

LET ME SEE THE REAL YOU

Chapter 14

Mu Yangyang looked at “Mo Zhenxuan” who stood there gloomily. Then, she widened her eyes in shock as she realized that his hand was bleeding.

“You...”

Well, I didn't put anything weird in the food. What's wrong? Why did he hurt himself?

Mo Chenhao had chosen to ignore her. Just as he was about to leave, his phone rang.

He looked at the unfamiliar number on his phone and rejected the call.

Then, he looked at Mu Yangyang and said, “Let's go in.”

His voice was low and deep. It even had a hint of gloominess.

Mu Yangyang soon realized how scary “Mo Zhenxuan” was, so she quietly went in. Just as she was about to close the door, she contemplated if she should just leave him outside.

Just then, Mo Chenhao's phone rang again.

Only that this time, it was not an unfamiliar number. It was someone called “Shi Ye”.

He did not hesitate in picking up the call, nor did he mind that Mu Yangyang was right beside him. He simply asked, “What does he want?”

Shi Ye on the other end simply said, “He wants you to bring his daughter-in-law home for dinner tonight.”

“Hah!” Mo Chenhao sneered. “You can just ignore his calls next time.”

Shi Ye agreed, “Okay, he's not the one who pays me anyway.”

After he hung up the phone, Mo Chenhao looked up and saw that Mu Yangyang was still standing at the doorway.

“Were you eavesdropping?”

Mu Yangyang hurriedly shook her head.

“No.”

She sensed that she should not cross “Mo Zhenxuan” right now.

“Well, what are you doing still standing there?” Mo

Chenhao said and took a step forward to look from atop her head. His tone was suggestive as he said, "Or have you thought it through and decided you're better off with me rather than my cousin?"

When Mu Yangyang heard his words, she turned around and slammed the door in his face without hesitation.

Mo Chenhao looked at the closed door with no signs of emotions in his eyes.

Before this, he had to extend his stay for an extra two days because he had to search for the men who were chasing after him.

And since they were no longer here, he had no need to continue staying at Mu Yangyang's place.

This newly-wed wife was smart and kind enough, so

she would not be in the way of his plans for now. Thus, he did not plan to bother her any further.

At the alley, Mo Chenhao saw Shi Ye who was waiting for him there.

When Shi Ye saw Mo Chenhao, he walked over. There was a barely noticeable hint of concern on his chiseled face.

“Boss, how are you?”

Mo Chenhao waved his hand and pushed away Shi Ye's hand, which had been reaching out to support him.

“I'm fine.”

Shi Ye opened the car door for him. He entered the car and rested his head on the headrest. His tone was

indifferent as he said, “Shi Ye, has he been calling you for the past few days?”

Shi Ye knew whom Mo Chenhao was talking about. Thus, he nodded and answered, “Mr. Mo said that you have blocked his number, so he changed to a new one. But you still didn't pick up, so he called me instead.”

“Okay.” This was not the first time anyway.

“Before you came, Mr. Mo called to say that if you did not bring your wife back home for dinner, he'll invite her himself.”

Father was going to call that woman himself and ask her to have dinner with the Mo family?

After a long while, Shi Ye finally heard Mo Chenhao's reply.

“Let him be.”

Meanwhile, Mu Yangyang returned to her room to finish her food. Just as she was about to clean up, she heard her phone ring.

It was an unfamiliar number.

She hesitated for a while, but since it had been ringing for quite some time now, she thought that it could not have been a prank call.

“Hello, this is Mu Yangyang.”

“I'm Mo Chenhao's father, Mo Qingfeng.”
