

An Understated Dominance by Marina Vittori Chapter 2072

An Understated Dominance by Marina Vittori Chapter 2072

After a few glasses of wine, the two parties started talking.

“Sister Liu, I just heard that you are disciples of the Sword Sect. You are here for the martial arts competition this time, right?” Yan Buqi asked tentatively.

“That’s right.” Liu Rushuang nodded.

She has an indifferent temperament and doesn’t like to talk.

“Brother, to be honest, we are here on orders from our master.”

Liu Hongxue, who has a lively personality, smiled and added: “This time the Heavenly Master holds a martial arts competition in Longhu Mountain, it can be said to be a shock to the world. Not only our Sword Sect, but also the Tianxiahui, Wu Gu Sect, etc., will send elite disciples here Participate.”

“Sister Hongxue, did the Sword Sect only send the three of you here?” Yan Buqi asked curiously.

“That’s not true.” Liu Hongxue shook her head: “Actually, the three of us just came here to join in the fun. The real contestant from the Sword Sect is someone else.”

She and Xu Yang were only in the late stage of Xiantian. Although her sister Liu Rushuang was powerful, she could only be regarded as a half-step master.

Compared with those real geniuses, he is still a little inferior, so he cannot represent the Sword Sect in the battle.

“Is there someone else? Could it be Hong Juding?” Yan Buqi raised his eyebrows.

“Hehe, I don’t know that either.”

Liu Hongxue smiled and said: “Senior Brother Hong is a maverick, and the divine dragon never sees its end. No one can say for sure whether he is willing to participate in

this martial arts competition, but if Senior Brother Hong is really willing to participate, then the champion of this competition will definitely be It's the treasure of our Sword Sect!"

Hong Juding is not only at the top of the list of geniuses, but also on the list of amazing people at a young age. He is the ultimate genius of the Sword Sect.

It's a pity that Hong Juding has an arrogant personality and lives alone. No one except the sect leader takes him seriously.

"Hongxue, don't talk too much."

At this time, Liu Rushuang suddenly said: "Senior Brother Hong is indeed powerful. He is the number one genius in the Sword Sect. It is difficult for ordinary warriors to compare with him. But don't forget that there is another person as famous as Senior Brother Hong."

"Who?" Liu Hongxue was startled.

"Qilinzi, Lu Changge." Liu Rushuang spat out a few words lightly.

"Lu Changge? Is he more powerful than Senior Brother Hong?" Liu Hongxue was a little surprised.

"The two of them are in the middle of the pack. Whether they are on the Genius List or the Astonishing List, they are neck and neck, so no one can determine their strength until they have actually fought." Liu Rushuang explained.

"Senior sister, you are trying to increase others' ambition and destroy your own prestige."

"Senior sister, you are trying to increase others' ambition and destroy your own prestige."

Hearing this, Xu Yang said with some dissatisfaction: "What Qilinzi is just in vain, how can he be compared with Senior Brother Hong?"

Hong Juding was the pride of the Sword Sect, and he became the Grand Master at the age of twenty.

Regardless of talent or strength, he is the number one person in the Sword Sect in a century, and even the sect leader of the year is ashamed of himself.

In his opinion, no one can compare to such a genius.

“How can a person who is tied for first place with Senior Brother Hong on the list of geniuses be just an ordinary person? You may not like him, but you cannot have any contempt.” Liu Rushuang said seriously.

The higher the cultivation level, the more valuable the Tianjiao List will be.

“Sister Liu is right, Lu Changge is indeed not simple.”

Yan Buqi, who was sitting next to him, echoed: “Although I have never met Lu Changge in person, I have heard many rumors about him. He is a figure who can overwhelm all the great geniuses in Yanjing and make them unable to lift their heads.”

“Wow? So awesome? Is it fake?” Liu Hongxue’s eyes lit up.

“Of course it’s true.” Yan Buqi smiled slightly: “I heard that Lu Changge is not only talented and outstanding, but also extremely handsome. I don’t know how many women are fascinated by him.”

“I didn’t expect him to be such a handsome guy, that’s great!” Liu Hongxue beamed.

There are too few such outstanding men who are handsome, can fight, and come from a very good family background.

“Don’t be a nymphomaniac. It’s impossible for a genius like Lu Changge to look down on you.” Liu Rushuang poured a basin of cold water down on her.

She naturally knows her sister’s little thoughts.

“Sister! Look at what you said, what’s wrong with me? Why can’t I look down on you?”

Liu Hongxue straightened her chest and said proudly: “Look, your sister, I want to have breasts, good looks, and a brain. I want to be the goddess of countless people’s dreams, okay? I really don’t have any eyesight!” “

Liu Rushuang glanced at her sister up and down, and said coldly: “If you have a face like Yan Buqi, it’s quite possible.”

“Pfft~!”

“Pfft~!”

As soon as these words came out, dustin and Yan Buqi spurted out the drinks from their mouths at the same time.
