Married at First Sight Chapter 2754-Matriarch Farrell looked up at Kathryn for a while, then softened her expression and said, "I know that you are good at pretending to be a pig and eating tigers, and you also have a ruthless spirit in your heart, just like my style, but you are still a little kinder. You must know that in this world, there is no fairness at all; it's all about the weak and the strong."

Kathryn didn't answer.

"You go back."

Matriarch Farrell knew that Kathryn was better than Shiloh, but she would not listen to her in everything. Kathryn had her own ideas.

She was afraid that one day, everything she had worked so hard to obtain would eventually return to the hands of her eldest sister's descendants.

In that case, her work would be in vain. She has worked hard for decades and is still making wedding clothes for others. Even if she dies, she will be so angry that the coffin will be thrown away and the board will jump up.

Kathryn told Matriarch Farrell to take care of herself before leaving the ward.

Matriarch Farrell watched Kathryn leave, then turned her eyes away, then got up and walked back to the ward, sat down in front of the bed, and said calmly, "Kathryn is left."

Holden said, Oh.

He scolded Kathryn in his heart for coming to see him and then leaving without saying a few words of concern. Didn't she see how miserable he was?

At least she should ask him if it hurts.

Matriarch Farrell said, "I kicked Shiloh out of the house. From now on, she is no longer a member of my Farrell family. I will get back everything I gave her. She is just a servant's daughter, occupying the position of my daughter. It is enough to have lived for more than twenty years and enjoyed the glory and wealth that did not belong to her for more than twenty years."

From now on, she would make Shiloh live worse than a beggar.

Matriarch Farrell loved Shiloh before; now she hates her so much.

Even if Shiloh and Holden were plotted

Her anger was also vented at Holden and Shiloh.

Holden wanted to call Matriarch Farrell a madwoman—a cruel madwoman.

In the end, he could only close his eyes and say nothing, and he did not dare to say anything.

“knock knock.”

There was a knock on the door.

Matriarch Farrell got up and walked out, opened the door, and saw Shiloh with disheveled hair and swollen eyes.

“mom.”

Shiloh kneeled down in front of Matriarch Farrell, hugging Matriarch Farrell’s feet tightly with both hands.

“Mom, I was wronged. I was the victim. Mom, you can’t do that to me. I was wronged. I am the victim.”

Shiloh cried.

Matriarch Farrell did not move, letting Shiloh hug her feet and cry.

When Shiloh’s voice became hoarse from crying, she kicked Shiloh on the heart, causing Shiloh to fall backwards and fall to the ground.

There was a bang.

Matriarch Farrell slammed the door to the ward.

“Mom...”

Shiloh got up and rushed over, slapping the door of the ward.

“Mom, I was wronged; I was the victim. Mom, I am your most beloved daughter, Mom.”

Shiloh didn’t dare to break in. She could only crawl at the door and cry, which attracted family members from other wards to come out to see what was going on.

Suddenly, Matriarch Farrell opened the ward door again, stared at her condescendingly, and said coldly, “If you howl here again, I will cut off your tongue and feed it to the dogs! Get out; I don’t want to see you again. You are not my daughter; you were never my daughter! You are the daughter of a servant, b*tch!”

Married At First Sight Chapter 2755-Shiloh said, “Mom...”

Matriarch Farrell said, “Don’t call me mom again; I’m not your mom! If you call me mom again, I’ll cut out your tongue and feed it to the dogs! Your mom is still in the country waiting for you to go back and reunite with her!”

After saying that, Matriarch Farrell closed the door to the ward again.

Shiloh burst into tears but did not dare to cry any more.

Falling from heaven to h*ll was what happened to her.

Holden, who was lying on the hospital bed, heard Shiloh’s cries. He felt distress in his eyes, but he did not dare to say a word.

He closed his eyes when he heard footsteps.

He didn’t dare to look at Matriarch Farrell, fearing that she would see the distress in his eyes.

He knew that he and Shiloh were both finished.

Even if he was not kicked out of the Farrell family, the life he would live in the Farrell family would be worse than that of a pig or a dog.

But for the sake of the Janzen family, he could only endure it.

If he wanted to live a better life, unless his son came to power, it would not be good for him to have a daughter.

Holden secretly swore in his heart that when he recovered from his injuries and was discharged from the hospital, he would help his son seize the throne and rewrite the history of the Farrell family.

...

A rented luxury car was parked at the gate of the Fortress Hotel.

Duncan, who was sitting in the car, sent a message to Liberty that he had arrived in Jensburg.

Liberty thought he was still on the way, but after she received his message, she called him quickly.

“Mr. Lewis.” As soon as Duncan answered the phone, Liberty asked him, “Where are you now? The airport? Wait for me; I will pick you up.”

Duncan said, “No need; I rented a car and drove in front of the Fortress Hotel. If you are in the hotel, you can see me when you come out.”

Liberty said, "Okay, I'll go downstairs right away."

She had just come back from outside because she was thinking about Duncan, who was coming over.

If Duncan hadn't said he was coming today and would arrive around two o'clock in the afternoon, Liberty would not have returned to the hotel and would have been running around setting up her company outside.

She hadn't gone to Queen Enterprise to visit Hayden yet. The Farrell family was very interested in Queen Enterprise's project. Liberty was also very interested after getting a rough understanding of it and wanted to cooperate with Queen Enterprise to achieve a win-win situation.

Liberty picked up the phone, walked to the door of the room, took the room card, and hurried downstairs.

Jim, who lived next door to her room, heard the door open and immediately came out.

Jim asked, "Sister Liberty, where are you going?"

After what happened last night, Jim followed Liberty's footsteps, fearing that if he made a mistake, something would happen to Liberty, and he would not be able to explain it to Zachary, Serenity, and Sonny when he returned.

Sonny was very sensible. Before they left Jensburg, Sonny said to him, 'Uncle Jim, you have to protect my mother.'

Jim promised Sonny that he would bring Liberty back to Wiltspoon safely.

Liberty said, "Mr. Lewis is here. He's at the hotel's entrance. I'll go downstairs to pick him up."

Jim immediately said, "I will accompany you, Sister Liberty."

Liberty did not refuse.

Jim and another bodyguard followed Liberty downstairs.

Duncan had already gotten out of the car, and he came over with the two bodyguards who usually took care of him.

Sitting in a wheelchair, a bodyguard pushed him away, while the other bodyguard acting as driver drove the car and parked it in the parking lot so as not to block the hotel entrance.

People who came in and out of the Fortress Hotel couldn't help but take a second look when they saw Duncan in a wheelchair.
