a sudden love rival.

”Who he is is none of your business.”

Concubine Cao Xuan spoke coldly, without a good expression.

”I have heard what you said. He is the pretty boy you raised, right?” Cao Xiong asked.

”I’ll say it again, it has nothing to do with you!” Concubine Cao Xuan’s eyes were filled with disgust.

She has had many suitors, but people like Cui Xiong are the ones she hates the most.

He is overbearing and self-righteous. He always feels that women all over the world have to revolve around him, and he has a solemn attitude.

It’s really annoying.

”What do you mean it has nothing to do with me? You are the woman I like. You can only be with me. Other men are not worthy of you!” Cui Xiong said in a strong tone.

”You think you deserve it?”

Concubine Cao Xuan snorted coldly: “Looking at your well-developed limbs and simple mind, like a chimpanzee, who would like someone like you?”

”you—!”

Chapter 1410

Cui Xiong raised his hand to strike, raised it into the air, and then endured it.

No woman has ever dared to talk to him like this.

If he hadn't had any scruples, he would have taken advantage of him long ago.

"Boy! What's your background? How dare you steal a woman from me? Are you tired of living?"

Cui Xiong turned his eyes and looked at Lu Chen fiercely.

He couldn't touch Concubine Cao Xuan, but he could easily deal with a pretty boy.

As long as he is not a relative of the emperor or a member of the four royal families, he can do whatever he wants.

"Before asking other people's names, you must first state your own. This is the most basic quality." Lu Chen said calmly.

"Hmph! You want to know my name, right? OK! I'll make it happen for you!"

Cui Xiong glared and said fiercely: "Now, prick up your ears and listen carefully. I am Cui Xiong of the royal Cui family, a fourth-grade strong general, nicknamed Black Whirlwind!"

"Oh, so what?" Lu Chen was expressionless.

"How about it?"

Cui Xiong was slightly startled, not expecting Lu Chen to answer like this.

You know, if most people hear his name, their legs will probably weaken from fear.

But the boy in front of him didn't respond at all.

He couldn't help wondering if he didn't make it clear?

"Boy! Don't you know the royal family, the Cui family?" Cui Xiong narrowed his eyes.

"I know." Lu Chen nodded.

"Then you don't understand the power of a fourth-grade strong general?" Cui Xiong asked again.

"Understood." Lu Chen nodded again.

"Since you know my identity and how powerful I am, why are you not afraid at all?" Cui Xiong said solemnly.

"Why should I be afraid?"

Lu Chen said calmly: "He is just a playboy who bullies others with no knowledge or skills. What is there for me to be afraid of?"

As soon as these words came out, the whole place was in an uproar.

”Fuck! Is this guy crazy? How dare he provoke Cui Xiong in public? Don’t you want to die?”

”I don’t know the heights of the sky and the earth at such a young age, and even dare to offend the devil king of the world, it is really self-defeating!”

”Cui Xiong got angry, blood spattered five steps, this kid is definitely dead today!”

”...”

The sudden change shocked everyone.

No one expected that Chase Lu would be so bold that he uttered wild words in public, completely ignoring Cui Xiong.

Who is Choi Woong?

That was the fearsome Demon King, a man with a illustrious reputation!

Anyone who has offended Cui Xiong will die in the end, and will be crippled, without a good end.

If you see it on weekdays, it’s too late to hide.

The guy in front of him is fine, but he actually put himself on the gun.

Isn’t this suicidal?

”Hmph! You don’t know how to live or die! If you dare to challenge Cui Xiong, let’s see how you die!”

Liu Cong and Liu Xiangsi sneered again and again, looking gloating.

Once Cui Xiong is furious, maybe even Ms. Cao can’t stop it.

”Boy! What did you just say? I didn’t hear you clearly. Say it again if you dare!”

Cui Xiong’s face was gloomy, he gritted his teeth, his eyes were almost spitting fire.

”I said, you are ignorant, mediocre and incompetent. You are just a dude who relies on your family name to pretend to be a tiger. Now, do you hear clearly enough? Do you understand enough?” Lu Chen spoke again.

As soon as these words came out, a thought popped up in everyone’s mind.

”It’s over! This guy is completely hopeless!”
