An Understated Dominance by Marina Vittori Chapter 2122

It was just a little short of biting off its carotid artery.

At this moment, the one-eyed warrior was so frightened that he froze in place and did not dare to move. He even stopped breathing unconsciously.

For just a moment, he seemed to have fallen into hell, and there was only the word fear deep in his heart.

Because he knew that the guy in front of him was not a human at all, but a bloodthirsty monster!

“Bailey, your friends don’t seem to welcome me when I come all the way here for an appointment. Although I am a gentleman, I don’t like being pointed at a knife.”

The figure named William slowly turned around, changing from the fierce and violent attitude just now, and showed a seemingly kind smile.

“William, if you took the main entrance, you wouldn’t have this misunderstanding.”  
Bailey smiled.

“This is my unique style. You roughnecks, of course, won’t understand it.”

William threw away the tachi fragments in his hand, and then took out the white silk scarf and wiped his hands with great care.

“Kusama-kun, let me introduce you.”

Bailey stood up and introduced to William: “This is my old friend William, who comes from the Royal Knights of the Empire where the sun never sets, and now holds the position of deputy leader.”

“The sun never sets on the Royal Knights?”

Taro Kusama frowned and blurted out: “Could it be that you are the legendary William the Blood Demon?!”

As soon as these words came out, all the warriors of the Golden Crow Kingdom looked horrified.

Especially the one-eyed warrior couldn't hide his fear.

Blood Demon William is a terrifying existence in the Empire where the sun never sets.

It feeds on human blood, is powerful, cruel, and possesses the legendary immortality!

No matter how badly injured you are, even if your head is chopped off, as long as there is blood to replenish it, you can recover as before.

This is the horror of the Blood Demon!

They really didn't expect to see such a living demon here!
