An Understated Dominance by Marina Vittori Chapter 2094

“Damn it! Although the little devil is very hateful, we can’t take it lightly! What on earth is this guy doing?!”

“Even if you have weapons, you may not be able to defeat them. If you don’t have weapons, wouldn’t you be beaten to death?”

Everyone was talking and talking.

No one expected that Dustin would dare to say such arrogant words after losing two games in a row.

“Is this guy crazy? Fighting Yayoi Kusama with bare hands, what’s the difference between this and seeking death?” Xu Yang was surprised and confused at the same time.

“Hmph! In my opinion, he just broke the pot and knew that he couldn’t defeat the little devil, so he used this method to leave himself a way out. Even if he really loses, he will make excuses and use I don’t have a weapon to evade, so I’ve seen through this little trick a long time ago!” Liu Hongxue looked like she was scheming.

“So that’s it.” Xu Yang suddenly realized.

This kid Dustin is such a thief. He obviously can’t beat him, but he still wants to be in the limelight, so he plays such dirty tricks. It’s really shameless.

“People from the Dragon Kingdom, if you don’t use weapons, I won’t accept your challenge because it’s unfair.” Yayoi Kusama said seriously.

As a warrior, winning must be fair and aboveboard, and cannot be questioned at all, otherwise it will be meaningless for him to set up a ring at the foot of Longhu Mountain.

“Little brother, don’t be careless in this battle. If you have any weapons, just show them out!” Dong Qianqiu advised.

Flying needles can only be regarded as hidden weapons. If you fight head-on, you will need weapons such as swords, guns and sticks to get by.

“Okay, then I’ll choose a weapon on the spot.”

Dustin nodded, then glanced around and quickly found the target.

I saw him walking to a big tree, breaking off a branch and holding it in his hand, then waved it gently, nodded with satisfaction, and said: “Here...this is my weapon.”

“...”

The corners of Dong Qianqiu’s mouth twitched, and he was speechless for a moment.

Not just him, when he saw Dustin using branches as weapons, the surroundings suddenly became silent, and everyone looked shocked.

They really didn’t expect that the weapon in Dustin’s mouth was actually such a thing.

Is this guy right?

He actually used an ordinary tree branch to fight against Onimaru, the famous sword of the Golden Crow Kingdom. What is the difference between this and bare hands?

If you really want to say it, this kind of behavior is more arrogant and humiliating than using bare hands!

“Look! Look! I told you earlier that this guy just wants to show off and has no intention of winning!” Liu Hongxue was so angry that she almost jumped up, looking like she hated iron.

“Clown! What a clown!” Xu Yang shook his head.

Although Liu Rushuang said nothing, her beautiful eyebrows also wrinkled.

Dustin’s behavior showed that he did not take Yayoi Kusama seriously at all. She really didn’t know where the other party’s confidence came from.

“Bold maniac! You will pay the price for your actions!” the suit butler roared.

That’s too much! What a deception!

A humble man from the Dragon Kingdom dares to look down on the noble people from the Golden Crow Country. He is simply ignorant of life and death!

“Dragon people, what do you mean?” Yayoi Kusama frowned, her face looking a little ugly.

“It’s enough to deal with you.” Dustin raised the branch in his hand.

“Are you insulting me?” Yayoi Kusama said with a stern face.

“Otherwise?” Dustin said with a matter-of-fact expression: “You openly challenge the warriors of the Dragon Kingdom, do you still expect me to be polite to you?”

“Dragon people, you succeeded in irritating me, you will die!”

Yayoi Kusama gritted her teeth, stopped talking nonsense, and directly chose to take action.
