An Understated Dominance by Marina Vittori Chapter 2108

A few decades ago, the Dragon Kingdom was indeed very weak, and the Golden Crow Kingdom was ahead of the Dragon Kingdom in all aspects.

But now, we have to admit that the positions of the two parties have been completely reversed.

If the Dragon Kingdom is allowed to develop, sooner or later, the Golden Crow Kingdom will pay a heavy price.

Therefore, in recent years, the Golden Crow Kingdom has been trying every means to hinder the development of the Dragon Kingdom.

Any opportunity to weaken the Dragon Kingdom cannot be missed.

This is also the reason why he came to Longhu Mountain.

“Bailey-kun, how do you plan to cooperate?”

After a long silence, Taro Kusama finally asked.

With the power of the Kusama family, it would be too risky to take action in Longhu Mountain.

It would be different if there were helpers.

“I have two plans. As long as they are implemented normally, it will definitely be a heavy blow to the Dragon Kingdom.” Bailey said meaningfully.

“Bailey-kun, can you tell us in detail?” Taro Kusama was a little curious.

“The first plan is a conspiracy.”

Bailey smiled and said: “We can use the name of the Longhu Mountain Martial Arts Tournament to send a few masters to disrupt the situation and compete for the

championship. As long as we succeed, we will not only get the secret treasure of the Heavenly Master, but also dampen the arrogance of the Dragon Kingdom warriors.” .”

“Bailey-kun, there are so many new generation masters in the Dragon Kingdom. There are many talented people. It is not easy to defeat these people and win the championship.” Taro Kusama shook his head.

He has been paying attention to matters related to the Dragon Kingdom, including some major events in the world, and he is aware of them all.

He knew very well that it would be difficult to stand out among the geniuses in the Dragon Kingdom.

“Don’t worry, Mr. Kusama, I have already found a few good candidates, and they will definitely be able to surprise the warriors of the Dragon Kingdom.”

Bailey smiled confidently: “Of course, it would be better if you add your son Yayoi Kusama. I heard that he is the direct disciple of Gu Seijuro and has learned the flying sword style. Genius, it’s time to make a splash!”

“Well.....”

As soon as these words came out, Taro Kusama couldn’t help but his face froze, and he didn’t know how to respond.

“What? Isn’t your son here?” Bailey was a little surprised.

According to the information he received, Yayoi Kusama should have followed Taro Kusama to Longhu Mountain.

“Yayoi is here, but something unexpected happened not long ago.” Taro Kusama hesitated.

“Accident? What happened?” Bailey asked.

“Not long ago, Yayoi set up a ring in the center of the town to challenge the warriors of the Dragon Kingdom. Because he was too sharp, he was tricked and now he is injured.” Taro Kusama explained tactfully.

“This kid is quite brave, but he doesn’t use it in the right way. He still needs to practice and practice.” Bailey smiled heartily.

“Yeah, it’s a bit overwhelming.” Taro Kusama shook his head helplessly.

“It’s a good thing for young people to be arrogant. Only the strong can be arrogant, and the weak can only grovel.” Bailey said.

“Let’s not talk about him anymore, Bailey-kun, what is your second plan?” Taro Kusama changed the subject.

Bailey glanced left and right, lowered his voice, and said mysteriously: “Regarding this, we will keep it secret for the time being. At eight o’clock tonight, I will bring some friends over to discuss it with you. You will naturally know by then. “

“Bailey-kun, do you need to be so careful?” Taro Kusama was intrigued.

“There is a saying in the Dragon Kingdom, which is to be careful in sailing the ship of ten thousand years. We will see each other for eight years tonight.”

After Bailey finished speaking, he made a gesture, and then left with a group of people in a hurry.
