An Understated Dominance by Marina Vittori Chapter 2144

## Chapter 2144

It didn't know when it started to rain, and the cold wind blew with a biting chill, which made many people feel trembling with coldness, and they couldn't help but feel a little less drunk.

"Look...what is that?"

At this time, Xu Yang suddenly pointed to the street entrance ahead.

Everyone followed his line of sight and saw a man wearing a raincoat and a bamboo hat walking towards him.

The man held the knife in both hands, lowered his head, and walked in the rain, hiding his entire face in the darkness, looking very mysterious.

"There is murderous intent, everyone, be careful!"

Liu Rushuang's beautiful eyes narrowed and she subconsciously held the hilt of the sword.

Judging from the murderous look on the man in the coir raincoat, it was obvious that he had come with bad intentions.

"Da da da....."

The steps of the man in coir raincoat stepped into the stagnant water, making crisp sounds.

Along with it, there were splashes of water.

Soon, the man in the coir raincoat walked to stand in front of everyone, then slowly raised his head, revealing a pair of cold eyes, and asked: "You... who is Dustin?"

“Um?”

Dustin looked the man up and down and found that he didn't recognize him, which was a little strange.

Could it be that he was a killer sent by the Golden Crow Kingdom?

“Who are you?!” Yan Buqi asked.

The man in the coir raincoat did not answer directly. He glanced back and forth and continued to ask: “Who is Dustin? Stand up immediately!”

“I'm Dustin.” Dustin took two steps forward and asked, “Who are you?”

“Crazy!” The man in the raincoat said coldly.

“Craze? Never heard of it.” Dustin shook his head.

“It doesn't matter if you didn't know it before, but soon, you will remember this name and feel scared because of it!” Kuangchao said in an arrogant tone.

“You want to kill me?” Dustin narrowed his eyes slightly.

“I want to challenge you!”

Kuang Chao still looked cold: “You defeated Yayoi Kusama and robbed me of the glory that should have belonged to me. Now, I will take it back with my own hands!”

Hearing this, Dustin couldn't help but be speechless.

After doing it for a long time, it turned out that this guy was just trying to become famous.

“Hey! Are you having a brain problem?”

Xu Yang couldn't stand it any longer, and said angrily: “Brother Dustin defeated the little devil. That was to bring glory to the country. What do you think is going on now? Are you deliberately looking for trouble?!”

“I’m not talking to you, get away!” Kuangchao said unceremoniously.

“Hey! You kid!”

Hearing this, Xu Yang became furious instantly: “Who do you think you are? How dare you act so arrogant here? You want to challenge Brother Dustin, right? OK! You ask me about the sword in my hand first!”

After all, he is a disciple of the Sword Sect, so he is naturally not afraid of a little guy.

“act recklessly!”

Kuangchao snorted coldly.

Without saying anything, he just drew his sword.

“Uh-huh!”

There was no warning, only a sharp sword light was seen, slashing towards Xu Yang with lightning speed.
