I am a quadrillionarire chapter 2781-At this time, Elora had regained her manner of an Overlord while wearing her armor.

She heard the entire conversation between David and Lu an.

She saw Sylvio and the others arriving, so she was about to speak.

Unexpectedly, Sylvio did not give her a chance.

"Sylvio, but..." Elora looked into the void worriedly.

That was the direction David and Lu an had just left.

"It's ne! David lured Lu an away to create time for us. We will only affect his

battle with Lu an if we stay. We cannot participate in a battle of this level at all,

so we can only stay away from the battle eld and let David ght without

restraints," Sylvio said hurriedly.

Although restored, she did not have the strength to participate in the battle. It

"Okay! Let's go then!" Elora thought for a while and agreed.

was a battle not even Sylvio could partake in.

The four left quickly.

Boom!

"Elora, go!"

Immediately afterward, a huge force swept through the void.

They looked at each other, shocked beyond words.

ashes by this force.

The planet where Elora and others were just now was instantly turned into

Sylvio and the others felt the horror from the shockwave of the battle.

A deafening sound could be heard.

Fortunately, David had lured Lu an away so that they could escape quickly.

If they were too close, the consequences would have been serious.

On the battle eld, the battle between David and Lu an had just begun.

The loud noise just now was a blow with all Lu an's strength after he went

It was so immensely powerful.

One could see just how powerful it was.

One blow immediately destroyed a third of David's clones.

berserk, and it was also a blow to vent his anger.

went berserk.

There was a huge difference in strength between Lu an before and after he

Before going berserk, it took him time to destroy twenty clones.

Now, just one blow suf ced.

However, Lu an could not do an attack of this magnitude just because he

He needed a certain amount of time to accumulate the energy before he could

release it.

Otherwise, he would attack a few times in a row. By then, it would be useless

even if David had a hundred clones.

his injuries.

Of course, David would not allow Lu an to use more powerful attacks.

ght Lu an, he summoned more

ght Lu an from far away.

Moreover, it was a big burden on Lu an's body, which had not recovered from

clones to II the empty positions.

While controlling the remaining clones to

wanted to.

He wanted to wait until Elora and the others were gone before giving Lu an the

At the same time, he was also paying attention to the time in his head.

ultimate blow, the partial Heavenly Overlord clones' self-destruction.

However, he would have to wait a while.

The self-destruction of dozens of clones was no joke.

It was de nitely much more powerful than Lu an's blow.

Boom! Boom!

He did not dare let Lu an get close to his body.

David's main form was controlling the clones to

Now was the time to hone your combat experience.

Lu an was a Heavenly Overlord, so it would be easy for him to kill David immediately.

Fortunately, after Lu an went berserk, he seemed unable to think rationally

Once his main form died, his clones would naturally dissipate.

pieces.

Instead, he would just ght tirelessly and tear the enemy in front of him into

This gave David a chance to hone his skills.

David swung the Evil-Splitting Sword he was holding, and a red sword force

about any strategies.

hundreds of kilometers long slashed towards Lu an in the distance.
