An Understated Dominance by Marina Vittori Chapter 2074

“Isn’t it?” Liu Hongxue tilted her head.

“Longhu Mountain has been established for so many years and has never been involved in Jianghu affairs. Now it suddenly and abnormally holds a martial arts competition. Naturally, it has deep meaning.” Xu Yang said.

Selecting talents and bringing glory to the country, if Zhenwusi did this kind of thing, it would still be somewhat convincing.

If it were Longhu Mountain, it would obviously be impossible to hit it with eight poles.

“Then tell me, what’s the deep meaning?” Liu Hongxue asked.

“How do I know? I’m just a melon-eater.” Xu Yang shrugged, knowing his position very well.

“Yan Buqi, since you raised this question, you should know some inside information, right?” Liu Rushuang turned her eyes.

“I can’t tell you the inside story, but I did get some information.”

Yan Buqi said mysteriously: “As far as I know, a strange treasure has recently appeared in the forbidden area behind Longhu Mountain, and this rare treasure will not only affect the rise and fall of the entire world in the next hundred years, but also affect the fate of the country!”

“What baby? Is it so powerful?” Liu Hongxue was shocked.

Liu Rushuang and Xu Yang also looked surprised, somewhat unexpected.

Whether it is the rise and fall of the world, or the prosperity and decline of the country, it is a major event of paramount importance.

“If I guessed correctly, this rare treasure should be related to the Qi of Dragon Origin.” Yan Buqi lowered his voice.

As soon as these words came out, Dustin couldn't help but raise his eyebrows, but he quickly returned to normal.

“The Qi of Dragon Origin? What is that?” Liu Hongxue looked like a curious baby.

“The energy of dragon origin is the essence of dragon veins.”

Liu Rushuang said with a serious face: “The Dragon Protection Pavilion was destroyed some time ago, and the underground dragon veins were transformed into five dragon source energy, which were scattered all over the world. Rumor has it that whoever can obtain the dragon source energy will be destined to return. , the fish jumped over the dragon gate and soared into the sky!”

The Dragon Guard Pavilion was destroyed and the dragon veins were cut off. There had been a lot of fuss at the time, and she had naturally heard about it.

“Really? Are you so awesome?” Liu Hongxue's beautiful eyes widened.

“I have read relevant records in ancient books. Anyone who obtains the energy of Dragon Origin is either a powerful prince or an emperor who rules the world.” Liu Rushuang said.

“Sister Liu is right.”

Yan Buqi took over the conversation and continued: “The Qi of Dragon Source is the most precious treasure in the world. It can make people change their destiny against the will of heaven. Even if a beggar gets it, he can become a being above ten thousand people!”

“etc!”

At this time, Xu Yang seemed to have thought of something, and suddenly said: “If the strange treasure is the Qi of the Dragon Origin, and it hides the forbidden land of

Longhu Mountain, then the purpose of holding the martial arts competition in Longhu Mountain is to determine the Qi of the Dragon Origin. Ownership?”

“Probably!”

Yan Buqi nodded: “Although Longhu Mountain is aloof from the world and does not care about Jianghu affairs, the arrival of this rare treasure is God’s will. It is impossible for Dragon and Tiger to go against the will of heaven. Fortunately, a martial arts competition will be held for us. Fight by yourself, whoever wins will be destined to win!”

“So that’s it.”

After listening, several people couldn’t help showing thoughtful expressions.

If things are really as Yan Buqi said, then this martial arts competition at Longhu Mountain will become extremely fierce.

After all, a treasure like this that can change one’s destiny against the will of heaven is extremely rare.

No force can let it go easily.

“Quick, quick, quick! Someone is setting up a ring in front of you, everyone, hurry up and watch!”

While several people were walking and chatting, a burst of noise suddenly reached their ears.

Taking a closer look, I saw a surge of people ahead, gathering in a certain direction, as if something big was happening.

“Is it so lively? Come on, let’s go over and have a look!”

Yan Buqi became interested instantly. He closed his folding fan and immediately rushed to the place where the incident occurred.
