I am a quadrillionarire chapter 2792-They lived up to their names, indeed.

"David, I underestimated you! I thought that a mere partial Heavenly Overlord could not do anything to me, but unexpectedly, I was met with unexpected failure. David, you can be regarded as the strongest partial Heavenly Overlord even in the entire universe," Lu an sighed.

After his body was severely damaged, Lu an calmed down.

If he continued to rage, his body would be crippled.

'Thank you! To be honest, Lu an, I actually didn't expect you to force me to use all my trump cards. Although you are a Heavenly Overlord, you are just a beginner. According to my expectations, you should not be able to withstand the

selfdetonation of my clones. In the end, not only did you survive, but you still have some strength left. I can't underestimate a Heavenly Overlord. This also reminded me that I must not be arrogant in the future. Otherwise, I might get

He was only one million lavish points short of improving his Body.

With David's current strength and identity, people would swarm over to bring him treasures if he said the word.

When he paid them, he would have all the lavish points he wanted.

He could have done this back then, but David was not that bothered by Lu an.

He thought that since Lu an was just a beginner Heavenly Overlord, his partial

Heavenly Overlord strength and Level 6 Cloning were enough.

That was how Lu an got a second chance.

Otherwise, this battle would not have been so dif cult if David paid more

At the end of the day, David was a little too proud.

It had been smooth sailing for him the entire time, and he had not experienced any setbacks.
