

Married at First Sight Chapter 2724-Liberty added: "If you eat the food Shiloh sent upstairs, something will happen. Who do you think planned it? Shiloh? Or Holden himself? No matter who did it, this move is vicious and cruel."

After Liberty finished speaking, she thought about it and smiled to herself. "Compared to people like them, I am neither vicious nor cruel."

If the superiors needed to use such means, Liberty really couldn't do it. She would rather give up the position of head of the Farrell family to Kathryn.

Hayden said thoughtfully, "It can't be them, nor can it be Mrs. Farrell, and they can't suspect us. After all, we have been walking under the eyes of Mrs. Farrell the whole time. Her tribesmen, I'm afraid, don't have the courage.

Unless it's Kathryn. Kathryn has such skill and courage. But based on my understanding of Kathryn, she is a person with three upright views and will not use such despicable methods to deal with Shiloh. Holden is still her biological father. As for her biological father, even though she doesn't have a father-daughter relationship, she won't do that."

Liberty nodded. "I don't think it's Kathryn either. I haven't had much contact with Kathryn, so I don't think she is that kind of person. If she wanted to use dirty tricks, she would have done it long ago. There is no need to wait until tonight."

Hayden: "Yes."

Liberty said, "The members of the Farrell family also saw that scene. Although they ran very fast, Mrs. Farrell was in anger and might not be able to see clearly who they were. However, they were worried that if Mrs. Farrell saw them, they would be punished."

Liberty remembered the appearance of those people.

Hayden hummed, "Mrs. Farrell has a vicious personality, and the family's ugliness must not be made public. If those people are not seen clearly, they still have a way to survive. Once they are seen clearly, they may not have a way to survive. Sister Liberty, do you remember what they look like?"

Liberty: "remember."

Hayden: "Then you arrange for people to keep an eye on them secretly. If they are retaliated by Mrs. Farrell, when they are at their most desperate, you lead people to rescue them, and you can easily win them over."

Hayden was born and raised in Jensburg and knew the Farrell family better than Liberty.

Hayden said: "The people who can appear at the banquet tonight are all capable members of the Farrell family. The closer they are to Mrs. Farrell, the more capable they are and the more status they have in the clan. Sister Liberty, you can win over them secretly."

Sister Liberty, you're a descendant of the previous head of the family. With such qualifications, they will easily gravitate towards you."

Liberty nodded repeatedly and said, "Hayden, thank you."

Hayden smiled and said, "From now on, we are one family. If I can help you, I will definitely help you."

This trip tonight would make it impossible for her to get away with it.

Even if she didn't come here, in the eyes of others, she was still on Liberty's side.

She and Kevin were already a couple.

"The three young ladies of the Farrell family!" Liberty said it suddenly. "Hayden, do you think they will be the three young ladies of the Farrell family?"

Hayden thought for a while and said, "It's hard to say. They used to be very good with Shiloh. Before Kathryn came back, they were extremely flattering to Shiloh. After Kathryn came back, they still surrounded Shiloh."

It's not news that the Farrell family prefers Shiloh.

"Some time ago, it was revealed that the three young masters of the Farrell family all had mistresses outside. Their wives had a lot of trouble with them. I heard that their relationship with Shiloh also broke down. Shiloh had long known about her three brothers' cheating. She helped her brothers hide it and offended three sisters-in-law at once."

When husband and wife quarreled, Shiloh would sidestep the argument and always take her brother's side. Her three sisters-in-law would resent her and want to take revenge on her. It makes sense."

Hayden still analyzed, "They had the motivation to do it, but how did they do it?"
