I am a quadrillionaire chapter 2536-Egan was overjoyed.

It was finally starting.

Hurry up and fight!

It would be better if things got serious and David was killed.

Then, this would not be the Campbell family's responsibility.

"You9 Dinosaur, it's not that I look down on you, but you are too weak compared to me. You want to teach me a lesson? Go back and practice tens of thousands of epochs!"

David was still as arrogant as ever. He was not paying attention to Agatha's threat at all.

Of course, he was qualified to do so.

If he released his Ancient Level 10 soul power, he could rip a few holes in The Spirit Cage's sky, let alone the real world.

How far was a partial Overlord from a partial Heavenly Overlord?

In David's eyes, Agatha was just a slightly stronger ant.

It did not matter if it was the real world or The Spirit Cage, no matter how strong an ant was, it was still an ant.

"Hmph, you rude brat! I want to see what you are capable of since you dare to talk to me like that."

Agatha was burning with rage.

She raised her cane and stomped it down heavily.

Boom!

A huge force spread out.

This time, the power was much greater than the previous two.

The people around were shocked by this force and kept retreating.

Boom!

Even the solid gates and walls of the mayor's residence collapsed with a bang, stirring up clouds of dust and ashes.

After a while, the dust and smoke dispersed, and everyone was forced to retreat a large distance.

Salem and others had already retreated into the mayor's mansion.

There was only one person at the scene who had not moved and it was David.

He was holding a little girl of seven to eight years old and standing where he was.

Agatha's powerful force did not do anything to him at all.

At this moment, anyone could tell that David had the right to be arrogant, and it was no wonder he dared to say those things.

However, this was just the start.

Everyone was concentrating their attention on the two people at the scene.

No, that would be three people.

David was still holding a little girl in his arms.

What was going to happen next was the real climax.

"David, hand Pebbles to me. As long as I'm still alive, she'll be fine," Salem yelled.

He was worried that David's combat would be affected while he was holding Pebbles.

Now, he was on the same battlefield with David.

David did not say anything before the little girl in his arms started throwing a tantrum.

“No! I want to stay with Davey! I want to sleep in Davey’s arms!”

“Pebbles, come on. Come to me. Davey has to fight in a bit. You will affect him like this. It will be very bad if he loses,” Salem started urging.

“No! Davey won’t lose. I am confident in him,” the little girl pouted and said.

Salem wanted to continue but David said, “Mayor Salem, don’t worry. It’s just a mere partial Overlord. She can’t hurt me even if I stand here and not move.”
