

LET ME SEE THE REAL YOU

Chapter 18

His words startled Mu Yangyang for a second. Then she adjusted her glasses and replied flatly, “Oh.”

She knew that Mo Chenhao hated her.

So when Mo Chenhao had voiced out so directly about her looks, she did not feel upset nor angry.

“If there's nothing else, I'll be leaving,” Mu Yangyang said.

Mo Chenhao remained silent after that, so she turned and left.

The moment the door closed, Mo Chenhao turned his chair around and stared at the door.

Hah. This ugly woman is... definitely a surprise.

Since it was still early, Mu Yangyang had not planned to hit the sack yet.

She sat on the couch in the living room and turned on the television.

For some reason, there was an inexplicable joy within her heart.

Although Mo Chenhao hated her, he was still willing to meet with her. Besides, he did not really put her in a difficult position.

And just because of this, he was already much better than all those in the Mu family.

After a while, a whistling sound came from behind her.

Mu Yangyang turned around to see “Mo Zhenxuan” walking towards her casually.

She widened her eyes. Why is he here?

Mo Chenhao looked at her expression smugly. He winked and smiled at her playfully.

“Sister in law, it's only been half a day since we last met. Have you forgotten who I am?”

She looked at “Mo Zhenxuan” warily.

“What are you doing here?”

“My mother is my cousin's aunt. So it's natural to just stay at my cousin's house for a few days. Is there anything wrong with it?” Mo Chenhao said as he walked closer to Mu Yangyang.

“Mo Zhenxuan” was staying in Mo Chenhao's house. Of course, there's not a problem with it.

The problem was her.

She could not pretend that “Mo Zhenxuan” had done nothing to her. Now that Mo Chenhao was in the villa, she had no doubts that “Mo Zhenxuan” would do something ridiculous. That was his impudent style.

Mu Yangyang did not want him to have any chances to do something ridiculous, so she dismissively said, “Nothing.”

Then she stood up and went upstairs.

However, she had underestimated how shameless “Mo Zhenxuan” could be.

Just as she was just about to leave, he grabbed her

wrist and stroke it with his thumb teasingly. Then he leaned close to her ear and whispered, “I haven't had my dinner. Sister-in-law, do you want to watch me starve? I'm still injured.”

Too many things had happened tonight, and Mu Yangyang had nearly forgotten that “Mo Zhenxuan” was still injured.

Mo Chenhao deliberately patted her head and inched in even closer. His lips had almost touched her earlobes as he said,

“Make me some food. I'll be waiting here.”

Mu Yangyang stiffened and was about to push him away. Just then, she saw Shi Ye coming down the stairs, so she shoved “Mo Zhenxuan” away anxiously.

“Mo Zhenxuan” did not get angry. Instead, he said

with a smile, “Sister-in-law, do hurry. I'm starving.”

Shi Ye, on one side, looked at Mo Chenhao, and his mouth twitched. Then, he turned his head away.

Mo Chenhao raised a brow as he looked at Shi Ye.

“What's with your face?”

“Nothing...” Sigh.. such a childish boss.

Did he really have to pretend to be his own cousin to tease his wife? Was he looking for some forbidden pleasure?

He immediately dismissed this thought in the next second.

In the years that he had been under Mo Chenhao, he had never seen him looked at any woman like that.

Ma'am was far from being a beauty, but... Boss seemed to be treating her unusually well.
