An Understated Dominance by Marina Vittori Chapter 2076

“The old man is the protector of the world, Dong Qianqiu!” The old man stood with his hands behind his back.

“What? He is Dong Qianqiu?!”

“Tianxiahui is the leader of Jianghu sects. Among them, the top ten protectors each belong to one party. I didn’t expect to be lucky enough to see Protector Dong here today.”

“Mr. Dong has been the protector of the Tianxiahui for many years. He has a high and powerful position. With him here, these two golden turtles can’t cause any big trouble!”

Everyone was talking a lot, and looked at Dong Qianqiu with special respect.

Although many people have never seen Dong Qianqiu, they have heard of his name.

As one of the top ten protectors of the Tianxiahui, Dong Qianqiu is definitely a well-known figure in the world.

Not only is he strong and experienced, he is also highly prestigious and is respected wherever he goes.

“It turns out that you are a master of the Tianxiahui, and you have long admired your name.” The official in the suit nodded slightly.

His attitude was a little less arrogant than before.

The name of the Tianxiahui has long been heard in the Golden Crow Kingdom. Among them, the ten guardians and the four elders are the focus of all forces in the Golden Crow Kingdom.

I didn’t expect to meet such a powerful person in the first battle. I have to say that today was not in vain.

“Let’s not talk nonsense. Aren’t you Golden Crow Kingdom warriors going to fight in the ring? We Dragon Kingdom warriors will accompany you to the end!” Dong Qianqiu held his head high and said: “Tell me, how do you want to fight?”

“The decisive battle in the ring is naturally one-on-one.”

The butler in a suit stretched out his hand to lead Yayoi Kusama, who was sitting next to him drinking, and said loudly: “My young master will fight you three times today. You can choose any warrior to come on stage. As long as you can beat my young master, the famous sword ‘Onimaru’, we will give it to you.” Give in.”

“We don’t care about famous swords but not famous swords at all. We will use our strength to prove how stupid your behavior today is!” Dong Qianqiu said coldly.

“Then let’s wait and see.”

The butler in a suit smiled slightly and followed: “For the first challenge, I would like to ask if you would like to go on stage in person and compete with my young master?”

Dong Qianqiu glanced at Yayoi Kusama and snorted coldly: “Huh! A kid with no hair, is not worthy of me personally taking action, otherwise the victory will be in vain.”

Yayoi Kusama was only in her early twenties. As a protector of the World Association, he was highly respected and did not bother to fight against such a junior.

Recently, due to the martial arts competition, many young talents have come to Longhu Mountain. Picking one or two out of them is enough to cope with it.

“Everyone, who of you is confident that you can defeat this man and bring glory to the country?”

Dong Qianqiu spoke loudly and looked around, trying to find a suitable candidate.

“I’m sure! Let me do it!”

“Come on! With your little strength, it’s better not to go up and embarrass yourself. It’s best for me to do it!”

“Kusama’s surname is from a famous family in the Golden Crow Kingdom. Yayoi Kusama dares to travel thousands of miles to challenge Longhu Mountain. He is definitely not an ordinary person. Those with average strength should not join in the fun.”

“That’s right! If you lose, it will not be your own face, but the face of the entire Dragon Kingdom warriors. Only a genius like me can be sure of victory. You all get out of the way!”

“...”

At this moment, many young talents and masters began to compete for it.

On the one hand, they couldn’t stand the arrogance of the Golden Crow Kingdom and planned to teach the other party a lesson.

On the other hand, this is Longhu Mountain, a place where many geniuses and masters gather. If you can block everyone’s faces, defeat the warriors of the Golden Crow Kingdom and win glory for the country, you will definitely become famous all over the world!

Publicly and privately, they were unwilling to miss this opportunity.
