An Understated Dominance by Marina Vittori Chapter 2002

The black dragon was just a burst of fire, and more than ten Xiaoyao Sect disciples were killed on the spot.

No bones remain.

"What?!"

Seeing this scene, everyone was shocked.

Each one of them felt as if they had seen a ghost, full of fear.

They all know the strength of Xiaoyao Sect disciples. Although they are not as good as top forces like Stone Dragon Sect, they are still among the best in the world.

More than ten people attacked together and used various methods. Not only did they not hurt the black dragon at all, but they were completely burned by the black dragon.

Such a scene is really too terrifying.

Even the disciples of the Xiaoyao Sect died when they met him, so how could the rest of the forces fare better?

"This, this, this... what kind of monster is this? It can actually breathe fire?!"

"What a weird flame! It can turn people into ashes in just one breath. It's so scary!"

"....."

Looking at the black ash on the ground, everyone became uneasy.

They all distanced themselves and retreated, for fear of being contaminated at all.

The monsters they encountered before basically relied on their strong bodies to fight.

However, the black dragon in front of them can spit out flames, and its power is astonishing.

Really unexpected.

This alone is enough to prove that the black dragon is extraordinary.

For a time, most people gave up.

Although the treasure is very tempting, with the black dragon blocking it, they have no chance at all. If they are stubborn, they will only risk their lives.

"Retreat first!"

With the example of Xiaoyao Sect, all forces began to retreat quickly, not daring to confront the black dragon at all.

"Humph! What a bunch of trash! I still have to take action myself!"

Looking at the frightened people, Billy Ruso couldn't help snorting, and finally stood up.

He originally planned to reap the benefits of being a fisherman, but he didn't expect that all the disciples of the various sects were nothing but losers, and none of them could fight.

He can't do anything now.

"Bastard! Look back! Your opponent is me!"

Billy Ruso exhaled, and a powerful breath burst out instantly.

In an instant, strong winds howled and rocks flew around.

An invisible pressure from the Grand Master attracted all the retreating forces to stop and look sideways.

"It's Sharon Dragon Billy Ruso! He's about to take action!"

"Great! With Senior Ruso here, this beast will definitely not be able to cause any big trouble!" "

Everyone wait and see what happens. When Senior Ruso takes care of that evil beast, let's Go in and hunt for treasure again!"

"..."

Billy Ruso's appearance cheered everyone up.

Although they are all elites, most of them are at the level of acquired and innate skills. Only a few can reach the level of half-step master.

However, even a half-step master is still far from a true martial arts master.

As the saying goes, everyone below the master is an ant.

The monsters they can't deal with are not worth mentioning in front of the powerful martial arts master.

So seeing Billy Ruso take action, they rekindled their hopes.

As long as Billy Ruso takes care of the black dragon, they can more or less get a piece of the pie.

"Empty——!"

Billy Ruso's burst of breath quickly attracted the black dragon's attention.

They saw it suddenly opened its mouth, and a long black flame spurted out instantly, rolling towards Billy Ruso overwhelmingly.

"Hmph! Little trick!"

Faced with the surging black flames, Billy Ruso was not afraid at all and struck out with a fierce palm.

"Hoo——!"

A huge white palm shadow, carrying a fierce palm wind, suddenly pressed against the black flames.

The moment the palm shadow touched the flame, there was only a “bang” sound, energy burst out, and sparks flew everywhere.

The black flames spit out by the black dragon were defeated by Billy Ruso with one palm!

”As expected of Billy Ruso, the Desert Dragon! He is really powerful!”

”Is this the strength of a martial arts master? It’s really eye-opening!”

”Senior Ruso is mighty!”

”...”

Seeing Billy Ruso block it easily The black dragon’s attack made the onlookers’ eyes brighten and they cheered.

They all saw how powerful the black dragon was just now.

Everyone present is an enemy, and anyone who touches him will die.

Only Billy Ruso could confront him head-on and defeat the black dragon’s attack.

This is the difference between ordinary warriors and martial arts masters!

”Empty——!”

As if being provoked, the black dragon once again spit out a ball of black flames.

This black flame was faster, stronger, and lasted longer than before.

At first glance, it looks like a black fire dragon.

”I don’t have time to play with you!”

Billy Ruso didn’t waste time. While dodging the flames, he was already close to them.

He had just seen the black dragon's defense with his own eyes. Ordinary attack methods could not do anything to the opponent.

It is necessary to fight hand-to-hand and use the master's energy to gather into the weapon to break its defense.

"Whoosh!"

Seeing Billy Ruso rushing forward, the black dragon stopped spitting fire, and swung its long tail suddenly, turning into a black lightning and whipping it up fiercely.

"Looking for death!"

Billy Ruso's face turned fierce, and he quickly turned his swords from top to bottom, slashing at the black dragon's tail.

With this power of cutting, Billy Ruso did not hold back at all, instilling true energy all over his body. The two knives in his hands began to glow red and hot, and their lethality was astonishing.

"Whoosh!"

Billy Ruso's two swords slashed hard on the black dragon's tail.

However, the cut in two that he expected did not happen. Instead, his sword broke directly with a "clang" when it hit the scales of the black dragon.

"What?!"

Billy Ruso's expression changed drastically. Before he could react, the black dragon's long tail was already lashing out at his chest.

"Boom!"

There was a muffled sound.

Billy Ruso's whole body was like a sandbag, flying dozens of meters away in an instant, and then fell heavily to the ground, vomiting blood.

For a moment, the entire audience was stunned.
