An Understated Dominance by Marina Chapter 1943

Chapter 1943

Dustin's repeated rejections made him somewhat dissatisfied, but he was also a proud and arrogant person and would not stalk anyone.

He believed that if it came to a life-and-death moment, Dustin would definitely compromise.

"You guys, don't be stunned, hurry up and help your senior brother."

Dustin turned his head and looked at several Golden Knife Sect disciples, reminding him.

At this moment, Kevin Snow was fighting back and forth with the crazy Alexis Walters.

However, with the consumption of energy, Kevin Snow's speed and strength have obviously slowed down. On the other hand, Alexis Walters is still working hard and tirelessly.

If the fight continues like this, Kevin Snow will lose sooner or later.

"Quick! Support Senior Brother!"

Several Golden Blade Sect disciples looked at each other, quickly drew their swords and rushed forward.

"Wait! Use this!"

At this time, Margaret suddenly took out a golden rope and threw it to a disciple of the Golden Blade Sect.

This golden rope is extremely tough, with a faint light flowing on its surface, and it looks extremely extraordinary.

"Huh?"

After seeing the golden rope, Billy Ruso couldn't help but shrink his pupils and said in surprise: "Little girl, this thing...could it be a trapped dragon rope?" "

Senior Ruso has a good eye."Margaret nodded. , did not deny it.

"What? Trapped Dragon Rope?!"

Hearing this, several Golden Blade Sect disciples looked shocked.

Any warrior with some knowledge will understand the value of trapped dragon rope.

This is a famous treasure in the world, very rare.

It is invulnerable to swords, invulnerable to water and fire, and extremely tough. Even if a martial arts master is trapped, he cannot break free.

It's just that the trapped dragon rope is too rare. Looking at the entire world, there are only a handful of them.

And the owners are all top sects. They really didn't expect that an unknown woman would have such a treasure.

What is the origin of the other party?

"Stop looking, it's important to help your senior brother." Margaret urged.

"Oh, yes, yes..."

Several disciples of the Golden Blade Sect woke up from a dream, and they did not dare to hesitate at the moment. They immediately rushed forward with the trapping dragon rope and quickly tied up the frantic Alexis Walters Wuhua.

Although Alexis Walters was extremely powerful, he had no ability to resist in front of the trapped dragon rope that could tie up the Grand Master.

After being tied up, no matter how hard he struggled or howled, it was all to no avail.

"Hang him up!"

The disciples of the Golden Knife Sect worked together and hung Alexis Walters directly on the tree, leaving him unable to move without any support.

“What a danger!”

Seeing this scene, Kevin Snow couldn't help but let out a long sigh of relief.

He already clearly felt that his strength was exhausted. If he continued to fight, his life would probably be in danger.

“Roar! Roar! Roar!”

Alexis Walters, hanging in the air, kept struggling and roaring.

The veins on his face protruded, his physique increased again, and the muscles all over his body were stretched to the extreme.

Cracks spread all over the body.

At first glance, it looks like an inflated ball.

“No! He's going to self-destruct! Get out of the way!”

Kevin Snow's expression changed and he quickly pulled the Golden Sword Sect disciple back.

However, only halfway back, there was a loud “bang” sound, and Alexis Walters's body suddenly exploded.

A terrifying energy wave, centered on the explosion point, swept away in all directions.

Wherever it passes, the hurricane roars and the dust is flying, like a landslide and a tsunami, it is unstoppable.
