

An Understated Dominance Chapter 1571 - 1580

Chapter 1571

When all the dust has settled.

At the center of the explosion, a huge pit suddenly appeared.

The deep pit is about ten meters in diameter, like a dry pond, full of devastation.

On the edge of the pit, Lu Chen and Mu Guanyu looked at each other through the air.

The former had an expressionless face and cold eyes, still holding Mu Anxiang's head in his hand.

The latter's face was solemn, as if he was facing a powerful enemy.

The two of them just confronted each other, and neither of them made any rash move.

“No way? Faced with Lord War God's shocking blow, this kid actually blocked it?”

“Not only did it block it, but it didn't look like it was hurt.”

“Oh my god! When did Yanjing have such a talented person? He can actually compete with the Jade-faced God of War. Isn't it too exaggerated?”

Seeing that the two people were almost evenly matched, the senior officials of Prince Mu's palace who were watching looked at each other in shock.

Mu Guanyu's power has long been deeply rooted in people's hearts.

Looking at the entire Dragon Kingdom, there are only a handful of people who can compare with it, and each one of them is an absolute genius.

For example, the twin stars of the Zhao family, Han Feiyang of the World Meeting, and Hong Juding of the Sword Sect.

Other than that, no one can surpass him.

However, today, no one expected that an unknown person who came out of nowhere could be as equal as Mu Guanyu.

It's really scary.

“who are you?”

Mu Guanyu spoke in a deep voice, with no trace of contempt in her eyes.

The punch he had just given Todoroki made him secretly frightened.

He knew that Lu Chen's strength was not inferior to his.

The question is, why is a small character with little reputation so powerful?

Or is it that the other party has hidden his identity? Is he a top genius carefully cultivated by a certain big force?

“You will naturally know who I am in the future, but today, I am not in the mood to play with you.”

Lu Chen said a word coldly, then turned and left.

The head in his hand was still bleeding.

Mu Guanyu occupies a high position and holds great power, and her strength is infinitely close to that of the Grand Master.

Although he is not afraid, if he kills the opponent here, there will be endless troubles.

Prince Mu's Mansion can kill Mu Anxiang, but it will never tolerate Mu Guanyu being killed.

Moreover, with Mu Guanyu's status as the God of War, the officials would not give up.

By then, the entire Yanjing will be shaken.

Therefore, he did not want to get entangled with Mu Guanyu, of course, provided that the other party was sensible.

If he really wants to fight to the death, he will never show mercy.

“Um?”

Seeing Lu Chen’s leaving figure, Mu Guanyu frowned slightly and tightened her fists, but finally gave up her plan to attack.

The strength of the two should be between equals. If they fight against each other, the final result is likely to be a loss for both sides.

It’s really not worth taking such a risk for a dead chess piece.

Therefore, he will not act rashly until he is sure of victory.

“Lord God of War, are you just going to let him go?” A bald man came forward and asked softly.

“What are you going to say?” Mu Guanyu glanced coldly.

“This kid dared to run wild in Yumian Villa and even killed people from our Prince Mu’s Mansion. If we don’t eradicate him today, it will be hard to vent his hatred!” the bald man said angrily.

“That makes sense.”

Mu Guanyu nodded: “Okay, I will give you a chance to show off now. You go and kill him. I will definitely give you a heavy reward afterwards.”

“Ah? Shall I go?”

Hearing this, the bald man’s face froze and he waved his hands repeatedly: “S-Sir... I am just a civil servant. I have no power to tie a chicken. I don’t know anything about fighting or killing.”

“Since you don’t understand, then what nonsense are you talking about here? Get away from me!”

When Mu Guanyu glared, the bald man was so frightened that he trembled all over and immediately apologized and left.

Originally I just wanted to make my presence felt, but unexpectedly it made Mu Guanyu angry. It was really not worth the gain.

“Somebody come!”

At this time, Mu Guanyu waved, and two personal guards immediately ran over and asked, “What are your orders, sir?”

“Use all resources to investigate this person named Lu Chen immediately. I want to know all the details about him!” Mu Guanyu said in a deep voice.

“Take orders!”

The two guards responded and left quickly.

“If you dare to act wild on my territory, I want to see who you are!” Mu Guanyu murmured to himself with a cold face.

Know yourself and the enemy, and you can fight a hundred battles without danger.

As long as he knows the details of his opponent, he will naturally have a way to deal with him.

...

Lu Chen held Mu Anxiang’s head and walked out of Jade Face Villa openly and honestly.

He knew that such behavior would bring him a lot of trouble, but he couldn’t care about it anymore.

He must use Mu Anxiang’s death to pay homage to Yin Tao’s spirit in heaven.

And not only Mu Anxiang, but everyone involved in this matter will have to pay the price.

After wrapping his head in cloth, Lu Chen drove the car and headed to the Yin Manor again.

At this moment, it’s dusk.

Outside the Yin family manor, white flags were hung.

Yin Tao's death caused a huge sensation in the Yin family, partly because of his identity, and partly because of his interests.

Jade Dew Cream has become a hot commodity, with a steady stream of business. As one of the major shareholders, Yin Tao is undoubtedly a cash cow making money every day.

Now that the money tree suddenly dies, it is a huge blow to the entire Yin family.

The original dream of becoming a wealthy family has now become elusive.

At this moment, in the mourning hall.

A coffin was placed in the middle, facing the door.

In the coffin, Yin Tao lay with a peaceful expression, as if she was asleep.

Yin Quan was lying next to the coffin, crying so hard that all his tears had dried up.

The other members of the Yin family who were present also looked sad and sighed.

The person who was fine yesterday suddenly disappeared today.

It's really hard to accept.

“Brother Quan, people cannot be resurrected after death, so please bear with me and accept the change.”

“Yes, brother Quan, take good care of yourself. Our Yin family still needs you to support us.”

“...”

Everyone in the Yin family who came to express their condolences began to comfort Yin Quan after paying homage to his body.

Yin Quan just nodded lightly without any intention to speak.

When I think about my grief, tears will flow down uncontrollably.

“Hey! White flags are hung all over the house? Who is dead?”

At this time, a mean voice suddenly sounded at the door.

Immediately afterwards, two women came in with a group of people.

It was Wang Zixuan and Feng Miaozihu!

“What are you doing here?!”

Seeing the two of them, Yin Quan couldn't help but darken his face.

“Clan Chief Yin, seeing you crying so sadly, could it be that your daughter is dead?” Feng Miaozihu said angrily.

“Don't say it, it's true.”

Wang Zixuan walked to the coffin and took a look, and couldn't help but sneered: “It's really a beauty's fate. She is so beautiful, but she is short-lived. What a pity.”

As soon as these words came out, the eyes of everyone in the mourning hall swept over.

Chapter 1573

“What did you say?!”

Listening to the strange words of the two people, Yin Quan, who originally thought he was grieving, suddenly became furious.

Seeing that the situation was not going well, the two men around him immediately grabbed him and whispered:

“Brother Quan, these two are both rich and powerful daughters. You must not act recklessly. You can tolerate it as much as you can.”

“Yes, yes, if something happens to them here, our whole family will suffer.”

After hearing these words, Yin Quan took a deep breath and finally endured it.

“Clan Chief Yin, don’t be so excited. Being careful can cause serious harm to your health.”

Wang Zixuan curled up the corners of her mouth, which was true at all.

Today she came well prepared, so she was naturally not afraid of the little Yin family.

“What on earth are you going to do? My daughter is already dead, are you still planning to watch the joke?!” Yin Quan shouted.

“Hey, hey, hey... Chief Yin, don’t talk nonsense. We and Yin Tao love each other as sisters. She died, and we are also very sad.” Wang Zixuan said hypocritically.

“Yes, when we heard the news of Yin Tao’s death, we immediately rushed over to express our condolences, which is enough to prove our sincerity.” Feng Miaozyu echoed.

“The condolences are over now, you can leave.” Yin Quan directly issued an eviction order.

“Clan Chief Yin, don’t worry. We are here to commemorate Yin Tao on the one hand, and on the other hand, we also intend to make a deal with your Yin family.” Wang Zixuan said with a half-smile.

“We are in the middle of a funeral now and are not in the mood to make a deal. Please come back!” Yin Quan said with a cold face, showing no dignity at all.

His daughter is dead, so he has nothing to fear.

“Clan Chief Yin, you’d better listen to our conditions before making a decision, otherwise, you will definitely regret it.” Wang Zixuan held her head high.

“I don’t care what your conditions are, even if it’s a huge business, our Yin family doesn’t care about it!” Yin Quan said solemnly.

My daughter’s body was not yet cold, and after being angry with her, these people came to discuss business in the mourning hall.

He simply didn’t take the Yin family seriously.

“Chief Yin, it concerns the safety of your entire Yin clan, are you sure you don’t want to consider it?”
Wang Zixuan’s face turned cold.

“What did you say?” Yin Quan’s expression changed.

“Your Yin family has offended Prince Mu’s Mansion, don’t you know that?” Wang Zixuan said calmly.

“What do you mean by this?” Yin Quan frowned deeply.

He naturally understood that his daughter’s death was all because of Mu Anxiang.

But the other party’s background is too deep, and he doesn’t even have the courage to take revenge.

Because he is not only a person, but also the entire family to consider. Once he does something drastic, it will only destroy the Yin family.

“Clan Chief Yin, with the energy of Prince Mu’s Palace, it will be very easy to bring down your Yin family. I believe you know this very well.”

Wang Zixuan began to hammer away: “The most important thing is that your daughter, together with Lu Chen, offended Prince Mu’s adopted son, Mu Anxiang. If this grudge is not resolved in time, not only will your daughter die, but your entire family will also die. Disaster!”

As soon as these words came out, the whole place was in an uproar.

Yin Tao died mysteriously, and many people had suspicions, but they were never sure.

Now after hearing Wang Zixuan’s words, they suddenly realized that Yin Tao’s death was due to offending Mu Anxiang.

No wonder Yin Quan has been holding back, not even daring to say a word of revenge.

“It’s bad, it’s bad! I heard that Mu Anxiang will retaliate and his methods are cruel. If we really want to take revenge, wouldn’t we be doomed?”

Chapter 1574

“How could this happen? Why would the Yin family provoke people from Prince Mu’s Mansion?”

Everyone in the Yin family was talking and panicking.

The Yin family is just a second-rate family, how can it compete with such a behemoth as Prince Mu’s palace?

It is no exaggeration to say that as long as Prince Mu’s Mansion is willing, the Yin family can be wiped out overnight!

“What do you want?!” Yin Quan’s face looked a little ugly.

Although I don’t want to admit it, the Yin family is indeed not out of danger yet.

Because the conditions they promised to Mu Anxiang were not fulfilled, even if their daughter was sacrificed, it would still be of no avail.

“Clan Chief Yin, don’t be nervous, we are here to help you get through this difficult time.” Wang Zixuan said with a smile.

“That’s right, we have a deep friendship with Prince Mu’s Mansion. As long as we intercede, your Yin family will definitely have peace of mind.” Old God Feng Miaozyu said calmly.

With her relationship with Li Qingyao, it only takes one sentence to solve the Yin family’s difficulties.

“You and I are neither relatives nor friends, why do you want to help us?” Yin Quan asked in a deep voice.

There is no such thing as a free lunch, so he naturally doesn’t believe that these two people have such bodhisattva-like hearts.

“This brings us back to the deal I just mentioned to you.”

Wang Zixuan smiled and said: “Yulu ointment is produced by your Yin family. I believe that you have the formula and relevant pharmaceutical personnel in your hands. My request is very simple. As long as you give these things to me, I will ensure that your Yin family has no worries.” ,How about it?”

“You’re dreaming!”

Hearing this, Yin Quan refused: “Yulu Cream is my daughter’s hard work, and it is the key to the development and growth of our Yin family. You want to take it away with just a few words. You are simply greedy!”

“Clan Chief Yin, Jade Dew Cream is indeed extremely valuable, but compared to the lives of your entire Yin family, it is not worth mentioning.”

Wang Zixuan continued to hammer and said: “If you think about it carefully, is the Jade Dew Cream more important, or the lives of dozens of members of your Yin family?”

As soon as these words came out, Yin Quan was instantly speechless.

Yes, even though Jade Dew Cream is very precious, it is nothing compared to the safety of the family.

If even the Yin family is wiped out, then what’s the use of this Yulu ointment formula?

The truth is so true, but he is not willing to accept it!

It’s really frustrating to have the relics left behind by my daughter and the hope for the family’s rise to be handed over to others like this.

“Chief Yin, you should be grateful for the lives of all of you Yin family members for using a mere formula of jade dew ointment. You know, others haven’t had this opportunity yet!” Feng Miaozi said condescendingly.

“Brother Quan, why don’t you agree to them? Life is the most important thing.”

“Yes, Brother Quan, if the money is gone, you can make it again. If the people are gone, there is nothing.”

At this moment, many members of the Yin family began to persuade.

They were really afraid of offending Prince Mu’s Mansion and suffering disaster.

“Clan Chief Yin, I will give you three minutes to think about it. If you don’t agree after three minutes, you will be responsible for the consequences!”

Wang Zixuan became impatient and gave the final notice.

In her eyes, the Yin family has no way out, and she can do whatever she wants.

“No need to think about it. Don’t even think about the formula of Jade Dew Cream. Now, get out of here as far as you can!”

At this time, a cold voice suddenly sounded at the door.

Immediately afterwards, Lu Chen walked in quickly, carrying his head wrapped in cloth.

Chapter 1575

“Lu Chen? Why are you here?”

When she saw the person coming, Wang Zixuan couldn't help but frown, and her face immediately turned cold.

Previous experiences have made the two incompatible.

“Lu! Why are you everywhere? What a bad luck!” Feng Miaozyu looked disgusted.

When she visited Yin's Medicine before, not only did she not get any advantage, but she was also punished, which made her always hold a grudge.

“If you two are here because of the formula of Jade Dew Cream, then I advise you to give up.” Lu Chen said coldly.

“Hmph! What are we going to do? It's none of your business? You should think more about yourself!” Wang Zixuan had a stern face.

“That's right! You're already in danger, and you still dare to meddle in others' affairs. Do you think you won't die soon enough?” Feng Miaozyu shouted with eyes wide open.

They knew in their hearts that Yin Tao's death must be related to Mu Anxiang, so they came to take advantage of it.

As for Lu Chen, he is just a fish that slipped through the net. Once Mu Anxiang's people find him, he will definitely die without a complete body.

So now, they don't take each other seriously at all.

“The formula of Jade Dew Cream is the result of the joint efforts of Miss Yin and I. If anyone dares to take it by force, I will never be polite!” Lu Chen warned.

“What? Scaring us?”

Feng Miaozyu curled her lips with disdain on her face: “You are just a little martial artist, what's so big about you? Do you really think you can compete with us? Stop dreaming!”

“Lu Chen, I advise you not to meddle in other people's business, otherwise Yin Tao's today will be your tomorrow!” Wang Zixuan said sternly.

“So, Yin Tao’s death is related to you?”

Lu Chen’s face darkened, and his eyes instantly became murderous.

“Hey! Don’t talk nonsense, we didn’t do anything!”

Feng Miaozyu was inexplicably panicked and quickly denied it.

“Lu Chen, don’t blame me for not giving you a chance. Get out of here right now. I’ll just pretend that nothing happened. If you insist on messing around, then I’ll have to call Mu Anxiang.”

Wang Zixuan suddenly took out her mobile phone and sneered: “To tell you the truth, Mu Anxiang is offering a high price for your head. If he finds him, your ten lives will not be enough to kill him!”

Last time, it was because the little demon girl threatened with poison that Mu Anxiang’s people were temporarily given up.

Now that the situation has changed, Mu Anxiang’s revenge will follow.

“You can try and see if Mu Anxiang will respond to you.” Lu Chen said indifferently.

“Lu Chen, are you really not afraid of death?” Wang Zixuan’s eyes were unkind.

“Of course I’m afraid of death, but I’m afraid you don’t have the ability.” Lu Chen said.

“Zixuan, this guy is too crazy, call Mr. Mu quickly and let him have a taste of his power!” Feng Miaozyu couldn’t help it.

She was just a martial artist, but she didn’t believe that the other party could compete with Prince Mu’s Mansion.

“Arrogant and ignorant! I will definitely make you regret it!”

Wang Zixuan had a sullen face and immediately started making calls.

“Miss Wang, wait!”

When Fourth Uncle Yin saw it, he immediately panicked and quickly stopped him: “We have something to talk about, there is no need to make such an unpleasant scene.”

“Yes, yes. If we have something to sit down and talk about slowly, why would we alarm the people in Prince Mu’s palace?” Many members of the Yin family began to smooth things over.

They don’t care about Lu Chen’s life or death, but they have to consider the safety of the Yin family.

Mu Anxiang is ruthless and cunning, and will retaliate. Once he appears here, the entire Yin family will be in danger.

Yin Tao’s death is the best example.

Chapter 1576

So, they are afraid.

Hearing the Yin family’s pleading, Wang Zixuan’s expression softened, and she said calmly: “I can give you face by not making this call, and I can even help your Yin family resolve the disaster, but again, you must hand over The recipe for Jade Dew Cream.”

“No problem, no problem, we are willing to hand over the formula.” Fourth Uncle Yin nodded repeatedly.

The Yin family’s life is pretty good now, and there is no need to risk the whole family just for a recipe.

“Clan Chief Yin, what do you mean?”

Wang Zixuan turned her eyes and looked at Yin Quan again.

Yin Quan gritted his teeth, hesitated again and again, and finally nodded.

The Wang family and the Feng family obviously came prepared, and with Prince Mu’s palace eyeing them, the Yin family had no choice.

The common man is not guilty, but he is guilty of carrying the jade.

I never thought that such an example would happen to me one day.

“Very good. Those who understand current affairs are heroes. You have made a very correct decision.”

Wang Zixuan smiled with satisfaction.

“Why are you still standing there? Get the formula out quickly.” Feng Miaozi urged.

“Yes Yes Yes.....”

Fourth Uncle Yin nodded repeatedly, then supported Yin Quan and prepared to leave.

“Wait!”

At this time, Lu Chen spoke again: “The formula is the hard work of Yin Tao and I, we cannot leave it to them.”

“Hey! Is that enough? Don’t be so selfish. You are not afraid of death, but please don’t bring trouble to the Yin family.” Wang Zixuan began to sow discord.

“Mr. Lu, just be okay and let us go? We really can’t afford to offend these people. Only by handing over our things can we protect ourselves wisely. Please, don’t hurt us again!” Fourth Uncle Yin clasped his hands together and bowed repeatedly.

“Lu Chen, my daughter is dead. I don’t want more people from the Yin family to die in vain. Please get out of the way!” Yin Quan spoke in a hoarse voice.

“Uncle Yin, this matter happened because of me. I will handle it thoroughly. I promise that nothing will happen to your Yin family.” Lu Chen looked solemn.

“ensure?”

Hearing this, Yin Quan suddenly smiled, with a bit of sadness in his smile: “Lu Chen, Lu Chen, what guarantee do you have? You have no power, how can you fight with these wealthy families? Please stop being so self-righteous. , you have already killed my daughter, are you going to kill my whole family now?!”

The last sentence was completely shouted.

Lu Chen pursed his lips and said with a guilty look on his face: “I am to blame for Yin Tao’s death. I will do my best to make up for it and ensure that you have a worry-free life. This is my promise.”

“I don’t need your promise or compensation. I just ask you to stay away from us and stop harming us!” Yin Quan roared.

“Your surname is Lu! Did you hear that? The Yin family doesn’t welcome you, so get out of here, otherwise don’t blame us for being rude!” Feng Miaozyu said fiercely.

“You’re welcome?”

Lu Chen turned around and said coldly: “What, you still dare to attack me?”

“So what if we do it? We came prepared today!”

Feng Miaozyu said and suddenly made a gesture.

Soon, a group of thugs standing outside the door swarmed in and surrounded Lu Chen.

Everyone is watching eagerly, ready to make a move.

“Lu Chen, I know you have some abilities, but these people are all masters carefully selected by us. I don’t believe you can still defeat them with just a few!”

Feng Miaozyu held her head high, looking aggressive.

Without that little witch, what is a mere warrior?

Chapter 1577

“A bunch of people like this still dare to call themselves masters? I really don’t know where you got the courage.”

Lu Chen glanced left and right, his expression still cold.

“presumptuous!”

“Be bold!”

As soon as these words came out, the thugs started to rebuke angrily, appearing to be particularly dissatisfied.

A young boy who dared to look down on them was a fool of himself.

“Hmph! Shameless!”

Feng Miaozyu snorted coldly and gave the order directly: “Come here! Blow him out!”

“yes!”

Hearing this, the thugs drew their swords one after another and immediately pounced on him.

“roll!”

Lu Chen stepped forward suddenly.

A powerful burst of true energy suddenly burst out.

“boom—!”

As if hit by a car, dozens of thugs were thrown several meters away and fell heavily outside the mourning hall.

One by one, they vomited blood and wailed so loudly that they couldn't even stand up.

“ah?!”

Seeing this scene, everyone was shocked.

The Yin family was stunned, as were Wang Zixuan and Feng Miaozyu.

No one expected that Lu Chen was so strong, and he knocked away more than a dozen masters in just one encounter.

too exaggerated!

“How...how is it possible?!”

Wang Zixuan and Feng Miaozyu looked at each other, dumbfounded and in complete disbelief.

Just in case, when they came to the door this time, they paid a lot of money to hire a group of powerful warriors as thugs.

I thought that these warriors could work together to suppress Lu Chen.

Unexpectedly, he was defeated in one move, which was really unprepared.

How could this guy Lu Chen be so powerful?

“Now, do you still want to take action?”

Lu Chen took two steps forward. Feng Miaozyu was so frightened that he backed away repeatedly. His face turned pale and he said in a trembling voice: “You, you, you... don’t come over! I am the eldest lady of the Feng family. If you dare to touch me, A hair, the Feng family will never let you go!”

“Yeah?”

Lu Chen snorted coldly, raised his hand and slapped Feng Miaozyu hard on the face, saying coldly: “I’m moving now, what can you Feng family do?”

“Do you dare to hit me?”

Feng Miaozyu covered her burning face and said angrily: “You are dead! Lu! I will make you pay the price!”

“cost?”

Lu Chen raised his hand and slapped Feng Miaozyu again, making Feng Miaozyu dizzy, and then said: “I want to see what the price is.”

“you you.....”

Feng Miaozyu’s face was red and swollen, and she was gritting her teeth with hatred.

If she couldn't beat him, she would have to tear Chen Lu into pieces!

“Lu Chen! That's enough!”

At this time, Wang Zixuan finally couldn't stand it anymore and shouted sternly: “If you dare to mess around again, don't blame me for being rude!”

“You're welcome?”

Lu Chen sneered, slapped Wang Zixuan on the face, and asked, “Why are you going to be so rude?”

“Snapped!”

The slap was so hard that Wang Zixuan staggered and almost fell down.

For a while, there was blood coming from the mouth and nose, and his hair was scattered, making him look very embarrassed.

“You... how dare you hit me?”

Wang Zixuan's eyes widened and she couldn't believe it.

“What's wrong with hitting you? I can hit you if I want, what can you do to me?” Lu Chen spoke domineeringly.

At this moment, he no longer planned to hold back.

Whether it is the Feng family or the Wang family, as long as it is related to Yin Tao's death, everyone will have to pay the price.

Chapter 1578

“Lu Chen! You are seeking death!”

Wang Zixuan threatened with a ferocious look: “I order you now to kneel down in front of me and kowtow to apologize. Otherwise, I will call Mu Anxiang and ask him to deal with you personally!”

As soon as these words came out, everyone in the Yin family immediately panicked.

“Lu Chen, Lu Chen! You are in big trouble this time! These two are the daughters of a wealthy family. If you dare to hit them, you are pulling a tooth from the tiger’s mouth!”

“Why are you still standing there? Kowtow quickly and apologize! Otherwise, once Mu Anxiang’s soldiers and horses kill you, you will be dead!”

“You just want to die, why do you want to involve us? Our Yin family has suffered miserably from you!”

Looking at the panicked faces, Wang Zixuan and Feng Miao Zhu became arrogant and high-spirited again.

So what if you can fight? Could it still be possible to defeat Prince Mu’s army?

As soon as Mu Anxiang arrives, even if Lu Chen has extraordinary abilities, he will only be waiting to be killed.

“How’s it going? Are you scared? Kneel down if you’re scared!” Wang Zixuan shouted sternly.

“Afraid?”

Lu Chen looked like an idiot: “Why don’t you try first to see if you can get through on your phone?”

“You think I’m scaring you? Okay! Don’t regret it!”

Wang Zixuan stopped talking nonsense, immediately took out her mobile phone and dialed Mu Anxiang’s number.

As a result, I called several times in a row and never got through.

After changing Feng Miao Zhu’s mobile phone, the result was still the same.

“What? Can’t get through? Do you want to try using my mobile phone?” Lu Chen sneered.

“You...don’t be too proud! Mu Anxiang is busy now and has no time to answer the phone. I have already sent him a message. He will arrive soon. By then, it will be your death. !” Wang Zixuan shouted with a fierce expression.

“No need to wait, Mu Anxiang is already here.” Lu Chen said.

“Are you here? Where are you?”

Hearing this, Wang Zixuan and Feng Miaozyu looked around and began to search.

“Here, here it is.”

Lu Chen gently raised his hand and threw the head he was holding at the feet of the two of them.

The head was wrapped in cloth. After landing on the ground, it rolled a few times and just broke free.

Ever since, a bloody head was clearly displayed in front of everyone.

What a coincidence, Mu Anxiang’s face was facing Wang Zixuan and Feng Miaozyu.

A pair of dead fish eyes, looking up, staring at the two women with big eyes and small eyes.

They looked at each other and were speechless.

“ah?!”

When they saw the severed head, the two women were shocked at first.

However, when they confirmed the identity of the severed head, they felt as if they had been struck by lightning and stood stunned on the spot.

A pair of eyes were as wide as copper bells, and their faces were full of fear.

“How...how is it possible?”

“Mu Anxiang... is actually dead?”

Wang Zixuan and Feng Miaozyu were stunned and couldn’t believe the scene in front of them.

Why did a person who was fine in the morning suddenly die?

Who did it?

Who dares to kill Prince Mu's adopted son?

"Don't you want to call? Come on, talk to him directly."

Lu Chen stepped forward and kicked Mu Anxiang in the head.

"It's...is it you?" Wang Zixuan quickly reacted: "Did you kill Mu Anxiang?"

"Yes, it's me."

Lu Chen said very calmly: "Mu Anxiang has done many evil things and killed Yin Tao. I wish I could kill him a thousand times!"

"You, you, you...are you crazy? How dare you kill Mu Anxiang? He is Prince Mu's adopted son!" Wang Zixuan looked panicked.

"Don't say he is an adopted son, even if he is Prince Mu's biological son, he deserves to die!" Lu Chen said coldly.

"Madman! You madman! You are making an enemy of the entire Prince Mu's Mansion!" Wang Zixuan shouted uncontrollably.

Even though she was well-informed, she was now frightened.

Because Lu Chen doesn't play by common sense at all, he has no scruples at all and can do anything.

This guy is a typical lunatic!

Chapter 1579

"Lu! You are really dead now!"

"By killing Prince Mu's adopted son, you are provoking Prince Mu's Mansion. No matter how big the Dragon Kingdom is, there will be no place for you!"

At this moment, Feng Miao Zhu also roared.

She has always regarded Prince Mu's Mansion as her backer, so she went out of her way to please people like Li Qingyao and Mu Anxiang.

I thought that with the support of these people, she could be domineering.

However, she never dreamed that this guy Lu Chen would actually kill her patron.

This is no longer described as audacious, but completely crazy.

“Dead...dead? Mu Anxiang is actually dead?”

“Lu Chen, Lu Chen! Do you know what you did? This time we were really hurt by you!”

After a brief period of shock, everyone in the Yin family howled.

Once Mu Anxiang dies, things will get into a big mess. Once the Mu Prince's Palace investigates him, the entire Yin family will suffer disaster!

“Everyone is responsible for what he does. I killed Mu Anxiang with my own hands. I will bear all the consequences.” Lu Chen said calmly.

“Bear it? Can you afford it?”

Fourth Uncle Yin shouted angrily: “That is the royal family of Yanjing, a being that covers the sky with one hand. Why do you contend with such a behemoth? You just want to die, why do you want to involve us? You, you, you... ..You are such a disaster!”

“That's right! Our Yin family just wants to put an end to the trouble. Now you have killed Mu Anxiang and brought his head to the Yin family. You are pushing us into the fire pit. What are you thinking about?!” Everyone They all denounced angrily.

Mu Anxiang and the Yin family already had some grudges. If Lu Chen didn't mention it today, they would still have room for explanation.

Now, even if you jump into the Yellow River, you won't be able to wash yourself away.

“Lu Chen! You are already in great danger. If you don’t want to implicate innocent people, come back to Prince Mu’s Mansion immediately with us to plead guilty!” Wang Zixuan shouted sternly.

Although Mu Anxiang’s death had nothing to do with her, it would be a great achievement if Lu Chen could be tied to Prince Mu’s Mansion.

“Mr. Lu! You just said that one person is responsible for the work. I am ordering you to arrest him immediately!” Feng Miaozi shouted.

A stinky loser who dares to kill top dignitaries is really asking for his own destruction.

“It seems you haven’t figured out the situation yet.”

Lu Chen said indifferently: “I did kill Mu Anxiang, but that doesn’t mean that I will choose to apologize for his death.”

“Aren’t you afraid of the revenge of Prince Mu’s Mansion?” Wang Zixuan asked.

“What do you think?” Chase Lu asked.

One sentence made Wang Zixuan and the two speechless.

Yes, if the other party was afraid of revenge, how could he kill Mu Anxiang.

The guy in front of me is a complete lunatic.

“Also, there is one more thing.”

Lu Chen said with an indifferent expression: “You two are colluding with Mu Anxiang, and you are not a good person. You must bear part of the responsibility for Yin Tao’s death.

I now give you two choices: first, kneel in front of Yin Tao’s mourning hall for three days, confess your sins, and then donate half of your family property to compensate for the losses of the Yin family...”

Before she finished speaking, Wang Zixuan refused: “You’re dreaming! Is Yin Tao’s life or death none of our business? Stop messing around here!”

“That’s right! Not to mention donating half of the family property, even if you ask me to burn a stick of incense or kowtow, it’s impossible!” Feng Miao Zhu shouted with eyes wide.

How could a bitch from a second-rate family afford her kneeling down?

“If you don’t agree, then there is only the second option.”

Chapter 1580

Lu Chen said expressionlessly: “I will use all my means and connections to completely destroy your Wang family and Feng family!”

“The family is ruined? What a joke!”

Hearing this, Wang Zixuan sneered: “Lu Chen, Lu Chen, who do you think you are? You’re just a barefoot doctor. How can you dare to challenge the two giants?”

“That’s right! You are already in trouble, and you still dare to threaten us? To tell you the truth, I have just secretly informed the people of Prince Mu’s Mansion. When the soldiers and horses of Prince Mu’s Mansion arrive, you will not be able to escape!” Feng Miao Zhu! shouted.

In their eyes, Lu Chen was already a dead man, and now he was just lingering on.

“I have given you a chance, but you don’t cherish it. In this case, don’t blame me for being cruel.”

After Lu Chen finished speaking, he immediately took out his mobile phone and sent several text messages.

All the connections in Yanjing were basically used.

He would make the Feng family and Wang family pay a heavy price.

“Pretentious!”

Wang Zixuan snorted coldly: “You think you can scare us by sending a few messages? How ridiculous! I have never seen any big winds or waves, so why should I be afraid of your little threat?”

“If you don’t believe in evil, then we will wait and see.” Lu Chen did not explain much.

Talking a thousand words and ten thousand words are not as effective as actual actions.

“Okay! I want to see who is unlucky today!” Wang Zixuan was not afraid at all.

“Lu! If you have the guts, don’t run away. The troops from Prince Mu’s Palace will be here soon. Let me see if you dare to be so arrogant!” Feng Miaozyu said sternly.

As soon as he finished speaking, a heavily armed convoy suddenly broke into the Yin family manor.

This convoy is all military jeeps, full of people, all loaded with guns and ammunition, and full of murderous atmosphere.

On the vehicle at the front, there is also a big yellow flag with a word embroidered on it – Mu!

“It’s coming, it’s coming! Prince Mu’s troops have finally arrived!”

Seeing this scene, Feng Miaozyu instantly looked overjoyed.

It was not in vain that she sent the message secretly, the people in Prince Mu’s Mansion were indeed very fast.

“Lu Chen, your death is coming, now we have won!” Wang Zixuan laughed proudly.

She admitted that Lu Chen was very good at fighting. He was really awesome at defeating more than a dozen martial arts masters by himself.

However, no matter how good or powerful a person is, he cannot stop the army.

Dozens of heavily armed elite soldiers, coupled with super firepower, even if Lu Chen has extraordinary abilities, as long as he dares to resist, he will be shot into a hornet’s nest immediately!

This is reality, this is power, this is an existence that ordinary people cannot compete with!

“It’s over, it’s over, it’s all over now!”

“Lu Chen, Lu Chen! You, this disaster star, have really caused us misery!”

When they saw the soldiers and horses of Prince Mu's Mansion, everyone in the Yin family panicked and wailed.

Mu Anxiang's head was still lying on the ground.

If people from Prince Mu's Mansion saw it, they wouldn't be able to explain it even if they had a hundred mouths.

“Lu! Weren't you crazy just now? Let's see how you die now!”

Feng Miao Zhu sneered again and again, with an expression of gloating.

She seemed to have seen the scene where Lu Chen was cut into pieces.
