

An Understated Dominance by Marina Chapter 1975

An Understated Dominance by Marina Chapter 1975

Chapter 1975

Kevin Snow and his party rushed over following the sound. As soon as they arrived at the location, they saw Lily Zhang surrounded by members of the Illusion Sea Alliance.

The previous Yuanyang Sect disciples had fallen into a pool of blood, leaving only Lily Zhang struggling to hold on.

She was already injured and consumed a lot. Once she was surrounded, one could imagine her fate.

“Brothers! This girl is as beautiful as a flower. It would be a pity to kill her. Let me catch the ones alive. We can have a good time today!” A man in the lead yelled, his eyes shining, staring at her. Lily’s slim figure.

“No problem!”

A group of members of the Illusion Sea Alliance smiled ferociously, with evil intentions on their faces.

The eldest sister of Yuanyangmen is a famous beauty in the world.

If they can taste it, it’s not worth risking their lives to come here.

“Shameless people! I’ll kill you!”

Lily Zhang became angry with shame and waved the Yuanyang knife up and down in a deadly move.

But at this moment, she was alone and exhausted, unable to break out, and could only be teased and toyed with.

“Hahaha... keep struggling. The more you struggle, the more excited I am!”

“Come on! Come over here!”

The leading man teased her with his moves and words.

From time to time, he would cut a small or medium wound on Lily Zhang's body to consume her.

He has been in the Fantasy Sea League for many years and has played with many women, but roses with thorns like this are very rare.

I finally got the chance, so I have to have fun no matter what I say today.

"Beasts! You are seeking death!"

Seeing his fiancée being played with, Kevin Snow, who had just arrived, was instantly furious.

"Senior Brother Kevin! Save me!"

Seeing Kevin Snow, Lily Zhang seemed to have seen a savior, her face lit up and she quickly shouted for help.

"Damn it! It's you who's in the way again!"

The leading man spat on the ground and shouted with a gloomy face: "Elder Huang didn't kill you, so let me take care of you now. Brothers, kill him with me. This kid!"

As he said this, he waved his hand and immediately led a group of Illusion Sea Alliance members to kill him.

"Boom, boom, boom, boom, boom..."

At this moment, a large number of crossbow arrows ejected from a distance, passed Kevin Snow and several others, and accurately shot at the members of the Illusion Sea Alliance.

For a moment, the members of the Illusion Sea Alliance screamed repeatedly.

Some were seriously injured and fell to the ground, and some died on the spot.

In just one salvo, nearly half of the members of the Phantom Sea Alliance were killed.

“F*ck! What’s going on? Where did the hidden arrow come from?” The leading man was shocked and angry.

“Hall Master, could it be that reinforcements from the Golden Blade Sect have arrived?” One person was panicking.

“Reinforcements?” The leading man’s expression changed and he said hurriedly: “No! Escape quickly!”

Only then did he finally realize why Kevin Snow and others were not dead, but instead broke out of the encirclement and rushed over to help.

It turns out that there are other forces secretly helping.

“Evacuate! Evacuate quickly!”

Looking at the corpses on the ground, the remaining members of the Illusion Sea Alliance did not dare to hesitate, turned around and ran away.

“Boom, boom, boom...”

There was another volley in the distance, and a large number of crossbow arrows hit the members of the Illusion Sea Alliance directly like a violent storm.

“Ah~!”

“Ah~!”

Screams kept coming.

Except for the leading man, who had outstanding strength and blocked all the crossbow arrows, the other members of the Illusion Sea Alliance fell in a pool of blood.

“Damn it! You dare to kill our members of the Illusion Sea Alliance? Just wait for me, this matter is not over today!” Kevin Snow said a cruel word with a ferocious expression, and sped up to escape.

“Senior Brother Kevin! Don’t let him escape!” Lily Zhang shouted immediately.

“Dog thief! Where to escape!”

Kevin Snow didn’t even think about it. He immediately picked up the knife and chased after him, fighting with Kevin Snow.

As the leader of the Fantasy Sea Alliance, the leading man was quite powerful, but compared to Kevin Snow , a talented warrior from the Golden Sword Sect, he was still a little behind.

After the two fought for dozens of moves, Kevin Snow finally knocked the leading man to the ground despite the risk of being stabbed in his arm.

Then he put a long knife against his neck to prevent him from moving.

“Hero! Don’t... don’t kill me. I know I was wrong. I have an eighty-year-old wife and a newborn baby. Please be patient and spare my life. I promise to do it again in the future. Be a man!”the leading man panicked and began to beg for mercy.

“Hmph! If I had known this today, why bother!” Kevin Snow said with a cold face.

“I am in a world where I have no choice but to do what I want. I am also forced to do nothing!”the leading man begged with a sad face: “Hero! As long as you let me live, I can give you all the treasures I got!”

Just when Kevin Snow was about to say something, he saw a flash of light, and a long knife suddenly pierced the leading man’s chest.

The person who took action was none other than Lily Zhang!

“Senior Brother Kevin! Why are you talking so much nonsense to him? Just kill a shameless person like this!” Lily Zhang had a cold face, as if she still wasn’t relieved, and stabbed the leading man a few more times until he completely stopped moving.

Kevin Snow frowned slightly, but didn’t say anything. The members of the Fantasy Sea Alliance did evil and deserved to die.

“Senior Brother Kevin, thank you. Thanks to your timely action just now, otherwise I would have been in danger.” Lily Zhang took back the knife and smiled gratefully at Kevin Snow.

I have to admit that Lily Zhang is very beautiful and has an excellent temperament. With such a simple smile, Kevin Snow previous unhappiness completely disappeared.

“It’s nothing, it’s just a little effort.” Kevin Snow smiled.

“Hmph! Senior Sister Zhang, our senior brother risked his life and came to rescue you. It would be better for you to escape alone without saying hello. Is it appropriate?” A disciple of the Golden Blade Sect said with a cold face.

Although the others did not speak, their expressions were not very good. It was obvious that they were all very unhappy with Lily Zhang’s behavior of crossing the river and demolishing the bridge just now.

“Don’t get me wrong, I just retreated early because I was exhausted and unable to help. If I stayed there, I would become a burden to you. In order not to distract you, I reluctantly left. I have no other meaning.” Lily Zhang looked upright and awe-inspiring.

“So? We still have to thank you?” the disciple of the Golden Blade Sect said in a strange tone.

“Junior brother, what you said is serious. Golden Blade Sect and Yuanyang Sect have always been on good terms. We help each other, as it should be. If I do anything wrong, please forgive me.” Lily Zhang bowed deeply, looking very sincere.

“You...”

The Golden Blade Sect disciple was about to speak, but was interrupted by Kevin Snow raising his hand: “Okay! What’s in the past is in the past, as long as Lily is fine.”

“Thank you, Senior Brother Kevin, for your understanding!” Lily Zhang smiled slightly. She nodded and saluted, with a look of tears of gratitude.

Just when she lowered her head, a smile flashed across her lips.
