

## **An Understated Dominance by Marina Vittori Chapter 2030**

After a brief rest, everyone set off again.

In this way, I walked back and forth for three days, and finally on the afternoon of the third day, I walked out of the Desert of Death and returned to the desert village where I had temporarily lived.

For three days, everyone was cautious and could not sleep at night, for fear of encountering any danger on the road.

Now that they returned to the desert village, they finally breathed a sigh of relief.

“It’s getting late. Let’s spend the night here tonight. If you have something urgent, you can leave on your own. Sorry.”

At the entrance of the village, Margaret After saying hello, he took his escort and checked into the hotel he had booked previously.

The mission has been completed, and the temporarily formed team should be disbanded.

No one suffered a loss in this trip. They got all the treasures they deserved. From now on, we will go our separate ways without disturbing each other.

“Senior Brother Dustin, I have something to talk to you about. Can you lend me a moment?”

Just as Dustin was about to leave, he was suddenly stopped by Lily Zhang. .

At this moment, Lily Zhang is coy and shy, and anyone with a discerning eye can see something.

“I’m tired. If you have anything to say, just say it here.” Dustin said calmly.

He doesn’t have a good impression of this woman.

“That’s okay, I’ll just say it straight away.”

Lily Zhang smiled sweetly: "Senior Brother Dustin, you are extremely talented and powerful, and our Yuanyang Sect is the best. We need talents like you.

I wonder if you are interested in joining our Yuanyangmen? As long as you nod, I can guarantee that you will be the most valued person in our Yuanyangmen.

In terms of benefits, you can mention whatever you want!"

Is this guy a man? !

However, Dustin seemed not to notice her from beginning to end.

He completely regarded her as nothing and had no good expression at all.

She thinks she has the best looks and figure, but when she acts coquettishly and shows off her power, few men can resist her.

This move not only confused everyone, but also stunned Lily Zhang, who was ogling him.

Dustin said a word with a cold face, turned around and left, no Not the slightest hesitation.

"No, I have no interest in your Yuanyangmen, so I'll take my leave."

This is no longer a hint, but an explicit statement.

There is a bit of blush on her pretty face, which makes her look shy and charming.

"If Senior Brother Dustin is not satisfied with the conditions I offer, why don't we have a long talk tonight?" Lily Zhang smiled charmingly.

Dustin looked at Lily Zhang quietly, his expression did not change at all.

"Have you finished speaking?"

As the saying goes, it is difficult for a hero to be a beauty. I believe a normal man would not reject such a naked suggestion.

Just thinking about it is exciting.

With Dustin's cultivation, once he settles in Yuanyangmen, he will definitely be a hot favorite, and being the groom every night will not be a problem.

If you can join the Yuanyangmen, it is the dream of countless men.

The elites of the major sects in the southwest are proud to marry female disciples of the Yuanyang Sect.

As we all know, when the Yuanyang Sect leader recruits female disciples, he has very high requirements for appearance, figure, and martial arts talent.

As soon as these words came out, people around People's eyes were shining with envy.

Lily Zhang was a little anxious, and quickly stood in front of him, saying with a smile: "Brother Dustin, don't be anxious, just listen to what I have to say.

Most of our Yuanyang Sect are female disciples, and all of them are as beautiful as flowers. Some are also proficient in dual cultivation.

As long as you join us, I guarantee that you will be happy and not miss Shu every day."

"Wait!"

With that said, he turned around and prepared to leave.

"Sorry, not interested." Dustin refused.
