

## An Understated Dominance by Marina Vittori Chapter 2023

### Chapter 2023

“Even the head of Youlong Sect’s Yan has arrived. It seems that we are destined to return without success today.” “

Alas...it’s really not as good as God.”

“I thought we could carve out a bloody path. , now we can only surrender.”

“...”

Everyone shook their heads and sighed.

There is no way, Yan Kang is too famous, he is the number one master in the southwest, and his position is unshakable.

Even though Dustin is a young grandmaster, he still has no ability to resist in front of such a top powerhouse.

After all, there is a big gap between master and master.

“Head of Youlong Sect?”

Dustin raised his eyebrows slightly: “Oh~ I remembered it. So you are the number one master in the southwest, the one who is known as the pinnacle of martial arts?”

Judging from Yan Kang’s aura, he is most likely a late-stage master.

This strength can indeed be called a hero.

“I don’t dare to be the number one master, but so far, no one has been able to pass ten moves from me.”

Yan Kang put his hands behind his back, pretending to be humble, but in fact his eyes were full of pride.

As the leader of the five great masters in the Southwest and the undisputed strongest, he has not faced an opponent in more than ten years.

“It’s amazing.”

Dustin clapped his hands and said calmly: “I didn’t expect that the dignified leader Yan would fight with the juniors for some common things. It’s a bit disappointing.” “

Young man, your method of provoking generals It is of no use to me. Treasures like these without owners will naturally be taken over by those who are capable.” Yan Kang’s expression did not change.

“So, there’s nothing to talk about today?” Dustin narrowed his eyes slightly.

“It’s not impossible to negotiate terms with me.”

Yan Kang suddenly changed the topic and said with a smile: “I am a person who cherishes talents and always likes to recruit some young talents. As long as you agree to join our Youlong Sect, I will not only allow you to serve as deputy As for the identity of the leader, you can choose any treasure here.”

As soon as these words came out, the whole place was in an uproar.

Not only Kevin Snow and others were surprised, but a group of people from Youlong Sect and Feixue Sect were also astonished.

No one expected that Yan Kang would offer such generous terms.

The deputy head of Youlong Sect is second only to the head. It can be said that one person is inferior to ten thousand people.

Even several senior elders had to bow their heads.

In addition, Yan Kang also let the other party choose the baby at will.

This love exceeded everyone’s expectations.

“Head! What are you doing? What qualifications does a child with a yellow mouth have to be our deputy head?” Elder Tian Geng was the first to protest.

“That’s right! That kid is just a stranger and has never made any achievements. It’s really hard to convince the public to let him be the deputy leader!” At

this moment, the leadership of Youlong Sect, from the elders to the deacons, were all dissatisfied.

They really couldn’t tolerate a guy with no hair on his head, riding on their head.

“Our Youlong Sect has always spoken with strength. This little brother is already a martial arts master, so he is naturally qualified to serve as the deputy leader.”

Although Yan Kang’s words were plain, they were filled with unquestionable majesty.

The reason why he offered such generous conditions was not only because of Dustin’s strength, but also because of his amazing potential.

At the age of more than 20 years old, he became a martial arts master. His talent was so strong that it was rare to see him in a century.

Naturally, he didn’t want to miss such a great talent.

“Master...”

Tian Geng was about to say something, but was interrupted by Yan Kang raising his hand: “Okay! I have made up my mind, that’s it!”

Seeing Yan Kang’s face getting colder, People around him didn’t dare to say anything more.
