An Understated Dominance by Marina Vittori Chapter 2107

Seeing the sudden appearance of the uninvited guest, all the warriors of the Golden Crow Kingdom were like Taro Kusama, pressing their hands on the hilts of their swords, their eyes alert, as if facing a formidable enemy.

There is no way, these blond men and women are too oppressive.

“Kusama-kun, long time no see. How have you been lately?”

A burly, middle-aged man with a delicate beard and oily hair walked up and said hello with a smile.

“Bailey? Is that you?!”

Taro Kusama took a closer look and couldn't help but look surprised: “Weren't you imprisoned by the gods? Why...”

He looked back and forth, but hesitated to speak.

In his memory, Bailey, known as the Bear King, has always been the sworn enemy of the pantheon of gods. He was once issued a red notice by the pantheon of pantheons, and a large number of experts were deployed to round him up.

Bailey was secretly imprisoned by the pantheon for several years.

Unexpectedly, Bailey would come out now, and even mix with the people from the temple, which was really unexpected.

“Kusama-kun, your news is out of date. I was free as early as a year ago.”

Bailey grinned, showing his big white teeth: “And now, I have joined the Hall of Gods and been reused by the organization. I am fortunate to become the new generation Pluto of the Hall of Gods!”

“What? You joined the Pantheon and became the new Pluto?” Taro Kusama’s eyes widened and he looked even more surprised.

The top combat power of the pantheon of gods is composed of the twelve major gods and the four major god kings.

Hades, the king of Hades, is one of the four great god kings.

The power has reached its peak!

With the strength of Bear King Bailey, he is indeed qualified for the position of Pluto.

But the problem is that Bailey used to be a prisoner held by the temples, but now he has become the god king of the temples. It is really incredible.

It felt like two people who had a grudge against killing their father suddenly became close friends.

How bizarre!

“Kusama-kun, there is no need to make such a fuss. The temples respect the strong. As long as the fist is strong enough, you will have the opportunity to be promoted and make a fortune. How about you, are you interested in joining us?” Bailey grinned and lit a cigar for himself. .

“Bailey-kun, don’t be ridiculous. Our Kusama family values tradition and will never serve outside forces.” Taro Kusama shook his head.

“Oh~! That’s such a shame!”

Bailey spread his hands: “With your ability, Mr. Kusama, as long as you join the pantheon of gods, you will definitely be able to sit on the position of a god. You also know that since the pantheon of pantheons invaded the Dragon Kingdom a year ago and failed to ambush the King of Xiliang, We have lost a lot of key personnel, and now is the time when we are short of people.”

Speaking of which, he had to thank the ambush for causing heavy losses to the temples.

Otherwise, he would never be able to let go, let alone sit on the throne of Hades.

“Pele-kun, you came all the way here just to talk about this, right?” Taro Kusama asked tentatively.

“Kusama-kun, I heard that you are also near Longhu Mountain, so I came here to visit and discuss some important matters.” Bailey said with a smile.

“I wonder what Bailey-kun is referring to?” Taro Kusama asked.

“Your Golden Crow Kingdom and our pantheon of gods have the same goal, but it is very difficult to accomplish this, so I suggest that it is best to cooperate.”

Bailey took two puffs of his cigar and continued: “The current Dragon Country is different from the past. It is growing too fast. Its comprehensive national strength has ranked second in the world, second only to our Lighthouse Country, and at this terrible speed If it continues to develop, within ten years, the Dragon Kingdom will catch up with our Lighthouse Country and become the strongest in the world!

I believe this is not the result our two countries want to see.

After all, compared to our Lighthouse Country, the people of the Dragon Country hate your Golden Crow Country even more.

Once the Dragon Kingdom develops and grows, it will be a huge threat to both you and me! “

Hearing this, Taro Kusama’s face became solemn.
