

An Understated Dominance by Marina Vittori Chapter 2036

“Ms. Zhang, I’m a little tired and want to go to bed early. If you have anything to say, just say it.” Dustin still had a cold face.

He really doesn’t want to have too much contact with such a scheming woman.

“Senior Brother Dustin, don’t be so cold.”

Lily Zhang showed a resentful look: “People come to you at night, don’t you understand? What are they thinking about? In fact, from the first time I saw you, I have been fascinated by your unparalleled charm. As soon as I close my eyes, my mind is full of your figure. Tell me, what should I do? Okay?”

As Lily Zhang said this, she moved forward and her slender hands naturally touched Dustin’s strong chest.

Those eyes full of spring water exude a faint light and are full of strange charm, as if they can swallow up people’s souls.

If ordinary warriors take one look at her, they will soon fall in love with her and be captivated by her.

This is Twisted Sisters’s signature charm technique, beauty is weapon!

The fact that Twisted Sisters has been able to establish itself in the southwest for many years and grow stronger is inseparable from the art of beauty drunkenness.

The more beautiful you are and the more advanced you are in the art of charm, the more attractive you will be to men.

Lily Zhang has been practicing the art of beauties since she was a child. It has been more than ten years ago and she has already achieved great success.

Coupled with her proud figure and appearance, few men can resist her.

Kevin Snow from the Golden Knife Sect was fascinated by her because of her charm skills.

She is confident that as long as Dustin has a hint of temptation or desire, she can seize the opportunity, break through the opponent's inner defenses, and capture him completely.

"Hey, haven't you had enough s*x? If you have had enough, go back and rest early, don't hinder my sleep."

Faced with Lily Zhang's flirting, Dustin's attitude still cold, even with a bit of disgust on his face.

"Huh?"

Lily Zhang's smile froze and she was a little unresponsive.

Her charm skills have always been tried and true. Even men with strong determination will have strange expressions as long as they are teased by her.

But Dustin has always been as cold as ice. Not only was he not aroused, but he also had a look of disgust.

She has never encountered this situation before.

"Senior Brother Dustin, I feel lonely and scared at night. Can you accompany me?" Lily Zhang pretended to be weak.

From the previous feeling of enchantment, it soon turned into pitiful.

"No." Dustin said two words without politeness.

"Uh..." Lily Zhang's eyes twitched and she couldn't fix it.

Her charm skills have been used to the extreme. This man really has no desire at all!

At this moment, she could not help but begin to doubt her own charm.

She has always tried Uriah Atkins's charm skills, but why did she have no effect on Dustin?

Could it be that...the other party doesn't like women?

That's right! That's for sure!

Only a good man like Mickey Ellison would be indifferent to her.

No wonder she tried her best but couldn't do anything to Dustin. It turned out that the other party had a special hobby.

"Senior Brother Dustin, in fact, our Twisted Sisters Sect not only has beautiful female disciples, but also some handsome male disciples. If you like them, I can call them over and let you choose as you like. "Lily Zhang smiled ambiguously, with an "I understand you" look.

"Huh?"

Dustin frowned, finally lost his patience, and said impatiently: "Lily Zhang, let me make it clear to you. I'm not interested in men, and I'm even less interested in you. I don't care what plans you have, it's best to give up your thoughts as soon as possible. Now, please leave immediately!"

The last words fell, Dustin's b o d y With a slight shock, a powerful energy burst out, knocking Lily Zhang back a few steps and almost falling to the ground.

With a "bang", Dustin slammed the door directly and went back to the room to sleep.

Lily Zhang, who had been rejected, her originally kind face quickly turned gloomy, and her eyes flashed fiercely.

She asked herself that she had tried her best, even betraying her appearance.

However, Dustin didn't give her any face and kicked her out.

This is simply a naked humiliation!

“Okay! Since you don’t drink wine as a penalty, don’t blame us for being cruel!”

Lily Zhang slowly clenched her fists, and finally left angrily.
