

An Understated Dominance Chapter 1411 - 1420

Chapter 1411

”Hehehehe...”

Cui Xiong suddenly laughed, his laughter rising from low to high, becoming more and more unrestrained.

Everyone felt their scalps numb and subconsciously distanced themselves.

Everyone knows that Cui Xiong is notoriously eccentric and moody, especially that signature sneer, every time it appears, it means blood is about to be seen.

”Boy! You really have the guts!”

After Cui Xiong smiled, his face suddenly darkened: “How many years have passed, and no one has dared to talk to me like this? Unlearned and incompetent? Good... very good! I just say these two words to you. Otherwise, you will definitely die today!”

As he spoke, his fingers moved towards the gun at his waist.

”Cui Xiong! I warn you not to mess around!”

Concubine Cao Xuan stood in front of her and said coldly: “Lu Chen is my man. If you dare to hurt him, I will never let you go!”

”Um?”

Cui Xiong frowned and looked a little ugly: “Concubine Cao Xuan, do you know what you are talking about? Do you still want to go against me for such a pretty boy?!”

”So what if you are against me? Do you really think you can be lawless?” Concubine Cao Xuan was not afraid at all.

Cui Xiong’s notoriety is enough to scare some children from small families.

But it was far from enough to scare her.

”Hmph! You are a woman, I don’t care about you.”

Cui Xiong gritted his teeth and glanced at Chase Lu with fierce eyes: “Boy, aren’t you crazy? What’s the point of hiding behind a woman? You have the guts to challenge me, let’s have a duel between men!”

”You are not worthy to fight with me.” Lu Chen said calmly.

”Fuck! You have such a loud voice!”

Cui Xiong’s face darkened: “I am a dignified fourth-grade general with both civil and military skills. Who the hell do you think you are? How dare you look down on me?!”

”So what about a fourth-grade general? You are here today because the Cui family paved the way for you? Otherwise, do you really think you can be so prosperous?” Lu Chen sneered.

He has seen many playboys like Cui Xiong.

Relying on the family’s power, he worked as an official and a half-job, thinking he was great, but in fact he was just a loser.

”Bullshit! I’m just asking you if you dare to fight me!”

Cui Xiong shouted angrily: “If you don’t dare, kneel down and kowtow to me immediately and admit that you are a coward in public, so that I can spare your life!”

”Since you like to be beaten so much, I will help you and let you understand that you should not be too arrogant.” Lu Chen said calmly.

”Okay! I want to see what you are capable of today!”

Cui Xiong snorted, took off his coat, threw it to his subordinates, and walked straight onto the stage.

The singing and dancing actors on the stage were frightened and scattered like birds and beasts.

”Husband, do you really want to fight him?” Concubine Cao Xuan asked.

”Such a reckless man can only be intimidated by force. No matter how much he talks, it is useless. Only by subduing him can we have a good conversation.” Lu Chen said.

”It makes sense.” Concubine Cao Xuan nodded slightly: “But you have to be careful.”

”What? Afraid I lose?” Lu Chen asked with a smile.

”Of course not.” Concubine Cao Xuan rolled her eyes: “I just asked you to be gentle and don’t kill him, otherwise it will be very troublesome.”

She naturally knows Lu Chen’s strength.

It must be more than enough to deal with a Cui Xiong.

But the problem is that behind Cui Xiong is the royal Cui family. If he goes too far, it will be difficult to end it.

”Don’t worry, I’m just teaching him a lesson. If he gives up and retreats, nothing will happen to him.” Lu Chen smiled faintly.

Of course, if he is stubborn, don’t blame him for being ruthless.

”Hey! Boy! Why are you dawdling down there? Come on stage!”

On the stage, Cui Xiong stood majestically, and his whole person was menacing.

He is 1.9 meters tall, with a burly physique and full of muscles. Coupled with that fierce look, he looks very oppressive.

”What’s the rush? Are you rushing to reincarnate?”

Chase Lu glanced coldly, then slowly walked onto the stage.

Chapter 1412

This move caused many people to whisper.

”Isn’t this guy too courageous? How dare he actually take the stage to fight? You know, Cui Xiong is a real general. A duel with this kind of person is like a moth to the flame?”

”Being angry at the crown and becoming a beauty, although courageous, is asking for trouble after all.”

”To be a person, one must be self-aware. It’s good to be a good boy honestly. You have to show your strength in public. If you get kicked out in a while, it’s too late to regret it.”

”...”

The guests in the audience sighed and shook their heads.

In their view, Lu Chen's behavior is undoubtedly suicidal.

Originally, Miss Cao was protecting her, but as long as she was a little cowardly, nothing would happen.

Just for the sake of face, he had to confront Cui Xiong head-on.

It's better now. It's hard to get off the tiger, and it might cost your life.

"Hmph! It's so stupid. Wouldn't it be nice to hide behind Miss Cao? If you have to show off, it depends on how you end up!" Liu Cong sneered.

"Things that are overestimated! Do you really think that you can fight head-on with a fourth-rank general with just a few punches? You are looking for a dead end!" Liu Xiangsi gloated.

The two stood side by side, looking at Lu Chen on the stage, as if they were looking at a dead person.

When they learned that Miss Cao liked Lu Chen, they were both envious and jealous.

But there is no need now, because the other party's life is not long.

"Boy! I will give you one last chance. Kneel down in front of me, kowtow and beg for mercy, and then leave Concubine Cao Xuan. In this way, I will spare your life!"

On the stage, Cui Xiong stood with his hands behind his hands, his face cold and his eyes sharp.

It seems that victory is already certain.

”In the same words, I will return it to you. Stop harassing my woman, otherwise I will beat you until your mother doesn’t even recognize you.” Lu Chen said calmly.

”You bitch! I don’t think you will shed tears until you see the coffin! Go to hell!”

Cui Xiong finally couldn’t bear it anymore and became furious.

As soon as he stepped forward, his whole body shot out like an arrow from a string. After getting close to him, he raised his hand and punched Lu Chen hard in the face.

This punch is so powerful that it can crack open monuments and rocks.

Every time he performed martial arts in the army, he was victorious in every battle. Now it is easy to deal with a little boy.

Seeing the roaring attack, Lu Chen didn’t dodge, he just raised his hand slightly and grabbed Cui Xiong’s iron fist.

”clatter!”

The fists collided and there was a muffled sound.

Chase Lu remained motionless and unresponsive.

Cui Xiong, on the other hand, looked shocked and a little unbelievable.

Because he found that when his fist touched Lu Chen’s palm, it was like a mud cow entering the sea, without causing any fluctuations.

The power he was so proud of also lost its effect at this moment.

how so?

”If you only have this little strength, then just admit defeat.” Lu Chen said calmly.

”you wanna die!”

Cui Xiong became angry from embarrassment, and directly mobilized his whole body’s internal strength, and suddenly blasted out another punch, hitting Lu Chen directly on the chin.

The power of his punches is astonishing and the power is doubled, like a tiger coming out of its cage.

”Stubborn.”

Lu Chen shook his head, sideways dodged Cui Xiong’s punch, grabbed his wrist, and moved forward gently.

Because of inertia, Cui Xiong’s center of gravity was unstable, he staggered and rushed forward.

Lu Chen stretched out his feet at the same time and stumbled.

Then, Cui Xiong made a “boom” and fell to the ground on the spot.

There is no image at all.

Chapter 1413

“ah?”

He looked at Cui Xiong who fell flat on his face and fell to pieces.

Everyone in the audience couldn’t help but froze for a moment, their faces full of astonishment.

No one expected that Cui Xiong, who was majestic and indomitable just now, would suddenly fall into a big somersault.

Although Cui Xiong is notorious, no one doubts his strength.

To be able to become a fourth-rank strong military general, and to be called the devil king of the world, is obviously not someone who can be taken lightly.

With Cui Xiong's ability, it is not a problem to fight one against ten or one against a hundred.

However, such a sturdy general, a man with a great reputation, would actually fall like a dog eating shit.

It's really a bit embarrassing.

The mighty image created in the past was completely destroyed.

“What's the situation? How did Cui Xiong fall so well?”

Liu Cong's eyes widened and he was a little confused.

Because the two sides moved so fast, he didn't see clearly for a while.

“Accident...it must be an accident!”

Liu Xiangsi took a deep breath and began to comfort herself.

How could Lu Chen be the opponent of General Zhuangwu?

Just purely coincidental.

on the stage.

Cui Xiong, who fell down, seemed a little dazed, and after a few seconds, he quickly got up.

At this moment, he was disheveled, with a sunken nose, and two lines of nosebleeds flowed down, staining his white shirt red.

It looks a little funny.

“puff!”

In the audience, Concubine Cao Xuan couldn't help laughing.

This sound immediately triggered a chain reaction, so that inappropriate laughter appeared everywhere.

Although he tried his best to restrain himself, the ups and downs caused quite a stir.

“Shut up! Don't laugh! Shut up all of them!”

Cui Xiong was immediately irritated, and shouted angrily, “If anyone dares to laugh again, I will kill his whole family!”

As soon as these words came out, the voice stopped abruptly.

The audience immediately fell silent, and those who had been laughing before all lowered their heads with fear on their faces.

I almost forgot that Cui Xiong is ruthless and ruthless. Anyone who dares to offend will be asking for trouble.

“Grass!”

Cui Xiong wiped his nosebleeds, and cast his ferocious eyes on Lu Chen again, shouting:
“You bastard! How dare you tease me? I want you to die without a place to bury you!”

After the words fell, his footsteps kicked, and he rushed forward like a mad beast.

Those bloodshot eyes seemed to want to eat people.

“Die to me!!”

Cui Xiong roared angrily, no longer holding back his hands, and directly used the ultimate move.

I saw his fists hitting Lu Chen continuously, turning into fist shadows all over the sky, and hitting Lu Chen hard.

His fists were so fierce that they were like a violent storm, overwhelming and unstoppable.

Wherever they passed, there was a constant whistling sound, like ghosts crying and wolves howling, which made people’s scalp go numb.

“What a terrifying coercion, could this be the Cui family’s Gale and Fire Fist?”

“That’s right! The Wind and Fire Fist is one of the Cui family’s unique skills. After practice, it can break metal and crack rocks. It is so powerful that no one can stop it!”

“It seems that Cui Xiong was really irritated, and directly resorted to the unique skills passed down from his family. Lu Chen is in danger!”

“ ... ”

Seeing Cui Xiong who was possessed like a god of war, many people in the audience were shocked.

Being able to become the outstanding member of the Cui family, becoming a fourth-rank general, is indeed not someone who has a reputation for nothing.

“You shouldn’t be saved now, right?”

Liu Cong and Liu Xiangsi kept their eyes on each other, their faces full of anticipation.

Forcing Cui Xiong to resort to his family’s unique skills, if Lu Chen is still alive, it would be outrageous.

“Again?”

Lu Chen raised his eyebrows slightly, a little impatient.

Chapter 1414

He was already polite enough and never hurt anyone, just to make Cui Xiong retreat.

I didn’t expect that the other party was so disrespectful and looked like he was chasing after him fiercely.

It seems that if you don’t give some color, you really don’t know the gap between the two sides.

At this thought, Lu Chen no longer tolerated it and punched directly.

Simple and crude.

”boom-!”

Just heard a bang.

The fist shadows that filled the sky with overwhelming force just now were directly shattered by Lu Chen’s punch.

The surging energy lifted Cui Xiong several meters away on the spot, and then fell heavily on the ground, unable to even get up.

”puff!”

As soon as he landed, Cui Xiong spat out a mouthful of blood, and his complexion instantly turned pale.

The bones of the whole body seemed to be falling apart, the pain was endless, and I couldn't lift the slightest strength, and it was difficult to even turn over.

”What?!”

Seeing this scene, the whole place was in an uproar.

Everyone's eyes widened with disbelief on their faces.

When Cui Xiong used his trick, they all thought that Lu Chen would surely die.

However, no one expected that Lu Chen would be so fierce. With just one punch, he easily broke the Cui family's unique skills, and even sent Cui Xiong flying from the air.

It was a crushing victory.

This strength is really scary!

”Am I not mistaken? Cui Xiong actually lost? And he lost so badly?”

”A majestic fourth-rank strong military general, but he can't beat a little boy? No one will believe him when he says it.”

”My god! Are all the little boys so strong now? Are they too curly?”

Seeing Cui Xiong in a state of embarrassment, everyone looked at each other in blank dismay, feeling unbelievable.

At first, they thought that Lu Chen was just a little boy who ate soft food and had no real skills.

Unexpectedly, the opponent's force value is so strong that he defeated Cui Xiong, who is a general, with one move.

Totally amazed everyone.

”How...how is it possible? How can this guy defeat Cui Xiong?”

Liu Cong and Liu Xiangsi looked dull and terrified.

The sudden reversal, like a heavy hammer, hit the hearts of the two of them hard.

They just want to see Lu Chen lose, see Lu Chen lose face, and even die.

However, things backfired, the other party was not only fine, but even showed a big... big prestige.

This feeling is even more uncomfortable than eating shit.

”The outcome has been decided, remember, stay away from my woman in the future.”

Lu Chen said a word calmly, and then walked off the stage without looking back.

At this moment, everyone looked at Lu Chen differently.

It seems that this pretty boy is not a simple person.

”Bastard! You are going to die for me!!”

Looking at Lu Chen’s back, Cui Xiong’s eyes were wide open and his face was ferocious.

He ignored it, pulled out the gun from his waist, and pulled the trigger hard.

”Watch your back!”

Concubine Cao Xuan’s complexion changed, and she quickly reminded her.

But when she spoke, gunfire rang out.

”Bang, bang, bang...”

Only a few gunshots were heard, and a few screams came from the crowd.

Several unfortunate guests were injured by stray bullets and lay on the ground wailing.

On the other hand, Lu Chen, who was regarded as a target, had disappeared at some point.

When he reappeared, he was already standing in front of Cui Xiong.

The eyes of the two sides are facing each other, and the distance is less than half a meter.

At this moment, Lu Chen's face was indifferent, and his eyes were filled with murderous aura.

“You...are looking for death!”

Chapter 1415

”ah?”

Cui Xiong, who had fired several shots but failed, felt his eyes flicker.

Lu Chen, who was ten meters away, suddenly appeared in front of him at an incredible speed.

”You...are looking for death!”

A cold and stern voice sounded in my ears.

Cui Xiong's expression changed and he raised his gun to shoot again. However, before he could pull the trigger, Lu Chen grabbed his wrist and squeezed it hard.

”Click!”

There was just a crisp sound, and Cui Xiong's wrist was broken on the spot, and the fingers holding the gun dropped weakly.

”ah—!”

After being startled for a moment, Cui Xiong immediately let out a shrill scream.

As a result, during the shouting, Lu Chen punched him in the abdomen.

”puff!”

Blood spurted out, and Cui Xiong’s whole body was like a cannonball, which instantly bounced more than ten meters away, and then hit the wall heavily with a “dong” sound, causing several cracks.

After his body stagnated on the wall for a second, he slowly slid down like mud.

His head was hanging up, his mouth and nose were bleeding, and he didn’t know how many bones were broken in his body.

With just one punch, Cui Xiong was directly beaten to a disability.

Seeing this scene, everyone was shocked and speechless.

From Cui Xiong drawing a gun for a sneak attack, to Lu Chen’s counterattack, and finally Cui Xiong being defeated.

The whole process happened very quickly, and it was over in just two or three seconds, so that the guests present were a little unresponsive.

”You don’t have martial ethics? Do you want to carry out a sneak attack? That’s all you have.”

Lu Chen stepped forward with a cold face and stepped on Cui Xiong’s chest.

”You...poof!”

Just as Cui Xiong was about to say something, he spurted out another mouthful of blood, feeling as if his chest was about to burst.

His heart was under tremendous pressure, as if Lu Chen would explode if he exerted just a little more force.

”stop!”

At this time, Liu Cong jumped out suddenly and shouted: “Hey! Lu Chen! You are so brave! Hurry up and let go!”

”What? You want to mind your own business?”

Lu Chen turned his head slowly, his sharp eyes made Liu Cong shrink back in fright, feeling flustered inexplicably.

But thinking of his own glory and wealth, and thinking of the opportunity to rely on the big tree of the Cui family, he gritted his teeth, boldly, and took a few steps forward again.

”Lu Chen! You are so presumptuous!”

”Cui Shao has a noble status, if you hurt him, the consequences will be serious!”

”If you are sensible, quickly let go of the reminder, and then take the initiative to apologize, so that you may still have a way to survive!”

Liu Cong held his head high and held his chest high, pretending to be powerful.

If Cui Xiong is protected today, it must be a great achievement, and maybe even the entire Liu family will rise to heaven.

”That’s right! I order you to release him immediately, otherwise you will face disaster!”
Liu Xiangsi yelled.

Although Cui Xiong is a bit embarrassed now, it does not hinder the other party’s noble status. If she can be favored by Cui Xiong, even if she is a plaything, it will be a great honor.

”What if I don’t let go?” Lu Chen sneered.

”How dare you!” Liu Xiangsi glared.

”Lu Chen! Those who know the current affairs are the best, I advise you not to set yourself on fire!” Liu Cong shouted sharply.

Although the rest of the people didn’t speak, most of them had the same idea.

Although Lu Chen has some strength, he has no background after all. Even with the protection of Concubine Cao Xuan, it is impossible to challenge the Cui family.

It is the wisest choice to accept it as soon as possible.

”Yeah?”

Lu Chen’s soles of his feet were slowly exerting force, causing Cui Xiong’s eyes to roll, his face flushed, and his chest seemed to be pressed against a mountain.

He could no longer breathe, and his heart seemed to be about to jump out.

Chapter 1416

A fear of death instantly filled the whole body.

”Don’t... don’t kill me... What happened today was a misunderstanding.” Cui Xiong squeezed out a few words hoarsely.

At this moment, he was really scared.

When death comes, the identity, status, and dignity are all unimportant.

As long as you can live, these can be discarded.

Fortunately, he has a wonderful life and endless wealth and splendor, so he doesn’t need to work hard for others.

”Master! You don’t have to be afraid, this guy doesn’t dare to mess around, he’s just scaring you!” Liu Xiangsi comforted.

”frighten?”

The corner of Cui Xiong’s mouth twitched, almost yelling.

My chest is about to be crushed, what the hell is this called scaring?

”Young master! Hold on, I’ve already called for someone, and when the reinforcements arrive, Lu Chen won’t be able to escape!” Liu Xiangsi continued to cheer.

Damn it! You can shut up!

Cui Xiong roared in his heart, his life was in Lu Chen's hands, wouldn't it be self-defeating to provoke the other party at this time?

If he hadn't been suppressed so that his whole body was weak, he would have liked to blow Liu Xiangsi's head off with two "Bang Bang" punches.

You are so persuasive, do you think that I didn't die fast enough if you put it aside to make threats?

"Brother, we don't know each other. As long as you let me go, I will treat what happened today as if it never happened. How about it?" Cui Xiong said weakly.

"If I let you go, I'm afraid I won't survive tonight?" Lu Chen said coldly.

"No...not..." Cui Xiong shook his head again and again: "I can swear that I will never hold you accountable."

"You don't hold me accountable, but I will hold you accountable." Lu Chen didn't give up: "The woman who provoked me was so arrogant and domineering. How can it be so easy to get away now?"

"Then what do you want?" Cui Xiong was inexplicably nervous.

"First, apologize publicly; second, stop harassing my woman; third, compensate for my mental damages. If you do these, I will let you go." Chase Lu set out the conditions.

”I.....”

Cui Xiong opened his mouth, but before he could speak, Liu Xiangsi interrupted: “You’re dreaming! Who do you think you are? How dare you urge me to apologize? It’s simply wishful thinking!”

”Lu Chen! I’m warning you not to push for an inch! If you let Young Master go, he will be captured without any help. There is still a glimmer of hope. If you persist, you will only die!” Liu Cong shouted.

The two sang and harmonized, and they cooperated very well.

”You...you...poof!”

Cui Xiong was so angry that he spat out a mouthful of blood on the spot.

These two evil spirits really pushed him into the fire pit!

”Don’t get too excited, young master. Reinforcements will arrive soon. Hold on!” Liu Cong said to comfort him.

”Lu Chen! Release Young Master quickly, or I will fight you tooth and nail!” Liu Xiangsi threatened sternly.

While talking, he secretly glanced at Cui Xiong.

Hehe, with her current professional performance, she should be appreciated by Cui Xiong, right?

”...”

Cui Xiong gritted his teeth, his eyes seemed to be cannibalistic.

At this moment, his resentment toward Liu Cong and Liu Xiangsi was even greater than Lu Chen's.

These two villains, if I can get out alive, I will definitely break your dog legs!

”Cui Xiong, do you agree to my conditions, or stick to my guns? Choose one, right?” Lu Chen said indifferently.

”I agree...I agree to your conditions.” Cui Xiong finally compromised.

Damn it, if this continues, I will die just from vomiting blood.

”Very well, I hope you will do what you say.”

Lu Chen nodded and finally let go of his feet.

Cui Xiong felt his whole body light up, and the sense of crisis of death gradually disappeared. His whole body felt like he had been amnestied, and he breathed the surrounding air crazily.

The pressure Lu Chen gave him just now was too great.

He can be sure that if he has the slightest bit of harsh words or any tendency to retaliate, he will probably be killed on the spot!

This guy is simply a lunatic!

Chapter 1417

”Huchi...huchi...”

Cui Xiong was breathing heavily, sweating all over his body, and he felt like he was surviving a disaster.

He never dreamed that the pretty boy next to Concubine Cao Xuan would be so strong, and act boldly and without scruples, completely ignoring the Cui family.

Is it arrogance and ignorance?

Or are you confident?

”Master Cui, are you okay?”

At this time, Liu Cong and Liu Xiangsi boldly stepped forward and began to express their loyalty by asking for help.

Isn't all the yelling at Lu Chen just to please Cui Xiong?

If you can take advantage of this opportunity, become the opponent's confidant and squeeze into the upper class circle.

Success is just around the corner!

"Master Cui, you don't have to be afraid of him at all just now. Just fight to the end. Even if I try, he won't dare to do anything to you!"

Liu Xiangsi pointed at Lu Chen with her chin, her face full of arrogance and disdain.

In her opinion, the other party is purely a fox pretending to be a tiger.

After all, as long as they are in their right mind, they would not dare to challenge the authority of the Cui family.

"Cui Xiong, if you are not convinced, you can try again." Lu Chen said expressionlessly.

"Try or die!"

Liu Xiangsi glared: "Master Cui! Reinforcements will arrive soon. As long as you say a word, I promise to make him pay a heavy price!"

"Shut the hell up!"

Cui Xiong's eyes widened and he hit Liu Xiangsi hard on the face with his fist.

"Boom!"

There was a muffled sound.

Liu Xiangsi was hit so hard that she took a few steps back and collapsed on the ground.

Her nose was collapsed, her front teeth were broken, her mouth and nose were bleeding, she was dizzy, and she was completely stunned.

There was no reaction for a moment.

You must know that the name of the Confused Demon King is not for nothing, even if he hits someone, the person who was beaten will apologize.

They have never met, Cui Xiong will say sorry to others.

Chapter 1418

This is really the first time ever.

”...”

Liu Cong and Liu Xiangsi looked at each other, as if they had eaten shit.

Unexpectedly, Cui Xiong, whom they tried so hard to please, would be so cowardly. He was so frightened that he apologized in public after just a few threats from a pretty boy.

What a bargain!

What kind of demon king in the world seems to be nothing more than that.

Concubine Cao Xuan watched quietly, smiling without saying a word.

Sure enough, my man was domineering and would never tolerate these dandies.

”How do you plan to compensate for my mental loss?” Lu Chen spoke again.

”Can you make a price?” Cui Xiong said.

”I think your Cui family is not short of money, so why don’t you just give me three to five billion?” Lu Chen said calmly.

”What? Three to five billion? Why don’t you go and grab it?!” Liu Xiangsi couldn’t help but scream.

”Lu Chen! You’re going too far!” Liu Cong said with a sullen face.

Is this guy crazy?

Not only did he beat Cui Xiong, but he also asked for compensation, and the price was three to five billion, without even damaging a single hair.

It’s simply a sky-high asking price!

”What? Too little? Then add a few hundred million more.” Lu Chen sat down and raised the price.

”you—!”

Just as Liu Xiangsi was about to curse, Cui Xiong gave him a vicious look. She immediately turned pale with fright, covered her mouth and nose, and did not dare to speak any more.

”Give me some time to raise money. At this time tomorrow, I will pay you every penny.” Cui Xiong said angrily.

”It’s refreshing.” Lu Chen smiled slightly: “Then let’s make it a deal.”

Cui Xiong didn’t speak, just nodded.

Damn, it was so frustrating. He had never been so angry.

But in the current situation, he has no choice.

”Quick! Surround this place for me!”

At this time, there was a shout.

A group of heavily armed soldiers suddenly rushed in menacingly.

Once inside, all entrances and exits to the banquet hall were sealed.

The leader was a middle-aged man in his forties or fifties, wearing a military uniform, with a burly build and a majestic face.

Judging from the epaulettes on his shoulders, he has a higher official position than Cui Xiong.

”It’s Master Cui of the Cui family!”

After seeing the middle-aged man, there was a burst of exclamation in the venue.

The Cui family is prosperous, and Mr. Cui has ten children in total.

Among them, Master Cui Wu of Cuicheng is the best among them. At the age of more than 40 years old, he is already the second-grade Longwei General.

He holds a lot of troops and his power is astonishing. !

The most important thing is that Cui Cheng is famous for protecting shortcomings. Anyone who dares to harm the Cui family children will be suppressed by him crazily.

Unexpectedly, Cui Xiong was beaten this time, which actually alerted Cui Cheng, who had a bad temper.

It seems that things have become serious.

Anyone who dares to stand out today will be seeking death.

”Coming, coming! Reinforcements are finally here!”

Seeing this scene, Liu Xiangsi couldn’t help but look overjoyed.

Looking forward to the stars and the moon, she finally looked forward to the arrival of Cui family reinforcements, so that her hard work would be in vain.

”Lu Chen, Lu Chen, your death has come!” Liu Cong smiled coldly.

Cui Wuye has always defended his shortcomings. Lu Chen beat Cui Xiong like this, which undoubtedly offended Cui Wuye.

Once Master Cui gets mad, not even Miss Cao can stop him.

Chase Lu, it’s over!

”Uncle Five! Are you finally here?!”

Cui Xiong’s eyes lit up, as if he saw a savior, and he limped forward quickly.

”waste!”

Cui Cheng sullenly, without further ado, directly slapped Cui Xiong on the face.

Chapter 1419

”Snapped!”

The sudden slap stunned Cui Xiong, and he didn't react for a while.

The rest of the people were also stunned and confused about the situation.

Didn't Master Cui Wu stand up for Cui Xiong? Why did you slap your nephew when you just met?

"Uncle Five, why did you hit me?"

Cui Xiong covered his hot face, looking aggrieved.

On the outside, he is the devil incarnation, but in front of Cui Cheng, he is undoubtedly a mouse who met a cat.

Because he can have what he is today, all thanks to his fifth uncle's promotion.

"Hmph! Why did I hit you? Don't you have any clues?"

"How many times have I told you? Outside you can hit people, cause trouble, and be unscrupulous. No matter what you do, the Cui family will wipe your ass for you, but the only thing is that you can't lose in a fight!"

"Our Cui family doesn't raise cowards or the weak. You are a fourth-rank strong military general, and you can't even beat a bad boy. You really embarrass our Cui family!"

"Tell me – should you hit me?"

At the end, Cui Cheng almost shouted.

"I....."

Cui Xiong was speechless for a moment and lowered his head in shame.

The Cui family is a family of military and martial arts, with generations of famous generals, and the martial arts prevails in the family.

The children of the Cui family have had an unwritten rule since they were young. They can lag behind others in any aspect, but not in fighting.

Once you lose the fight outside, you will get beaten when you get home.

”Useless stuff! When I go back, I will get the 80 army sticks, and then go to the family ancestral hall to kneel for three days and three nights!” Cui Cheng shouted.

”Yes.” Cui Xiong lowered his head and did not dare to refute.

Seeing Cui Cheng who was furious, everyone in the banquet hall looked at each other with strange eyes.

I have to say that the Cui family’s education method is really special.

Most families will restrain their young people from causing trouble outside.

The Cui family is doing the opposite.

Not only does he not restrain himself, but he even encourages getting into trouble, but there is only one requirement: he cannot lose in fights outside and cannot weaken the reputation of the Cui family.

No wonder Cui Xiong is called the Demon King. Who can a normal person stand this kind of educational philosophy?

”Who just bullied my nephew? Come forward and let me see!”

After teaching Cui Xiong a lesson, Cui Cheng strode to the center and glanced around with sharp eyes.

”Fifth Lord! It’s him! He’s the one who beat Young Master!”

Liu Xiangsi reacted quickly and immediately pointed at Lu Chen, trying to show off.

”oh?”

Cui Cheng narrowed his eyes and took advantage of the situation to look over.

However, when his eyes rested on Lu Chen’s face, he couldn’t help but be slightly startled.

Why does this kid look familiar?

”Master Cui Wu, this happened because of me. If you have any dissatisfaction, just come to me.”

Concubine Cao Xuan took a few steps forward and stood in front of Lu Chen.

Cui Chengnai is a real battlefield general, with a second-rank official position and an astonishing force value.

He is more than a hundred times stronger than a playboy like Cui Xiong.

”Women don’t meddle in men’s affairs.”

Cui Cheng looked Lu Chen up and down, feeling more and more familiar, and asked tentatively: “Boy, what’s your name? Which family do you come from?”

”His name is Lu Chen, he’s just a nobody.” Liu Xiangsi explained quickly.

Naturally, she would not miss this opportunity to add insult to injury.

”Last name is Lu?”

Cui Cheng’s eyelids twitched, suddenly feeling uneasy.

Yanjing doesn’t have a big family with the surname Lu, but that doesn’t mean that the surname “Lu” doesn’t matter much.

On the contrary, the surname “Lu” stands above the four major royal families, and even ranks alongside the royal surname Li.

Because the King of Wei in Xiliang, who had great power over the government and the public and was invincible to the country, was named Lu!

If it had been in the past, it wouldn’t be a big deal. The key point is that this kid looks too familiar, and his surname is Lu. Don’t blame him for his random thoughts.

”Boy, have we met somewhere?” Cui Cheng rubbed his chin.

Chapter 1420

”Is there? I don’t remember.” Lu Chen said lightly.

”Let me ask you, do you know who I am?” Cui Cheng asked again.

”I just found out, the Cui family, Cui Wuye, the second-rank General Longwei.” Lu Chen replied.

”Since you know my name, why are you not afraid at all?” Cui Cheng was a little surprised.

Ordinary people's legs would weaken when they saw him, but the boy in front of him was calm and composed, as if he didn't take him seriously at all.

Is it the head iron? Or are you confident?

"Why should I be afraid?"

Lu Chen said calmly: "Yanjing is a place where rules are followed. Your nephew Cui Xiong took the initiative to challenge and lost in the end. Everyone present can prove that your Cui family is the royal family of Yanjing. You should not bully others, right?"

"Hmph... sharp teeth and sharp mouth."

Cui Cheng narrowed his eyes and said: "But you are right. Cui Xiong lost because he was incompetent. Our Cui family will not bully the small with the big. Of course, you can't beat my Cui family's children." That's all.

"I wonder what Mr. Cui Wu plans to do?" Lu Chen asked.

"Where you fell, you have to get up."

Cui Cheng said calmly: "In three days, you will have another fight with our Cui family children. Life and death will be determined by fate. Do you dare?"

If the younger generation loses face, it is natural for the younger generation to get it back.

The Cui family has always been serious when it comes to fighting.

"Since Mr. Cui Wu is so interested, I will naturally accompany him to the end. However, I have to add some more bets." Lu Chen spoke again.

"Oh? What kind of bet? Tell me about it?" Cui Cheng touched his chin.

”It’s very simple. If I win, your Cui family will have to do something for me.” Lu Chen said.

”Win? Hehehe...”

Cui Cheng smiled: “Boy, do you know what you are talking about? Do you think that the children of my Cui family are all just a loser?”

Cui Xiong’s force value ranks only tenth among the young members of the Cui family.

Truly powerful geniuses are all cultivated by the Cui family and never appear in public.

How can a boy of unknown origin compete with the genius carefully cultivated by the Cui family?

”Master Cui Wu, let me ask you, do you want to bet or not?” Lu Chen looked calm.

”You want to bet, right? Okay! I’ll stay with you until the end!” Cui Cheng agreed and then changed the subject: “But, what if you lose?”

”I lost, I’ll let you do whatever you want.” Lu Chen said.

”Okay! I have the guts! Let’s see you in three days!” Cui Cheng smiled coldly.

There are so many martial arts geniuses in the Cui family. If they can’t defeat even a nobody, they might as well hang themselves.

”It’s a deal.” Lu Chen smiled half-heartedly.

”Close the team!”

Cui Cheng didn’t say much, waved his hand and led the people away.

”etc.....”

Seeing this scene, Liu Xiangsi suddenly became anxious and ran forward to persuade him: “Master Cui Wu! Don’t be fooled. This guy is lying to you. If you let him go today, he will escape tomorrow!”

”Are you teaching me how to do things?” Cui Cheng’s expression darkened.

”You are in a high position and don’t know how dangerous people’s hearts are. I know Lu Chen very well. This guy is cunning, despicable and shameless. You can’t believe it!” Liu Xiangsi persuaded him earnestly.

”The person our Cui family is looking for can’t be found even if we go to the ends of the earth.” Cui Cheng said coldly.

”But.....”

Liu Xiangsi was about to say something, but Cui Cheng slapped her hard on the face and cursed: “Are you done yet? How dare you point fingers in front of me? Are you tired of living? Give it to me. I, get away!”

This slap was so hard that Liu Xiangsi stumbled to the ground, with stars in her eyes.

A face became red and swollen at a speed visible to the naked eye, the mouth was crooked, and blood was flowing.

”Fifth Master! Fifth Master calm down!”

Seeing that the situation was not going well, Liu Cong immediately ran forward and said with a smile: “I am a descendant of the Liu family, and this is my junior sister. Please give me some face, Master Wu, and don’t embarrass her.”

”face?”

Cui Cheng stared, and slapped Liu Cong on the face suddenly: “What the hell are you? How dare you ask me for face? Are you worthy?”

”No...don’t...” Liu Cong covered his face in panic.

”It’s too late!”

Cui Cheng waved his hand and ordered: “Come here! Arrest these two troublemakers, and give them a heavy blow of 80! Until they are destroyed!”

As soon as these words came out, Liu Cong’s legs went limp, and he slumped on the ground, his face ashen.
