

An Understated Dominance by Marina Vittori Chapter 2065

An Understated Dominance by Marina Vittori Chapter 2065

“It seems that the noise in this martial arts tournament is indeed quite big.”

After listening to Yan Buqi’s words, Dustin couldn’t help but nodded thoughtfully.

His main mission when he came to Longhu Mountain this time was to investigate the Qi of Longyuan.

Secondly, it is to gain knowledge and experience, the so-called secret treasure of the Heavenly Master.

Therefore, without affecting the mission, he indeed planned to participate in this martial arts competition and meet the heroes from all sides.

“It’s normal to have a lot of movement. If nothing else, just the three words Zhang Xuanji are enough to attract the world’s masters to gather together!” Yan Buqi sighed.

As a god-like figure, recognized as number one in the world, Zhang Xuanji’s influence far exceeds that of the king of a country.

If such a being launches a martial arts competition, not only the world will be shaken, but even the temples will be trembling with fear.

“Mr. Yan, apart from the three you just mentioned, are there anyone else who needs to focus on?” Dustin suddenly asked.

“Of course there is.”

Yan Buqi nodded: “Actually, all the people on the list of geniuses are the favorites to win this martial arts competition. However, I am not sure yet, who will come and who will not come. After all, the competition is far away. There are still three days left for the competition, and no one knows what will happen during this period.”

At this time, Yan Buqi seemed to have thought of something, and suddenly said: "Oh, by the way, there is another person in Longhu Mountain who deserves special attention!"

"Who?" Dustin was quite curious.

"Have you ever heard of Zhang Yuzhen?" Yan Buqi smiled half-heartedly.

"I have heard that Zhang Yuzhen is a close disciple of the old Celestial Master Zhang Xuanji. He was only selected as the successor of the Celestial Master two years ago. However, this person has always been low-key and unobtrusive. There are few rumors in the world. I also see it. Only after reading the world-shaking list did I know that there was such a number one person as Zhang Yuzhen." Dustin said matter-of-factly.

Zhang Yuzhen is at the top of the latest shocking list.

And he is still a well-deserved dark horse.

And he is still a well-deserved dark horse.

Obviously without any brilliant achievements, just because of his identity as the heir of Longhu Mountain Celestial Master, he is ranked on the world-shaking list.

It is enough to prove that it is extraordinary.

"It seems that Brother Dustin is also a well-informed person."

Yan Buqi smiled slightly: "You are right, Zhang Yuzhen is indeed the heir to the Heavenly Master, and his ranking on the world-shattering list has risen to fifth place, second only to the leader of the Wu Gu Sect, Mo Hentian. Of course, this is just a secret. Ge's calculation is not absolutely accurate, maybe Zhang Yu is really more powerful than Mo Hentian."

"You mean, Zhang Yuzhen will also participate in this martial arts competition?" Dustin narrowed his eyes slightly.

If even Zhang Yuzhen participated in the competition, then the rest of the people would be complete foils.

“That’s not the case.”

Yan Buqi shook his head: “As I said before, this martial arts competition has an age limit. People over forty are not allowed to participate. And Zhang Yuzhen is over forty, so naturally he will not be shameless to compete with the juniors.”

“It’s not Zhang Yuzhen, then why are you talking so much?” Dustin was speechless.

After laying the groundwork for so long, it turns out that Zhang Yuzhen is not participating. Isn’t it all nonsense?

“Although Zhang Yuzhen can’t compete, he has a gifted son named Zhang Yiqing.”

Yan Buqi continued to speak: “It is rumored that this son became a master at the age of seventeen. He has already mastered the Taoism of the Celestial Master, especially the golden light spell and the thunder method. He has practiced it to the point of perfection. Among his peers in the entire Longhu Mountain, no one can do it. It’s so amazing that even the Heavenly Master is full of praise for it.”

“Zhang Yiqing? This name is a bit unfamiliar.” Dustin touched his chin.

“Zhang Yiqing is only eighteen years old this year. He has hidden it deeper than his father Zhang Yuzhen. Although he is not on the list of geniuses, I feel that his true strength is by no means weaker than Lin Yuan, Tang Xin, and Kuang Lang!” Yan Buqi! He said with a serious look.

“Yeah?”
