An Understated Dominance by Marina Chapter 1920

Chapter 1920

Facing the threat in Ye Xin's eyes, Dustin didn't take it seriously at all.

If someone hadn't stopped him just now, this guy would have been looking for teeth everywhere.

After driving away a few flies, Qiao Yi continued to drink and eat meat.

Shi Hao and the disciples of the Golden Knife Sect did not dare to make any loud noise anymore and found a seat nearby to sit down.

Margaret stood up and walked forward, clasped his fists at Shi Hao, and said politely: "Everyone, thank you for rescuing the siege." "It's just a little

effort, it's nothing."

Shi Hao waved his hand and said carelessly. : "I hate those guys who bully the weak the most in my life. The purpose of our Golden Blade Sect is to draw our swords to help when there is injustice on the road!" "The Golden Sword Sect is indeed well-

deserved. Everyone in it is a chivalrous person. If you don't dislike them, You might as well share a table with us and have a few drinks together, I happen to have a few bottles of fine wine." Margaret took the initiative to invite.

"It's better to meet by chance than to invite, so I won't be polite."

Hearing that there was wine, Shi Hao couldn't help but his eyes widened, and he immediately ordered several juniors to put the two tables together.

"Uncle Wang, ask the cook to serve some more dishes and get a few more bottles of wine."

After sitting down, Margaret gave another instruction to the servant.

"Yes."

Servant Uncle Wang responded and left quickly.

In a short time, delicious wine and delicious food were served on the table.

Shi Hao was not polite and took the lead in pouring a glass of wine and drank it all in one gulp.

"It's really a good wine!" After drinking a glass of wine, Shi Hao immediately showed an intoxicated expression, licked his mouth and tasted it: "This wine, if I guessed correctly, must have been aged for hundreds of years, right?" He asked himself that he had drunk countless drinks and tasted all kinds of wine

. It was a fine wine, but this was the first time he had tasted such a fragrant wine.

The fifty-year-old wine I drank from Master last time was not nearly as delicious as it is today.

"It seems that the hero is also a person who knows how to drink." Margaret smiled noncommittally.

It is a royal wine, and it is also a treasure. Naturally, ordinary people cannot drink it.

"What's wrong with being a hero? My name is Shi Hao. If you think highly of me, just call me Brother Shi!" Shi Hao said boldly.

"Brother Shi, my name is Margaret, and this is my friend, Dustin." Margaret briefly introduced.

"This brother has a temper that I like very much. Faced with the oppression of the Feixue Sect, he was not afraid of power and fought back. He can be called a hero. Come on, let me toast you!" Shi Hao picked up the wine glass and raised it to Dustin. Lift.

Looking at the entire southwest region, there are not many people who dare to challenge the Feixue Sect.

Regardless of the opponent's strength, at least his courage is not bad.

"Compared with Brother Shi, I'm still a little behind." Dustin raised his glass in return.

"For those of us who practice martial arts, it is important that one has the same temperament and the two of you are destined to me. If you encounter any trouble in the future, just come to me and I will definitely help you!" Shi Hao promised, patting his chest.

"Thank you so much, Brother Shi."
