

An Understated Dominance by Marina Vittori Chapter 2022

Chapter 2022

In the Youlongzong camp, an old man in green snorted disdainfully.

This person's name is Tian Geng, he is an elder of Youlong Sect, and he is already at the half-step master level.

It has a strong foundation and strong combat power, and can even fight against a real martial arts master.

"Elder Tian is right, you are not worthy of negotiating terms with us at all!" Yan Jin said coldly.

They are determined to win now, how can they give away the treasure?

"Although you Dragon Sect and Feixue Sect are powerful, we are not vegetarians. If we really fight, we still don't know who will win!" Margaret said coldly.

She doesn't want to go on a killing spree, but if the other person is aggressive, she won't be polite.

"Hmph! You are really overestimating your abilities! What qualifications do you crooks have to compare with us?" Tian Geng said with great disdain.

Why should a bunch of guys with no hair grow challenge the Youlong Sect?

"Hey! You'd better be polite when you speak, otherwise don't blame me for tearing your mouth apart!"

Dustin took a step forward, stood next to Margaret, and spoke coldly.

He had long seen that the people of the Youlong Sect were unhappy. He was afraid of causing trouble and affecting their search for the dragon's source of energy, so he had been holding back.

Now that the task has been completed, there is nothing to worry about.

“Presumptuous! Who do you think you are? How dare you say such arrogant words to me!” Tian Geng yelled menacingly.

He has the posture of a tiger roaring and a dragon roaring.

“Elder Tian, this boy is very powerful. He killed the black dragon by himself before. It is estimated that he is already at the level of a martial arts master.” Yan Jin reminded him kindly. Of all the people on the opposite side, only Dustin was a threat, and the rest were not worth mentioning at all.

“Ah? This kid is actually a martial arts master? Are you sure?”

Tian Geng’s eyelids jumped in fright, and the momentum he had just weakened instantly, with a look of surprise on his face.

Dustin looked like he was only in his twenties, how could he reach the level of a martial arts master?

Is there such a supreme genius in the southwest world?

Why hasn’t he heard it before?

“Although it’s hard to believe, it’s true.” Yan Forbidden nodded.

“No wonder this kid is so arrogant.” Tian Geng frowned, losing his dignity.

Although he is quite powerful, he is still a little bit behind when it comes to challenging the martial arts master.

“It’s really good to be able to break through to the realm of Grandmaster at such a young age.”

At this time, a middle-aged man in rich clothes walked out slowly, clapping his hands.

The people around him automatically moved out of the way, which showed his majesty.

“Who are you?” Dustin asked calmly.

“Yan Kang, the current leader of Youlong Sect.” Yan Kang, a middle-aged man, said with a smile.

As soon as these words came out, Kevin Snow, Lily Zhang, Leo Alexander and others all changed their expressions.

Yan Kang’s name has long been known to them. He is not only the leader of Youlong Sect, but also the head of the five great masters in the southwest!

The strength is so great that no one can match it!

So far undefeated!

They didn’t expect that even a big shot like Yan Kang would come forward in person.

This is really troublesome!
