An Understated Dominance by Marina Vittori Chapter 2057

“Dong dong dong...”

In the early morning, Dustin heard a knock on the door as soon as he got up.

When he opened the door, he saw Margaret standing outside with a breakfast in his hand.

Soy milk, steamed buns, fried dough sticks, tea eggs, etc. are all available.

“Let’s have something to eat first. I want to talk to you about something.”

Margaret smiled slightly, put breakfast on the table, and then found a chair to sit down.

“Thanks.”

Dustin was not polite. After sitting down next to him, he started eating and drinking.

Although it is some ordinary food, it tastes surprisingly good.

“If you have anything to say, just say it, I’ll listen.”

Dustin took the initiative to ask while chewing on the fried dough sticks.

“This morning, I received some news. Taken together, there are three main things.”

Margaret stood up and brewed two cups of fragrant tea, one for himself and one for Dustin, and then continued: “The first thing is, Longhu Mountain has been experiencing frequent strange phenomena in recent days. My people suspect that it is Because of the dragon’s energy!”

“Oh?” Dustin raised his eyebrows slightly and said thoughtfully: “Longhu Mountain is a blessed place. It is not surprising that it can attract the energy of the dragon source.”

“The second thing is that there is news that a martial arts competition will be held in Longhu Mountain in five days. The winner will get the secret treasure of the Heavenly Master!” Margaret spoke again.

“A martial arts tournament?” Dustin was a little surprised: “Longhu Mountain has always been low-key and not concerned about worldly affairs. Why is it holding a martial arts tournament this time? In addition, what is this Heavenly Master’s secret treasure?”

“That’s what I’m curious about.”

Margaret took a sip of tea and said: “Longhushan has never interfered with Jianghu affairs, but this time it did the opposite. It is really surprising, and all forces in the Jianghu are also very shocked by this.

As for the Celestial Master’s secret treasure, no one knows about it. The only thing that is certain is that the thing that Longhu Mountain attaches so much importance to is definitely not a mortal thing.

So as soon as the news came out, all forces went straight to Longhu Mountain. “

There are only two places that can make the royal family fearful.

One is Xiliang Prince’s Mansion, and the other is Longhu Mountain.

One is Xiliang Prince’s Mansion, and the other is Longhu Mountain.

The former has an invincible army, and the latter has Zhang Xuanji, the best person in the world, at his command.

Although these two places are within the territory of Dragon Kingdom, they are not under the jurisdiction of the royal family.

Mainly can’t control it.

“When something goes wrong, there must be a demon, maybe it’s related to the vision in Longhu Mountain.” Dustin analyzed.

“How about the specifics? Let’s take a trip to Longhu Mountain to find out.” Margaret smiled faintly.

“Oh, by the way, what’s the third thing?” dahlia asked.

“The third thing is just a rumor, but it is not confirmed.” Margaret continued: “There are rumors that the old Celestial Master Zhang Xuanji has reached the realm of heaven and human beings and will become an immortal.”

“Become an immortal?” Hearing this, Dustin couldn’t help but fell silent.

Zhang Xuanji is a legendary figure and a recognized land god.

Its lifespan is nearly two hundred years old.

At this time, the news that he was going to become an immortal was like thunder to the world, whether it was the world or the temple.

“Guess...has the old Heavenly Master really become an immortal? Or has his time come?” Margaret asked in return.

“have no idea.”

Dustin shook his head: “The realm of the old Heavenly Master has reached a level that is difficult for all of us to understand. If anything weird happens to the old Heavenly Master, I think it is normal.”

“That’s true.” Margaret nodded in agreement.

Although many masters in history so-called becoming immortals, they are just deceiving people.

But when it comes to Zhang Xuanji, it’s completely different.

To all living beings, Zhang Xuanji is a god-like existence.

Even if a miracle happens, people will take it for granted.
