An Understated Dominance by Marina Vittori Chapter 2052

“Stop! If you dare to mess around, I will kill this woman immediately!”

A sharp shout sounded from behind.

Dustin looked back and saw a group of masters from Twisted Sisters and Golden Knife Sect holding Margaret hostage and walking out of the hotel.

Lily Zhang’s knife was placed on Margaret’s neck, and her eyes were particularly fierce.

Dustin frowned slightly, murderous intent began to brew secretly.

He finally figured out that the sudden attack on Twisted Sisters and Golden Knife Sect tonight was most likely related to Lily Zhang.

This woman is really incorrigible.

When she was besieged by the Fantasy Sea Alliance, Lily Zhang would have died if Margaret hadn’t come to the rescue.

Now, it’s good that the other party didn’t know how to be grateful, but actually returned the favor and put a knife on Margaret’s neck.

Damn it!

“Why are you still standing there? Put down the sword!”

Lily Zhang carefully hid behind her, with the blade in her hand close to Margaret’s carotid artery.

She knew that Dustin had feelings for Margaret and would definitely not leave her alone.

“Bang!”

Dustin threw the Sky Sword directly to the ground without hesitation.

To deal with these people, it doesn't matter whether you have a sword or not.

"Kick the sword over and pay attention!"

Lily Zhang ordered again.

Dustin nodded and kicked the hilt of the sword.

The Sky Sword slid against the ground for tens of meters, and finally stopped in front of Lily Zhang.

Seeing this scene, everyone couldn't help but let out a long sigh of relief.

The power of the swords that Dustin had just wielded was so terrifying that even the two masters could not withstand them.

If the opponent has a sword in hand, all of them combined are just moths drawn to the flame.

Only after Dustin's sword was removed, their uneasiness became somewhat calmer.

"Okay, okay! You are indeed my good apprentice, you did a great job!"

Seeing that there was a hostage in hand, Caroline Thorne couldn't help but look overjoyed.

Just now she thought she was going to die, but at the critical moment, Lily Zhang took hostages and stepped forward to save her from danger.

Sure enough, she had not raised this apprentice in vain.

"Master, are you okay?"

Lily Zhang asked aloud.

"You can survive as a master."

Caroline Thorne stood up staggeringly and stared at Dustin with piercing eyes: "This kid is very weird. You must not take it lightly."

“Master, just don’t worry, as long as I have this woman in hand, Even Dustin can’t make any big waves!” Lily Zhang said confidently.

As the saying goes, it is difficult for a hero to be a beauty. No matter how strong Dustin is, he still has corresponding weaknesses.

And Margaret is the opponent’s weakness.

“Lily Zhang, you are playing with fire and burning yourself.”

Dustin said coldly: “I advise you to release the person immediately, so that you can save your life. Otherwise, you will definitely die today!” “

You dare to threaten me? “

Lily Zhang stretched the knife in her hand forward a little, and shouted: “Now that your woman is in my hand, I will let you go east, and I will let you go west. Why do you fight with me?”

” Do you really think you have a chance to win?” Dustin narrowed his eyes slightly.

“Otherwise?”
