

Read Married at First Sight Chapter 2740

Married At First Sight Chapter 2740-Hayden's eyes were higher than his head. He had never liked anyone. Oh, he liked men. Now Hayden and Kevin could be said to be a perfect match. When there is Kevin, anyone can often see Hayden. As long as Hayden appears, there will always be Kevin.

Losing a man made many young and beautiful young ladies unhappy, but there was nothing they could do about it.

"Why is this happening?" Shiloh murmured to herself.

Last night, she was still the second young lady of the Farrell family. Today, she is already an abandoned child of the Farrell family.

Matriarch Farrell, the adoptive mother, didn't want her anymore.

She also had no face to face her parents.

Let her go back to find her biological parents?

Her father was still in prison, and her mother...

When Shiloh thought about the misery of her original family, she didn't want to go back.

Even though her biological mother loved her very much, she didn't want to go back. Her native family couldn't bring her any benefits, and she only wanted to get benefits from her.

But her adoptive mother had kicked her out; where could she go? She has nothing left.

The sound of the door opening was heard again.

Shiloh quickly wiped away her tears and looked at the person who opened the door again.

It was her three sisters-in-law who opened the door.

Shiloh's expectant eyes dimmed slightly.

In the past, the three sisters-in-law would have turned towards her, but now...

“Sister-in-law.”

Shiloh still called Erika Sister-in-law.

Erika said, “Hey, this is Shiloh; is it you? Your hair is disheveled, and you’re very haggard. I thought a beggar came from somewhere and was squatting here. I was about to drive the beggar away with my brothers and sisters, but it turns out it’s you. You called me What? Sister-in-law? No, don’t call me sister-in-law.

I don’t have a sister-in-law who is a beggar. My sister-in-law is Kathryn. This sister-in-law needs to be kissed to be powerful. You’re a fake, and you can’t even position yourself properly.”

Anya answered, “That’s right. A counterfeit is always fake. How can she be compared with our dear sister-in-law?”

Amora said, “It can be compared. She has a good figure and screams loudly. But our sister-in-law is a lady, so she won’t scream like a shameless b*tch like her.”

Shiloh’s face turned pale. She lost her mind and didn’t even know how things happened.

She only felt hot, and then she couldn’t remember anything. When she woke up, she was faced with everyone’s horified expressions and Matriarch Farrell’s extreme anger.

When she saw the situation between herself and Holden, she fainted.

She was frightened and also stimulated. She couldn’t accept that any more than anyone else.

Amora said, “Sister-in-law, didn’t Mom say she would be thrown out and driven away? She is still here. When Mom comes back later, will she be angry if she sees her? I think she is the last thing Mom wants to see now. “

Anya suggested: “Let her be blasted out of the villa area, far away. From now on, we don’t have to look at her face.”

Erika also said to Shiloh rudely, “You are so shameless. You are a fake. You dare to look down on us real young ladies. Who do you think you are? You are just a servant’s daughter. You are a b*tch! I really thought you could become a phoenix by flying up a branch. Look where you are now. It’s like a phoenix—not even as good as a chicken, so it’s like a phoenix.”
