

## An Understated Dominance Chapter 1501 - 1510

Chapter 1501-1506 “The antidote...give me the antidote!” “I was wrong. I am willing to apologize. Give me the antidote!” Under the torture of death pain, Feng Miao Zhu finally couldn’t stand it anymore. He started to cry and beg for mercy. Huang Yinyin squatted quietly, holding her chin in her hands, without any reaction. “My head hurts so much! I can’t stand it anymore! I’m willing to apologize, I’m willing to compensate, and I’ll be detoxified right away!” Tan Hong also compromised. Compared to life, face is not important at all, and it’s not like I haven’t been scared before. Huang Yinyin continued to look at Wang Zixuan, but there was still no movement. “Zixuan! Hurry up... admit your mistake and apologize!” “This woman is a lunatic, if you don’t apologize, we’ll all die here!” Feng Miao Zhu was in a hurry, howling all kinds of things. “If you don’t say anything anymore, your little friend will die.” Huang Yinyin said with a smile. “Wang Zixuan! Why are you still standing there? Apologize! You want to die and don’t involve us!” Feng Miao Zhu shouted angrily. What to pretend to be? They are all half-measured goods, don’t they have to give in in the end? “Okay! I promise to apologize! Give us the antidote quickly!” Wang Zixuan gritted her teeth. “That’s how you behave.” Huang Yinyin smiled and raised her hand. A burst of faint blue dust rose into the sky, and then slowly fell, covering everyone like a drizzle. When the dust was inhaled into their mouths and noses, everyone’s splitting headaches finally slowly disappeared, but their bodies were still weak and it was difficult to gather strength. “Next, let’s see your performance.” Huang Yinyin clapped her hands and stood aside with a smile. “I’m sorry, we were wrong. We shouldn’t have caused trouble here. We are willing to compensate for all the losses here!” Wang Zixuan stared at Lu Chen fiercely. Although her words were an apology, her eyes were particularly hateful. A lowly pariah dared to ask her to apologize in public. This humiliation, she must pay back a hundredfold! After Feng Miao Zhu and Tan Hong took a few breaths, they also chose to apologize. People have to bow their

heads under the eaves, and it is not too late to take revenge again when they return.

“Forget it, I’m in a good mood today, and I don’t care about it with you. Each of you should pay 100 million yuan, which should be regarded as my mental damage fee.” Lu Chen said lightly. “What? One hundred million? Why don’t you go and grab it?!” Tan Hong screamed. “What? No compensation?” Huang Yinyin narrowed her eyes and smiled: “I have hundreds of poisons here. Do you want to try them one by one?” “I... “The corner of Tan Hong’s mouth twitched, and she suddenly didn’t dare to say anything. In desperation, she had no choice but to call to borrow money. No matter what, let’s get through the current situation first. After a while, several vehicles with special photo cameras on them, Suddenly stopped at the door of Yin’s Medicine. Immediately afterwards, a man and a woman walked in with a few bodyguards. The man was thin and handsome, but his cheekbones were prominent and his lips were thin, making him look a bit mean. On the other hand, the woman is dressed in a red dress, with a cool temperament and an alluring appearance. As soon as she appears on the stage, she is stunning and attracts everyone’s attention. Yin Tao is already considered a beauty on the rouge list, but in front of the woman in red , but looked a little overshadowed. Both in appearance and temperament, they were all slightly inferior. “It’s her? “After seeing the woman in red, Lu Chen couldn’t help but frown slightly. Because he discovered that the person who came was his ex-wife, Li Qingyao!

Chapter 1507 “So beautiful! So noble!” “Where is this beauty, why haven’t I seen it before?” “This beauty, this temperament, should be at the top of the rouge list.” Not a little restless. Regardless of whether they were men or women, everyone had a look of surprise on their faces. Yanjing has outstanding people and many beautiful women. But stunning beauty like this is very rare, especially the cold and noble temperament, like a fairy coming out of a painting, which makes people feel unreal. “Cousin!” Tan Hong’s face lit up when she saw the person coming, as if she had seen a savior, and she hurriedly

greeted him. "I asked you to come over to discuss business, but the deal failed and you were asked to pay 100 million in compensation. What happened?" Li Qingyao said coldly. "I..." Tan Hong was at a loss for words for a moment. She couldn't just say that she was showing off her power here with the golden order from Prince Mu's palace, and then was taught a lesson, right? "Sister Qingyao, this is what happened..." "Feng Miaozyu reacted very quickly, stepped forward immediately, and explained the matter with embellishment. After finishing the matter, she added: "Sister Qingyao, we tried to persuade them with good words, but in the end they didn't appreciate it, and even poisoned us. And asking for compensation is really too much! ""Yeah? Who is so arrogant? How dare you poison yourself in public? "Li Qingyao asked coldly. "It's Lu Chen and that woman!" The two of them are in cahoots! Feng Miaozyu stretched out her hand and pointed. "Huh?" "After seeing Lu Chen's face, Li Qingyao couldn't help frowning slightly, quite surprised: "It's you? Why are you here? "It's strange, every time she meets Lu Chen, she has an inexplicable sense of familiarity." Yin's medicine has my share, why can't I be here? "Lu Chen responded lightly. "Sister Qingyao, do you know this kid?" "At this time, a young man with a rather harsh appearance beside him suddenly spoke. This man's name is Mu Anxiang, and he is one of Lord Mu's sons. He is good at business, he is insidious and cunning, he has many tricks, and he will do everything for his own benefit. "I've met him a few times, but I'm not familiar with him. "Li Qingyao said. "That's it. "Mu Anxiang smiled. Looking at Lu Chen, his eyes were a little colder. Since you are not familiar with it, then you don't have to worry about it." Lu Chen, you are poisoning and blackmailing, do you know What will be the consequences? "Li Qingyao said coldly. "It was me who poisoned it, and it has nothing to do with uncle. If you want revenge, just target me." "Huang Yinyin said calmly. "Lu Chen, don't you feel ashamed to let a little girl of yours take the blame for you? "Li Qingyao's eyes were piercing. "Mr. Li, the tone of your mouth is full of accusations, as if everything is our fault. Why don't you ask first, what have these people around you done?" " Lu Chen said

lightly. “No matter what they did, it is not the reason for you to poison people!” Li Qingyao said righteously.

Chapter 1507 “So beautiful! So noble!” “Where is this beauty, why haven’t I seen it before?” “This beauty, this temperament, should be at the top of the rouge list.” Not a little restless. Chapter 1508 “So according to your opinion, they are only allowed to bully us and we are not allowed to resist? Do we, the powerless people, have to be oppressed and insulted in front of powerful people like you? We can’t even protect ourselves. Guilty?” Lu Chen looked sarcastic. Although she has lost her memory, the woman in front of her has really not changed at all. Always preconceived, self-righteous and indiscriminate. “I don’t understand what you are talking about.” Li Qingyao frowned slightly: “Our people are here today to discuss business. If you are a shareholder of Yin’s Medicine, you should treat each other with courtesy instead of intimidating and tempting.” “If If they are guests, we will naturally welcome them, but if they are enemies, then don’t blame us for being rude.” Lu Chen retorted. “What? You did something wrong and got into trouble, and you still don’t know how to repent?” Li Qingyao frowned. “Miss Li, this matter is a misunderstanding.” At this time, Yin Tao suddenly stepped forward and smoothed things over with a smile: “It was Miss Tan who insisted on jumping in the queue just now, and she also used the name of Prince Mu’s Palace to show off her power. We If she doesn’t

comply, she will destroy our company. Lu Chen was angry for a moment, so he acted a little impulsively.” “Is there such a thing?” Li Qingyao turned and glanced at Tan Hong. Tan Hong’s face froze, but she quickly defended herself: “Cousin! Don’t listen to their nonsense! I came here sincerely to discuss business, but Lu Chen took revenge and wanted to kick me out. I was really angry, so I said so. A few harsh words didn’t do anything.” “Yes, Sister Qingyao, I can testify that it’s all Lu Chen’s fault!” Feng Miao Zhu immediately spoke out in support: “This guy Lu Chen is not only unreasonable, but he also fights. He has serious violent tendencies. Look at Miss Tan’s face, it’s swollen!” “Cousin, I’ve never been wronged like this before. You must make the decision for me!” Tan Hong looked sad and looked very sad. Wronged. Looking at Tan’s red and swollen face and the dissipated fingerprints on it, Li Qingyao couldn’t help but darken her face and asked: “Lu Chen! Let me ask you, did you hit my cousin?” “It was me, but... .... Just as Lu Chen was about to explain, he was interrupted by Li Qingyao coldly: “It’s really you!” I thought you had something to hide, and that you were using your power to bully others after doing this for a long time. Why do you have the face to cry out for injustice? ! “Lu Chen frowned slightly, his face a little ugly. Others didn’t care, but Li Qingyao’s words were as hurtful as a knife to him. “Miss Li, everything has a cause, you can’t just listen to one-sided words. Seeing that the situation was not good, Yin Tao quickly explained: “Everyone present can clearly see what happened just now. You can find out who is right and who is wrong by just asking anyone.” “”good! Then I will ask and see who is right and who is wrong! Li Qingyao glanced left and right, finally settling on a woman, and asked: “Madam, please tell me truthfully, what happened just now?” Did Chase Lu hit someone first? “You’d better think carefully before speaking and don’t talk nonsense. If you dare to protect Lu Chen, you will bear the consequences!” “Feng Miao Zhu reminded her secretly. As soon as she said this, the woman’s face turned pale with fright, and she nodded repeatedly: “That’s right, that’s right! It was Lu Chen who made the first move, and Miss Tan was the victim, I saw it with my own eyes! “”Um?

“Hearing this, Yin Tao couldn’t help but frown slightly. She really didn’t expect that someone would lie in public. But after thinking about it, it seems understandable. Who dares to offend the power of two wealthy families and one royal family? Even if it is a black one, Even with absolute power, one can become white. “Lu Chen! What else do you have to say? After getting the result, Li Qingyao’s pretty face turned cold and she shouted softly: “I order you now to apologize to Tan Hong immediately. This way you still have a way to survive. Otherwise, just being charged with poisoning and harming people will be enough for you to spend half your life in jail!” “

## Chapter 1509

“Lu Chen! Do you hear that? Kneel down and kowtow to me quickly, and then pay 300 million yuan in mental damages, otherwise I will let you go to jail for the rest of your life!”

Tan Hong put her hands on her hips and looked domineering.

With the support of her cousin, she is fearless at this moment.

She is indeed a fake daughter, but her cousin is the real adopted daughter of Prince Mu, and is the most favored in the entire Prince Mu’s palace.

More than half of Prince Mu’s property was handed over to his cousin.

Now my cousin’s status is no less than that of the princess of the Dragon Kingdom. No matter who sees her, she must be respectful.

Even though little Lu Chen has some abilities, he is completely insignificant in front of his cousin.

“The surname is Lu! Sister Qingyao is now a popular figure in Prince Mu’s palace. You’d better think about it yourself!”

Feng Miaozi sneered, looking gloating.

If Chase Lu bows his head and admits his mistake, she will take this opportunity to humiliate him.

If the other party doesn’t comply, so much the better.

Once Li Qingyao is angered, there is only death in the end.

Even Li Qingyao didn’t need to do it himself, there were many people who were willing to lend flowers to the Buddha.

“Lu Chen, Lu Chen, aren’t you crazy? Have you hit the iron plate now? Look at how arrogant you are!” Wang Zixuan muttered to herself, with sinister eyes.

“Little handsome boy, why don’t you just apologize? Otherwise we will all be in big trouble. It’s better to be embarrassed than to die.” Yin Tao advised in a low voice.

She has already recognized the identities of Li Qingyao and Mu Anxiang.

These two are core members of Prince Mu’s Palace. They are powerful and can directly call upon the forces of Prince Mu’s Palace.

Especially Li Qingyao, who is in charge of more than half of the properties of Prince Mu’s mansion, and seems to be the successor to Prince Mu.

She really couldn’t afford to offend such a powerful person.

“Lu Chen! I’m giving you a chance, don’t be stubborn!” Li Qingyao said coldly.

The matter of poisoning can be big or small, if the other party sincerely admits his mistake, she can consider not to care about it.

But if she's stubborn, don't blame her for being unkind.

"I'm tired of hearing these words. Everyone here knows what is right and wrong, and I don't want to explain too much."

Lu Chen said indifferently: "If you think I'm wrong, then I'm wrong. As for apologizing or making amends, I'm sorry I can't do that. I've never had the habit of bowing to others."

"A man can bend and stretch, and he has to apologize when he does something wrong. How is your behavior different from that of a coward?" Li Qingyao shouted.

If she were an ordinary person, she would naturally not say this, but for Lu Chen, she felt that she hated iron for not being able to turn into steel.

She hoped that the other party could turn around and do the same, instead of showing off her bravery here.

"Sister Qingyao, there's no need to talk nonsense with this kind of person, just arrest him."

At this time, Mu Anxiang smiled coldly and said: "Those like this are bullies and afraid of the strong. Once he is thrown into a dark prison, he will naturally know how to be afraid."

"That's right! Grab it! Put it in a prison!" Tan Hong and the three immediately agreed.

"Hey, hey... I advise you not to mess around."

Huang Yinyin walked forward and said with a smile: “If you dare to touch a hair of uncle, I will kill all of you, and it will be very painful.”

As soon as these words came out, Wang Zixuan and Feng Miao Zhu subconsciously took two steps back.

Their previous experience had cast a shadow on their hearts.

The lunatic woman in front of her can't be judged by common sense at all. If she is forced too hard and jumps over the wall in a hurry, it will be troublesome.

“Be bold!”

Tan Hong glared and yelled with an inward look: “You crazy bitch, do you know who you are talking to? This is my cousin, and she is the adopted daughter of Prince Mu! If you dare to threaten her, you are asking for death! “

“Yeah?”

Huang Yinyin grinned and then flicked her fingers.

A black pill was shot directly into Tan Hong's throat.

Chapter 1510

“Gulong.”

Tan Hong swallowed it subconsciously.

After reacting, she immediately stretched out her fingers to dig her throat, intending to spit out the pills.

As a result, I retched several times, but it had no effect at all.

The pill melts in the mouth and has already been dissolved in the body.

At this moment, her complexion changed drastically, and she said in a trembling voice:

“You, you... What did you just eat for me?”

“It’s nothing, just a little tonic.” Huang Yinyin smiled.

“You’re lying! I think it’s poison!” Tan Hong panicked.

“Yo! You guessed it? I’m so sorry.” Huang Yinyin’s smile didn’t change.

“You witch! Give me the antidote!” Tan Hong shouted.

“I advise you not to get excited, otherwise the surge of energy and blood will only accelerate death. Oh, by the way, this medicine will not affect you for the time being. It will only slowly torture you until you die of intestinal rupture.” Huang Yinyin explained.

“What?”

Upon hearing this, Tan Hong was so frightened that her legs went limp: “Cousin...cousin, help me!”

“Witch! You are so brave! How dare you poison the people of Prince Mu’s Mansion? I think you are tired of living!”

Mu Anxiang’s face darkened, and he suddenly took action and grabbed Huang Yinyin’s throat.

Almost everyone in Prince Mu’s residence practices martial arts, and among the many adopted sons and daughters, his martial arts cultivation is considered to be among the best.

“call—!”

Huang Yinyin didn't dodge, she spread her palms and blew gently.

A circle of faint white smoke spewed out, covering Mu Anxiang in an ethereal way.

“Be careful! It's poisonous!”

Tan Hong quickly warned, but it was too late.

Mu Anxiang's attack was t

Mu Anxiang screamed and fell to the ground immediately.

His whole body was twitching, he was vomiting blood, and his face was in pain.

“Why are you so angry? Why don't we calm down and talk?” Huang Yinyin said.

“You witch! How dare you poison Prince Mu's adopted son? You are digging your own grave!” Tan Hong was shocked and angry.

“Don't worry, even if I die, I will drag you to be buried with me.” Huang Yinyin said with a smile.

“You...” Tan Hong was frightened and didn't dare to speak.

Seeing Mu Anxiang, who was bleeding from the mouth and nose and looking in pain, Li Qingyao couldn't help but frown.

She suppressed the anger in her heart and said coldly: “I don't care who you are, just hand over the antidote immediately. I can forget about the past.”

“Haha... I'm afraid it's not up to you.” Huang Yinyin shook her head slightly.

“Lu Chen, turn back in time before things get too big, otherwise something happens to Mu Anxiang, and even I won’t be able to protect you!” Li Qingyao warned.

“I don’t need Director Li to worry about whether I live or die. You should take care of yourself.” Lu Chen said calmly.

“Lu Chen, you clearly know that you can’t defeat Prince Mu’s Mansion, why are you so stubborn?”

Li Qingyao frowned slightly: “Are dignity and face more important than your own life? Accept the reality, okay? There are some people you can’t afford to offend, and there are some things you can’t do. Once you violate a taboo, you will die! Wake up. Come on you!”

She didn’t understand why the other party didn’t appreciate it even though she was trying to persuade her kindly.

Is it so difficult to bow your head and admit your mistake?

so fast and he had no time to dodge, so he could only use his body-protecting energy to resist.

Unexpectedly, the white smoke strangely penetrated the true energy and poured into his mouth and nose.

“ah—!”
