An Understated Dominance by Marina Vittori Chapter 2096

Yan Buqi turned his head and glanced at Liu Hongxue with a half-smile.

“Hmph! What’s so big about that? The knife just now was just a tentative attack by the little devil. It didn’t exert any force at all. Even a pig could have blocked it!” Liu Hongxue still scoffed.

Hearing this, Yan Buqi just smiled faintly, but Xu Yang, who was standing next to him, had a strange expression on his face.

Although he knew that Liu Hongxue was talking about Dustin, it sounded strange to him.

After all, he didn’t even block Yayoi Kusama’s sword.

Doesn’t this mean that he is worse than a pig?

It’s so silly and hurtful.

“Dragon Countryman, you are more powerful than I expected, but unfortunately, you still have to lose today!”

After the brief surprise, Kusama’s expression quickly became serious.

The blow he just made took at least seven points of force, but it was easily resolved by Chase Lu. This is enough to prove that the opponent is very strong.

Much stronger than the Chen Xingwen he met in the previous game.

Chen Xingwen only had outstanding marksmanship and did not put any pressure on him, but the sharpness shown by the person in front of him made him realize that this was a powerful opponent!

“Why are you talking so much nonsense? Come here if you can.” Chase Lu waved his hand provocatively.

“Okay! Today I will show you the true martial arts of our Golden Crow Kingdom!”

Yayoi Kusama slowly sheathed the knife, then lowered her body and leaned forward.

One leg was in a lunge, the other was slightly bent, one hand was holding the scabbard, and the other was holding the handle.

In an instant, his entire aura became different.

A trace of blood-red smoke slowly emerged from the body, like steam.

“Huh~!”

Yayoi Kusama exhaled a breath and slowly closed her eyes.

His entire body was shrouded in blood-colored smoke. From a distance, he looked like a dormant beast, ready to attack at any time.

“What’s going on? This little devil seems to be trying harder?”

“The momentum is different, he must be serious!”

“It’s broken! This is the starting move of Feitian Yuken style! That little brother is in danger!”

One person saw the clues and couldn’t help but change his expression.

“The Flying Sword Style? Is it the famous skill of Ko Seijuro, the sword master of the Golden Crow Kingdom?”

“That’s right! Ko Seijuro is known as the strongest swordsman in the Golden Crow Kingdom, and the Flying Sword Style he created is even more amazing! Once used, no one can stop him! With this unique skill, Ko Seijuro has killed many people. The great master of Korea!”

“Oh my god! Even the Grand Master can be killed, but the Feitian sword style is so powerful?”

“Kusama Yayoi knows the Hiten Sword Style, so she must be the direct disciple of Koseijuro. Although she is not as powerful as Koseijuro, she is definitely not something that ordinary people can stop!”

“It’s over, it’s over! Even the Feitian sword style has been used. Our warriors from the Dragon Kingdom are doomed!”

“...”

After recognizing the flying sword-style starting move, Kusama Yayoi’s identity was quickly guessed.

For a moment, all the warriors in the Dragon Kingdom couldn’t help but panic.

Ko Seijuro, known as the strongest swordsman in the Golden Crow Kingdom, is a mythical figure to the entire Golden Crow Kingdom.

Yayoi Kusama can become the disciple of Ko Seijuro, so she is naturally extremely powerful.

Especially since the opponent is also proficient in Ko Seijuro’s unique skill, the Flying Sword Style.

In this situation, Chase Lu had no chance of winning.

Let alone victory, whether he can survive or not is a question.

You know, Feitian Yujian style is all about being fast, accurate and ruthless!

He drew his sword and struck out so fast that no one could see clearly.

Those who encounter the Feitian Yujian style are often killed before they can react!
