An Understated Dominance by Marina Vittori Chapter 2109

“Master, is Bailey trustworthy?”

After the people from the temple left, a one-eyed warrior lowered his voice and spoke.

“Except for the Kusama family, no one is worthy of trust.” Taro Kusama shook his head.

The Bear King Bailey he knew before was a foolhardy and pushy guy.

But now, the other party seems to have changed a lot.

“Master, since Bailey is not trustworthy, do we still want to cooperate?” the one-eyed warrior continued to ask.

“certainly.”

Taro Kusama narrowed his eyes and said: “Whether it is our Golden Crow Kingdom or the Western Gods of Gods, they all have a common enemy, and that is the Dragon Kingdom! What we have to do is to disrupt the Dragon Kingdom and curb the development of the Dragon Kingdom. In this Under the premise, even if the two companies have different intentions, as long as they have the same goal, they can cooperate.”

“I understand!” The one-eyed warrior nodded heavily.

To put it bluntly, the so-called cooperation means using each other and taking advantage of each other’s momentum.

“Hurry up and prepare. Tonight’s meeting is very important. Always pay attention to the surrounding trends and do not leak any information.” Taro Kusama ordered.

“Hi!”

The one-eyed warrior responded and led the people away.

Time passed quickly, and it was already night in a blink of an eye.

Taro Kusama prepared tea and snacks in advance and waited quietly for the gods to come.

Before eight o'clock in the evening, there was a knock on the courtyard door, and Bear King Bailey came to visit again.

It's just that compared to the daytime, Bailey's trip this time became extremely low-key. Not only did his cloak cover his face, but he also only brought two close followers.

"Mr. Bailey, I have been waiting for you for a long time. Please come inside."

Taro Kusama stood up to greet them and invited the three Baileys into the living room.

"Kusama-kun, I kept you waiting for a long time."

Bailishi sat down and reminded: "What happened tonight must be carefully kept secret, so that your warriors should be alert and don't let the news leak out."

"Please rest assured, Mr. Bailey, I have spies in all directions, and no disturbance will escape my eyes." Taro Kusama promised.
